Dear Officer Wilson,

Its unfortunate the DA decided to not file despite the evidence but I still must thank you for YOUR efforts and care.

I Commend you for taking the time to help,

It is Police Officers like you that give citizens like us the continued hope in a safer and productive community. Please continue to shine.

Best Wishes,
Richard

Dear Officer Wilson,

The attached files include:

- A quote for the replacement aluminum sign.
- A quote for replacement camera on Yucca Street.

- A quote for the replacement brass sign.

These quotes total \$1,019.00 for the items; this is without labor or customization needed.

I already sent pictures of the damage he caused and video evidence to show that he did this.

Best,

Richard

Jose,

- Tomorrow is Leron's retirement luncheon and they won't be able to attend.
- we don't have a banner, however, we can have our station flag along with the USA flag near the entrance to the gym in the hallway. If ABS has a banner they want to bring we can make arrangements to hang it prior to the event so we can use it during pictures as well.
- The chamber is letting us borrow a ribbon and scissors.
- LAPD's media relations was notified of tomorrow's event. They put the information out to all media channels. We won't know if anyone is attending...I guess it all depends on how busy LA is tomorrow in terms of events.
- per our conversation yesterday night. I'll speak with Captain Palka and he'll MC the event.

Lastly, will the last items be installed today prior to ceremony tomorrow?

Team, I wanted to share with you some thoughts on what I am proposing for Thursday's ribbon cutting event at the gym. Please note some questions as well.

Confirmed attendees: Captain Palka
Samir Svirastava
Councilmember Mitch O'Farrell
Baydsar Thomasian (St. Senator DeLeon's office)

Tentative: Councilmember David Ryu

Question: Is anyone from the Hollywood chamber attending?

Audience: 20-50 police officers
Samir will invite a few community folks

Set-Up: Main event to occur in hallway outside gym (LAPD will ensure that hallway is cleaned)
Eddie, Anibal, and me will arrive early to set-up

Table set up for refreshments and finger foods (LAPD will provide refreshments, ABS will provide finger foods)

Does LAPD and/or ABS have a large banner to hang as backdrop?

Does LAPD have "golden scissors" for ribbon-cutting, or do we ask CD13 to provide?

Will LAPD Media relations be present, take photography?

Proposed Emcee for event: Captain Palka
Key message: The previous condition of the gym and how the new gym lifts morale

Captain Palka introduces Councilmember:
Key message: The importance of seeking private/public partnerships to bring resources to our public facilities

Captain Palka introduces Baydsar:

Key Message: Public sector has responsibility to ensure that police officers have adequate facilities

Captain Palka introduces Samir:

Key Message: I am a long-time booster of the Hollywood Division and believe in forging partnerships with community and LAPD; Samir recognizes contractor and other sponsors

Captain Palka closes speaking portion and invites all attendees to gather around the main door to cut ribbon.

All attendees and guests enter gym to take ceremonial photos and do a "ceremonial" lift of some weights.

Team, please review this and, if possible, respond to questions. After additional feedback tomorrow, I will provide update tomorrow night.

Thanks

Jose

Good morning all,

Please remember to stay in contact with Councilman Mitch O'Farrell's Office about the parking restrictions and funding for a beautification project. In the meantime, we will continue to advise and enforce where we can.

As for efforts to clean yourselves, it has a positive effect. The Church of Scientology has a clean-up effort once a month. Some of the homeless appreciate the social engagement and willingly participate. Please if you decide to undertake this...be extremely careful. There are needles and human waste that are very possibly infectious. The clean-up operations supervised by Bureau of Sanitation have safeguards in both training and supplies to address this hazard.

Another possibility could be - maybe we can organize some potluck barbeque party for our tenants... We have a lovely patio...

I want thank Officer Diaz, I believe it was, and his partnering female officer for their continued support of the situation. The homeless people came out of their tents, and I was able to speak with them. I listened to them, and they listened to me. I think a little empathy went a long way. They don't like their situation anymore than we do. They know it's dangerous, and they don't have the security of a gate and a front door with a deadbolt. Homelessness is an epidemic in our city. We can spend a lot of time and effort trying to move them to a different spot, only to have another, and potentially more dangerous situation on our hands. I made a deal with them. I gave them my broom, dustpan, and some trash bags. I made them about 20 breakfast tacos (I'm originally from Austin, it's what I know). They agreed to keep the street clean, and keep out any mentally unstable and potentially dangerous people. I told them that I would continue to provide them with trash bags (which I have), food when I can, and cold water on a hot day (which I did when it got up over 100 degrees last week). I also said I would speak to everyone on this email chain about potentially doing the same.

I want to thank the LA Dept of Sanitation for coming by to pick up the trash that they accumulate. I know situations like this are all over the city, and there is more trash than we know what to do with. If anyone on this chain would like to help, and you don't feel comfortable going down there on your own. you are more than welcome to contact me, and I will come get what you have and take it down there. I think the situation has improved in the last two weeks, but this is going to take a constant effort. There is also another group of people I am in contact with over in Whitley Heights that organize once a month to make sandwiches for the homeless and hand them out around the neighborhood. I will be participating in their next outing on August 5th. I am happy to provide more information on that too if you would like.

We all work, and we are all busy. If you catch yourself saying, "This is disgusting, someone should do something," you can do something. This might be a small effort, but it's a step in the right direction, and I think that's what this country needs right now.

Hi Jordan,

I agree. And I've been doing it as much as I could. It is a challenge to do it when the tents are around and you have to go around them. They get angry about disturbing them. After all, they consider the tent to be their home.

And it is correct; *the homeless situation is of epidemic proportions across the city.* Look at downtown LA - it is covered with tents.

I am all for it. We can create a schedule who can do it and when?! The trash truck usually comes on Monday mornings around 9 a.m. I tried in the past to gather everything on the street before they drive around here, so they can pick up the trash from the street, that is appropriate for them to pick up. The bigger pieces I collect and put in the garbage bag myself.

I do not feel comfortable, as a girl, to gather stuff from around many young guys sitting on the street corner... And that is not something that will totally resolve the problem. Summer is here and they have to use the bathroom, which will make this street smelling really bad, bring flies.

But we surely can pick up the trash, because they will not or maybe will if they see us doing it?! Who knows...

I appreciate the effort that the LAPD has made. I understand that the homeless situation is of epidemic proportions across the city. There is only so much people can do. I want to talk about what WE CAN DO. We, as a community, can decide to clean up our own streets. If we attempt to wait it out, like we have for what is coming up on a year, then the situation will just keep repeating itself. Which, is exactly what has been happening already. This isn't going to be pleasant, and it's not going to be easy. We can get push-brooms, trash bags, and gloves to clean up. There is a dumpster 100 feet from where the majority of the trash is left. If the drug addicts and people who litter aren't going to clean up after themselves, that means someone else has to, literally, clean up the trash on the street and throw out the garbage. It's a start. Let's at least talk about it. We can do that.

Hi Sgt Geaney,

I remember when we all met you said something along the lines of that the people in the tents couldn't be asked to move because their tents were technically only taking up half of the sidewalk (though no one ever walks on that side anyway because of all the littering and waste). Now, there are people on the other side that do take up that whole walkway of the sidewalk, yet they're there every day. Today they also had a dog that was barking and running towards oncoming pedestrians. Our community is right next to a children's school, church, and unless I'm mistaken, senior citizens living in the building behind to the right of the tents.

The best way to stop a dangerous event from happening is by prevention rather than avoidance. We have so far not seen significant precautions as one issue just leads to another. Unfortunately, LAPD doesn't see the occurrences that we see here everyday. If we wait it out, we're just waiting for something bad to happen.

By the time I went back out to the corner to get a better look at them (for better descriptions on appearance) the main people involved were no longer there. Still 10+ people on the corner, mind you, whether spread out on the grass or watching from their vans.

I was told since I had not seen a weapon or any direct violence there was nothing to be done, and to call back if I saw anything else.

This corner is a ticking time bomb. Not to mention the fact that by the time anything gets reported or called in, and by the time officers arrive, it will likely be too late. Someone could have very easily been hurt today - and for all I know potentially did and took off.

Please be safe out there, everyone. I've been relaxing into our current situation / just accepting it, which is wrong. If you see anything, call immediately - it will take several minutes to get through to someone. Be conscious of descriptions of the people involved.

Unless I was mistaken for which area of the sidewalk was blocked, I believe it's blocked again and there seems to be more people now (at least as of a minute ago).

Hello Sir.

Is there any way to stop the Scientology people from harassing us innocent people on Sunset Blvd?

They were trying to prevent us from going to our doctor; this is illegal and scary we were very shaken up

Thank you

The noise is coming from the Nativity scene where they have huge Christmas Threes right next to the Scientology building. They are blasting amplified music every single day starting at 3:30 pm all the way to 11:00 pm. I could hear the music from my apartment at the Rubix, located on McCadden Pl., with all my windows closed. Gabriel's emotional disability has been negatively affected by the ongoing noise disturbance.

I called the Police Commissioner to check all those permits and to find out how can those permits be issued without the community input considering the great impact the noise would have upon us residents. I was not surprised to learn that no such permits were ever issued and those numbers do not even match to any permit for a location in Hollywood.

Jaffe once again told me that they have a permit for that location to play amplified music. I told him that they do not and I asked him how does he knows that they have a permit. He then told me that they did in the past and he assumes that they have one now. I informed him that according to the police commission no such permits would have ever been issued and that the amplified music is illegal. He then told me that he will give this call to the Hollywood Entertainment unit. That was at 9:25 pm. By 9:55pm the music was still blasting. I called Sgt. Jaffe once again and informed him that the music is still blasting. He told me that he had a robbery and the officers were tied up. I asked him how come since he was supposedly giving this call to the entertainment unit. He said that those officers from the entertainment unit are the ones securing the perimeter for the robbery and as soon as they are done with that they will attend to my music disturbance call. I told him that is not acceptable considering that I am taking care of a person who is disabled and the noise interferes with his disability. He said that his priority is to keep the public safe then to go after some noise in the neighborhood, and that Hollywood has a lot of night clubs who were creating noise and they have to prioritize where to send their units to. I told him that I will inform you that he is refusing to abate the nuisance and that is unacceptable.

Hi HPSA,

I am pleased to announce the receipt of 2 donation checks in the amount of \$500.0 ea. totaling \$1000.00 from the Strategic Legacy Investment Group Charitable Foundation. These were dropped off by Officer Joe Eubanks. I'm working on getting the details for the requisite acknowledgement letter.

We also have a request for \$1111.80, for payment to North Hollywood Ice. Co. to create 5 tons of snow in the Hollywood Station parking lot for the neighborhood kids on Dec. 5th. We are temporarily low in the Youth Services account, but I'm told a check in the amount of \$10k or \$12.5k will be forthcoming next Tuesday from the Church of Scientology for this account. I am further informed an additional donation check in the amount of \$10k or \$7.5k will be coming by the end of the year from the Church of Scientology for Youth Services totaling \$20k.

Officer Heather Beller has also requested we issue an advance check in the amount of \$8000.00 payable to Target for the children's toys for the Annual Christmas event for the selected less fortunate neighborhood children and their families. These funds will be reimbursed to the general account upon receipt of the funds from the Church of Scientology.

Please provide approvals or questions/ concerns. There are ample funds in the general account to accommodate the requests to front these funds.

Thanks.

77th Street Area 2015 Cadet Christmas Formal Party

Please Save-the-date for 77th Street's upcoming 2015 Cadet Christmas Formal Party. Please join us to help celebrate the great moments over this past year. Each year, cadets contribute to the success of the division as well as to the success of the City of Los Angeles. Many times, their work and effort goes unnoticed. Parents entrust their sons and daughters to us for meetings and events and often are unaware of the great things their children are achieving. Each cadet will invite his / her parents to this formal dinner. Our event will focus on us highlighting the contributions of each cadet. We will host a dinner and highlight all the positive things our youth is doing in the community. Come enjoy the food, music, and raffles, and help us show our appreciation to our kids for all their time and effort.

Can you please formally invite Dave Anderson to this cadet dinner please? We will be announcing some of the scholarships that his foundation is providing. We also would like to thank him and honor his foundation for their generosity. I have prepped a press release for his donation.

Dear Friends and Supporters of 77th Street:

On Saturday, September 5th, at 7 pm, the 77th Street Police Activities League and A Chance For Children would like to invite you to "Rock the Inner City" in the garden pavilion of the Scientology Celebrity Center.

The concert features Mark McGrath - the lead singer of the multi-platinum-selling band, Sugar Ray – along with musicians from Jane's Addiction, The Cult, Velvet Revolver, and Good Charlotte, all playing in an intimate setting and with one-hundred percent of the profits going to our 77th PAL program.

We hope you will all come out and be supportive of this special occasion where international celebrities are coming together for the benefit of our division's kids. Everyone who attends will get the added treat of motivational speeches from our own in-house celebrities, Commander Phillip Tingirides and Sergeant II Emada Tingirides, who will speak on the subject of community leadership and emphasize LAPD programs in the inner city.

Our Police Activities League makes positive changes in lives by teaching kids healthy life-style principles, providing them with positive role-models, instilling in them the concept of teamwork, building in them the qualities of sportsmanship, and providing them with opportunities to gain and exercise leadership skills. If we can make this event a success, PAL and A Chance For Children hope to turn this into an annual event that continually benefits at-risk kids who deserve all the help we can give.

Please check out the attached flier for further information, and register at EventBrite.com to ensure your seat.

Thank you again from your 77th Street Area team.

Dear Friend,

The annual Writers of the Future awards event is coming up soon,
Sunday, April 12th,
and I would like to invite you as my guest to this fun event.
It is at the Wilshire Ebell Theatre.

See the awardees receive their accolades and the famous science
fiction authors who judge
the contest talk about them, augmented by fascinating dance
numbers.

As all the winners are published in an anthology you will have an
opportunity to talk with them afterwards.

It is an enjoyable evening of entertainment.

Please RSVP to me directly, you are welcome to bring guests.

Warm regards,

Janet

77th Street Area's "Truth Series" Training

What: The Truth about Drugs, Gangs, and Domestic Violence Seminar Training

When: Saturday, March 28, 2015
11:00 a.m. to 2:30 p.m.

Where: Church of Scientology Community Center
8039 South Vermont Avenue
Los Angeles, California 90044

Who: LAPD 77th Street Community Police Personnel
The Church of Scientology

Why: The Truth Series focuses on some of the most common challenges for our communities: drugs, gangs, and domestic violence. The Truth Series course is intended to give each participant the tools to teach each seminar individually or as a series. The course helps participants understand the best methods used to teach our community strategies in dealing with these serious issues.

The Truth Series is open and free to everyone. Those interested in only learning about the content and not in teaching the seminars, are invited to attend as well. Education is the best tool to be part of effective change.

A light lunch will be served. Please RSVP Ryan Henrickson at (415) 264-1658, or email:
ryancommunitycenter@gmail.com

Contact: For questions, contact Sergeant Adrian Gonzalez, 77th Street Area Community Relations

Good Afternoon

I hope you are all well and enjoying the holiday season. I wanted to drop you a note and say thank you for your thoughts and prayers over the past couple of weeks. As you know the city of Los Angeles (as well as our nation) has seen numerous demonstrations and unrest.

It is our partnerships, our relationships, that are the ties that bind us as one. Though those relationships, transparency and discussion we will overcome our challenges and achieve unity. I look forward to seeing you soon. Please hold this season of deep religious meaning close to your heart and remember us in your prayers as we journey ahead.

Hi Captain Palka,

I wanted to thank you for your collaboration on the Happy Haunted House event happening Friday Oct. 31st at the Community Center. Sergeant Fiallos has been very supportive and Officer Dawoudi has been extremely helpful. Per your direction, I will be contacting Sergeant Fiallos this week to arrange a time to go through the Halloween props that 77th has in the storage unit. We have sent the Press Release out, we are handing out hundreds of pieces of promo in the area, Juan dropped flyers off at the Station tonight, we have it on our Facebook page. It would be great if 77th could put it on their Facebook too, as this was successful for the Cesar Chavez movie. Roberto took over 400 flyers and has been distributing them to the local schools. Last year we had six hundred people come through the Community Center, this year we want to double that!

We will also be in close coordination with Sergeant Fiallos about Christmas Stories. We would like to have regular meetings with Officer Dawoudi once he is back to keep in close coordination to be able to

pull it all off.

The three most affected areas in 77th are Slauson and Western/ Manchester and Western/ and to a slightly lesser degree 54th Street and Crenshaw. We have been having bi weekly meetings with the affected businesses along the Western Corridor and will soon be meeting with some of the leaders of the various car clubs and have already including the Council Districts, Church of Scientology, and the Nation of Islam .

Dear Chief Beck, Deputy Chief Hara, Commander Kato and Captain Zarcone,

I wanted to express my thanks and appreciation to the LAPD and most notably the Hollywood Division for their continued work to make the Franklin Village in the Hollywood community a safe and productive place to live and work in. This message became ever more important when I looked at the news related to Ferguson, Mo. and other local news and realized how valuable AND professional the Hollywood Division is in providing their routine day and night services.

I know your line of work is under the keen eye of the media and often any issue in the community tends to draw its focus sharply but I wanted to share some balance on the fact that what your men and woman do is truly loved and without your leadership and commitment to the community things would be far, far worse. Thank you all you do and God Bless the LAPD for their level of work professionalism.

In addition, please forward this personal Commendation to Senior Lead

Officer Armen Sevdalian for his unparalleled service to the community and ensuring the Community has a terminal and a voice. Most recently I personally witnessed his service to my Community and namely my Church when he helped ensure it was safe outside when the Church had 99 International Government Officials, US Federal Government Officials, Hollywood celebrities, etc. for the Church's Annual celebration. In that, Officer Sevedalion's work and presence helped make this event completely distraction free for the Church and the Community. In that, please commend Armen for this work and for the work he does in Hollywood's diverse community day after day. He truly represents the Department well and so I personally would like to support a City Proclamation to him for his YEARS of service.

Then, I also want to Commend Officers Debbie Monico and C. Capasso (c/o Hollywood Station) for their work to reduce crime and specifically gangs in the Hollywood Area. I had the pleasure of meeting them after some local gangs had marked some nearby real estate and caused a degree of damage and within hours Officers Monico and Capasso came out and took photos and such of this. They were very helpful and were both living PROOF that the LAPD is here for us and is working with us to ensure the quality of life is maintained. This is especially noted when this gang could seriously challenge this community and bring down conditions. Officer Monico and Officer Capasso are, for lack of articulation and in the spirit of LAisms --- awesome.

So again please Commend LAPD Hollywood Division Senior Lead Officer Armen Sevdalian, Officer Debbie Monico and Officer C. Capasso for their work and service to the Community.

Subject: Reschedule of the Scientology Information Center

Dear Commander Kato,

Good afternoon. Unfortunately we are having to postpone opening of the

Hollywood Inn building. We've had some unexpected delays that we are dealing

with now. I absolutely apologize for the inconvenience and can't tell you

how much we appreciate you making your schedule work with the event.

We will be rescheduling the event very soon and I will let you know as soon

as I hear when the new date is. Hopefully the new date will work with your

schedule.

Thank you once again.

All the best,

Nick

Sir,

Here are some areas where Scientology assists Hollywood Division:

- 1) They are the single largest benefactor of Hollywood Area youth programs, donating \$25,000.00 each year raised at their "Christmas Stories" production.
- 2) Their affiliate Author Services has taken the lead in the revitalization of the Hollywood Christmas Parade.
- 3) Whenever a crime or UOF incident occurs near one of their facilities that is captured on their security cameras, their security personnel are very cooperative in supplying high quality video to our investigators.

Marc,

Cmdr Kato asked for some bullets regarding cooperation and assistance we receive from Scientology. Are there any areas they assist with besides the youth program donation, providing video when requested, and the Christmas parade?

Brian,

We painted and the floor mats are ordered. We are going to purchase more materials for the wall pads. I will get you a final tally with receipts once we are done.

Thanks Darrell.

What's happening with the installation of the mats for the workout room? I've also made an inquiry with our tenant Red Diamond Yoga (<http://www.reddiamondyoga.com>) and they would be interested in providing Hollywood Division with some no cost yoga instructors to try and get this going. If the classes become popular, there would be a nominal fee to cover expenses for the instructors to continue providing this service.

Darrell,

Are the PAL Christmas Party and the Lemon Grove Christmas Party both Dec 7th? Also, I assume the first date for the Scientology Christmas Stories is the 13th, right?

Thanks very much.

May have been a misunderstanding on that. I didn't speak directly to that officer and what was relayed to me was to call if anything occurred. I.e. We found something we couldn't identify.

I see from your message that the info was improperly relayed to me by one of my staff. I apologize for that. We would not reject an an LAPD bomb search.

We have had another dog go thru since and we have found nothing concerning.

At the moment we have the empty car in front, which is very helpful and Sgt Ward said he would provide additional patrol around that time. He was reached after my email to you.

My concern was not just the bomb threat aspect. The caller says kill us, something bad will happen, we will need/want police there at our doors and then at the end says there is a bomb already planted. I do realize this is Anonymous so most likely just a nutcase, but due to things that have occurred to us in the past, we try to take all threats very seriously.

But you certainly know better than me how to deal with such a situation. And we definitely don't want anyone in harms way.

Tku again for answering. Kirsten

Hi- we offered a bomb sweep with our canine...any idea why that was rejected..that makes much better sense then to have an officer standing there in harm's way? Hello Captain,

Kirsten here from the Church of Scientology. I presume you are aware of the bomb threat we have on our Hollywood & Ivar building tonight. My guys have gotten assistance from Sgt Ward so far to have a police car stationed in front of the building from now til later in the evening, and increased patrol in the area.

This is great but I'm trying to arrange to have at least 1 officer with us just before the 8pm threat time to ensure all is ok.

We have several hundred people in the building now and tonight and the threat was quite nasty. The guy also called back again today rambling about being Jesus and how Scientologists are kidnapping and torturing people. Very unstable human being.

I absolutely hate to bother you with this but I'm not sure how to reach the right person at the station in time. I was told to call back at 715pm but that's too close to the threat time.

I've asked Sgt Jerrett as he is always of great assistance but so far he was not sure either and I know he's off today.

Again, I hate bothering you but if there's anyway you could guide me on who to contact to arrange an officer to be with us, even if just for 20 minutes - between 750pm and 810pm minimally.

Thank you very much. Kirsten

Dear Pete:

It has been a while and I never got to take you on the tour of our new studio on Sunset. So to make it up, please read the following special VIP invitation for you and your spouse.

On Saturday May 28th we will experience the grand opening of Scientology Media Productions or what we call SMP. SMP is Hollywood's newest studio! However, you may remember this historic 5 acre TV, Radio and movie production studio as KCET. It is now the property of the Church of Scientology and it is completely renovated from the satellite dishes to the three mammoth sound studios and the fully integrated computer systems taking in and putting out news, data, radio and television in and beyond greater Los Angeles. SMP is the oldest movie production studio in Hollywood, originally built in 1912. Hundreds of movies from the talkies to hits in the 50's as well as TV shows we all know from the early days of TV.

You will be amazed at all you will see and hear including fantastic live entertainment, food and beverages as well as a tour of the facilities.

I hope you and your spouse or significant other can attend this amazing Hollywood studio opening. We look forward to seeing you on the 28th at 1:00 PM. The studio is on Sunset near Hollywood Blvd.

Captain Zarconi, please confirm in your RSVP back to me and we will give you parking instructions, which is free!

Always,

Bob Adams

Dear Friends,

I want to invite you as my guest to a very fun event held annually. It is the awards event for the Writers and Illustrators of the Future Contest. There will be several famous science-fiction authors participating and presenting awards to the winners for the best sci-fi or fantasy short stories and also great entertainment.

It will be on Sunday. April 10th at 6:30 pm at the Wilshire Ebell Theatre.

You are welcome to bring guests. Dress is Black Tie optional (or "Steampunk" Formal, if you know what that is)

Please let me know if you can attend so I can book reservations.

Warm regards,
Janet

Dear Sir,

Hope you are doing fine. I wanted to check with you if you got my email regarding the parade coming up at the end of this month.

Please let me know so I can arrange things for your officers on that night. Thank you.

Best,

Franck

Dear Sir,

I would like to let you know on the night of the X-mas parade here in Hollywood, our museum will be open for your men and women officers in case they need refreshments or use a bathroom.

We understand it will be a long day for your officers and we would like to assist them in anyway we can.

Please let me know if you would like to use our facility.

Sincerely,

Franck

Dear Sir,

Thank you very much and it was really nice to meet you and to know we have a point of contact with you. Thank you also for the flier and I will definitely use.

I will definitely contact you or call 911 in case we see anything. We will continue to provide information such as videos and such to you on a regular basis or when we do see things. I appreciate you giving that footage to Narcotics and otherwise for the extra patrol around the area. Your presence has definitely been noted and it is good to see you guys are there. We do appreciate a lot the work you all do trust me.

Similarly if you have questions for me, I'll more than welcome to answer it. Thank you again for taking the time to come and see us, it was really appreciated.

Best, Franck

Thank you for all that you help. I enjoyed the tour of your security office and appreciate your willingness to help/support our efforts to reduce crime in our City. I will forward the CD (video surveillance footage) to our narcotic unit and provide extra patrol in and around the area. I also appreciate the positive feedback by a member of your staff regarding the visible increase of LAPD officers on Hollywood Blvd.

As promised, I've attached a copy of our crime prevention leaflet "lock it, hide it, keep it" , please feel to distribute to staff, members or visitors. Please do not hesitate to call us and should you see something suspicious and/or need any police help. Oz

Hello Captain,

We very much appreciated you and your detectives taking the time to meet with us this morning.

This is the email you asked me to send so we can get the correct points of contact for the various things we went over:

- General info calls to the LAPD
- Where we should video and info of interest weekly observed by our security force
- SAR
- HED
- Gang activity
- Existing resources for the homeless situation
- Any info on the closest neighborhood or business watch activity that we can connect up with, or any guidance on how we start one

Once I have this data from you, I will do a memo to all of our Security Forces in the LA area so that all can work to conform to these guidelines.

We are very aware of the amount of traffic you and the LAPD have on your plate so we want to do everything we can get the info on what we see on the right lines in the right form so it is as easy to review and process at your end as possible.

Thanks again.

Sincerely,

Kirsten Pedersen

Dear Captain Zarcone:

Thanks again for taking the time to see the demonstration of the Truth About Drugs program. It was enjoyable for us and always a pleasure working with the LAPD Hollywood.

Just wanted to see if we can schedule a date for us to host you here at our headquarters for a tour of our security area and meet the staff.

We are very open both day or evening.

You are invited!!

Please join us to celebrate the opening of our new Life Improvement & Information Center on Hollywood Boulevard in the historic Hollywood Inn. The Hollywood Inn, originally opened in 1920 as the Christie Hotel, was built as Hollywood's first modern luxury hotel in the area. The 8-story building has stood as a landmark since the early Hollywood days. This historic landmark has been faithfully restored to its original glory and will be inaugurated on February 28 at 6:30pm.

Let me know if you can attend.

You are invited!!

Please join us to celebrate the opening of our new Life Improvement & Information Center on Hollywood Boulevard in the historic Hollywood Inn. The Hollywood Inn, originally opened in 1920 as the Christie Hotel, was built as Hollywood's first modern luxury hotel in the area. The 8-story building has stood as a landmark since the early Hollywood days. This historic landmark has been faithfully restored to its original glory and will be inaugurated on February 28 at 6:30pm.

Let me know if you can attend.

Kirsten,

As we discussed, for serious crimes in progress, always call 911. For minor crimes or other calls for service, call 1(877) ASK-LAPD.

The following contacts are on the cc line above:

To forward video tape of criminal activity, please send to-

Detective Commanding Officer- Lt. Richard Gabaldon (213) 972-2968.

The Senior Lead Officer for your area is Maggie Dillard (213) 793-0710. She can handle inquiries of all types and direct to the appropriate entity. She is also your POC for homeless issues and can get you some of the homeless resource cards I mentioned.

To make a report of suspicious activity possibly related to terrorism (SAR), call 1(877) ASK-LAPD to request the response of a patrol unit, or call Officer Dillard, or come to the front desk.

Contacts for specialized units:

HED- Sgt Ozzie Ramos

Gangs- Lt Jeff Perkins, Sgt Ramiro Cabrera

Narcotics- Detective Burt Feldtz (213) 485-4318

Regards,

Peter A. Zarcone, Captain
Commanding Officer
Hollywood Area

Hello Captain,

We very much appreciated you and your detectives taking the time to meet with us this morning.

This is the email you asked me to send so we can get the correct points of contact for the various things we went over:

- General info calls to the LAPD
- Where we should video and info of interest weekly observed by our security force
- SAR
- HED
- Gang activity
- Existing resources for the homeless situation
- Any info on the closest neighborhood or business watch activity that we can connect up with, or any guidance on how we start one

Once I have this data from you, I will do a memo to all of our Security Forces in the LA area so that all can work to conform to these guidelines.

We are very aware of the amount of traffic you and the LAPD have on your plate so we want to do everything we can get the info on what we see on the right lines in the right form so it is as easy to review and process at your end as possible.

Thanks again.

Sincerely,

Kirsten Pedersen

<p>Dear Mayor Garcetti, Councilman O'Farrell, Commissioner Johnson, Chief Beck, Capt Palka, Capt Carranza and Officers of Hollywood, Capt Lopez and Officers of Air Support and LAPD Dispatchers: </p> <p>Sometimes the news doesn't say just how special the LAPD is.</p> <p>Rarely do common every-day-citizens see exactly how dedicated our LAPD is.</p> <p>Maybe our Elected Officials do not always get told the level of heroism these men and woman perform at all hours of the day.</p> <p>But tonight (27 June 2016 at roughly 9pm) while I was on duty in my security booth I overheard an LAPD scanner call that a young girl was kidnapped on Hollywood Blvd and Gower. </p>The suspect's car had already fled. </p>This news was horrible and I immediately began looking out for the suspect's vehicle in a faint hope that I might see the car. </p>I never saw the car but a real life miracle happened within minutes when I heard an LAPD Officer say on the radio that he had located the car going southbound on the 101 freeway. </p>What are the odds? </p>Shortly after that I could hear an LAPD Airship calling in the direction the car was travelling. </p>This was fast! And then, after that I could hear the Dispatcher relaying information to other responding cars and to the Incident Commander -- ultimately this team of HEROES pulled the car over near Griffith Park; this was after travelling on 3 different freeways no less. </p> <p>Finally I heard the best words you could hear on such an incident when the LAPD say, "Suspect in custody." </p> <p>This is a HUGE City with many, many cars and people and things yet these Officers all worked together to potentially save the life of someone they don't even know. </p> And they did with such competence it was completely fictional sounding. </p> <p>The news sometimes talks about how "bad" the LAPD are but they are 100% wrong. </p> In fact, in this one incident alone the Dept proved that they are HUGE HEROES worth a massive standing ovation for what they did not just tonight but day-in and day-out.</p> <p>This being said:</p> <p>Please pass my message along to all these Officers somehow.</p>

 They are the best and I and many others thank them for all their work. </p>

<p>Thank you very much,</p> <p style="text-align: left;" dir="ltr">James E. Richardson</p>

All Parliment and English Internal Affairs People Have to Explain to Barack Obama and Prince Charles That Its a Federal Crime to make People Hear a Broadcast In There Heads and they cant cover up what Loretta Lynch, Obama and Donna Leconte are doing to Ryan Oneil and that I'm a Charles Stallone Kidnapped from the England 45 Years Ago with 4 Twin Brothers the Royal Family is covering up existed and Written into Saving Private Ryan (That Ryan Oneil wasn't supposed to Figure out was about me and my 4 Dead Twin Brothers being hunted to cover up Illigitimates in 1969-70 that my mother when giving Birth was (Star Wars Phantom Menace Dealt with and Ryan wants Justice and Loretta Lynch is a Donna Leconte (Belmedia Pacheco) covering up with Comey and Bornetz in the Treasury Dept what they are doing to Ryan and others in secret in the United States.

All Internal Affairs Divisions Below Loretta Lynch, James Comey, The Borenatz Thats Running the Treasury Department, and OBamas have to explain to Barack Obama & His Staff that Its a Federal Crime to make Ryan ONEil and (Other People On Social Security Listen to a Broadcast Inside Your Head.) Linda Lavins, Russos, Sarandons, Vons related to Donna Lecontes Lavin Family have a group of (Retards that Have been Secretly Abusing Ryan ONEil and other people with Donna Leconte and a Obama in a Wheelchair that Likes to make people listen to his relative thats handicapped and (THIS IS AGAINST THE LAW) Since June of 2012 Ryan ONEil has been being abused by Donna Leconte (Whos Related to Loretta Lynch By her Birth Mother Belmedia Pacheco) and also been abused by Belmedia Pachecos Family nuclues and Donnas Pacheco family who kidnapped me 45 Years ago and are now trying to put Ryan in a Mental Hospital (After Years of Abusing Me) with Rita Senra Shores relatives. Rita is Ryans Half younger sister (Shes a Ringwald Partially and a Portman thats shown Belly Down on a Beach Towel in the Locker photo of Fast Times At Ridgemonst High. Rita has partial Sarandon, Von, Russo, Lucas, Spielberg & Donna Leconte relatives that are (Fizzy Lizzy Mosses), Portmans, Stallones, Hogans, Fords & other polital families. They are abusing Ryan with the Media system for the Benefit of Mary Liz Mastrantonios, Rose Brynns, Mellissa Ethridges family who have (Handicapped People in there family in wheelchairs) Ryans part Stallone (and Sylvestot Stallone the actor who had twin Brothers has some relatives who are not related to Ryan that are doing something to him and other people thats not legal and is a Federal Crime and Torture. Donna is making Ryan (Hear a Broadcast In My Head that her Greek Lavin, Cruise, Lucas, Stallones, a Couple Ted Bundy Randy Price Hogans & Afericans that mixed with her family and the Portmans and some Boy Georges that forces a person to hear the Broadcast Inside your head. It is not legal to Make RYan hear (Jenna Mafia Rockerfellers Broadcast which has a Angie Dickinson Dressed to kill version of Olympia Snowe, Judith Geinsberg who mixed with Donnas, Mellissa Glen, Cristine Charette, Pam Dawbers mindys and Donnas Pacheco Greek relatives. The Pachecos in the 60s and 70s had many relatives, Ryan was related to Donnas brother Paul who knew I was switched and Donnas family took me as a baby and raised me as Donnas son. 45 Years after my Birth and Divorcing my ex wife Celia Antonio Donna started putting Ryan in Mental Hospitals as Celia and Maria Antonio were Teresa Heinz, Natalie Wood Members of Donnas Family nuclues indirectly. Dirty Harry the 1971 Clint Eastwood movie has a Photo of a mexican Celia Antonio with a Cherly Perry Heinz backing her up in a manor with a Fake Smile on her face, the direction of a Stacey Varges, Geller and members of Rita Senra Shores family nuclues back then. This photo was on a Desk and in a seen and (Creepy.) Ryans

point, Teresa Heinz, Donna, Maria Antonio arranged for Ryan to meet and marry Celia to keep me part of a Cruise and Scientology family that wanted to raise me and abuse me as a Rosemarys Baby (A 1968 Roman Polansky Movie) about abusing a person with a group of people that want you to be there prisoner, but part of the nuclues. Ryans being abused by a Donna whos a Retarded Linda Lavin Loretta Lynch Greek thats in Ross Perot and there family and they are making Ryan hear a group of people in wheelchairs and trying to put people in mental hospitals as a Activity for them Broadcasting in peoples heads.

Now for 6 years since Donna put Ryan into a Stuart Marchman Mental Hospital in Daytona Beach, FL and Ryan fought for 4 Days Legally and got myself out, saying (Donna has No Right to Order a Baker act and put me in a hospital (not Does anyone) and she did this to (Abuse) Ryan for the benefit of her, Celia and Maria Antonios family whos supposed Birth mother (Maria Antonio) was related to the actress that played the Mother of Jason Voorhees in the Friday the 13th Movies in the 80s. http://www.imdb.com/name/nm0658133/?ref_=tt_cl_t1 played by actress Betsy Palmer. Now Donna Lecontes mother, Belmedia Pacheco whos also related to Loretta Lynch, Haley Berry, Tamara Taylor on (The Today Show), Lina Horn who has a relative thats very Arabic in Jaws who was (Angry about something in a beach case tied to a Billy Bulger of the Whitey Bulger Winter Hill Boston mafia story https://www.youtube.com/watch?v=_2Ecwm7Alrc and there is a Whitey Bulger in the seen link mentioned above and a Lina Horn whos a Tank Teeth Honey thats related to Donnas Birth Mother Belmedia as is Betsy Palmer a (Maria Antonio.) Now Loretta Lynch, James Comey, Timothy Geither, and almost all the Federal Directors in Washington (Have a Rita Senra Shore, Sarnadon or Russo relative that looks like a Tank Teeth Retard Ringwald known as Honey who looks like the woman thats on the Billboard in 1975 Jaws seen <https://www.youtube.com/watch?v=fGoekw7e-3U> and this Billboard in Martha's Vineyard when they released Jaws (Replaced a woman that was originally on the Board thats related to Ryan ONeil.) Now Ryans half sister Rita lived on Luke Street in New Bedford, Ma near Tom Pacheco Photo Studios the name of Donnas brother Tom who was part Barry Gibb. Now Ryans sister whos Belly Down on a beach towel in Fast Times at Ridgemont High had Senra Relatives like Jason Gordan and Jason Segel who were in her family nuclues of the people 1 of her parents were living with.

George Lucas was renting an apartment from Tony Pacheco (Donnas Father) who has relatives that are Greek and one is a Greek Leo Meehen who is tied to the persons voice thats on the Special Council Voice mail. Ryans point of this letter, Donnas brother Paul Pacheco was related to the Man in Rosemarys Baby who empregnates Mia Farrow whos related to Ryan ONeil more than Donna is. John Cassavettes who does a Flip Head over Heels in Rosemarys Baby that caused someone in 1973-74 when Ryan was living on Dartmouth Street in New Bedford, Ma with Donna at 4 Years old to make (Chanel 7 Randy Prices Beard, Glasses and Blanket video) and Randy Price whos a Hogan Paine released the movie with Jonathan Hall on Chanel 7 in Boston when Ryan was working at WB Mason with Leo Meehen and Kerry Marchand who has relatives tied to Jaws and the movie as does Ryan and Donnas family nuclues. Ryans point the Beard and Glases movie looks like a Child is being molested by a person whos hand is being covered by a Blanket thats Black and old world and the (Person) thats skinny in the movie conceling there face flips naked with Underwear on head over heels with a Little Girl in a Wig, next to the person and Randy Price released the story of a Attempted Look a Like of Ryan Oneils Face (Not my Body Shape and Size,) and a Det Williams in Brockton was the narrated commentor that made a comment, Im Trying to Get This Guy.

Now what Ryan is explaing is Donnas Father (Tony Pacheco) died years ago and he was a good person (Donna is not and neither is some of her relatives who have been abusing Ryan in the Intelligence world that are mixed with the people mentioned in this letter and above. Rene Russo, Sarandons, Vons, Pintos, a relative of Cassavettes whos also related to the man that played the Father in Pretty in Pink of a Ringwald <https://www.youtube.com/watch?v=nxHTPahkN6M> and someone wanted to (Switch) Fathers between 16 Candles the movie and Pretty In Pink <https://www.youtube.com/watch?v=eq5NSAyQEtI> meaning in 16 Candles which came out a year or so Different from Pretty In Pink is two different Scripts, and movies, but both Ringwald Movies involve Water Cases tied to Jaws and Ma and Other states. The Father in 16 Candles was a Gordan Kaye relative of Tom Stemberg whos relatives dated Donnas family and was part of there family in the 60s (See Attached Photos In Black and White) when Applicable and able to send. There is a photo of a Merly Streep Donna Leconte whos sitting on the lap of a Clinton McCartney Sullivan in Tony Pachecos Christmas Tree Room (Tied to Dr Chevago a 1965 Movie) and theres a missing Twin on the Right side lap because Twin Brothers were seperated in a Godfather Fredo on the Boat Manor (Written into a Seen of The Godfather with Al Pachino.) Across the street is a House shown through his window in the background that has a Boat surrounded

by Snow to the left side (Where Merly Streep Donna is sitting on the left Lap (Camera View) of a Stenberg relative of the Father in 16 Candles (Though there not directly Related.) Now Ryans point, Donnas family is covering up what happened to Ryans Father and Real Birth Mother, The Tate and Labianca Murders, Deaths of Elvis Presley and Princess Dianna (All Related to Ryan)

Now Ryan when I was 4 Years old was waiting for a bus at 4 Years old

<https://www.youtube.com/watch?v=NWcBwgxUyuM> and its mentioned by a Donna in 16 Candles playing the mother of Molly Ringwald in a seen and says Your Gonna Miss, the Bus Honey. Now Honey refers to a different kind of Ringwald thats (Sick and Nuts and a Rene Russo, Sarandon, Shore, or Von with Frizzy Hair and Retarded Eyes and Teeth whos more related to Ryans half Sister Rita. A Honey (That shes refering to looks like the Retard thats on the Billboard in a seen of Jaws who (Replaces the woman under the Defaced Drawing whos a Ryan ONeil related to Likeness. <https://www.youtube.com/watch?v=fGoekw7e-3U>

Now Ryan is explaining that the Jaws movies 1975 and sequels created by Spielberg whos relative Samuel J Levinson has been running the Inspector Generals Office of the Health and Human Services Department and has like Loretta, the Comeys and Treasury for 6 Years received 100 Certified Letters from Ryan that were sent to many different Departments with a Flash Drive that shows Michelle & Barack Obama relatives related to them, some related to Lance Hendrickson, Rita Senra Shore and people tied to the movies im highlighting links and seems to (Because they came out of Ma 45 Years ago and rose up to the Director Postions of these departments in Washington right now who dont (Do there Jobs and Cover up for Honey and Ella Means and Donnas people that there abusing Ryan and have abused other people on Social Security who are being forced to listen to Donnas broadcast that a Obama thinks is legal to make people hear (When Its Not No matter what the Government Thinks a persons done.) Now Ryans explaining that Gordan Kaye in 16 Candles relative playing Ringwalds father was related to the actor that played the part. Honey he mentions as does Cherly Perry Heinzes relative who plays Ringwalds Mother was refering to Ryan at 4 Years old in the dark waiting for a Bus outside a Dartmouth Street Apt with my Lunch box in my hands like the Poster for 16 Candles that has Jake Ryan to the left with Hands in Pockets and Ryan ONeil was being refered to behind the seems by someone in the Ringwald family and persons related to Donna Leconte who doesnt understand (Honey isnt supposed to abuse Ryan because I dont want the Ringwald whos a frizzy Hogan related to Ryans sister Rita who looks like the Retard on the Billboard in Jaws seen. When you dont want Honey (She sends people to ruin and Deface what you do want and thats why the Billboard was Replaced and Defaced. <https://www.youtube.com/watch?v=cG3cf2gNUJU>

Now Ryans explaining that Donna and Teresa Heinz, Comeys Related to Bill Fey and a Pachino Ashcroft who looks like a Barry Sheck David DeCovney Aaron Sullivan dont understand that Ryans not a Prisoner to the Leconte, Pachecos and Ringwalds that mixed with allot of Families that are Ella Means, Honeys and Ethridges that have Frizzy Shore hair and Androgenous Sunken Facial features and Sarandon, Von, Hendrickson, Stallones and Hogans all have a (Honey Related person in there family and there all tied to Jaws Cast people who were Feds in Ma that went to Hollywood and other parts of the worlds since the movie came out. Ryans being abused anotherwords by the 16 Candles Generation who with a Cherly Perry Heinz knows RYan was (Switched At Birth and Taken from 4 Twin Brothers) and The Shining has a seen with Scatman Crothers about hearing the (SHINE) <https://www.youtube.com/watch?v=2rKbtlodzCU>

Now this is where the Technology is coming from and Donna and Loretta Lynch are illegally with the Maria Antonios in Belmeida Pachecos family are abusing Ryan ONeil and have been abusing other people making them hear (Handicapped people in Wheelchairs that 1 of the Stallones in a Classified area put in a Broadcast with Obamas, Loretta Lynch, Hogans and Stallones that mixed with Donnas fathers family (Tony Who is also related to Jon Kerry and Mother Belmedia whos Maria Antonio relatives are covering up with there relatives making people hear a Retarded Maria Antonio Son thats a Hogan with a Huge Tiger Chin and has Almond Eyes like a Slavic whos like a Bald Berg Giant Jon Cenna. Now Ryans explaining its not legal to make someone whos not been arrested, tried and convicted of a Crime hear a Broadcast inside your head. Now the poster for 16 Candles

http://www.google.com/imgres?imgurl=http://t1.gstatic.com/images%3Fq%3Dtbn:ANd9GcSvWQj7gCQ29ChOE3_WArDI sWHUKp9hmgG2SxXsdPbbX5AeelO&imgrefurl=http://t1.gstatic.com/images%3Fq%3Dtbn:ANd9GcSvWQj7gCQ29ChOE 3_WArDI sWHUKp9hmgG2SxXsdPbbX5AeelO&h=300&w=200&tbnid=kQUh8AEa6dpZNM:&tbnh=186&tbnw=124&docid =JExB7vP8xEBTHM&itg=1&usg=__yYQjkXq9naZtjbRVA6wb6yvq-Aw has Jake Ryan (Jay Added, Kept Estate) Ryan and

the way Ringwalds Holding the purse in her hands was the same as Ryan holding a Lunch Bag and Box when I was 4 Years old waiting for a bus outside my Dartmouth Street Apartment when I was 4 years old. My half sister Rita doesnt look like Molly Ringwald but is slightly a mix of Ryan O'Neil & a Shore thats tied to Honey, though shes not as much of a Tank Teeth Retard teeth and features and thats what caused all this to happen. When Ryan was 4 Years old on Dartmouth St living across from the Sores Stallones, Clintons, some other people tied to the movies Ive highlighted, they shot BBs at Ryan on a BigWheel and someone Federally wrote it into the movie The Shining with Danny <https://www.youtube.com/watch?v=cy7ztJ3NUMI> and Danny is a Cherly Perry Stemberg, related to the woman who played Ringwalds mother in 16 Candles and hes also a relative of the man that played her father and looks like Ryan at 4 Years old with same hair Style and features and represents 1 of Ryans half Twin Brothers. Ryan believes when I was born I had 4 Twin brothers, born right after I came out and was seperated. I also have younger half brothers and sisters that were products of my father and mother having kids with other people.

Now what Ryan is explaining Cherly Perrys family were Police officers (Cherly had a Relative in Ma that retired that wanted to set up a media life for Ryan being (Replaced By Rita Senra Shore, Teresa Heinzes, Bullocks and Ella Means tied to the Honey side of the Heritage who look like retards. She has a relative thats related to Celia Antonio that doesnt understand nor does Donna that Ryans not supposed to be put in Mental Hospitals, Abused and made to hear a Broadcast cause there is a (Retarded Hogan Honey, Stallone Pachino related to a Jeff Pachino who was in Celia Antonios family and others in Wheelchairs who want to abuse and imprison Ryan because they are loyal and part of (Honeys Mafia side family.) In addition, the original Clinto Eastwood movie has the name Paloncia and Donnas father Tony Pacheco was related to Actor Hal Holbrook who played Clint Eastwoods Boss in Magnum Force http://www.imdb.com/name/nm0001358/?ref_=tt_cl_t2 and Hal is also tied to a Pacheco thats in the Scheider family thats in a classified area of Space, Nasa and Weapons system. Ryans being abused by Living Relatives of Donnas Father and Mother who were not Tony Pacheco side, but Honey Greek and Italians who make people hear a Stallone thats a Ethridge with a Co Chin thats been in a Wheelchair since the 60s whos a Pachino thats not a Al Pachino, but still part of his family nuclues and they with Donna and a Loretta Lavin relative of hers whos a Retarded Lavin in a Wheelchair, Pike Stuart Copeland turned the Broadcast on inside my head back in 2012 when Donna sent me to Stuart Marchman Clinic via a Officer Robison (Tied to the Graduate) and Dustin Hoffman whos related to the Stemberg in the 60s photo that has a Merly Streep Donna sitting on his Left Lep. Merly was in a movie Called the Manchurian Candidate putting a implant chip up Liv Schribers nose to be used as a Tracker. Ryan was in the 80s a victem of a Nose operation with a Dr Fury who was a Greek tied to the McKintry family who was supposed to do a nose operation on Ryan for a Breathing issue and instead, he had a Russian Bald Putin Krasnow Leconte come into the Hall the day I was being wheeled into Surgery and he did the operation instead and I believe put a Implant in Ryans brain for a (Red Dawn) Lea Thompson lets track Ryan to see whos watching him Federally purpose so (Honeys side, could get rid of Beach Jaws investigators who knew RYan was not a suspect in the 70s for some issues that occured and happened. <https://www.youtube.com/watch?v=nxotPpVYVcc> and the Surgeon in this seen of The Fugitive who comes running out and is a Aferican American Loretta Lynch with Medlov Teeth the same as the Surgeon who switched places and did Dr Furys operation in the 80s-Early 90s. Harrison Ford is related to a Richie that worked with Ryan and my younger sister Rita at Stop and Shop when I was 17 Years old and Richie is partially related to Danny in The Shining. Scatman Crothers is a Hendrickson and Scheider and Loretta Lynch Roger Andrews Obama family member.

Now what Ryan is explaining Donna has Greek and Italian relatives that are Retards that dont understand she cant make me hear a Jen Lopez Loretta Lynch (Zoey Ringwald) whos like a Dolly Pardon whos got a Mellissa Glen Moonpie chin and Donna wants to drive Ryan crazy with Maria Antonios relatives who are related to Celia Antonios Mother (Whos a Betsy Palmer) who played Jason Voorhees mother in Friday the 13th going around killing people she thinks caused the injury of her son. Barack Obama is a (Maria Antonio as is Donald Trump) and Barack doesnt understand its a Crime to make Ryan hear his and Donnas Broadcast that has a Sygorney Weaver, Loretta Lynch Aferican Pauley Shores, and people tied to Donnas Ella Mean side of the heritage. There is a photo in 16 Candles on the bed side of the Grandparents of Ringwald and 1 of the photos has a Tracy Varges whos a Portman Greek that was in Celias family whos relative is on the photo in 16 Candles end table to the (Right) side with a Look a Like twin of Ryan. Now Tracy has relatives in the Navy with Tom Cruise and shes a Portman thats very Nervous and is mixed into Ryans line of the Portmans and the reason the photo was to the Right. The Photo (Black and White) taken in the 60s that shows Merly Streeps Donna twin on the lap of a Stemberg-Clinton McCartney Cushman Carlise Sullivan represents a Photo of a Santa Claus Paul Pacheco told me that

had Twin Orange Haired Irish kids on the lap of a person dressed as Santa Claus. The point of the 60s Photo with a Streep is the reason the Christmas tree is on the right lap (Someone was explaining the Twin Half Brother) went missing with his kids and family displaced. The Movie Twins with Danny Devito and Arnold Swartzenegger has to do with Ryans father and mother and Twin Brothers as well as other sets of Twins someone assembled in the 50s to present and put in a Agency. Tracy Varges relative when they filmed 16 Candles had a Twin of Ryan and someone at Stop and Shop was making and wore a mask made of Ryans face at Carter Brooks Elementary School before I went to Middle and High School and it was made to make a Randy Price (Seven) to get Ryan arrested later on in life.

Now Maria Antonios relative (Betsy Palicia in Friday the 13th Had to do with Switching Ryan in the crib and Dirty Harry and Magnum Force has a Chief (Eastwoods boss at the end that gets blown up in a car and says Calahan whos gonna believe you Im a Upstanding citizen, the car leaves and blows up. Tony Pacheco (Donnas father used to talk about Aunt Tiesabella *Bells Relative* who he said, his parents dropped him off at Aunt Tisebellas house to be babysat and he said that Aunt Tease-a-Bell used to chew his food for him and then make him eat it. What Tony really meant, there was a Pacheco tied to The Shawshank Redemption (Dempsey) and Rape seen with (Andy) in the Film Projector room where a Lance Hendrickson is kicked out when Boggs (Wade Boggs Reference then) comes in and the seen is about (Raping someone in prison and mentioning biting a penis off. (This is what Aunt Tieseabella) chewing food was really about and the Pachecos are abusing Ryan because of something that happened (Before Ryan ONeil was born and tied to the Black and White Photos) given to the US Government of Donnas family nuclues in the 60s and showing a Stemberg Carlise Sullivan (Related to Cushman Carlises) and the Danny in The Shining, as well as Father in 16 Candles who wanted a Jake Ryan (Replacement Prison) for Ryan ONeil with Jason whos tied to Maria Antonios relative (Betsy Palmer) in the movie Friday the 13th. <https://www.youtube.com/watch?v=2rKbtldzCU> Now this seen in The Shining has a (Danny who is a Stemberg who looks like Ryan ONeil when I was 4 years old on Dartmouth Street Riding a Bigwheel around like Danny and having BBs shot at the back of Ryans head. Carey the movie has a Jesus Statute thats in Careys (Punishment Closet) that looks like a Tommy Soares Likeness of his face, being Crucified on the cross and the cross is designed into the Bushes of the Maza in the movie The Shining. Ryans point someone in Donna Leconte and Cherly Perry and Chelsea Clintons family (Who was in a Bryan Williams Interview years ago, sitting on a stool at the News Desk (Making Then Its My Work) comments because Chelsea and Bill Clinton have relatives in Donnas family who are abusing Ryan and others trying to make people (Shining Crazy) and that means abusing people making them hear the Broadcast Inside your head.

Now Ryans point about the Ice Cream seen with (Danny in the Shining with Scatman Crothers explaining hearing the Shine <https://www.youtube.com/watch?v=2rKbtldzCU> and having Telepathy Conversations with his Grandmother a (Reference to Roger Andrews, Camille Cosby and people in Roger and Scatmans Obama family as (Roger Andrews when Ryan was in High School lived with his Grandmother) and this seen was planning to use (Furture Classified Telepathy Weapons on people to make them hear Handicapped people in wheelchairs trying to drive you crazy. Also understand the Jacket that (Danny is wearing) has 2 Red Stripes on the wrist band of Dannys Sleeve and a Red Line that runs up his arm into his neck. A Few Good Men has Tom Cruise in a Courtroom https://www.youtube.com/watch?v=_frM44bBMfA

=====

Now, understand the Courtroom in A Few Good Men has 2 Paintings that are on the wall, behind Tom Cruise and the one to the Right side has a Man in Uniform whos Twiddling his Thumbs and he has (a Certain Number of Bars) on his Arm Wrist) and Danny in The Shining back when they made the movie (Had Only 2 not as many) and the line up the Arm is a reference to working on someones Family line and number of Twin Brothers to end up with Heart Disease and Stinks (Later On in Life) and the Line represents a (Stint) to be used to unblock arteries in someones Failing or bad heart. This is (Pre-medatation of Someone who may have had the problem in the Shining Days and blamed someone or there relative for the Problems they and there family had. The Shining Mansion also has a Williams related man thats following Jack Nicolson behind him when hes being shown around the Property when Being Interviewed for the job and led out to the Garage area of the Estate. The Building itself with Twin Sides is a Linda Blair Puke Excorcist Color and the Diamond Shapes around the property, some on Carpets and walls and doors (Like the White House Across the street from Tony Pachecos Dartmouth, MA front door. Ryans being abused by someone who (Switched me as a Baby from my Real mother and Father) and Donna Leconte is not my mother and has a Ross Perot Italian relative thats abusing people with a new Technology and shes a nutcase Linda Lavin Pike Moonpie Chin that has Greek Hair and does this to people against the law. For 45 Years, they been covering up taking Ryan and my Twin brothers and I was First Born and taken and swapped the second I was born. Sam Kinison was in Back to School in the Is She Right seen (Right side of Photo) from 60s

in Donnas Fathers house (Attached Photo) with a Christmas Tree to the side (Replacing the other girl thats supposed to be sitting on Clinton McCartney Sullivans Lap like a Santa Claus Twin (Right side is missing) replaced by Left side, cause the Right was taken out by Fredo on the boat from the Godfather and (Didnt Come Back) from the Trip and the family was displaced. <https://www.youtube.com/watch?v=0uqjznmTp80> and Sam Kinison (Knew Ryan has a Had a Half Twin Brother) whos part Sarmento involved with photos taken of me and him with Elbows on a counter of the Photo (Diner Counter) <https://www.youtube.com/watch?v=zzT9PNezxWw>

Now what Ryan is explaining is that Jon Sarmento and Donnas family are Italians related to Pintos and Hank Hazarians whos in Godzilla The Remake and hes in that movie with a Flipped Backwards Ball Cap as is a Sarmento thats in the movie The Social Network with Justine Timberlake whos in a seen with Dakota Johnston https://www.youtube.com/watch?v=_7sQJDY8l8U whos motioning to the left side of the Room in this seen which has White Mirrors in a Room with a Key thats tied to The Shining and the Mirrors (Double Mirrors) in the Room that has Twins Murdered in the past. The Shining and Jack Nicolson is tied to Forest Gump and the white underwear and towel Model that crosses the stage (Edited out of the movie and replaced with the woman thats show in the Theatre version whos got (Red Undies and a Stripper Outfit on and leaves before Robin Wright Penn comes out and sings with a Guitar on Stage and kicks a mans face in the Audience out. Now why this matters, Nicolson is a Tom Pacheco Related to Donnas brother Tom and was involved with Relatives in the Navy and they know who Forest Gumps Princess Dianna Sheena McClellan that was edited out of the seen was and Dakota Johnson wanted to make sure she passed when they filmed The Social Network as she shakes her hair and jumps off the Bed with Stanford Undies on in (Maroon) and the Stanford is tied to a Photo Album in a brief seen of the movie "Jade" which has a Sygorney Weaver and they show a Album with a man in a Stanford sweater on like hers. Ryans being abused by Federal Directors and Agents who were competing for that girl (Edited out of the movie of the Girls, Girls, Girls, Love Strip club. Now Lance Hendricksons relative approved Ryans Social Security check and his relative is the Bar Tender thats in The Shining and a comment in the Bar Seat seen is (You Set Em Up and I'll Knock Him Back) and he makes a comment about the white and Thats Swell. Ryans point is that the Scriptwriter involves someone thats Wealthy whos tied to the 5 Miserable Months on the wago (National Lampoon Vacation and Thomas Crown Affair) and 5 means Ryan and 5 Twin Brothers. You set em up is tied to The Game with Shawn Penn and Field of Dreams and they were saying theres a group of people so wealthy (They like to make a Game of abusing a person like Ryan whos not wealthy and powerfull, trying to put a person in a Mental Hospital or Prison for there (Handicapped) relatives in wheelchairs and thats what there doing to Ryan ONeil as a Payback for the Exorcist which has a Del Pacheco Mother (Related to Donna Lecontes Mother Belmedia Pacheco, her sister) and the Priest whos a Hendrickson that was her son, who commits her to a Mental Hospital and says (Damy Why You Do This.) Ryan recently went to a Hospital (After being hit with a Nanite Burst and had my Blood Chems and Results handed back to me by a Damien Flowers Dr (Related to who put a Implant in Ryans head, over 30 years ago in the State of Massachusetts that the Government is covering up is in my head, or was and broke Down over the years that someone put Nanites in Ryans blood to make me hear the Broadcast.

Ryans point The Exorcist has seen https://www.youtube.com/watch?v=TDORJ_iuBPo with the Mother of the Priest on the top of Steps in Brooklyn, NY with a Letter and address and Grafetti and Celia Antonio has a relative whos on the Photos of End Tables and Desks in Dirty Harry who are (Fake Smiling with Gappy Teeth) and the mexican man who was on the Liscense and Photo Id in the stolen wallet in The Breakfast Club and Alley Sheedy makes a comment (I Stole Your Wallet) and Alley is a Moonpie Chin side of heritage of Rita Senra Shores and Ryans been being abused most my life by people who are Ella means that want Ryan to be imprisoned to the Mafia side of the Heritages who Donna seems to control. Ryans being abused because of a Jaws Case <https://www.youtube.com/watch?v=cG3cf2gNUJU>

The Jaws cases (Multiples had to do with Bodys and Murders up and down the east coats and 1 on Marthas Vineyard thats connected to 1 on the mainland of New Bedford, Ma and Dartmouth (Same MO) and Tony Pacheco was related to Roy Scheider and so is Scatman Crothers who had a relative come to a Blood Lab in Ca many years ago when Ryan would donate Plasma living on the Streets of Los Angeles, Ca before I got on Social Security. Donna back in 1975 took me to Newport, RI to see a Revalutionary War Recreation they have in Newport every 100 Bi-Centenial years. The have English War Ships land in the Harbour of a Field thats allot like the 1 in Jaws with the Billboard that replaces the (Older Woman on the Billboard version) and Donna wanted us to look for Arrowheads and she said, we found an Arrowhead a Black Slade one thats the same color and style of the Rock in Shawshank Redemption when Andy Leaves Money for his Friend

in a Titanic Tin Can with a Letter to go to Mexico and San Juan Tineayo and its the same color black slade rock. Ryans being abused because the head in 1975 Arrowhead, was someones head lobbed off, tied to Newport, RI and The Shining and Bathroom Seen with Jeeves whos a Paul Pacheco and takes Nicolson into a Red Bathroom which has Unrinals on the left side and Sinks on the Right and then (They are Switched) and theres a connection to the Photo of a McCartney who is a Stemberg with a Merly Streep on his left lap (Missing the Right) and Pachecos kidnapped me cause Ryans Father and Mother and Grandfather (Arrested one of them, before I was born and it caused the Tate and Labianca murders and other incidents and Ryans being abused by anyone that knows who Ryans real Mother and Father was. Also the Bathroom seen is making a Nigger Cook in The Shining and theres a reference to the cook thats in Dirty Harry who hands (Eastwood a Hot Dog) and hes a Maria Antonio (Pissed about having a Penis biten off in the past.)

Now Ryans point is Ryans being abused by a Donna Leconte (Shining and Field of Dreams Broadcast) that is not legal to use on Human Beings. There is someone in the Obama, Putin, Medlov and Stallone and Hogan family whos a disgrace to the members of there family name, that turned it on back in June of 2012 so they could as Maria Antonio would say (Go Crazy) and ruin a Relationship interest with a girl Ryans met thats tied to Forest Gumps Strip Club seen, edited out, 8MM and the Booty Tatoo in Ca that Rita and Donna Lecontes family or the President are banging right now and covering up Ryans being forced to listen to Retards in Wheelchairs the Author of the Broadcast (Puts in the Broadcast) till they put a person in a Mental Hospital or get you Falsly arrested, while Eroding your heath, support network and people in the Government who are not Crooked or bad feds. In addition Ben Finkle who was a old Friend of Ryans showed me his Wrapped Up Plastic Couch when I was a teen, and someone wrote into The Shining a seen that is in a Green Painted Bathroom that has a Scarlet Johanson in a Bathtub that comes out to Seduce Jack and then changes to a Vava Tavares Williams (Related to Donna Lecontes Grandmother who lived in a 3rd Floor Spiral Stair Apartment. The woman is changed to a Donna Leconte Gonzalez whos back is turned and has Plastic sheen on it. Ben Finkles house and his Father Mr Taylor had his Couch wrapped in Plastic and they both showed this to me (Oddly) and the Shinings Butler in a Bathroom in a seen explains someones head was blown off after wrapped in plastic (Hidden in the script) and RYan wants the Internal Affairs Divisions to investigate the Park and Forest Ranger Radio Services and Intelligence Divisions tied to whos Broadcasting in RYans head and the Radio Service people involved with The Shining as the original person whos a (Park Service) uniformed officer in The Shining (First persons related to who put a Implant in RYans brain 30 Years ago when The Shining Came out and the 2nd Officer is a Berg Aldridge tied to the new Local Police Chief Aldrige who covering up a Sarmento in a Wheelchair related to Ryans half Twin is in the broadcast and Retarded Marlin Brando Berg thats a Ducky Lip Jenna Bush and Lincoln whos somewhere in a Wheelchair with a Stallone that does this to people against the law and for his amusement and doesnt understand its not a Investigative Tool to make people hear it, what hes doing is a Crime you get arrested and fired for committing. There are Putins, Medlovs and Obamas that mixed with Borenatz and the Bergs and Scatman Crothers tied to Rocky movies that dont understand little Mexican Rosey in a Wheelchair, Rosey Perezes and Portmans in Wheelchairs cant Broadcast in Ryans head or anyones.

Regards, Ryan ONeil

All Parliment and English Internal Affairs People Have to Explain to Barack Obama and Prince Charles That Its a Federal Crime to make People Hear a Broadcast In There Heads and they cant cover up what Loretta Lynch, Obama and Donna Leconte are doing to Ryan Oneil and that I'm a Charles Stallone Kidnapped from the England 45 Years Ago with 4 Twin Brothers the Royal Family is covering up existed and Written into Saving Private Ryan (That Ryan Oneil wasn't supposed to Figure out was about me and my 4 Dead Twin Brothers being hunted to cover up Illigitimates in 1969-70 that my mother when giving Birth was (Star Wars Phantom Menace Dealt with and Ryan wants Justice and Loretta Lynch is a Donna Leconte (Belmedia Pacheco) covering up with Comey and Bornetz in the Treasury Dept what they are doing to Ryan and others in secret in the United States.

All Internal Affairs Divisions Below Loretta Lynch, James Comey, The Borenatz Thats Running the Treasury Department, and OBamas have to explain to Barack Obama & His Staff that Its a Federal Crime to make Ryan ONEil and (Other People On Social Security Listen to a Broadcast Inside Your Head.) Linda Lavins, Russos, Sarandons, Vons related to Donna Lecontes Lavin Family have a group of (Retards that Have been Secretly Abusing Ryan ONEil and other people with Donna Leconte and a Obama in a Wheelchair that Likes to make people listen to his relative thats handicapped and (THIS IS AGAINST THE LAW) Since June of 2012 Ryan ONEil has been being abused by Donna Leconte (Whos Related to Loretta Lynch By her Birth Mother Belmedia Pacheco) and also been abused by Belmedia Pachecos Family nuclues and Donnas Pacheco family who kidnapped me 45 Years ago and are now trying to put Ryan in a Mental Hospital (After Years of Abusing Me) with Rita Senra Shores relatives. Rita is Ryans Half younger sister (Shes a Ringwald Partially and a Portman thats shown Belly Down on a Beach Towel in the Locker photo of Fast Times At Ridgemont High. Rita has partial Sarandon, Von, Russo, Lucas, Spielberg & Donna Leconte relatives that are (Frizzy Lizzy Mosses), Portmans, Stallones, Hogans, Fords & other politial families. They are abusing Ryan with the Media system for the Benefit of Mary Liz Mastrantonios, Rose Brynns, Mellissa Ethridges family who have (Handicapped People in there family in wheelchairs) Ryans part Stallone (and Sylvestot Stallone the actor who had twin Brothers has some relatives who are not related to Ryan that are doing something to him and other people thats not legal and is a Federal Crime and Torture. Donna is making Ryan (Hear a Broadcast In My Head that her Greek Lavin, Cruise, Lucas, Stallones, a Couple Ted Bundy Randy Price Hogans & Afericans that mixed with her family and the Portmans and some Boy Georges that forces a person to hear the Broadcast Inside your head. It is not legal to Make RYan hear (Jenna Mafia Rockerfellers Broadcast which has a Angie Dickinson Dressed to kill version of Olympia Snowe, Judith Geinsberg who mixed with Donnas, Mellissa Glen, Cristine Charette, Pam Dawbers mindys and Donnas Pacheco Greek relatives. The Pachecos in the 60s and 70s had many relatives, Ryan was related to Donnas brother Paul who knew I was switched and Donnas family took me as a baby and raised me as Donnas son. 45 Years after my Birth and Divorcing my ex wife Celia Antonio Donna started putting Ryan in Mental Hospitals as Celia and Maria Antonio were Teresa Heinz, Natalie Wood Members of Donnas Family nuclues indirectly. Dirty Harry the 1971 Clint Eastwood movie has a Photo of a mexican Celia Antonio with a Cherly Perry Heinz backing her up in a manor with a Fake Smile on her face, the direction of a Stacey Varges, Geller and

members of Rita Senra Shores family nuclues back then. This photo was on a Desk and in a seen and (Creepy.) Ryans point, Teresa Heinz, Donna, Maria Antonio arranged for Ryan to meet and marry Celia to keep me part of a Cruise and Scientology family that wanted to raise me and abuse me as a Rosemarys Baby (A 1968 Roman Polansky Movie) about abusing a person with a group of people that want you to be there prisoner, but part of the nuclues. Ryans being abused by a Donna whos a Retarded Linda Lavin Loretta Lynch Greek thats in Ross Perot and there family and they are making Ryan hear a group of people in wheelchairs and trying to put people in mental hospitals as a Activity for them Broadcasting in peoples heads.

Now for 6 years since Donna put Ryan into a Stuart Marchman Mental Hospital in Daytona Beach, FL and Ryan fought for 4 Days Legally and got myself out, saying (Donna has No Right to Order a Baker act and put me in a hospital (not Does anyone) and she did this to (Abuse) Ryan for the benefit of her, Celia and Maria Antonios family whos supposed Birth mother (Maria Antonio) was related to the actress that played the Mother of Jason Voorhees in the Friday the 13th Movies in the 80s. http://www.imdb.com/name/nm0658133/?ref_=tt_cl_t1 played by actress Betsy Palmer. Now Donna Lecontes mother, Belmedia Pacheco whos also related to Loretta Lynch, Haley Berry, Tamara Taylor on (The Today Show), Lina Horn who has a relative thats very Arabic in Jaws who was (Angry about something in a beach case tied to a Billy Bulger of the Whitey Bulger Winter Hill Boston mafia story https://www.youtube.com/watch?v=_2Ecwm7Alrc and there is a Whitey Bulger in the seen link mentioned above and a Lina Horn whos a Tank Teeth Honey thats related to Donnas Birth Mother Belmedia as is Betsy Palmer a (Maria Antonio.) Now Loretta Lynch, James Comey, Timothy Geither, and almost all the Federal Directors in Washington (Have a Rita Senra Shore, Sarnadon or Russo relative that looks like a Tank Teeth Retard Ringwald known as Honey who looks like the woman thats on the Billboard in 1975 Jaws seen <https://www.youtube.com/watch?v=fGoekw7e-3U> and this Billboard in Martha's Vineyard when they released Jaws (Replaced a woman that was originally on the Board thats related to Ryan ONeil.) Now Ryans half sister Rita lived on Luke Street in New Bedford, Ma near Tom Pacheco Photo Studios the name of Donnas brother Tom who was part Barry Gibb. Now Ryans sister whos Belly Down on a beach towel in Fast Times at Ridgemont High had Senra Relatives like Jason Gordan and Jason Segel who were in her family nuclues of the people 1 of her parents were living with.

George Lucas was renting an apartment from Tony Pacheco (Donnas Father) who has relatives that are Greek and one is a Greek Leo Meehen who is tied to the persons voice thats on the Special Council Voice mail. Ryans point of this letter, Donnas brother Paul Pacheco was related to the Man in Rosemarys Baby who empregnates Mia Farrow whos related to Ryan ONeil more than Donna is. John Cassavettes who does a Flip Head over Heels in Rosemarys Baby that caused someone in 1973-74 when Ryan was living on Dartmouth Street in New Bedford, Ma with Donna at 4 Years old to make (Chanel 7 Randy Prices Beard, Glasses and Blanket video) and Randy Price whos a Hogan Paine released the movie with Jonathan Hall on Chanel 7 in Boston when Ryan was working at WB Mason with Leo Meehen and Kerry Marchand who has relatives tied to Jaws and the movie as does Ryan and Donnas family nuclues. Ryans point the Beard and Glases movie looks like a Child is being molested by a person whos hand is being covered by a Blanket thats Black and old world and the (Person) thats skinny in the movie conceling there face flips naked with Underwear on head over heels with a Little Girl in a Wig, next to the person and Randy Price released the story of a Attempted Look a Like of Ryan Oneils Face (Not my Body Shape and Size,) and a Det Williams in Brockton was the narrated commentor that made a comment, Im Trying to Get This Guy.

Now what Ryan is explaing is Donnas Father (Tony Pacheco) died years ago and he was a good person (Donna is not and neither is some of her relatives who have been abusing Ryan in the Intelligence world that are mixed with the people mentioned in this letter and above. Rene Russo, Sarandons, Vons, Pintos, a relative of Cassavettes whos also related to the man that played the Father in Pretty in Pink of a Ringwald <https://www.youtube.com/watch?v=nxHTPahkN6M> and someone wanted to (Switch) Fathers between 16 Candles the movie and Pretty In Pink <https://www.youtube.com/watch?v=eq5NSAyQETI> meaning in 16 Candles which came out a year or so Different from Pretty In Pink is two different Scripts, and movies, but both Ringwald Movies involve Water Cases tied to Jaws and Ma and Other states. The Father in 16 Candles was a Gordan Kaye relative of Tom Stemberg whos relatives dated Donnas family and was part of there family in the 60s (See Attached Photos In Black and White) when Applicable and able to send. There is a photo of a Merly Streep Donna Leconte whos sitting on the lap of a Clinton McCartney Sullivan in Tony Pachecos Christmas Tree Room (Tied to Dr Chevago a 1965 Movie) and theres a missing Twin on the Right side lap because Twin Brothers were seperated in a Godfather Fredo on the Boat Manor (Written into a Seen of The Godfather

with Al Pachino.) Across the street is a House shown through his window in the background that has a Boat surrounded by Snow to the left side (Where Merly Streep Donna is sitting on the left Lap (Camera View) of a Stenberg relative of the Father in 16 Candles (Though there not directly Related.) Now Ryans point, Donnas family is covering up what happened to Ryans Father and Real Birth Mother, The Tate and Labianca Murders, Deaths of Elvis Presley and Princess Dianna (All Related to Ryan)

Now Ryan when I was 4 Years old was waiting for a bus at 4 Years old

<https://www.youtube.com/watch?v=NWcBwgxUyuM> and its mentioned by a Donna in 16 Candles playing the mother of Molly Ringwald in a seen and says Your Gonna Miss, the Bus Honey. Now Honey refers to a different kind of Ringwald thats (Sick and Nuts and a Rene Russo, Sarandon, Shore, or Von with Frizzy Hair and Retarded Eyes and Teeth whos more related to Ryans half Sister Rita. A Honey (That shes refering to looks like the Retard thats on the Billboard in a seen of Jaws who (Replaces the woman under the Defaced Drawing whos a Ryan ONeil related to Likeness. <https://www.youtube.com/watch?v=fGoekw7e-3U>

Now Ryan is explaining that the Jaws movies 1975 and sequels created by Spielberg whos relative Samuel J Levinson has been running the Inspector Generals Office of the Health and Human Services Department and has like Loretta, the Comeys and Treasury for 6 Years received 100 Certified Letters from Ryan that were sent to many different Departments with a Flash Drive that shows Michelle & Barack Obama relatives related to them, some related to Lance Hendrickson, Rita Senra Shore and people tied to the movies im highlighting links and seems to (Because they came out of Ma 45 Years ago and rose up to the Director Postions of these departments in Washington right now who dont (Do there Jobs and Cover up for Honey and Ella Means and Donnas people that there abusing Ryan and have abused other people on Social Security who are being forced to listen to Donnas broadcast that a Obama thinks is legal to make people hear (When Its Not No matter what the Government Thinks a persons done.) Now Ryans explaining that Gordan Kaye in 16 Candles relative playing Ringwalds father was related to the actor that played the part. Honey he mentions as does Cherly Perry Heinzes relative who plays Ringwalds Mother was refering to Ryan at 4 Years old in the dark waiting for a Bus outside a Dartmouth Street Apt with my Lunch box in my hands like the Poster for 16 Candles that has Jake Ryan to the left with Hands in Pockets and Ryan ONeil was being refered to behind the seems by someone in the Ringwald family and persons related to Donna Leconte who doesnt understand (Honey isnt supposed to abuse Ryan because I dont want the Ringwald whos a frizzy Hogan related to Ryans sister Rita who looks like the Retard on the Billboard in Jaws seen. When you dont want Honey (She sends people to ruin and Deface what you do want and thats why the Billboard was Replaced and Defaced. <https://www.youtube.com/watch?v=cG3cf2gNUJU>

Now Ryans explaining that Donna and Teresa Heinz, Comeys Related to Bill Fey and a Pachino Ashcroft who looks like a Barry Sheck David DeCovney Aaron Sullivan dont understand that Ryans not a Prisoner to the Leconte, Pachecos and Ringwalds that mixed with allot of Families that are Ella Means, Honeys and Ethridges that have Frizzy Shore hair and Androgenous Sunken Facial features and Sarandon, Von, Hendrickson, Stallones and Hogans all have a (Honey Related person in there family and there all tied to Jaws Cast people who were Feds in Ma that went to Hollywood and other parts of the worlds since the movie came out. Ryans being abused anotherwords by the 16 Candles Generation who with a Cherly Perry Heinz knows RYan was (Switched At Birth and Taken from 4 Twin Brothers) and The Shining has a seen with Scatman Crothers about hearing the (SHINE) <https://www.youtube.com/watch?v=2rKbtldozCU>

Now this is where the Technology is coming from and Donna and Loretta Lynch are illegally with the Maria Antonios in Belmeida Pachecos family are abusing Ryan ONeil and have been abusing other people making them hear (Handicapped people in Wheelchairs that 1 of the Stallones in a Classified area put in a Broadcast with Obamas, Loretta Lynch, Hogans and Stallones that mixed with Donnas fathers family (Tony Who is also related to Jon Kerry and Mother Belmedia whos Maria Antonio relatives are covering up with there relatives making people hear a Retarded Maria Antonio Son thats a Hogan with a Huge Tiger Chin and has Almond Eyes like a Slavic whos like a Bald Berg Giant Jon Cenna. Now Ryans explaining its not legal to make someone whos not been arrested, tried and convicted of a Crime hear a Broadcast inside your head. Now the poster for 16 Candles

http://www.google.com/imgres?imgurl=http://t1.gstatic.com/images%3Fq%3Dtbn:ANd9GcSvWQj7gCQ29CHoE3_WArDI sWHUKp9hmgG2SxXsdPbbX5AeelO&imgrefurl=http://t1.gstatic.com/images%3Fq%3Dtbn:ANd9GcSvWQj7gCQ29CHoE 3_WArDI sWHUKp9hmgG2SxXsdPbbX5AeelO&h=300&w=200&tbnid=kQUh8AEa6dpZNM:&tbnh=186&tbnw=124&docid

=JExB7vP8xEBTHM&itg=1&usg=__yYQjkXq9naZtjbRVA6wb6yvq-Aw= has Jake Ryan (Jay Added, Kept Estate) Ryan and the way Ringwalds Holding the purse in her hands was the same as Ryan holding a Lunch Bag and Box when I was 4 Years old waiting for a bus outside my Dartmouth Street Apartment when I was 4 years old. My half sister Rita doesnt look like Molly Ringwald but is slightly a mix of Ryan ONeil & a Shore thats tied to Honey, though shes not as much of a Tank Teeth Retard teeth and features and thats what caused all this to happen. When Ryan was 4 Years old on Dartmouth St living across from the Sores Stallones, Clintons, some other people tied to the movies Ive highlighted, they shot BBs at Ryan on a BigWheel and someone Federally wrote it into the movie The Shining with Danny <https://www.youtube.com/watch?v=cy7ztJ3NUMI> and Danny is a Cherly Perry Stemberg, related to the woman who played Ringwalds mother in 16 Candles and hes also a relative of the man that played her father and looks like Ryan at 4 Years old with same hair Style and features and represents 1 of Ryans half Twin Brothers. Ryan believes when I was born I had 4 Twin brothers, born right after I came out and was seperated. I also have younger half brothers and sisters that were products of my father and mother having kids with other people.

Now what Ryan is explaining Cherly Perrys family were Police officers (Cherly had a Relative in Ma that retired that wanted to set up a media life for Ryan being (Replaced By Rita Senra Shore, Teresa Heinzes, Bullocks and Ella Means tied to the Honey side of the Heritage who look like retards. She has a relative thats related to Celia Antonio that doesnt understand nor does Donna that Ryans not supposed to be put in Mental Hospitals, Abused and made to hear a Broadcast cause there is a (Retarded Hogan Honey, Stallone Pachino related to a Jeff Pachino who was in Celia Antonios family and others in Wheelchairs who want to abuse and imprison Ryan because they are loyal and part of (Honeys Mafia side family.) In addition, the original Clinto Eastwood movie has the name Paloncia and Donnas father Tony Pacheco was related to Actor Hal Holbrook who played Clint Eastwoods Boss in Magnum Force http://www.imdb.com/name/nm0001358/?ref_=tt_cl_t2 and Hal is also tied to a Pacheco thats in the Scheider family thats in a classified area of Space, Nasa and Weapons system. Ryans being abused by Living Relatives of Donnas Father and Mother who were not Tony Pacheco side, but Honey Greek and Italians who make people hear a Stallone thats a Ethridge with a Co Chin thats been in a Wheelchair since the 60s whos a Pachino thats not a Al Pachino, but still part of his family nuclues and they with Donna and a Loretta Lavin relative of hers whos a Retarded Lavin in a Wheelchair, Pike Stuart Copeland turned the Broadcast on inside my head back in 2012 when Donna sent me to Stuart Marchman Clinic via a Officer Robison (Tied to the Graduate) and Dustin Hoffman whos related to the Stemberg in the 60s photo that has a Merly Streep Donna sitting on his Left Lep. Merly was in a movie Called the Manchurian Candidate putting a implant chip up Liv Schribers nose to be used as a Tracker. Ryan was in the 80s a victem of a Nose operation with a Dr Fury who was a Greek tied to the McKintry family who was supposed to do a nose operation on Ryan for a Breathing issue and instead, he had a Russian Bald Putin Krasnow Leconte come into the Hall the day I was being wheeled into Surgery and he did the operation instead and I believe put a Implant in Ryans brain for a (Red Dawn) Lea Thompson lets track Ryan to see whos watching him Federally purpose so (Honeys side, could get rid of Beach Jaws investigators who knew RYan was not a suspect in the 70s for some issues that occured and happened. <https://www.youtube.com/watch?v=nxotPpVYVcc> and the Surgeon in this seen of The Fugitive who comes running out and is a Aferican American Loretta Lynch with Medlov Teeth the same as the Surgeon who switched places and did Dr Furys operation in the 80s-Early 90s. Harrison Ford is related to a Richie that worked with Ryan and my younger sister Rita at Stop and Shop when I was 17 Years old and Richie is partially related to Danny in The Shining. Scatman Crothers is a Hendrickson and Scheider and Loretta Lynch Roger Andrews Obama family member.

Now what Ryan is explaining Donna has Greek and Italian relatives that are Retards that dont understand she cant make me hear a Jen Lopez Loretta Lynch (Zoey Ringwald) whos like a Dolly Pardon whos got a Mellissa Glen Moonpie chin and Donna wants to drive Ryan crazy with Maria Antonios relatives who are related to Celia Antonios Mother (Whos a Betsy Palmer) who played Jason Voorhees mother in Friday the 13th going around killing people she thinks caused the injury of her son. Barack Obama is a (Maria Antonio as is Donald Trump) and Barack doesnt understand its a Crime to make Ryan hear his and Donnas Broadcast that has a Sygorney Weaver, Loretta Lynch Aferican Pauley Shores, and people tied to Donnas Ella Mean side of the heritage. There is a photo in 16 Candles on the bed side of the Grandparents of Ringwald and 1 of the photos has a Tracy Varges whos a Portman Greek that was in Celias family whos relative is on the photo in 16 Candles end table to the (Right) side with a Look a Like twin of Ryan. Now Tracy has relatives in the Navy with Tom Cruise and shes a Portman thats very Nervous and is mixed into Ryans line of the Portmans and the reason the photo was to the Right. The Photo (Black and White) taken in the 60s that shows Merly Streeps Donna twin on the lap of

a Stenberg-Clinton McCartney Cushman Carlise Sullivan represents a Photo of a Santa Claus Paul Pacheco told me that had Twin Orange Haired Irish kids on the lap of a person dressed as Santa Claus. The point of the 60s Photo with a Streep is the reason the Christmas tree is on the right lap (Someone was explaining the Twin Half Brother) went missing with his kids and family displaced. The Movie Twins with Danny Devito and Arnold Swartzenegger has to do with Ryans father and mother and Twin Brothers as well as other sets of Twins someone assembled in the 50s to present and put in a Agency. Tracy Varges relative when they filmed 16 Candles had a Twin of Ryan and someone at Stop and Shop was making and wore a mask made of Ryans face at Carter Brooks Elementary School before I went to Middle and High School and it was made to make a Randy Price (Seven) to get Ryan arrested later on in life.

Now Maria Antonios relative (Betsy Palicia in Friday the 13th Had to do with Switching Ryan in the crib and Dirty Harry and Magnum Force has a Chief (Eastwoods boss at the end that gets blown up in a car and says Calahan whos gonna believe you Im a Upstanding citizen, the car leaves and blows up. Tony Pacheco (Donnas father used to talk about Aunt Tiesabella *Bells Relative* who he said, his parents dropped him off at Aunt Tisebellas house to be babysat and he said that Aunt Tease-a-Bell used to chew his food for him and then make him eat it. What Tony really meant, there was a Pacheco tied to The Shawshank Redemption (Dempsey) and Rape seen with (Andy) in the Film Projector room where a Lance Hendrickson is kicked out when Boggs (Wade Boggs Reference then) comes in and the seen is about (Raping someone in prison and mentioning biting a penis off. (This is what Aunt Tieseabella) chewing food was really about and the Pachecos are abusing Ryan because of something that happened (Before Ryan ONeil was born and tied to the Black and White Photos) given to the US Government of Donnas family nuclues in the 60s and showing a Stenberg Carlise Sullivan (Related to Cushman Carlises) and the Danny in The Shining, as well as Father in 16 Candles who wanted a Jake Ryan (Replacement Prison) for Ryan ONeil with Jason whos tied to Maria Antonios relative (Betsy Palmer) in the movie Friday the 13th. <https://www.youtube.com/watch?v=2rKbtlodzCU> Now this seen in The Shining has a (Danny who is a Stenberg who looks like Ryan ONeil when I was 4 years old on Dartmouth Street Riding a Bigwheel around like Danny and having BBs shot at the back of Ryans head. Carey the movie has a Jesus Statute thats in Careys (Punishment Closet) that looks like a Tommy Soares Likeness of his face, being Crucified on the cross and the cross is designed into the Bushes of the Maza in the movie The Shining. Ryans point someone in Donna Leconte and Cherly Perry and Chelsea Clintons family (Who was in a Bryan Williams Interview years ago, sitting on a stool at the News Desk (Making Then Its My Work) comments because Chelsea and Bill Clinton have relatives in Donnas family who are abusing Ryan and others trying to make people (Shining Crazy) and that means abusing people making them hear the Broadcast Inside your head.

Now Ryans point about the Ice Cream seen with (Danny in the Shining with Scatman Crothers explaining hearing the Shine <https://www.youtube.com/watch?v=2rKbtlodzCU> and having Telepathy Conversations with his Grandmother a (Reference to Roger Andrews, Camille Cosby and people in Roger and Scatmans Obama family as (Roger Andrews when Ryan was in High School lived with his Grandmother) and this seen was planning to use (Furture Classified Telepathy Weapons on people to make them hear Handicapped people in wheelchairs trying to drive you crazy. Also understand the Jacket that (Danny is wearing) has 2 Red Stripes on the wrist band of Dannys Sleeve and a Red Line that runs up his arm into his neck. A Few Good Men has Tom Cruise in a Courtroom https://www.youtube.com/watch?v=_frM44bBMfA

Now, understand the Courtroom in A Few Good Men has 2 Paintings that are on the wall, behind Tom Cruise and the one to the Right side has a Man in Uniform whos Twiddling his Thumbs and he has (a Certain Number of Bars) on his Arm Wrist) and Danny in The Shining back when they made the movie (Had Only 2 not as many) and the line up the Arm is a reference to working on someones Family line and number of Twin Brothers to end up with Heart Disease and Stinks (Later On in Life) and the Line represents a (Stint) to be used to unblock arteries in someones Failing or bad heart. This is (Pre-medatation of Someone who may have had the problem in the Shining Days and blamed someone or there relative for the Problems they and there family had. The Shining Mansion also has a Williams related man thats following Jack Nicolson behind him when hes being shown around the Property when Being Interviewed for the job and led out to the Garage area of the Estate. The Building itself with Twin Sides is a Linda Blair Puke Excorcist Color and the Diamond Shapes around the property, some on Carpets and walls and doors (Like the White House Across the street from Tony Pachecos Dartmouth, MA front door. Ryans being abused by someone who (Switched me as a Baby from my Real mother and Father) and Donna Leconte is not my mother and has a Ross Perot Italian relative thats abusing people with a new Technology and shes a nutcase Linda Lavin Pike Moonpie Chin that has Greek Hair and does this to people against the law. For 45 Years, they been covering up taking Ryan and my Twin brothers and I was First Born and taken and

swapped the second I was born. Sam Kinison was in Back to School in the Is She Right seen (Right side of Photo) from 60s in Donnas Fathers house (Attached Photo) with a Christmas Tree to the side (Replacing the other girl thats supposed to be sitting on Clinton McCartney Sullivans Lap like a Santa Claus Twin (Right side is missing) replaced by Left side, cause the Right was taken out by Fredo on the boat from the Godfather and (Didnt Come Back) from the Trip and the family was displaced. <https://www.youtube.com/watch?v=0uqjznmTp80> and Sam Kinison (Knew Ryan has a Had a Half Twin Brother) whos part Sarmento involved with photos taken of me and him with Elbows on a counter of the Photo (Diner Counter) <https://www.youtube.com/watch?v=zzT9PNezxWw>

Now what Ryan is explaining is that Jon Sarmento and Donnas family are Italians related to Pintos and Hank Hazarians whos in Godzilla The Remake and hes in that movie with a Flipped Backwards Ball Cap as is a Sarmento thats in the movie The Social Network with Justine Timberlake whos in a seen with Dakota Johnston https://www.youtube.com/watch?v=_7sQJDY8l8U whos motioning to the left side of the Room in this seen which has White Mirrors in a Room with a Key thats tied to The Shining and the Mirrors (Double Mirrors) in the Room that has Twins Murdered in the past. The Shining and Jack Nicolson is tied to Forest Gump and the white underwear and towel Model that crosses the stage (Edited out of the movie and replaced with the woman thats show in the Theatre version whos got (Red Undies and a Stripper Outfit on and leaves before Robin Wright Penn comes out and sings with a Guitar on Stage and kicks a mans face in the Audience out. Now why this matters, Nicolson is a Tom Pacheco Related to Donnas brother Tom and was involved with Relatives in the Navy and they know who Forest Gumps Princess Dianna Sheena McClellan that was edited out of the seen was and Dakota Johnson wanted to make sure she passed when they filmed The Social Network as she shakes her hair and jumps off the Bed with Stanford Undies on in (Maroon) and the Stanford is tied to a Photo Album in a brief seen of the movie "Jade" which has a Sygorney Weaver and they show a Album with a man in a Stanford sweater on like hers. Ryans being abused by Federal Directors and Agents who were competing for that girl (Edited out of the movie of the Girls, Girls, Girls, Love Strip club. Now Lance Hendricksons relative approved Ryans Social Security check and his relative is the Bar Tender thats in The Shining and a comment in the Bar Seat seen is (You Set Em Up and I'll Knock Him Back) and he makes a comment about the white and Thats Swell. Ryans point is that the Scriptwriter involves someone thats Wealthy whos tied to the 5 Miserable Months on the wago (National Lampoon Vacation and Thomas Crown Affair) and 5 means Ryan and 5 Twin Brothers. You set em up is tied to The Game with Shawn Penn and Field of Dreams and they were saying theres a group of people so wealthy (They like to make a Game of abusing a person like Ryan whos not wealthy and powerfull, trying to put a person in a Mental Hospital or Prison for there (Handicapped) relatives in wheelchairs and thats what there doing to Ryan ONeil as a Payback for the Exorcist which has a Del Pacheco Mother (Related to Donna Lecontes Mother Belmedia Pacheco, her sister) and the Priest whos a Hendrickson that was her son, who commits her to a Mental Hospital and says (Damy Why You Do This.) Ryan recently went to a Hospital (After being hit with a Nanite Burst and had my Blood Chems and Results handed back to me by a Damien Flowers Dr (Related to who put a Implant in Ryans head, over 30 years ago in the State of Massachusetts that the Government is covering up is in my head, or was and broke Down over the years that someone put Nanites in Ryans blood to make me hear the Broadcast.

Ryans point The Exorcist has seen https://www.youtube.com/watch?v=TD0RJ_iuBPo with the Mother of the Priest on the top of Steps in Brooklyn, NY with a Letter and address and Grafetti and Celia Antonio has a relative whos on the Photos of End Tables and Desks in Dirty Harry who are (Fake Smiling with Gappy Teeth) and the mexican man who was on the Liscense and Photo Id in the stolen wallet in The Breakfast Club and Alley Sheedy makes a comment (I Stole Your Wallet) and Alley is a Moonpie Chin side of heritage of Rita Senra Shores and Ryans been being abused most my life by people who are Ella means that want Ryan to be imprisoned to the Mafia side of the Heritages who Donna seems to control. Ryans being abused because of a Jaws Case <https://www.youtube.com/watch?v=cG3cf2gNUJU>

The Jaws cases (Multiples had to do with Bodys and Murders up and down the east coats and 1 on Marthas Vineyard thats connected to 1 on the mainland of New Bedford, Ma and Dartmouth (Same MO) and Tony Pacheco was related to Roy Scheider and so is Scatman Crothers who had a relative come to a Blood Lab in Ca many years ago when Ryan would donate Plasma living on the Streets of Los Angeles, Ca before I got on Social Security. Donna back in 1975 took me to Newport, RI to see a Revalutionary War Recreation they have in Newport every 100 Bi-Centennial years. The have English War Ships land in the Harbour of a Field thats allot like the 1 in Jaws with the Billboard that replaces the (Older Woman on the Billboard version) and Donna wanted us to look for Arrowheads and she said, we found an Arrowhead a Black

Slade one thats the same color and style of the Rock in Shawshank Redemption when Andy Leaves Money for his Friend in a Titanic Tin Can with a Letter to go to Mexico and San Juan Tineayo and its the same color black slade rock. Ryans being abused because the head in 1975 Arrowhead, was someones head lobbed off, tied to Newport, RI and The Shining and Bathroom Seen with Jeeves whos a Paul Pacheco and takes Nicolson into a Red Bathroom which has Unrinals on the left side and Sinks on the Right and then (They are Switched) and theres a connection to the Photo of a McCartney who is a Stenberg with a Merly Streep on his left lap (Missing the Right) and Pachecos kidnapped me cause Ryans Father and Mother and Grandfather (Arrested one of them, before I was born and it caused the Tate and Labianca murders and other incidents and Ryans being abused by anyone that knows who Ryans real Mother and Father was. Also the Bathroom seen is making a Nigger Cook in The Shining and theres a reference to the cook thats in Dirty Harry who hands (Eastwood a Hot Dog) and hes a Maria Antonio (Pissed about having a Penis biten off in the past.)

Now Ryans point is Ryans being abused by a Donna Leconte (Shining and Field of Dreams Broadcast) that is not legal to use on Human Beings. There is someone in the Obama, Putin, Medlov and Stallone and Hogan family whos a disgrace to the members of there family name, that turned it on back in June of 2012 so they could as Maria Antonio would say (Go Crazy) and ruin a Relationship interest with a girl Ryans met thats tied to Forest Gumps Strip Club seen, edited out, 8MM and the Booty Tatoo in Ca that Rita and Donna Lecontes family or the President are banging right now and covering up Ryans being forced to listen to Retards in Wheelchairs the Author of the Broadcast (Puts in the Broadcast) till they put a person in a Mental Hospital or get you Falsly arrested, while Eroding your heath, support network and people in the Government who are not Crooked or bad feds. In addition Ben Finkle who was a old Friend of Ryans showed me his Wrapped Up Plastic Couch when I was a teen, and someone wrote into The Shining a seen that is in a Green Painted Bathroom that has a Scarlet Johanson in a Bathtub that comes out to Seduce Jack and then changes to a Vava Tavares Williams (Related to Donna Lecontes Grandmother who lived in a 3rd Floor Spiral Stair Apartment. The woman is changed to a Donna Leconte Gonzalez whos back is turned and has Plastic sheen on it. Ben Finkles house and his Father Mr Taylor had his Couch wrapped in Plastic and they both showed this to me (Oddly) and the Shinings Butler in a Bathroom in a seen explains someones head was blown off after wrapped in plastic (Hidden in the script) and RYan wants the Internal Affairs Divisions to investigate the Park and Forest Ranger Radio Services and Intelligence Divisions tied to whos Broadcasting in RYans head and the Radio Service people involved with The Shining as the original person whos a (Park Service) uniformed officer in The Shining (First persons related to who put a Implant in RYans brain 30 Years ago when The Shining Came out and the 2nd Officer is a Berg Aldridge tied to the new Local Police Chief Aldrige who covering up a Sarmento in a Wheelchair related to Ryans half Twin is in the broadcast and Retarded Marlin Brando Berg thats a Ducky Lip Jenna Bush and Lincoln whos somewhere in a Wheelchair with a Stallone that does this to people against the law and for his amusement and doesnt understand its not a Investigative Tool to make people hear it, what hes doing is a Crime you get arrested and fired for committing. There are Putins, Medlovs and Obamas that mixed with Borenatz and the Bergs and Scatman Crothers tied to Rocky movies that dont understand little Mexican Rosey in a Wheelchair, Rosey Perezes and Portmans in Wheelchairs cant Broadcast in Ryans head or anyones.

Andre,

I have spoken with Captain Zarcone regarding LADOT's support for this event. To provide an overflow area for the Church, LADOT will be provide the following support:

Street Closures (Completed by 8am)

- 1) West side of Vermont frontage between 80th St & 81st St
- 2) 81st St between New Hampshire & Vermont

Parking Restrictions (No Stopping Anytime, 7AM to 4PM)

- 1) West side of Vermont frontage between 79th St & 81st St
- 2) 81st St between New Hampshire & Vermont

LADOT staff will be on site and coordinate with LAPD if any additional closures or support is necessary. If you have any questions, please call me at 213-760-2961.

Thanks Greg. I am attaching a flyer for the event, which was described to MEG and staff as a meeting of top gang leaders in hopes of reaching a new truce.

Earlier today, I spoke to Shawn Ingallina, director of security for the Church of Scientology community center. He should be the point of contact for LAPD, and can be reached at [\(310\)-946-2853](tel:310-946-2853).

Organizers are meeting this afternoon with Captain Zarcone in the 77th. Shawn relayed to me that the ideal closure, whichever is provided, would ideally be 9 a.m.-2 p.m. At this point, he expects up to 1,000 people.

A contact for the event would be Brother Rizza Islam, who can be reached at [\(310\) 505-5201](tel:310-505-5201). He understands that further information may be needed.

Let me know if there are any more questions I can answer. I have been in close contact with both of these gentlemen throughout the day.

Thanks,
dre

Hey folks...

I'm starting a new thread, and including Seleta and Ed Yu from DOT.

Seleta/Ed/DOT are ready to help, but they need the following:

-Clarity on what type of activity the closure is for (this impacts what *kind* of closure they'd do, how many people are involved, what resources are needed, etc.; there are many types of closures);

-Point of contact at LAPD; they need to coordinate with PD on a major street closure like this in order to, if nothing else, understand what each group is doing...and in order to give public notice (there are a bunch of businesses on this stretch - and *not noticing* will create a shit-storm)

-Point of contact for the event (I presume)

Also, Ed/Seleta...Andre Herndon (on this e-mail - and Mayor's office point on this event) spoke with the event folks, and they said they *could* settle for closing the intersection of Vermont/81st *"to the back street as well as the island"* (I don't know what this means), but our preference would be to accommodate the original request if possible.

Andre/Thalia...can y'all please help with these questions? DOT is ready to go - and Dan Rodman will be MOCS point on this moving forward.

Thanks,
G.

Dear Sir,

We would like to inform that Her Excellency Dr. Dipu Moni, MP, The Chairperson, Parliamentary Standing Committee on Ministry of Foreign Affairs of Bangladesh and The Former Foreign Minister of Bangladesh would like to visit Los Angeles and San Francisco from July 16-21, 2018. During her visit in Los Angeles, Her Excellency would like to attend a reception and deliver a speech to a public gathering on July 20, 2018 at 8.30 pm at Lebanon Hall, Church of Scientology of Los Angeles, 4810 Sunset Blvd, Los Angeles, CA90027. The program will be organized by a political party of Bangladeshi Americans living in California.

02. The Consulate General of Bangladesh in Los Angeles will deeply appreciate, if necessary police vigilance could kindly be ensured at Lebanon Hall, Church of Scientology of Los Angeles, 4810 Sunset Blvd, Los Angeles, CA90027 during her presence at the event venue.

03. Thanking you in anticipation.

Dear Cpt. Palka,

Once again is the time of the year when the Scientology has organized the Nativity Scene on Hollywood Blvd., and McCadden Place. That means nuisance and disturbancy of peace for us residents on McCadden Place due to its location. Please see two videos attached hereto of the noises we are currently exposed to.

I called the Hollywood Division and spoke with Sgt. Pak, and he promised to send an officer here. I want to make sure that this music will be shut down immediately so we can have some peaceful and quiet enjoyment in our housing.

I said, once again, as this had happened last year as well. Lt. Baez was in charge of the Hollywood Entertainment District then and told them to shut it down as they do not have a permit to play amplified music in the open. Now, I am coming to you and ask you to put a halt to this nuisance, in special that it will be ongoing until after Christmas. I am also hopping that this will be shut down this evening as well.

Thank you.

<http://www.imdb.com/name/nm0004886/?ref_=tt_cl_t4>* and Ryan is being abused by a member of Hulk Hogans (Ted Bundy, Price, Jon Holmes Dylon Clebold shaped chin relatives, 1 of which is in Betsy McClellens family.

Ryan O'Neil for years was changing on a Daily basis a phone number on Virgin Mobiles website as I have a Virgin Mobile Cellphone used to open free Email Accounts which on Google, Yahoo and other free email accounts it requires having a Text Number confirmation to open accounts and Google allows you to use the Email 3-5 times before it says the Number has been used to many times and it wont send a text. *

*Now why Ryan O'Neil is explaining what Im explaining the site *

<https://www.virginmobileusa.com/#!/help-support/>

<<https://www.virginmobileusa.com/>>* for Virgin Mobile when someone logs on today and (Changes there number) is supposed to be normal. For the past month, when Ryan would go to change my number on the site, it would have blocked web-page and would not allow RYan to change my number and the banner section of the phone is cut off (Meaning no Button to submit info.) When Ryan called Virgin Mobile today (With Money on Ryans account) a Marabella answered (Whos a Mexican) and she makes a comment we have to charge you a \$15 Fee that you have to Pay and said, the sites been updated and you have a "Little Problem" and what she means, Ryan is being harrassed by a person whos been "Broadcasting Inside My Head" after a (Bill Duke Sharon Tate) in 2012 took Ryan to a Stuart Marchman Clinic in Daytona Beach, FL where I stayed for 4 Days (Fighting my way out, Filing Appeals and calling the Civil Right Law lines on a poster in the Facility titled (Detention Centers) instead of Hospital. Now "Donna Leconte" is mentally ill and she and Tamara Hall (Related to a Lisa Dalamore) who are Belmedia Pacheco (Donnas Mothers Relatives) and Donnas (Relatives were part of the Charles Manson girls *

* and the Manson family (Rose Brynn and Olga Costa Muellers and Hillery Clintons) were all Manson Girls and the story of the Tate and Labianca murders was (Covered up with Classified Level Intelligence People.) What Ryan is explaining Marilyn Monroe and Princess Dianna had relatives back then (Twins) who were tied to Barbara Streisands "Funny Girl" vegas showgirl Extra seems and 1 of the woman in that family nuclues was Ryans Birth Mother. Donna has Gilda Radner, Teresa Heinz and relatives of a Lena Antonio (Involved with the Porn business and Federal Agencies who want to Hassle Ryan as does 1 of the Redfords who as Ryan came back from Signing a Apartment lease today came past me spitting on Grass. Donnas family was tied to Rosemarys Baby and her Aunt Del is related to the Bulpy Nose Barney Frank woman thats in the last seen of Rosemarys Baby rocken the Black Baby Crib and mistreating Mia Farrow who in this movie is supposed to conceive and give birth to the Manson Devils child that they then take and raise and abuse through life to make a secret society happy. Now a Manson empregnated Donna Leconte who I believe gave birth to MadMen Liz Moss Twin Daughters and Donna didnt raise them, she took Ryan instead and they took me at birth from my 4 Twin Brothers seperated when I came out first. Donna doesnt understand she and Teresa Heinz and Paul Pachecos related to Lou Dolce and Cassevettes cant abuse Ryan and cover up a partial relative related to Paul, kidnapped Ryan in 1969-70 and handed me to Donna so (They Could Steel a Trust Fund in Ryans name tied to McDonalds and the Vespa Corporation thats worth Billions of Dollars and Donna, the Cruises related to Maria Antonio, Tom and some Stallone-Cruises switched a Trust in Ryans name years ago (Illegally) and wrote it into the movie Body Heat. Now Jaws 4th of July has a Extra that crosses behind (Larry) on the Beach whos a Harmon that doesnt look like Donnas father (Tony) who died, but is related and he raises a Hand and says (Well, I was about to Put some Lotion on) and a Extra Crosses behind him in a White Bikini with Pink and Purple Neon Flowers and she passes behind them with a Purple Kurchief on her head thats connected to a Purple Metal Pedel Bike Donna had when I was 4 Years old on Dartmouth Street in New Bedford, Ma at 4 Years old. *

<<https://www.youtube.com/watch?v=cG3cf2gNUJU>>

* Now Donnas father was related to Roy Scheider and he has a Lance Hendrickson Linda Lavin relative in a classified Department thats in a Wheelchair and he has been with a Greek Retarded Donna whos a Pike with Stuart Copeland and Dillon Clebold Features whos a Greek Lavin and is related to a Angela in the Chantix commercials whos on a Bench *

<https://www.youtube.com/watch?v=EmCINb99LPs>

<<https://www.youtube.com/watch?v=EmCINb99LPs>>* and makes Help Me comments tied to the Jaws Billboard **<https://www.youtube.com/watch?v=fGoekw7e-3U>* <<https://www.youtube.com/watch?v=fGoekw7e-3U>>* and Angela and Rosa maken (Help Me in the commercial and I was Like are tied to Rosemarys Baby people like Rosa in the Chantix commercial *

<https://www.youtube.com/watch?v=IOCz2mWokn4>

<<https://www.youtube.com/watch?v=IOCz2mWokn4>>* and Herb whos a Hendrickson *

<https://www.youtube.com/watch?v=MzMqIGzXli8>

<<https://www.youtube.com/watch?v=MzMqIGzXli8>>* related to the Psychologist that approved Ryans Social Security and hes abusing Ryan ONeil in this commercial as is Angela and Rosa all who have Donna Leconte relatives that when the commercials were made were talking about a McClellen on a Bench in Ca in Sherman Oaks, Ca (The Martin Library) and her half sister who was behind a SUV on Wilshire Blvd near a Longs Drugs in Santa Monica, Ca that became a CVS a day or so after Ryan ONeil saw her party Dancing like Martin Short who played Ed Grimley on SNL (I Must Say) *

<https://www.youtube.com/watch?v=YvbQKSaYQD8>

<<https://www.youtube.com/watch?v=YvbQKSaYQD8>>* and Martin Short was tied to the Goranson McClellen Ryan saw Party Dancing behind a Black Cadillac SUV in Ca on Wilshire Blvd. The Next day they sold the Longs Drugs to CVS which has a Rita Senra Lincoln woman on the Extra Care sign at the Registers and Cigarette front of the Store whos related to the Ella Mean on the Jaws billboard with Help Shark and the CVS Extra Care woman is doing a Seik Heil. Now, understand the store being changed from Longs Drugs (Party Dance Goranson was switched by a Helen Hunt and Lance Hendrickson and Lincoln CVS family that is abusing Ryan in a manor of I didnt pick her up that day and ask her out, so she was made by Ella Means people and Ryans left a Rosemarys Baby abused mentally *

<https://www.youtube.com/watch?v=wkDXWtETy4U>

<<https://www.youtube.com/watch?v=wkDXWtETy4U>>

* Now (Jenny also in Chantix commercials *

<https://www.youtube.com/watch?v=NJUNQfSIX54>

<<https://www.youtube.com/watch?v=NJUNQfSIX54>>* is a Donna Leconte Ringwald whos related to a Cherly Perry Heinz Bush and "Jenny" in this commercial doesnt understand she and Donna Leconte did something wrong to Ryan ONeil and they mistreat me in there family nuclues. Donna (Controls Ryan ONeils Social Security Check and weekly sends me money out of Ryans Check for food and things Ryan needs) and Slyvestor Stallones Arab family have relatives that look a little bit like Ryan ONeil who are from Arab countries that are Terrorist suspect or Mafia families that hassle and send people to hassle Ryan cause there related to the Frizzy Honey Kennedy thats on the Billboard in Jaws who has family members related to Ryans younger sister Rita Senra and they want Ryan to be with Honey Ringwald (Billboard) who is a Mafia Don in Mellissa Ethridges family that doesnt understand Ryans not her prisoner.

<<http://www.msn.com/?cobrand=hp15-comm.msn.com&ocid=HPCOMMDHP15&pc=HRTE>>

* Now Ryan is explaining there is a woman in a movie called (Warriors) 1979

**<http://www.imdb.com/title/tt0080120/>*

<<http://www.imdb.com/title/tt0080120/>>* with a Actress called Debra Van

Valkenberg **http://www.imdb.com/name/nm0888154/?ref_=tt_cl_t9*

<http://www.imdb.com/name/nm0888154/?ref_=tt_cl_t9>

* whos related to Donna Leconte, Ryan O'Neil and Rita Senra Shore and she mentions in a The Warriors seen 1979 5 Kids and that refers to Ryan and my 4 Twin brothers that Donna and her family are covering up they kidnapped and seperated in 1970 and changed and stole Ryans Parents Trust in Ryans name. Now the Chantix commercials are a Company created by a Barry Gibb short little mexican that refers to herself as Cha Mindy whos a Portman related to Ryans younger sister Rita Senra Shore who looks like Ryan O'Neil but shes a half sister whos 1 year younger than me and part Pauley Shore. Donna is (making Ryan hear a Debra Van Valkenberg in a wheelchair that doesnt understand nor does Slyvester Stallones relatives, Hogans, Fords, George Lucases, Spielbergs and Scheiders in Donnas Pacheco family is a Crime to make people listen to and hear. Donna is (Mentally Sick) and treats me like Rosemary in Rosemarys baby and Cha Mindy has little Mexican Barry Gibb Catfish sisters who mixed with Kate Winslet the actress, Emelda Marcos as well as Manuel Noriegas and Donna Leconte has relatives also related to her and the Jaws Billboard Honey who are Ella Means related to Donna, Linda Lavin and Van Valkenberg. Donna doesnt understand Ryan doesnt want to hear a Retarded Italian and Greek (Valkenberg and Shore in Ella Means family who has Del Pacheco (Donnas Aunt) relatives in the Kennedy, Portman and Shore family who have a sister thats a Estelle Getty retard in a wheelchair whos Broadcasting in the heads of Social Security Recipients and one of the Valkenbergs is a Rita Senra and Donna relative whos got a Obama coo chin. Barack Obama has to be brought into a Meeting and they have to Impeach and arrest him and some of his Donna and Ella Mean family members for making Social Security recipients listen to retards in wheelchairs that a Scheider, Comey Pachino (Also a Stallone relative), Shores, Russos, Sarandons, Vons, and Ella Means are using on people against the law. Ralph Machio has a Stenberg relative thats in a Wheelchair whos a Ugly Arab Stallone with a Bulpynose and Snaggle teeth and he has Sygorney Weaver relatives who are Frizzy Shores related to the woman on the Billboard in Jaws who replaced the woman thats on the Board originally who looks like Ryan O'Neil. Now Ryan is explaining to All Congress and Senate that Slyvestor Stallone has relatives who dont understand Ryan isnt supposed to be put in Mental Hospitals and abused by a Mellissa Ethridge Stallone, Donnas Greek (Retarded Ella Mean and Del Pacheco Relatives)

because I dont want (Honey the Retard on the Billboards sister and relative whos a Shore Ringwald Greek related to her, Ethridge and Stallones not related to Ryans side of the Stallone family. Ryan is being abused by Donna (Because The Attorney Generals offices in Washington dont have Directors in charge of the agencies under Loretta Lynch that understand there supposed to stop Donna and her Greek (Angela from Chantix Commercials relatives) from doing what they did and are doing to Ryan O'Neil. Al Pachino has a (Retarded relative thats a Dan Hagerty-Clinton McCartney in Kevin Ferrerias family whos Broadcasting in peoples heads with Donna. She has relatives that are Stallones, Hogans, Fords, George Lucas and a Rock (Stallone whos a Hank Hazarian thats a Pollock and puts people on Social Security with a Hendrickson thats using the Technology on people with his Mousolina Caldes looking mexican relative thats in the Almedia family and Ameldias have South American Intelligence relatives in the Berg, Aldridge and Stallone and Portman family who are also related to (Honey on the Billboard) and they all have relatives as does Barack Obama in Wheelchairs who have been secretly broadcasting in the heads of Social Security Recipients. Donna has a Ugly Gilda Radner relative thats a Stalking personality thats tied to Van Valkenberg and Rita Senra Shore and a Bryan Pinto thats a Stallone in the Pachino family whos a Stalking seriel killing personality and Federal Agent in Kevin Ferrerias side of the Leblanc family and hes making me hear a Broadcast of a Pacheco Pinto thats in Donnas fathers family who I want Fired and arrested for what he did to me with Donnas (people in the Broadcast) and she and Prince Charles and Obama dont understand they did something wrong to Ryans life thats a Crime, because James Comey, Loretta Lynch and the Borenatz thats running the Treasury Department dont understand Ryans not there prisoner. Charles Manson has a Eric Holder Jr Hogan relative thats a Justine Timberlake Bald Headers Milado that is abusing RYan with a relative of Donna and Amber Zoltick whos a Gilda Radner Ugly looking Van Valkenberg who put RYan in a Broadcast with Handicapped people tied to Donna and Rita Senra Shores Geither Greek and Pacheco family nuclues and have been maken Ryan hear the Broadcast since June of 2012 when they put me in Stuart Marchman Clinic in Daytona Beach, FL and made me stay there for 4 Days. Ryan fought my way out and a Guy Chevrانowski whos a Tom Pacheco (Related to C Everett Coop and Jon Grey) wanted to commit Ryan to a Mental Hospital and he and his Jon Grey Pacheco relatives, dont understand Ryan doesnt want to be in mental hospitals, didnt want Donna and Pachecos to put me in them and Ryans not mentally ill. I want them to be arrested for what they did to my life as Donna does this to Ryan to abuse me like a Rosemarys Baby for (Her Family nuclueas and a Stallone and Maria Antonio who all have wheelchair bound relatives in wheelchairs. Now understand that Donna and a Geither and Bronson whos in The Warriors named Michael Beck whos a Bronson related to Barry Gibb *

http://www.imdb.com/name/nm0065235/?ref_=tt_cl_t1
 <http://www.imdb.com/name/nm0065235/?ref_=tt_cl_t1>* and Joquim de Almedia *

http://www.imdb.com/name/nm0021835/?ref_=tt_cl_t4
 <http://www.imdb.com/name/nm0021835/?ref_=tt_cl_t4>* have Bronson relatives who are short mexicans that are Cha-Mindy Portmans that are mexican and Iranian skin tied to Slyverstor Stallone, Chris Caldes and Jeff Pachinos family and they are short mexicans with Bubble lips and Gummy Jane Curtain looking teeth. They dont understand that Ryan is not (Cha Mindy Kate Winslet, Donnas relatives, Stallones, Pintos and Obamas prisoner that mixed

with Donna and her Van Valkenbergs family who have Jaws Billboard Ella mean relatives in her family. Donna (Abuses Ryan with relatives of her mother Belmedia Pacheco such as Tamara Hall on the Today show who has sisters and relatives in the Field, like the girl in a the Red Dress whos in the Heineken commercial [**https://www.youtube.com/watch?v=ZSpdcbhjXJU*](https://www.youtube.com/watch?v=ZSpdcbhjXJU) <<https://www.youtube.com/watch?v=ZSpdcbhjXJU>>* and this commercial has a Lisa Dalamore (Tamara Hall sitting at the table in a Red Staples Dress with Beer Bottles on the table that are representing her and Del Toro collecting Budlite Commercial McClellens Goransons while she (Abuses Me with her and Helen Hunt and Miela Antonios families relatives who have a Angela from Chantix ugly Greek sister whos lips and teeth mermer and make a creepy sound that look like Angelas Lips and Teeth motion. Donna has a group of relatives that are in Jackie Lynn Kennedys family who mixed with the FBI Director in Jacksonville, FL [**https://www.fbi.gov/jacksonville*](https://www.fbi.gov/jacksonville) <<https://www.fbi.gov/jacksonville>>* named Michelle S. Klimt whos a Jackie Lynn Kennedy in Pam Bondi and Maria Antonios family who doesnt do her job and covers up that Donna and her relatives are abusing Ryan in Holly Hill, FL and my apartment complex.*

* Now Maria Antonio is related to a Barbara Morse Silver whos a Rhode Island Medical Newscaster that looks like Ryan ONeils ex wifes mother named Maria Antonio (Also related to the FBI Jacksonville Director) and the Obama people dont understand that the FBI is supposed to arrest Donna, Rita and any Obama or person named in this complaint letter for Broadcasting in peoples heads. The FBI isnt supposed to let Bryan Pinton, Stallones related to the man in the MSN news story listed as a Terror suspect send people past Ryans apartment or let them move in next to Ryan cause a Ugly Frizzy Geither Honey Ringwald in a wheelchair related to Van Valkenberg wants Donnas family to meet and make a McClellens in Ca thats a English Princess Dianna and Sheena Easton kidman combo thats not related to Donna. Michael Beck is a Bronson and he has a Italian relative thats in the Glen family who mixed with McClellens, Goransons and Ringwalds like the one in Breakfast Club, 16 Candles and Pretty in Pink and those Ringwalds who have Twin half sisters and cousins are the side and mixes of Lord of the Dance McClellens. The Heineken commercial with Lisa Dalamores (Aferican relative sitting at the table while Del Toro metaphorically makes a girl at the Bar (That represented a McClellens in the Smagetz family at the time) whos a Extra sitting at the Bar Counter in a Boardwalk Empire episode and tv show like Vegas which was a Pilot show with a Gibson that was cancelled that came out a few years ago. Ryans point the Lisa Dalamore in the Heineken commercial is (Abusing Ryan ONeil) with her Eric Holder Jr, Tamara Hall, Jennifer Lopez Stallone, Dinero, and relatives who have different Federal Postions that arranged for the commercial to be made, simply to mentally abuse Ryan. Now understand Lisa has a relative thats in a Wheelchair whos Broadcasting in Ryans head and shes being allowed to mistreat Ryan this way with relatives of Donna who mixed with (Honey, Stallones, Fords, Clintons and Portmans that are all Teresa Heinz ugly Greeks and mexicans and Italians that look like the Billboard or Van Valkenbergs and Portmans that

are short and have crooked Grey teeth. To explain this further, Tamara Hall on the Today show *

* doesnt understand because shes mixed with Obamas, Eric Holder Jrs and Mansons and Belmedia Pachecos (Related to Donnas Mother) that shes not supposed to Federally mistreat and abuse Ryan with Donnas, Rita and Stallones of different mixes. Now what Ryan is explaining the Heineken commercial with a Tamara Hall sitting at the table which represents Ryan meeting Betsy McClellan at Staples was a Mental Abuse of Ryan that Tamara and 1 of the Eric Holder Jr Manson relatives of Justine Timberlake whos (Sick) and broadcasting in Ryans head had created who is stalking Ryan and sends people sometimes around my apartment who explode chemicals in the halls or outside my window cause he wants to be able to kick Ryan out of my apartment and hassle me so (Tamara and Rita and Donnas family can cover up what they did to me and he thinks if he kicks me out, they have to send me to a mental hospital. Donna has a (Jeff Pachino Sylvester Stallone) relative thats slow and retarded in a Wheelchair and he doesnt understand Ryan doesnt want to hear him in the Broadcast or Donnas (Ugly Little Greek Bumble Bee Thats It Relatives who are Eric Banners, Mosses, Portmans, Jen Love Hewitt Stallone Cruises with Bulpy Noses, Maria Antonios, Stemmergs, Sergeants and anyone thats a Teresa Heinz side of the fence. Donna moved Ryan to Holly Hill, FL and Charleston House Place to abuse and slowly contaminate and kill me and nobody explains to Donna and Sly Stallones family or Hogans, Pachinos and Obamas that mixed with the Pachecos they did something wrong to Ryan that has to stop and be corrected. Obama has to have a Congressmen and Senator panel bring him into a meeting and explain to Obama that making people hear a Broadcast inside your head is a crime and putting a FBI director in charge of Ryans service area thats a Maria Antonio and Jackie Lynn Kennedy who doesnt assign agents to investigate Ryans case or protect me while (There Violating My Rights is a crime) and Donna has a little ugly Jackie Lynn Kennedy relative that refers to herself as Thats It whos short and has a bulpy nose like Donna whos a Simon Lebon, Joe Elliot with a nose like Donnas and shes tied to the FBI Director in Jacksonville whos part of Ryans ex wifes family and Barbara Morse Silva *

* Now what Ryan is explaining, Donna and Barbara Morse Silva have relatives related to Donna and a woman that if the Internal Affairs divisions drive down US-1 from Flomich Ave and US-1 in Holly Hill, FL which is next to Daytona Beach, FL and Drive south there is a Print Shop thats on the left side of the Road going South thats toward the beach. The Print shop has a woman thats on the Bulletin Board that is slappen her Face whos a (Thats It Related to Donna) and thats a Lou Monte and Joe Dolce, Shutupya Face, Italian Gesture and that song by Lou is about moving people into a Place thats contaminted and slowly carries out a Italian Mafia Contract to make someone sick while Donna, Tamara and there families related to Honey went around maken the FaceBook McClellen who RYan saw sitting on a Bench in Ca outside the Martin Library in Sherman Oaks, Ca many years ago when Ryan was in Ca with a Book in her hand wearing a Trenchcoat. Now Tamara Hall 3 Christmases ago on the Today show was parading around with a Trenchcoat on making Dalamore Took This One. Now (Lisa Dalamore and Tamara and her relative in the Heineken commercial have to be brought into a meeting with Slyvestor Stallone, Hogan Linda Lavins, Ford Pedros Italian Anne Hathaways that are short Italian Beedy Cheneys related to Donna, Sarmentos that mixed with Helen Hunt, Donna and Stallones and someone has to say, have (YOUR) relatives with Donna been broadcasting in Ryans head, while you Federally with Putin Eric Holder Jrs, Comeys, Geither Greeks related to Donnas Father Tony Pacheco (Jon Kerrys Related to Tony) and Mother Belmedia Pacheco related to Loretta Lynch and have someone explain to them what they are doing and did to Ryan says they dont get to make anyone and fire and arrest them. ===== Now the movie "Clear and Present Danger" with Harrison Ford and the actor that played the President Bennedict (Moffet) **http://www.imdb.com/name/nm0595567/?ref_=tt_cl_t7 * <http://www.imdb.com/name/nm0595567/?ref_=tt_cl_t7>

* who is a Tony Pacheco relative of Donnas Father Tony who died many years ago. Tony Pacheco was related to Moffet who doesnt really look like Tony but is related and he had a relative in a Intelligence postion and Ryans being abused by (Pachecos that are Bulp Nose Teresa Heinz, Moffet and Sarmentos that mixed with Stallones, Fords, Hogans, George Lucases, Spielbergs, Teresa Heinzes, Pintos, Yastremskis, Pachinos & other mixed Teresa Heinzes, Stallones and Italians like Lou Monte. Lou has a Guy Richie Retarded Muppet shaped relative in Joe Peschis family, Donnas family and Donna put me in Stuart Marchman clinic back in June of 2012 so (Pachecos and the Stallones related to her, could activate a Abusive broadcast I have been listening to ever since. Now (Donnas Thats It Relative is a little Short Kyle Jenner) who has facial features like FBI Director Klimt in Jacksonville who is the supervisor for agents in the Daytona Beach and Holly Hill, FL area (My Area) and Ryan doesnt have any FBI agents

<http://www.imdb.com/name/nm0000289/?ref_=tt_cl_t2>

* Ellen Barkin is a (Miela Antonio) who has a Barbara Jean Dane relative in Ma whos a Gilda Radner related to Donna Leconte thats a Little Ugly Italian Goodman Cochin thats been broadcasting in Ryan ONeils head and abusing me with Cathy Issac and Relatives of Donna Leconte, Stallones, Fords, Hogans and Portmans that are all Teresa Heinz, Ella Means like the Jaws Billboard girl whos a Beach case incident tied to Carey the movie in 1975 and Stevies song is about some Fire case on a beach that a little mexican Stacey related to Sara wanted people to think was Ryans problem cause someone wanted to inherite (Fara Money and turn it into Sara Money Illegally when I think it was willed to Ryan ONeil. Now Keith Gordan is a "Jon Senra" relative with Crooked Eyes and when Ryan was a Elementary student (Ellen Barkin) someone at Carter Brooks Elementary School in New Bedford, Ma had a Art Makeup Artist come and do a Plaster of Paris Mold of Ryans face in White Strip Molding that Hollywood Makeup Artists use to make a mold of a persons face to turn into a Mask. Now Ryan was a Kid 1 year before Middle school and a Ms Pina and Miss Gafney (Related to Cathy Gosian had a Teacher and Students Encourage Ryan to volunteer to have a mold of my face made to make a mask and thats what Ryan did back then around 1982-1981. Now Ellen is a (Mielos Antonio whos got a Greek relative in a classified area that has Amy Grant feaures, Andy McDowel features who was in Groundhog day and there all Italians who are related to Frizzy Ella mean and Rita. Now Amy Grant had a song called Baby Baby in the 80s that has a Leo Meehen with a Red Headband on a Wagon and at the time a relative of Amys side of the heritage was interested in Ryan ONeil romantically that was not a Greek *Mielos Antonio Frizzy Mix side* and Mielos Teeth has a Jeff Pachino retarded Slow Stallone relative thats in a Wheelchair that Slyesvtor Stallone and some of his twin Brothers and Donna dont understand hes not supposed to make people hear his Broadcast. Hes a Miela Antonio with Chipmunk teeth and hes also a Amber Zoltick Sandberg and Tracy Varges who are Italian Portmans with Lazy eyes and were involved with the Navy Classified areas and Federal Agencies and Tracy Varges has a relative thats in a photo on the End table in 16 Candles in a seen with a Grandmother and Parent (Donnas relatives) who is on the right hand side End Table and shows a Tracy Varges and Ryans Twin in the picture. Now back then (Tracy Varges and her nervous Amber Zoltick and Celia Antonio Greek and Italian relatives didnt want Ryan to have a Molly Ringwald that looks like a half Twin of the Breakfast Club and 16 Candles Ringwald and thats why the Mold of Ryans face was made and why the End of the Breakfast Club has (Electrical Tape on the Goal Post) which is a switch from Plaster of Paris White Tape thats used to mold a Face Mold to make a mask. *

* Now Ryans point is the Sherman Oaks, Ca Martin Library had a McClellan that has soft Cheeks and English features like the Ringwald in 16 Candles Ending and Breakfast Club whos related to almost all the McClellens and Goransons, and shes related to me and Rita Senra in some capacity. Now what happened to Ryan is there are Rooster Cognine people like Vern Miller related Congressman Gregory Meeks **<http://meeks.house.gov>/*

* back then caused a fight between Portmans and Stacey Varges people and Mielos Antonios as Amy is related to Ryan ONeil and Mielos Antonio and some of Amber Zolticks Julia Louise Dreyfuss relatives have a short little beedy eye Cheney Amber Zoltick Dana Plato retarded relative thats Broadcasting in Ryans head. Amber Zoltick worked with Ryan at Staples Inc with Betsy McClellan and Lisa Dalamore who backed up in a Cube near Betsy McClellens cube one day and said (James) the way Ringwald does in Pretty In Pink with a Joanne Silvia in bed with James Spader whos a Rita Senra (Rodney Dangerfield mix side of Stallone Heritage with Dangerfield and Sarandon puffy eyes. My sister Rita has relatives who are Barrymores and Sarandons and Spaders with eyes like a Dangerfield and all of them dont understand Ryan doesnt want Rita and a Ella Mean thats a Frizzy Lizzy Ringwald Greek like (Jaws Billboard Honey) and Rita also has short little mexican Barry Gibb Portman relatives that mixed with Jen Lopez (1 Named Cindy) who was related to a Cindy Bazanoti at Staples inc who tossed a M & M into Ryans cube (Candy and made a comment to me once of Im trying to find a way to fit in) and Cindy wanted Ryan to be blamed as did Tracy Varges (Celias Cousin) for a Beach Burn Case. Tracy Varges when I got married to Celia Antonio had a Wedding Shower at a small Hall they built near a Stop and Shop I worked at years before I married Celia in New Bedford, Ma with my sister Rita Senra and Joe Costa (a Joe Perry Costa Collins who came up to me once angry mentioning a Trust Fund saying he empregnated Lisa Dean Andrews. Lisa is a Aferican woman related to Janice Dean (A Loretta Lynch Relative), except Lisa is a Aferican with a Huge Jon Goodman Chin and Joe Costa was not sayen he empreganated Lisa and Trusted me and Steve DaSilva to keep the secret, Joe was upset Ryan was left in a Trust Fund in my name they had to cover up that Rita, Donna and there family stole, changed and covered up existed and Fara Fawcett got cancer years later cause I think someone exposed her to a chemical and contaminets to cause it cause she was a Beach Investigator person who knew Ryan was not a suspect in a New Bedford, Ma case.

* whos a Chris Glen relative and back in 1984-1988 when the Breakfast Club and Pretty In Pink were big movies there were English Ringwalds in Classified departments tied to Glen who has a Brother or relative named Chris Glen who Ryan was close friends with at Voke Tech High School and Chris and I hung out all the time and he was a relative of a Ringwald that looks like Breakfast Clubs Ringwald that allot of people wanted to date and make back then. That Ringwald has cousins, sisters and relatives younger than her that caused people to hassle Ryan ONeil when me and Chris stopped hanging around after High School because Ryan moved to FL to go to college. Now Ryan thinks Stevie Nix whos tied to a Burn Beach Case has a Rose Brynn relative thats trying to say Ryan drowned some girl on Belmedia Pacheco and (Johnny Ricas Cottage) when I was a kid and Donnas mother Belmedia was dating a Jon Rica (Whos a David Letterman Relative) and Jonny had a cottage on the Border of Jones Beach in Dartmouth and his Property thats in New Bedford, Ma. Stevie Nix song is about a (Sara and Drowning In the Sea of Love a Al Pachino movie with Mielos Antonios relative Ellen Barkin and Ellen has to be brought in with the Miela Antonio (Ethridges and her family about making Ryan hear her and Donnas Satelite Broadcast of Retards in wheelchairs and Ryan thinks someone had 2 Oriental Girls come toss Rocks at me and a friend as a kid because Ellen Barkin is related to a Retarded Jeff Pachino Stallone that looks like Slyvestor thats in a Wheelchair whos slow and related to Tracy Varges with Lazy and Retarded Amber Zoltick Eyes. They also (Didnt want Ryan to have the Ringwald thats hidden related to the Ringwald in 16 Candles and Tracy Varges showed Ryan Prom Photos she was acting weird about and Ryan knows why. Tracy is related to the slow Retarded Stallone and shes a Portman thats short, Nervous and has Pale Pasty skin. She was Celas Cousin and her Brother or relative was Jeff and Mike Antonio who were half Brothers. Jeff is related to the retarded Pachino Stallone in a wheelchair and Mike Antonio is related to News Caster Matt Austin in FL with a Jim Paine (whos a Mel Gibson related to Donnas Brother Paul Pacheco) and they all have relatives in Wheelchairs and Donna and the Antonios such as Mike Antonio (Who is a James Comey Relative) put a Little Pedro in a Wheelchair in the broadcast also whos related to a Wheelchair bound kid thats in a Schriners Burn Center commercial *

https://www.youtube.com/watch?v=v_etR3dlrR0<https://www.youtube.com/watch?v=v_etR3dlrR0>

* Now the link for "Little Pedro" in the Schriners Burn Commercials ends with RO (Ryan ONeil) face off manor and the End of Breakfast Club has a Sherman High School and outside thats connected to Voke Tech High School in New Bedford, Ma and a side entrence that me, Chris Glen, Shawn Dupre, Jon Sarmiento, Junior Carvalough and allot of students who were in Shop Classes for Art, Drafting and Mechanical Design that had a entrence on the side like the one that Alley Sheedy goes over to Estevez who looks like Ryan in High School and steals the S School Jacket Letter off his coat. Ryan thinks

the S is for Satellite and the street lantern thats to the left side, cause someone was watching Ryan O'Neil and another student at Voke Tech with Satellite Imagery most of my life at all times, because of Sylvester Stallones and relatives of Ryans in my family heritage and areas Ryan lived in through High School years that had people around me who had Service Protection of different agencies at all times. Matt Austen *

<https://www.youtube.com/watch?v=c3BGWJ8s82Y>
<<https://www.youtube.com/watch?v=c3BGWJ8s82Y>>

* Now Ryans point is Julia Roberts and Chris Glen where both related to the lead actor in Oliver and Jaws was a 70s movie and tied to a Drowning incident that the Billboard Help Shark was about and that incident (Was Before Ryan was involved with a Incident at Belmedia Pachecos cottage, except Rita Senras Honey relatives like the retard on the Billboard, they dont understand they can stage crimes and send people to hassle Ryan cause (Honey or Jeff Pachino has a relative in a wheelchair and doesnt want Ryan to have a Trust or Girl cause hes in a Wheelchair and I dont want Honey the Retard who has a sister thats a Helen Keller Blind eye autistic broadcasting in peoples heads. Now Fara Fawcett was in a movie Called (The Burning Bed) **<https://www.youtube.com/watch?v=ACiCfGoVIJA>*
<<https://www.youtube.com/watch?v=ACiCfGoVIJA>>

* and Ringwald is in 16 Candles in a Red Brick Hallway and she walks down

the Hall and Slouches down against the wall and theres a Fire Extinguisher in the middle of the Hall made of Bricks like the Apartments that are to the Left Side of the Background at the End of the Breakfast Club and theres White Apartments that are Half Twin or Twin Construction apartments across the street, but same Design and a Car takes off in the middle that all Police have to figure out whos in the car and set that shot up as they did a sleeper and wanted to take off like (Silence of the Lambs Hanibal at the End of the movie and Shawshank ReDemption Andy with a Car Accident Handicapped motive that ties into other incidents and Ryan believes a Car accident happened in New Bedford, Ma between 1970-1974 when Ryan lived on Dartmouth Street in New Bedford, Ma and in a Apt made of Red Brick which had a Fire Next door to our Kitchen wall that Donna said, the Old Woman in the Apt died from Falling Asleep with a Cigarette in Bed. Fara Fawcett was in a movie Called The Burning Bed and Ringwald knows the Fire next door on Dartmouth Street was not started by a Old woman smoking and fell asleep...I think someone killed her and covered up what she heard Sue Pedros and Donnas people saying about Ryan and my Brothers and Parents. Shriners Burn commercial and (Little Pedro) whos a Richie Dean Ford related to a Richie that Ryan worked with at Stop and Shop as a Teenager with Rita Senra Shore whos a Ringwald whos in the Locker Photo of Fast Times At Ridgemont High Belly down in a Bikini with a Friend with a Donkey Ass next to her on a Towel. Now, Keith Gordan whos a (Jon Senra Relative is touchen a McDonalds Penis Biter Mustard Yellow locker thats tied to the Sophie Warlock Lockers implied passing to the left in the Hallway of The Breakfast Clubs Ending that has a Right side of the Camera sign in Neon Pink that says Girls W.F. *

<https://www.youtube.com/watch?v=daU1TYL2ySs>

<https://www.youtube.com/watch?v=IOiRMN5nRO8>

<<https://www.youtube.com/watch?v=IOiRMN5nRO8>>

* Now why all this happened and what Ryans explaining the Neon Pink sign in Breakfast Club is tied to a 1969 Carl Yastremski Baseball Card that has a Pink Circle on the Left side of the Card Facing with a Carl with a Grey (Away Team Boston Red Sox Uniform with a Black UnderShirt and Elbow with a Bat Pushed Out with a Swing Away "Signs Merly Motive" and *

<http://www.ebay.com/itm/like/131855869752?lpid=82&chn=ps&ul_noapp=true>

* Now Ryans point the 69 Carl Yastremski photo has Pink on the left side, where a Purple Kurchief (Extra in 4th of July Jaws Beach Baby Playing Red Rover a English Game where two lines of people line up opposite sides and a Nursery Ryme of Red Rover, Red Rover, Send so and so over is sung. Now Jaws 4th (Sends Purple Kurchief Larry on the Beach Left to Right) and Schindlers List Shower seen sends a Extra who then had Married off the Purple Kurchief Extra who became a undercover agent. *

<https://www.youtube.com/watch?v=6hY1hw1IWS0>

<<https://www.youtube.com/watch?v=6hY1hw1IWS0>>

* Now when Ryan was 4 Years old I would wait at 4 Am on a SchoolBus in the Dark for a Bus that took me to Condon School in New Bedford, Ma was on Rockdale Ave and Molly Ringwald on the poster for 16 Candles is holding a purse with Jake Ryan (Because of me waiting at 4am for the bus across the

street holding my lunch box. *

* and its possible back then a Ringwald like 16 Candles was dating a Older version of Ryan O'Neil in the Field who told Ringwald and his relatives were gonna save a Ringwald (Younger than her for Ryan, later on and this did happen and made mafia Honey Ella Mean Ringwalds, Cindy Gibb, Mary Liz Mastrantonios, Rose Brynns, Costas and Portmans that are short, Milado, Mexicans and Afericans Flip out and they started sending people to hassle me cause Amber Zoltick, Zoey Ringwalds and Donnas relatives all wanted there relatives, Mandy Moore, Fosters and Kennedys to make a girl at Ryans Birthday Party at Al Paines when I was a kid who had a Photo taken of her Ass with a Press On Tatoo when I was a kid and thats why Ringwald at the End of 16 Candles Kisses Jake Ryan and says, Thanks for Getting my Undies Back when Kissing around a (Fire Lit Cake) with Jake Ryan. Now Ryans point is Ryan is being forced to hear short Italian Portmans, Caldeses who are also related to the Carl Yastremski thats on the 1969 Topps Rc card and why it matters theres a Carl Yastremski thats Broadcasting in RYans head thats tied to the movie The Town who doesnt understand hes not supposed to make Ryan hear a Broadcast in my head cause Stallones, Hogans, Yastremskis, Freemans, Jenna Genovese (Wanda Artus Coopers), Julia Roberts, Portmans and Italians related to Ella Means want Donna, Rita Senra Shore and Obamas and someone else to make a partial Ringwald (English thats not related to them) and Tamara Halls little Stacey Varges Smiley Face (Geller and Fara Fawcett relative whos also kin to Ryan or a Foster wanted her made by one of them and Donna and Tamara and Eric Holder Jrs relatives. Donna put Ryan in mental Hospitals so Stembergs and Machio Stallones could get me out of the way to make a McClellan on a Bench in Ca and her half sister who are (English Ringwald Goranson mixes that dont look like Jaws (Honey) and Rita Senra and Donna have sisters and relatives that are in NASA with Helen Hunt and the Martin whos a (Souza) that Ryan hung out with as a kid during Breakfast Club days and Schindlers List Shower seen with the Extra thats in a White Jaws Kurchief coming Left Side to Right side and being pushed by a Guard thats a Nazi in the middle (When Being Degraded and Forced to undress) to run in a U Shape to the Showers and Gas Chamber is because a Hogan thats a Manson (Eric Holder Jr) and Milado in Justine Timberlakes family is retarded and thinks (Federally he and a Jon Goodman Ford and Senras can go around and make people like (Her) in the Shower seen and send them over like Red Rover, the Dartmouth Street Nursery Ryme game. Leanne Rymes (Was related to Ryans Ex Wife Celia) and she wanted to make a little Girl that was at Ryans Condon School playground that played Red Rover at Condon with Ryan when I was 4 Years old. Her parents also in New Bedford, Ma near my Dartmouth Street Apartment were also in Federal Agencies and

someone older than Ryan like (Mielos Stallone whos a Tracy Varges and Retarded in a Wheelchair wants to abuse and put Ryan in mental Hospitals cause RYan doesnt want Greek and Italian Mielos (Whos relatives in a Wheelchair and it makes Slyvestors who are Greek and Italian Ella Mean and Sarmento Honeys abuse RYan cause theres a English Baby interested in me and that all the short lazy eyed Senras and Portmans dont want Ryan to have. (Shes a Threat to there mafia Family and Sarandons, Vons, Russos, Caldeses who all have relatives in chairs that did something wrong to people over the years with this new Technology and making them hear the Broadcast. Stevie Nix song Stand Back **<https://www.youtube.com/watch?v=-gSKcVSCpw>* <<https://www.youtube.com/watch?v=-gSKcVSCpw>>

* ===== Now Fleetwood Mac and Pete Townsend has a poster in Pretty In Pink with Blood on His hands in a Angel Pose in the bedroom seen and Ryan had a Orthodontist who was related to Dr Fury and he flipped out when I was getting Braces in his New Bedford, Ma office once and asked him to wash his hands in the sink. Fury is related to the person thats in the Credits of Silence of the Lambs walking away on a Jamacian Road and a little Aferican Girl hoists a purse the way Ringwald does, when she comes into the Ball in Pretty In Pink and thats a (Pick Up Someone Important Hitler) policy that Donna and Ella Means people when they surround someone like Ryan or someone there after or banishing with a Roman Polansky and Scientology Cult do to people. The Purse hoist is Donna and Mielos people and some Shores, Pachinos and a Glen thats a Gordan Levy or Emma Rossum thats in the Opening seen of the Social Network at the Table named Erica they dont understand its a Federal Crime to send people to surround and stalk and abuse RYan cause Little mexican Rita and Donnas Retarded Linda Lavin Greek Ugly relative of Donnas and Fury in a Wheelchair want to cover up they kidnapped me and abuse me and did what they did and are doing to Ryan ONeil. The United States Government Has to Arrest Donna Leconte and Stallones related to her, Rita Senra Shore and Sygorney Weaver and Obama For Using a Classified New Weapon On People Against the Law. Everyone Needs to Read This Letter if You Want To Avoid the United States and England From Being Invaded in the Future! What Obama and Donnas family which has a Trump Leo Meehen and Barry Gibb (Noriega) using illegal technology on people with a Cathy Issac West, Helen Hunt Iranian Sarmento and the Inspector General of NASA a Bryan Williams Souza Martin. The FBI director James Comey has (Relatives) that are in other Federal Agencies who are tied to a Stallone-Stemberg whos a Ugly Bulpy Nose Ralph Machio anarchist who is Broadcasting in peoples heads on Social Security and in other situations. Hes a sick (Leo Meehen Greek Pacheco who has Charles, Geither and Pinto relatives and what they did/are doing to Ryan ONeil and Are Trying to Cover Up the Abuse:*

*The United Kingdom and United States Legislative Branches Have to explain to Barack Obama and Prince Charles and the Royal Family they are and did something wrong to Ryan ONeil and other people on Social Security. The US, English, Russian and other governments have relatives in the Carter, Bush, Clinton, Ford, Obama, Lucas, Stallone, Hogan, Geither family that have (Relatives in wheelchairs) that some of the family members of those mentioned and others have been abusing people on Social Security (Who Are

Not Mentally Ill and Place Them into Mental Hospitals---such as Donna Leconte did to Ryan O'Neil with a Obama-Freeman and a Geither-McKintry who looks like singer Lou Monte **<https://www.youtube.com/watch?v=I-5EjG-6r9o>* <<https://www.youtube.com/watch?v=I-5EjG-6r9o>>* and was redone by Lou Dolce *

Lou Monte was the Italian mafia side of the Stallone family before Ryan O'Neil was born. Donna Leconte (Is Not Ryan O'Neils Mother) though Ryan is and was related to Paul Pacheco (Whos a Lou Dolce relative of Donnas Brother Paul Pacheco) and Paul and Lou died years ago and Donna started putting Ryan in mental hospitals when I divorced Celia Antonios family who was Ryans ex wife. Celia is a Natalie Wood relative (Who Drowned and she and Olga Costas Muellers were involved with Charles Mansons family and followers in the 60s. Ryans life is that (Donna who is related to Hillery Clinton and has Michelle and Barack Obama relatives that look like Donna)all help, protect and cover up that Donna is abusing Ryan with her Living relatives and also a Lance Hendrickson (Obama and Stallone Scheider Service team) that makes Social Security people hear (Donnas Greek and Italian ONasises families Broadcast inside your head.) Donna has relatives in Eric Banners family, Joey Lawrence (Nervous) who mixed with Royal Family Prince Williams, Harry (Whos a Sanders), Charles and Queen Elizabeth and they all abuse Ryan the way Mia Farrow is treated and abused in Rosemarys Baby. *

<<https://www.youtube.com/watch?v=fGoekw7e-3U>>* which has Dreyfuss make comments (I Mean) has a Billboard thats behind the Cast members and it has a (Ella Mean Related to Ryans younger sister Rita Senra Shore whos a Portman related to the Shore family nuclues of the woman thats on the Jaws Billboard that says Help Shark and she has Retarded looking Eyes and Ella Mean teeth. Now understand what happened to Ryans life and why. Rosemarys Baby came out in 1968-69 a year before Ryan ONeil was born in 1970. Donnas family was tied to Rosemarys Baby and her Aunt Del is related to the Bulpy Nose Barney Frank woman thats in the last seen of Rosemarys Baby rocken the Black Baby Crib and mistreating Mia Farrow who in this movie is supposed to conceive and give birth to the Manson Devils child that they then take and raise and abuse through life to make a secret society happy. Now a Manson empregnated Donna Leconte who I believe gave birth to MadMen Liz Moss Twin Daughters and Donna didnt raise them, she took Ryan instead and they took me at birth from my 4 Twin Brothers seperated when I came out first. Donna doesnt understand she and Teresa Heinz and Paul Pachecos related to Lou Dolce and Cassevettes cant abuse Ryan and cover up a partial relative related to Paul, kidnapped Ryan in 1969-70 and handed me to Donna so (They Could Steel a Trust Fund in Ryans name tied to McDonalds and the Vespa Corporation thats worth Billions of Dollars and Donna, the Cruises related to Maria Antonio, Tom and some Stallone-Cruises switched a Trust in Ryans name years ago (Illegally) and wrote it into the movie Body Heat. Now Jaws 4th of July has a Extra that crosses behind (Larry) on the Beach whos a Harmon that doesnt look like Donnas father (Tony) who died, but is related

and he raises a Hand and says (Well, I was about to Put some Lotion on) and a Extra Crosses behind him in a White Bikini with Pink and Purple Neon Flowers and she passes behind them with a Purple Kurchief on her head thats connected to a Purple Metal Pedel Bike Donna had when I was 4 Years old on Dartmouth Street in New Bedford, Ma at 4 Years old. *

<<https://www.youtube.com/watch?v=MzMqIGzXli8>>* related to the Psychologist

that approved Ryans Social Security and hes abusing Ryan ONeil in this commercial as is Angela and Rosa all who have Donna Leconte relatives that when the commercials were made were talking about a McClellen on a Bench in Ca in Sherman Oaks, Ca (The Martin Library) and her half sister who was behind a SUV on Wilshire Blvd near a Longs Drugs in Santa Monica, Ca that became a CVS a day or so after Ryan ONeil saw her party Dancing like Martin Short who played Ed Grimley on SNL (I Must Say) *

<https://www.youtube.com/watch?v=YvbQKSaYQD8>

<<https://www.youtube.com/watch?v=YvbQKSaYQD8>>* and Martin Short was tied to

the Goranson McClellen Ryan saw Party Dancing behind a Black Cadillac SUV in

Ca on Wilshire Blvd. The Next day they sold the Longs Drugs to CVS which

has a Rita Senra Lincoln woman on the Extra Care sign at the Registers and

Cigarette front of the Store whos related to the Ella Mean on the Jaws

billboard with Help Shark and the CVS Extra Care woman is doing a Seik

Heil. Now, understand the store being changed from Longs Drugs (Party Dance

Goranson was switched by a Helen Hunt and Lance Hendrickson and Lincoln CVS

family that is abusing Ryan in a manor of I didnt pick her up that day and

ask her out, so she was made by Ella Means people and Ryans left a

Rosemarys Baby abused mentally *

Now the Chantix commercials are a Company created by a Barry Gibb short little mexican that refers to herself as Cha Mindy whos a Portman related to Ryans younger sister Rita Senra Shore who looks like Ryan O'Neil but shes a half sister whos 1 year younger than me and part Pauley Shore. Donna is (making Ryan hear a Debra Van Valkenberg in a wheelchair that doesnt understand nor does Slyvester Stallones relatives, Hogans, Fords, George Lucases, Spielbergs and Scheiders in Donnas Pacheco family is a Crime to make people listen to and hear. Donna is (Mentally Sick) and treats me like Rosemary in Rosemarys baby and Cha Mindy has little Mexican Barry Gibb Catfish sisters who mixed with Kate Winslet the actress, Emelda Marcos as well as Manuel Noriegas and Donna Leconte has relatives also related to her and the Jaws Billboard Honey who are Ella Means related to Donna, Linda Lavin and Van Valkenberg. Donna doesnt understand Ryan doesnt want to hear a Retarded Italian and Greek (Valkenberg and Shore in Ella Means family who has Del Pacheco (Donnas Aunt) relatives in the Kennedy, Portman and Shore family who have a sister thats a Estelle Getty retard in a wheelchair whos Broadcasting in the heads of Social Security Recipients and one of the Valkenbergs is a Rita Senra and Donna relative whos got a Obama coo chin. Barack Obama has to be brought into a Meeting and they have to Impeach and arrest him and some of his Donna and Ella Mean family members for making Social Security recipients listen to retards in wheelchairs that a Scheider, Comey Pachino (Also a Stallone relative), Shores, Russos, Sarandons, Vons, and Ella Means are using on people against the law. Ralph Machio has a Stenberg relative thats in a Wheelchair whos a

Ugly Arab Stallone with a Bulpynose and Snaggle teeth and he has Sygorney Weaver relatives who are Frizzy Shores related to the woman on the Billboard in Jaws who replaced the woman thats on the Board originally who looks like Ryan O'Neil. Now Ryan is explaining to All Congress and Senate that Slyvestor Stallone has relatives who dont understand Ryan isnt supposed to be put in Mental Hospitals and abused by a Mellissa Ethridge Stallone, Donnas Greek (Retarded Ella Mean and Del Pacheco Relatives) because I dont want (Honey the Retard on the Billboards sister and relative whos a Shore Ringwald Greek related to her, Ethridge and Stallones not related to Ryans side of the Stallone family. Ryan is being abused by Donna (Because The Attorney Generals offices in Washington dont have Directors in charge of the agencies under Loretta Lynch that understand there supposed to stop Donna and her Greek (Angela from Chantix Commercials relatives) from doing what they did and are doing to Ryan O'Neil. Al Pachino has a (Retarded relative thats a Dan Hagerty-Clinton McCartney in Kevin Ferrerias family whos Broadcasting in peoples heads with Donna. She has relatives that are Stallones, Hogans, Fords, George Lucas and a Rock (Stallone whos a Hank Hazarian thats a Pollock and puts people on Social Security with a Hendrickson thats using the Technology on people with his Mousolina Caldes looking mexican relative thats in the Almedia family and Ameldias have South American Intelligence relatives in the Berg, Aldridge and Stallone and Portman family who are also related to (Honey on the Billboard) and they all have relatives as does Barack Obama in Wheelchairs who have been secretly broadcasting in the heads of Social Security Recipients. Donna has a Ugly Gilda Radner relative thats a Stalking personality thats tied to Van Valkenberg and Rita Senra Shore and a Bryan Pinto thats a Stallone in the Pachino family whos a Stalking serial killing personality and Federal Agent in Kevin Ferrerias side of the Leblanc family and hes making me hear a Broadcast of a Pacheco Pinto thats in Donnas fathers family who I want Fired and arrested for what he did to me with Donnas (people in the Broadcast) and she and Prince Charles and Obama dont understand they did something wrong to Ryans life thats a Crime, because James Comey, Loretta Lynch and the Borenatz thats running the Treasury Department dont understand Ryans not there prisoner. Charles Manson has a Eric Holder Jr Hogan relative thats a Justine Timberlake Bald Headers Milado that is abusing RYan with a relative of Donna and Amber Zoltick whos a Gilda Radner Ugly looking Van Valkenberg who put RYan in a Broadcast with Handicapped people tied to Donna and Rita Senra Shores Geither Greek and Pacheco family nuclues and have been maken Ryan hear the Broadcast since June of 2012 when they put me in Stuart Marchman Clinic in Daytona Beach, FL and made me stay there for 4 Days. Ryan fought my way out and a Guy Chevransowski whos a Tom Pacheco (Related to C Everett Coop and Jon Grey) wanted to commit Ryan to a Mental Hospital and he and his Jon Grey Pacheco relatives, dont understand Ryan doesnt want to be in mental hospitals, didnt want Donna and Pachecos to put me in them and Ryans not mentally ill. I want them to be arrested for what they did to my life as Donna does this to Ryan to abuse me like a Rosemarys Baby for (Her Family nuclueas and a Stallone and Maria Antonio who all have wheelchair bound relatives in wheelchairs. Now understand that Donna and a Geither and Bronson whos in The Warriors named Michael Beck whos a Bronson related to Barry Gibb *

http://www.imdb.com/name/nm0065235/?ref_=tt_cl_t1

<http://www.imdb.com/name/nm0065235/?ref_=tt_cl_t1>* and Joquim de Almedia *

http://www.imdb.com/name/nm0021835/?ref_=tt_cl_t4
 <http://www.imdb.com/name/nm0021835/?ref_=tt_cl_t4>* have Bronson relatives who are short mexicans that are Cha-Mindy Portmans that are mexican and Iranian skin tied to Slyvester Stallone, Chris Caldes and Jeff Pachinos family and they are short mexicans with Bubble lips and Gummy Jane Curtain looking teeth. They dont understand that Ryan is not (Cha Mindy Kate Winslet, Donnas relatives, Stallones, Pintos and Obamas prisoner that mixed with Donna and her Van Valkenbergs family who have Jaws Billboard Ella mean relatives in her family. Donna (Abuses Ryan with relatives of her mother Belmedia Pacheco such as Tamara Hall on the Today show who has sisters and relatives in the Field, like the girl in a the Red Dress whos in the Heineken commercial **<https://www.youtube.com/watch?v=ZSpdcbhjXJU>* <<https://www.youtube.com/watch?v=ZSpdcbhjXJU>>* and this commercial has a Lisa Dalamore (Tamara Hall sitting at the table in a Red Staples Dress with Beer Bottles on the table that are representing her and Del Toro collecting Budlite Commercial McClellens Goransons while she (Abuses Me with her and Helen Hunt and Miela Antonios families relatives who have a Angela from Chantix ugly Greek sister whos lips and teeth mermer and make a creepy sound that look like Angelas Lips and Teeth motion. Donna has a group of relatives that are in Jackie Lynn Kennedys family who mixed with the FBI Director in Jacksonville, FL **<https://www.fbi.gov/jacksonville>* <<https://www.fbi.gov/jacksonville>>* named Michelle S. Klimt whos a Jackie Lynn Kennedy in Pam Bondi and Maria Antonios family who doesnt do her job and covers up that Donna and her relatives are abusing Ryan in Holly Hill, FL and my apartment complex.*

* Now Maria Antonio is related to a Barbara Morse Silver whos a Rhode Island Medical Newscaster that looks like Ryan ONeils ex wifes mother named Maria Antonio (Also related to the FBI Jacksonville Director) and the Obama people dont understand that the FBI is supposed to arrest Donna, Rita and any Obama or person named in this complaint letter for Broadcasting in peoples heads. The FBI isnt supposed to let Bryan Pinton, Stallones related to the man in the MSN news story listed as a Terror suspect send people past Ryans apartment or let them move in next to Ryan cause a Ugly Frizzy Geither Honey Ringwald in a wheelchair related to Van Valkenberg wants Donnas family to meet and make a McClellens in Ca thats a English Princess Dianna and Sheena Easton kidman combo thats not related to Donna. Michael Beck is a Bronson and he has a Italian relative thats in the Glen family who mixed with McClellens, Goransons and Ringwalds like the one in Breakfast Club, 16 Candles and Pretty in Pink and those Ringwalds who have Twin half sisters and cousins are the side and mixes of Lord of the Dance McClellens. The Heineken commercial with Lisa Dalamores (Aferican relative sitting at the table while Del Toro metaphorically makes a girl at the Bar (That represented a McClellens in the Smagetz family at the time) whos a Extra sitting at the Bar Counter in a Boardwalk Empire episode and tv show like Vegas which was a Pilot show with a Gibson that was cancelled that came out a few years ago. Ryans point the Lisa Dalamore in the Heineken commercial is (Abusing Ryan ONeil) with her Eric Holder Jr, Tamara Hall,

Jennifer Lopez Stallone, Dinero, and relatives who have different Federal Postions that arranged for the commercial to be made, simply to mentally abuse Ryan. Now understand Lisa has a relative thats in a Wheelchair whos Broadcasting in Ryans head and shes being allowed to mistreat Ryan this way with relatives of Donna who mixed with (Honey, Stallones, Fords, Clintons and Portmans that are all Teresa Heinz ugly Greeks and mexicans and Italians that look like the Billboard or Van Valkenbergs and Portmans that are short and have crooked Grey teeth. To explain this further, Tamara Hall on the Today show *

* doesnt understand because shes mixed with Obamas, Eric Holder Jrs and Mansons and Belmedia Pachecos (Related to Donnas Mother) that shes not supposed to Federally mistreat and abuse Ryan with Donnas, Rita and Stallones of different mixes. Now what Ryan is explaining the Heineken commercial with a Tamara Hall sitting at the table which represents Ryan meeting Betsy McClellan at Staples was a Mental Abuse of Ryan that Tamara and 1 of the Eric Holder Jr Manson relatives of Justine Timberlake whos (Sick) and broadcasting in RYans head had created who is stalking Ryan and sends people sometimes around my apartment who explode chemicals in the halls or outside my window cause he wants to be able to kick Ryan out of my apartment and hassle me so (Tamara and Rita and Donnas family can cover up what they did to me and he thinks if he kicks me out, they have to send me to a mental hospital. Donna has a (Jeff Pachino Slyvestor Stallone) relative thats slow and retarded in a Wheelchair and he doesnt understand Ryan doesnt want to hear him in the Broadcast or Donnas (Ugly Little Greek Bumble Bee Thats It Relatives who are Eric Banners, Mosses, Portmans, Jen Love Hewitt Stallone Cruises with Bulpy Noses, Maria Antonios, Stembergs, Sergeants and anyone thats a Teresa Heinz side of the fence. Donna moved Ryan to Holly Hill, FL and Charleston House Place to abuse and slowly contaminate and kill me and nobody explains to Donna and Sly Stallones family or Hogans, Pachinos and Obamas that mixed with the Pachecos they did something wrong to Ryan that has to stop and be corrected. Obama has to have a Congressmen and Senator panel bring him into a meeting and explain to Obama that making people hear a Broadcast inside your head is a crime and putting a FBI director in charge of Ryans service area thats a Maria Antonio and Jackie Lynn Kennedy who doesnt assign agents to investigate Ryans case or protect me while (There Violating My Rights is a crime) and Donna has a little ugly Jackie Lynn Kennedy relative that refers to herself as Thats It whos short and has a bulpy nose like Donna whos a Simon Lebon, Joe Elliot with a nose like Donnas and shes tied to the FBI Director in Jacksonville whos part of Ryans ex wifes family and Barbara Morse Silva *

* Now what Ryan is explaining, Donna and Barbara Morse Silva have relatives related to Donna and a woman that if the Internal Affairs divisions drive down US-1 from Flomich Ave and US-1 in Holly Hill, FL which is next to Daytona Beach, FL and Drive south there is a Print Shop thats on the left side of the Road going South thats toward the beach. The Print shop has a woman thats on the Bulletin Board that is slappen her Face whos a (Thats It Related to Donna) and thats a Lou Monte and Joe Dolce, Shutupya Face, Italian Gesture and that song by Lou is about moving people into a Place thats contaminted and slowly carries out a Italian Mafia Contract to make someone sick while Donna, Tamara and there families related to Honey went around maken the FaceBook McClellen who RYan saw sitting on a Bench in Ca outside the Martin Library in Sherman Oaks, Ca many years ago when Ryan was in Ca with a Book in her hand wearing a Trenchcoat. Now Tamara Hall 3 Christmases ago on the Today show was parading around with a Trenchcoat on making Dalamore Took This One. Now (Lisa Dalamore and Tamara and her relative in the Heineken commercial have to be brought into a meeting with Slyvestor Stallone, Hogan Linda Lavins, Ford Pedros Italian Anne Hathaways that are short Italian Beedy Cheneys related to Donna, Sarmentos that mixed with Helen Hunt, Donna and Stallones and someone has to say, have (YOUR) relatives with Donna been broadcasting in Ryans head, while you Federally with Putin Eric Holder Jrs, Comeys, Geither Greeks related to Donnas Father Tony Pacheco (Jon Kerrys Related to Tony) and Mother Belmedia Pacheco related to Loretta Lynch and have someone explain to them what they are doing and did to Ryan says they dont get to make anyone and fire and arrest them. ===== Now the movie "Clear and Present Danger" with Harrison Ford and the actor that played the President Bennedict (Moffet) **http://www.imdb.com/name/nm0595567/?ref_=tt_cl_t7*
 <http://www.imdb.com/name/nm0595567/?ref_=tt_cl_t7>

* who is a Tony Pacheco relative of Donnas Father Tony who died many years ago. Tony Pacheco was related to Moffet who doesnt really look like Tony but is related and he had a relative in a Intelligence postion and Ryans being abused by (Pachecos that are Bulp Nose Teresa Heinz, Moffet and Sarmentos that mixed with Stallones, Fords, Hogans, George Lucases, Spielbergs, Teresa Heinzes, Pintos, Yastremskis, Pachinos & other mixed Teresa Heinzes, Stallones and Italians like Lou Monte. Lou has a Guy Richie

Retarded Muppet shaped relative in Joe Peschis family, Donnas family and Donna put me in Stuart Marchman clinic back in June of 2012 so (Pachecos and the Stallones related to her, could activate a Abusive broadcast I have been listening to ever since. Now (Donnas Thats It Relative is a little Short Kyle Jenner) who has facial features like FBI Director Klimt in Jacksonville who is the supervisor for agents in the Daytona Beach and Holly Hill, FL area (My Area) and Ryan doesnt have any FBI agents explaining to Donna, Pintos, Hogans and people living around my area that there not supposed to have a Donna, Obama or Mafia Don Italian move into Ryans apartment complex with Afericans tied to the Obama Freeman, Hogans or Lisa Dalamores, Machios and Tamara Halls family who dont want to be Ryans neighbors and friends.....someone moved a couple (Thats It People around Ryan to mentally abuse, Stalk and hassle me so my living environment is a further prison that a Stallone (Whos sick and obsessed with Ryan wants to abuse Ryan, kick me out of the Apartment. They do this to help Donna treat Ryan like Dirt and shit which makes her family and Tamara Hall, Mary Liz Mastrantonio, Cathy Gosian (Related to Dark Obession Sheena Eastons Relative on the cover of a Gabriel Brynn little known DVD cover), Shores and Hendricksons relatives in wheelchairs feel better there getting to (Illegally abuse a human being which Donna wants to do and it allows Donnas (Retarded Relatives in Wheelchairs) to number one prevent Ryan from a normal life and slowly make me sick and number 2 (They want to be able to Baker act Ryan into Mental Hospitals and abuse me cause Sue Sarandon and Donna have relatives that want Ryan to go away (So Stallones related to them, Joanne Silva and those mentioned have a clear path to make the DD Breasted Stage Model Booty Tatoo Ryans mentioned in the McClellen Goranson family whos also a part English Ringwald (Thats Not Related to a Donna Bumble Bee Chin Mini Driver or Goodman Chin side of the heritage. Donna has a Goranson McClellen relative thats related to Betsy McClellen, but shes a Mini Driver Donna mix and her relatives, Rita Shore, Senras who have (Lazy Crooked Eyes), Adam Sandler Chia Greek Hair and features like Jason Gordan and Jason Segull who are both Jon Senra relatives. *

*shes
related to Donnas (Slappen her Face Thats It Relatives)*

*Now Nancy Allen and Fara Fawcett mixed with Jody Fosters and Ryans related to Fara Fawcett and so is Stacey Varges whos a short Short with Frizzy Hair and Muppety Mouth and Teeth and Stacey brought a Dead Rat to Mr Frys class between 1984-1988 at New Bedford, Ma Vocational Technical High School that Stacey showed Ryan in a Box thats a check box. Jody Foster is related to Fara Fawcett and so is Stacey Varges and Ryan ONeil. The Pose (Fara) is in for a Famous shot is the same as Debra Van Valkner and Nancy Allen whos in Dressed to Kill with Angie Dickinson whos a Belmedia Pacheco related to Donna Lecontes mother, as is Tamara Hall, Lina Horns, Loretta Lynch and some of the Maria Antonios like Betsy Palmer who is in Friday the 13th going around killing people she blames for drowning her son (Jason) who didnt die, but was deformed. *

* Now what Ryan is explaining Hall and Oats song (Sara) *

<https://www.youtube.com/watch?v=Red3R17FIUQ> *has to do with a Sara Geller thats a Fara Fawcett related to Ryan O'Neil and Fara Fawcett who Ryans seen on a Dressure photo in Jon Lecontes Guest Bedroom with a Jessie Obama Lucas whos also related to Stevie Nix the singer for Fleetwood mac who sang a song called Sara as did Jefferson Airplane with a Patty Sanders (Donnas sister Patty) in the band and all 3 of them have (Sara Songs, but there not all the same Sara there talken about *

https://www.youtube.com/watch?v=32ScTb6_KHg

<http://www.imdb.com/name/nm0000289/?ref_=tt_cl_t2>

* Ellen Barkin is a (Miela Antonio) who has a Barbara Jean Dane relative in Ma whos a Gilda Radner related to Donna Leconte thats a Little Ugly Italian Goodman Cochin thats been broadcasting in Ryan O'Neils head and abusing me with Cathy Issac and Relatives of Donna Leconte, Stallones, Fords, Hogans and Portmans that are all Teresa Heinz, Ella Means like the Jaws Billboard girl whos a Beach case incident tied to Carey the movie in 1975 and Stevies song is about some Fire case on a beach that a little mexican Stacey related to Sara wanted people to think was Ryans problem cause someone wanted to inherite (Fara Money and turn it into Sara Money Illegally when I think it was willed to Ryan O'Neil. Now Keith Gordan is a "Jon Senra" relative with Crooked Eyes and when Ryan was a Elementary student (Ellen Barkin) someone at Carter Brooks Elementary School in New Bedford, Ma had a Art Makeup Artist come and do a Plaster of Paris Mold of Ryans face in White Strip Molding that Hollywood Makeup Artists use to make a mold of a persons face to turn into a Mask. Now Ryan was a Kid 1 year before Middle school and a Ms Pina and Miss Gafney (Related to Cathy Gosian had a Teacher and Students Encourage Ryan to volunteer to have a mold of my face made to make a mask and thats what Ryan did back then around 1982-1981. Now Ellen is a (Mielos Antonio whos got a Greek relative in a classified area that has Amy Grant feaures, Andy McDowel features who was in Groundhog day and there all Italians who are related to Frizzy Ella mean and Rita. Now Amy Grant had a song called Baby Baby in the 80s that has a Leo Meehen with a Red Headband on a Wagon and at the time a relative of Amys side of the heritage was interested in Ryan O'Neil romantically that was not a Greek *Mielos Antonio Frizzy Mix side* and Mielos Teeth has a Jeff Pachino retarded Slow Stallone relative thats in a Wheelchair that Slyesvtor Stallone and some of his twin Brothers and Donna dont understand hes not supposed to make people hear his Broadcast. Hes a Miela Antonio with Chipmunk teeth and hes also a Amber Zoltick Sandberg and Tracy Varges who are Italian Portmans with Lazy eyes and were involved with the Navy Classified areas and Federal Agencies and Tracy Varges has a relative thats in a photo on the End table in 16 Candles in a seen with a Grandmother and

Parent (Donnas relatives) who is on the right hand side End Table and shows a Tracy Varges and Ryans Twin in the picture. Now back then (Tracy Varges and her nervous Amber Zoltick and Celia Antonio Greek and Italian relatives didnt want Ryan to have a Molly Ringwald that looks like a half Twin of the Breakfast Club and 16 Candles Ringwald and thats why the Mold of Ryans face was made and why the End of the Breakfast Club has (Electrical Tape on the Goal Post) which is a switch from Plaster of Paris White Tape thats used to mold a Face Mold to make a mask. *

<https://www.youtube.com/watch?v=IOiRMN5nRO8>

<<https://www.youtube.com/watch?v=IOiRMN5nRO8>>

* Now Ryans point is the Sherman Oaks, Ca Martin Library had a McClellan that has soft Cheeks and English features like the Ringwald in 16 Candles Ending and Breakfast Club whos related to almost all the McClellens and Goransons, and shes related to me and Rita Senra in some capacity. Now what happened to Ryan is there are Rooster Cognine people like Vern Miller related Congressman Gregory Meeks **<http://meeks.house.gov/>*
<<http://meeks.house.gov/>>

* Now Amy Grants Baby, Baby song *

<https://www.youtube.com/watch?v=vMXuuYnoRdI>

<<https://www.youtube.com/watch?v=vMXuuYnoRdI>>

* back then caused a fight between Portmans and Stacey Varges people and Mielos Antonios as Amy is related to Ryan ONeil and Mielos Antonio and some of Amber Zolticks Julia Louise Dreyfuss relatives have a short little beedy eye Cheney Amber Zoltick Dana Plato retarded relative thats Broadcasting in Ryans head. Amber Zoltick worked with Ryan at Staples Inc with Betsy McClellan and Lisa Dalamore who backed up in a Cube near Betsy McClellens cube one day and said (James) the way Ringwald does in Pretty In Pink with a Joanne Silvia in bed with James Spader whos a Rita Senra (Rodney Dangerfield mix side of Stallone Heritage with Dangerfield and Sarandon puffy eyes. My sister Rita has relatives who are Barrymores and Sarandons and Spaders with eyes like a Dangerfield and all of them dont understand Ryan doesnt want Rita and a Ella Mean thats a Frizzy Lizzy Ringwald Greek like (Jaws Billboard Honey) and Rita also has short little mexican Barry Gibb Portman relatives that mixed with Jen Lopez (1 Named Cindy) who was related to a Cindy Bazanoti at Staples inc who tossed a M & M into Ryans cube (Candy and made a comment to me once of Im trying to find a way to fit in) and Cindy wanted Ryan to be blamed as did Tracy Varges (Celias Cousin) for a Beach Burn Case. Tracy Varges when I got married to Celia Antonio had a Wedding Shower at a small Hall they built near a Stop and Shop I worked at years before I married Celia in New Bedford, Ma with my sister Rita Senra and Joe Costa (a Joe Perry Costa Collins who came up to me once angry mentioning a Trust Fund saying he empregnated Lisa Dean Andrews. Lisa is a Aferican woman related to Janice Dean (A Loretta Lynch Relative), except Lisa is a Aferican with a Huge Jon Goodman Chin and Joe Costa was not sayen he empreganated Lisa and Trusted me and Steve DaSilva to keep the secret, Joe was upset Ryan was left in a Trust Fund in my name they had to cover up that Rita, Donna and there family stole, changed and covered up existed and

Fara Fawcett got cancer years later cause I think someone exposed her to a chemical and contaminents to cause it cause she was a Beach Investigator person who knew Ryan was not a suspect in a New Bedford, Ma case.

===== Now Jason Gordan Levy *

[whos a Chris Glen relative and back in 1984-1988 when the Breakfast Club and Pretty In Pink were big movies there were English Ringwalds in Classified departments tied to Glen who has a Brother or relative named Chris Glen who Ryan was close friends with at Voke Tech High School and Chris and I hung out all the time and he was a relative of a Ringwald that looks like Breakfast Clubs Ringwald that allot of people wanted to date and make back then. That Ringwald has cousins, sisters and relatives younger than her that caused people to hassle Ryan ONeil when me and Chris stopped hanging around after High School because Ryan moved to FL to go to college. Now Ryan thinks Stevie Nix whos tied to a Burn Beach Case has a Rose Brynn relative thats trying to say Ryan drowned some girl on Belmedia Pacheco and \(Johny Ricas Cottage\) when I was a kid and Donnas mother Belmedia was dating a Jon Rica \(Whos a David Letterman Relative\) and Jonny had a cottage on the Border of Jones Beach in Dartmouth and his Property thats in New Bedford, Ma. Stevie Nix song is about a \(Sara and Drowning In the Sea of Love a Al Pachino movie with Mielos Antonios relative Ellen Barkin and Ellen has to be brought in with the Miela Antonio \(Ethridges and her family about making Ryan hear her and Donnas Satelite Broadcast of Retards in wheelchairs and Ryan thinks someone had 2 Oriental Girls come toss Rocks at me and a friend as a kid because Ellen Barkin is related to a Retarded Jeff Pachino Stallone that looks like Slyvestor thats in a Wheelchair whos slow and related to Tracy Varges with Lazy and Retarded Amber Zoltick Eyes. They also \(Didnt want Ryan to have the Ringwald thats hidden related to the Ringwald in 16 Candles and Tracy Varges showed Ryan Prom Photos she was acting weird about and Ryan knows why. Tracy is related to the slow Retarded Stallone and shes a Portman thats short, Nervous and has Pale Pasty skin. She was Celas Cousin and her Brother or relative was Jeff and Mike Antonio who were half Brothers. Jeff is related to the retarded Pachino Stallone in a wheelchair and Mike Antonio is related to News Caster Matt Austin in FL with a Jim Paine \(whos a Mel Gibson related to Donnas Brother Paul Pacheco\) and they all have relatives in Wheelchairs and Donna and the Antonios such as Mike Antonio \(Who is a James Comey Relative\) put a Little Pedro in a Wheelchair in the broadcast also whos related to a Wheelchair bound kid thats in a Schriners Burn Center commercial *](https://www.google.com/search?q=Jason+Gordan&biw=1228&bih=486&tbm=isch&imgil=vxfKIwgVEiJuAM%253A%253BJOk0omYhwAi3YM%253Bhttps%25253A%25252F%25252Fen.wikipedia.org%25252Fwiki%25252FJoseph_Gordon-Levitt&source=iu&pf=m&fir=vxfKIwgVEiJuAM%253A%252CJOk0omYhwAi3YM%252C_&usg=__AXA3kxjm_Is1oqbUJ-PL1HAYk4Q%3D&ved=0ahUKEwjruF0k8dfNAhVFzIMKHXYXbBb0QyjcITQ&ei=LFR5V-vzAcWYjwSfT5foCw#tbm=isch&q=jason+gordon+levitt&imgsrc=FNxxyDmeyj-XtM%3A*<https://www.google.com/search?q=Jason+Gordan&biw=1228&bih=486&tbm=isch&imgil=vxfKIwgVEiJuAM%253A%253BJOk0omYhwAi3YM%253Bhttps%25253A%25252F%25252Fen.wikipedia.org%25252Fwiki%25252FJoseph_Gordon-Levitt&source=iu&pf=m&fir=vxfKIwgVEiJuAM%253A%252CJOk0omYhwAi3YM%252C_&usg=__AXA3kxjm_Is1oqbUJ-PL1HAYk4Q%3D&ved=0ahUKEwjruF0k8dfNAhVFzIMKHXYXbBb0QyjcITQ&ei=LFR5V-vzAcWYjwSfT5foCw></p></div><div data-bbox=)

https://www.youtube.com/watch?v=v_etR3dlrR0

<https://www.youtube.com/watch?v=v_etR3dlrR0>

* Now the link for "Little Pedro" in the Schriners Burn Commercials ends

with RO (Ryan O'Neil) face off manor and the End of Breakfast Club has a Sherman High School and outside that's connected to Voke Tech High School in New Bedford, Ma and a side entrance that me, Chris Glen, Shawn Dupre, Jon Sarmiento, Junior Carvalough and all of students who were in Shop Classes for Art, Drafting and Mechanical Design that had an entrance on the side like the one that Alley Sheedy goes over to Estevez who looks like Ryan in High School and steals the S School Jacket Letter off his coat. Ryan thinks the S is for Satellite and the street lantern that's to the left side, cause someone was watching Ryan O'Neil and another student at Voke Tech with Satellite Imagery most of my life at all times, because of Sylvester Stallone and relatives of Ryans in my family heritage and areas Ryan lived in through High School years that had people around me who had Service Protection of different agencies at all times. Matt Austen *

<https://www.youtube.com/watch?v=c3BGWJ8s82Y><<https://www.youtube.com/watch?v=c3BGWJ8s82Y>>

* Now Ryan's point is Julia Roberts and Chris Glen where both related to the lead actor in Oliver and Jaws was a 70s movie and tied to a Drowning incident that the Billboard Help Shark was about and that incident (Was Before Ryan was involved with a Incident at Belmedia Pacheco's cottage, except Rita Senras Honey relatives like the retard on the Billboard, they don't understand they can stage crimes and send people to hassle Ryan cause (Honey or Jeff Pachino has a relative in a wheelchair and doesn't want Ryan

to have a Trust or Girl cause hes in a Wheelchair and I dont want Honey the Retard who has a sister thats a Helen Keller Blind eye autistic broadcasting in peoples heads. Now Fara Fawcett was in a movie Called (The Burning Bed) **<https://www.youtube.com/watch?v=ACiCfGoVIJA>*
<<https://www.youtube.com/watch?v=ACiCfGoVIJA>>

* and Ringwald is in 16 Candles in a Red Brick Hallway and she walks down the Hall and Slouches down against the wall and theres a Fire Extingisher in the middle of the Hall made of Bricks like the Apartments that are to the Left Side of the Background at the End of the Breakfast Club and theres White Apartments that are Half Twin or Twin Construction apartments across the street, but same Design and a Car takes off in the middle that all Police have to figure out whos in the car and set that shot up as they did a sleeper and wanted to take off like (Silence of the Lambs Hanibal at the End of the movie and Shawshank ReDemption Andy with a Car Accident Handicapped motive that ties into other incidents and Ryan believes a Car accident happened in New Bedford, Ma between 1970-1974 when Ryan lived on Dartmouth Street in New Bedford, Ma and in a Apt made of Red Brick which had a Fire Next door to our Kitchen wall that Donna said, the Old Woman in the Apt died from Falling Asleep with a Cigarette in Bed. Fara Fawcett was in a movie Called The Burning Bed and Ringwald knows the Fire next door on Dartmouth Street was not started by a Old woman smoking and fell asleep...I think someone killed her and covered up what she heard Sue Pedros and Donnas people saying about Ryan and my Brothers and Parents. Shriners Burn commercial and (Little Pedro) whos a Richie Dean Ford related to a Richie that Ryan worked with at Stop and Shop as a Teenager with Rita Senra Shore whos a Ringwald whos in the Locker Photo of Fast Times At Ridgemont High Belly down in a Bikini with a Friend with a Donkey Ass next to her on a Towel. Now, Keith Gordan whos a (Jon Senra Relative is touchen a McDonalds Penis Biter Mustard Yellow locker thats tied to the Sophie Warlock Lockers implied passing to the left in the Hallway of The Breakfast Clubs Ending that has a Right side of the Camera sign in Neon Pink that says Girls W.F. *
<https://www.youtube.com/watch?v=daU1TYL2ySs>

<https://www.youtube.com/watch?v=IOiRMN5nRO8>
<<https://www.youtube.com/watch?v=IOiRMN5nRO8>>

* Now why all this happened and what Ryans explaining the Neon Pink sign in Breakfast Club is tied to a 1969 Carl Yastremski Baseball Card that has a Pink Circle on the Left side of the Card Facing with a Carl with a Grey (Away Team Boston Red Sox Uniform with a Black UnderShirt and Elbow with a Bat Pushed Out with a Swing Away "Signs Merly Motive" and *

<http://www.ebay.com/itm/like/131855869752?lpid=82&chn=ps&ul_noapp=true>

* Now Ryans point the 69 Carl Yastremski photo has Pink on the left side, where a Purple Kurchief (Extra in 4th of July Jaws Beach Baby Playing Red Rover a English Game where two lines of people line up opposite sides and a Nursery Ryme of Red Rover, Red Rover, Send so and so over is sung. Now Jaws 4th (Sends Purple Kurchief Larry on the Beach Left to Right) and Schindlers List Shower seen sends a Extra who then had Married off the Purple Kurchief Extra who became a undercover agent. *

* Now when Ryan was 4 Years old I would wait at 4 Am on a SchoolBus in the Dark for a Bus that took me to Condon School in New Bedford, Ma was on Rockdale Ave and Molly Ringwald on the poster for 16 Candles is holding a purse with Jake Ryan (Because of me waiting at 4am for the bus across the street holding my lunch box. *

* and its possible back then a Ringwald like 16 Candles was dating a Older version of Ryan O'Neil in the Field who told Ringwald and his relatives were gonna save a Ringwald (Younger than her for Ryan, later on and this did happen and made mafia Honey Ella Mean Ringwalds, Cindy Gibb, Mary Liz Mastrantonios, Rose Brynns, Costas and Portmans that are short, Milado, Mexicans and Afericans Flip out and they started sending people to hassle me cause Amber Zoltick, Zoey Ringwalds and Donnas relatives all wanted there relatives, Mandy Moore, Fosters and Kennedys to make a girl at Ryans Birthday Party at Al Paines when I was a kid who had a Photo taken of her Ass with a Press On Tatoo when I was a kid and thats why Ringwald at the End of 16 Candles Kisses Jake Ryan and says, Thanks for Getting my Undies Back when Kissing around a (Fire Lit Cake) with Jake Ryan. Now Ryans point is Ryan is being forced to hear short Italian Portmans, Caldeses who are also related to the Carl Yastremski thats on the 1969 Topps Rc card and why it matters theres a Carl Yastremski thats Broadcasting in RYans head thats tied to the movie The Town who doesnt understand hes not supposed to make Ryan hear a Broadcast in my head cause Stallones, Hogans, Yastremskis, Freemans, Jenna Genovese (Wanda Artus Coopers), Julia Roberts, Portmans and Italians related to Ella Means want Donna, Rita Senra Shore and Obamas and someone else to make a partial Ringwald (English thats not related to them) and Tamara Halls little Stacey Varges Smiley Face (Geller and Fara Fawcett relative whos also kin to Ryan or a Foster wanted her made by one of them and Donna and Tamara and Eric Holder Jrs relatives. Donna put Ryan in mental Hospitals so Stembergs and Machio Stallones could get me out of the way to make a McClellan on a Bench in Ca and her half sister who are (English Ringwald Goranson mixes that dont look like Jaws (Honey) and Rita Senra and Donna have sisters and relatives that are in NASA with Helen Hunt and the Martin whos a (Souza) that Ryan hung out with as a kid during Breakfast Club days and Schindlers List Shower seen with the Extra thats in a White Jaws Kurchief coming Left Side to Right side and being pushed by a Guard thats a Nazi in the middle (When Being Degraded and Forced to undress) to run in a U Shape to the Showers and Gas Chamber is because a Hogan thats a Manson (Eric Holder Jr) and Milado in Justine Timberlakes

family is retarded and thinks (Federally he and a Jon Goodman Ford and Senras can go around and make people like (Her) in the Shower seen and send them over like Red Rover, the Dartmouth Street Nursery Ryme game. Leanne Rymes (Was related to Ryans Ex Wife Celia) and she wanted to make a little Girl that was at Ryans Condon School playground that played Red Rover at Condon with Ryan when I was 4 Years old. Her parents also in New Bedford, Ma near my Dartmouth Street Apartment were also in Federal Agencies and someone older than Ryan like (Mielos Stallone whos a Tracy Varges and Retarded in a Wheelchair wants to abuse and put Ryan in mental Hospitals cause RYan doesnt want Greek and Italian Mielos (Whos relatives in a Wheelchair and it makes Slyvestors who are Greek and Italian Ella Mean and Sarmento Honeys abuse RYan cause theres a English Baby interested in me and that all the short lazy eyed Senras and Portmans dont want Ryan to have. (Shes a Threat to there mafia Family and Sarandons, Vons, Russos, Caldeses who all have relatives in chairs that did something wrong to people over the years with this new Technology and making them hear the Broadcast. Stevie Nix song Stand Back **<https://www.youtube.com/watch?v=-gSKcVSCpw>* <<https://www.youtube.com/watch?v=-gSKcVSCpw>>

* Now Ryans point is (Stevie Nix was related to Ryan ONeil, Teresa Heinz and some of Stacey Varges and Chris Caldeses relatives and theres a little mexican Caldes Nix broadcasting in Ryans head. Now Jeff LeClair whos a Royal Family English man is related to the Twins in the Social Network who are also Pauley Shores, related to Ryan ONeil. Why this matters, the Royal Family related to Prince Charles, Queen Elizabeth mixed with Donna Lecontes, her mother Belmedia Pacheco and Aunt Dels (Who look like Barney Frank and the Del in Rosemarys Baby rocken the babys crib and treating Rosemarys like this is your baby, but you cant see and have the baby and we abuse you. This is what Charles Manson and Donnas relatives do to Ryan ONeil and Donna has a Ugly Stevie Nix retarded Moss relative with a Bulpy snuffle cold nose whos a Stacey Varges and little Ugly muppet thats broadcasting in RYans head and other Social Security Recipients. Donna and Maria Antonio (Are All Teresa Heinz, Nix, Bullocks, Queen Liz, Wanda Artus Coopers, and Jackie Onasis relatives that are covering up they and Pachinos and Winklers kidnapped me from my parents and Ryans part Prince Charles with 4 Twin brothers there covering up existed. Donnas Debra Van Valkenberg relative in "The Warriors" makes a comment 5 Kids in a seen and shes got a Caldes relative thats a little Cry Baby Bubble lip they put in the Broadcast that James Comey doesnt stop cause Matt Austens a Comey tied to Pachinos and has relatives in Other Agencies part Comey (Making people like me hear there relative in a wheelchair Ryan didnt personally injure. James Comey and Obama, Eric Holder Jr, Geither McCaughlif Greeks, Staffords, Caldes and Obamas and some Borenatzes did something wrong to Ryan I want them Fired and arrested for doing. Now Stevie Nix song "Stand Back" has her in Silence of the Lambs Hung like a Angel Pose and "Halloween" has a little kid dressed as a Angel in a seen who was a McClellen that runs out of a

House down the street that Jamie Lee Curtis looks at when she leaves and smirks (Glad shes gone, because she was related to a girl that was at Condon School in New Bedford, Ma in 1974 playing Red Rover with Ryan. Downtown Los Angeles, Ca has a Subway Entrance on the corner, near a Main Library that has a Caldes Senra Sergent with a Number 4 Sports Jersey and hes in a City (Below a Crane) with a Drink Cup thats got a Straw like a (Seven Eleven Cup) and shaken it. Why this matters, Caldes and Sergens that are (Almedias like Felix, didnt know who the Jaws Purple Kurchief kid was that became an agent and who was the little Girl on the Playground whos an Angel that became a undercover and worked in the porn world posing for Magazine and Porn ads and making fake Blow Job videos and he needed to find out who had a Case File on Ryan to (Set Me Up with the Look a Like that Tracy Vargeses relatives in the photo (Right side) of the End Table in the Grandparents seen of a Bedroom with Donnas relative in 16 Candles and Stevie maken I was right is because of Items left in Ryans towel Closet here in FL in my apartment when I moved in that had a Ring with a V on top and pattern thats tied to snake, Jump Rope and painting of a Hot Dog thats on the wall window of a Closed Down Gas Station across the street with a Hot Dog with Mustard on it, sunning and burning itself with Jon Candy JFL (Wig and Orgie Seen and Risky Business Glasses.) Why this matters the Hot Dog and Mustard is someone pissed there penis was bitten off tied to Shawshank Redemption and Silence of the Lambs and Ryan has a Grandfather Donna said, kept her locked up in a Ivy Tower (meaning Prison before I was born or Mental Hospital, they wrote into The Exorcist with the Priests Mother a (Del Obama-Pedro) Now Ryans point the "Silence of the Lambs" credit show a Peach Suit Extra come left side, to the middle with a Brief Case tied to Deal or No Deal Stage Models and Pulp Fiction and Marsalis House Gold Case (Mia Farrow) is connected to Pulp Fictions Marsalis House and someone planted 5 Items (Like Debra Van Valkenberg) in The Warriors says 5 Kids holding a hand out and maken understand comments. Debre is a (Caldes) related to Donna, Rita and Ryan partially and has mexican Portman relatives who dont understand why Ryan isnt attracted to a short little Manuel Norega catfish Teeth Gibb thats also like Debra Van Valkener whos a Donna posing like (Fara Fawcett) in her IMDB photo. Meaning (Switched Places with Fara) and someone made a Mold of Ryans face that was turned into a mask, someone used to make a Randy Price (Chanel 7 News in Boston with Randy and Jonathan Hall) which is why there is a Hallway seen in 16 Candles with the Fire Extinguisher in the middle. Now, Ryans point is someone wanted to turn (Fara Fawcett Money into Sara Geller or Sara Money) and there is a Sarmento thats in the Porn business, named Sara whos related to Phobe Cates whos in Fast Times At Ridgemont High with a Photo of my sister Rita in the locker that Keith Gordan wanted to open and touch the locker way back in Cristine the hit and Run car. Cristine is tied to a Cristine Charette in Boy Georges family who they have to inquire about as she I think has a Paralyzed relative thats also part Bradley Cooper Putin that was injured 1974-prior in New Bedford, Ma and she blames a Ryan ONeil family member for the crash. Cristine I also think has a handicapped female relative thats tied to Rita Senra and Sheena Easton thats a Little Bubble Bee Janice Dean Loreta Lynch Italian there maken people hear in Satelite Broadcasts inside your head, once someone sticks you with Nanite Technology. ===== Now Ryans point is "Rosa, Angela and Herb in Chantix commercials *

<https://www.youtube.com/watch?v=MzMqlGzXli8>

<<https://www.youtube.com/watch?v=MzMqlGzXli8>>* which has a Link that has XL in 8 *Carl 1969 Baseball Card Photo which is a (Jon Grey) motive whos related to Guy Chevransowski who wanted to label Ryan skitsophrenic and commit me with a Weiss in Stuart Marchman Clinic when Donna and officer Robison took me there in 2012, when the Broadcast in my head, started back then and has continued ever since. Now Ryans point is (Black was below Grey Away Uniform in 1969 and Ed Alves, used to wear Grey Shorts with Black Sweat Pants under them when I played Deck Hockey with him as a Teen in New Bedford, meaning he cut Legs to make shorts and would wear the Shorts on the pants (Doubled Up) and Jaws has a Marchand thats involved with a Drown incident back in those days. Kerry Marchand (Stacey in Fast Times at Ridgemont High) was being taught by Phobe Cates to give a Blow Job which then represented a Chris Glen relative and refered to Bill Clintons Monica Lewinsky incident and the Dog thats in The Shining down on the knees giving a Blow Job. Now Stacey Varges is a Shore that became a Detective after bring a Dead Rat in a Check box when Ryan was in High School and Mr Frys Class and it was mailed to her and she opened the box and brought it over to Ryan maken (Look C Comments and the Look is a Sheena Easton Song) with Prince. **<https://www.youtube.com/watch?v=HoUVx9UbUGg>*

<<https://www.youtube.com/watch?v=HoUVx9UbUGg>>* and Prince growing a beard is in a Makeup Counter connected to who wore the mask of Ryan ONeil and made a *Real Child Porn Seven Video* tied to Randy Price and Jonathan Halls Beard and Glasses person released in Boston between 2000 and 2003 that he said, had shown up in Cambridge 15 years earlier and the Alicia Goranson Pickup Truck photo is on page 115 of the 2000 Screenworld Book that also has Mel Gibsons Payback movie in the photo. Why this matters, Linda Lavin (Flo) has a Retarded Donna Leconte Pike Daughter whos a Dylon Clebold Greek Chia Head Nervous Stallone thats Broadcasting in Ryan and other peoples heads whos a Jon Kerry Heinz moonpie shaped head. Jon Kerry and Obamas mixed together and Sarandons, Vons and Russos dont understand doing this to Ryan is a Federal Crime and not there right. Lance Hendrickson and Roy Scheider and Pauley Shore have (Greek Relatives tied to the Onasis and Honeys family and Nia Vardalos *

* in My Big Fat Greek Wedding and Russel Brant in Get Him to the Greek)
===== Now Ryans point is Gordan
Kaye a English Variety Tv show personality in the 70s has Greek Leo Meehen
relatives that mixed with Stallones and the man that played the Father in
16 Candles who thought Ryan did something to a Stemberg related to Adam
Sandler in the 70s on the steps. The Gordan Kaye Winkler thats blind whos a

Henry Winkler relative is not the same person as a incident Ryan was involved with, but Gordan Kaye has a Greek Fury Leo Meehen Pacheco relative thats Broadcasting in peoples heads whos a Zeke and Zed Pulp Fiction type Intelligence officer and cop. When Ryan was brought into Stuart Marchman clinic in Daytona Beach, FL in 2012 a Gordan Kaye tied to the one in 16 Candles was wiping down a White Dry Erase Board with the name Bryan, Sue and others on it and a Kate Winslet related to Regina Portman Onasis was next to him at the Reception desk and she did a Vincent (Color of Money Hair Swoop and he said, thanks for giving me the narc list. Now Vincent was Tom Cruise in Color of Money but also referes to Vincent Berry and a Vincent that went to Voke Tech High School with me and Chris Glen that would Arm Wrestle Chris Glen in classes. Now, understand that Vincent Berry

* and Vincent is online with Greek Chia Hair and Touchen Arms and also near a Silence of the Lambs Tree (Fake Smiling cause Sara Gellers Stacey relative in a picture and a Stacey Varges from 1969 tells people to pose in a Fake smile because of Bridge cases, that got Heath Ledger killed after playing The Joker in Batman the Dark Knight. Now Ryans point is Vincent is "Greek" and was in the movie "Breakdown" with Kurt Russel and J.T. Walsh who was a Tony Sanders relative involved with the movie "A Few Good Men" who plays a witness that shoots himself in Dress Blues and Vincent is a Cherly Perry Heinz Bush who is related to Ryans Ex Wife Celia Antonio that would say she wanted to replace Ryan with (Dan) and Danny is in The Shining about making people hear the Broadcast of Scatman Crothers whos a Roger Andrews and Roy Schieder relative from Jaws who is making people hear The Sound and "The Shine" **<https://www.youtube.com/watch?v=2rKbtlodzCU>* <<https://www.youtube.com/watch?v=2rKbtlodzCU>>* and the Blow Job seen *

* Now Vincent Berrys (Grey and Blue Sewn Jean Jacket) was outside a Condon School *Red Rover Playground* and people dont understand Get Him to the Greek is about a Gordan Kaye bad fed thats related to the man in Stuart Marchman that was (Wiping down a White Dry Erase Board) when Ryan was first brought into the place and a Sarmento Iranian came out of the room to my right with Kaye at the left with a Winslet doing a Vincent color of money hair swoop. Ryan at 4 Years old would ride around on a BigWheel when the Pedros would shoot BBs at the Back of my head on the Big Wheel of a Dartmouth Street Apartment with a U Shaped Courtyard between my apartments

a 1 floor Red Brick apartments that wrapped around in a U Shape and met a 3 Floor Tenement in Rose Tan Colors the Pedros lived inside of on a 2nd Floor apartment and shot the BBs at the back of Ryans head from Sue and Kevin Pedros 2nd floor apartment. Now also understand that Tommy Soares was a Stallone Shore who shot the BBs at and his likeness and face is on the Jesus Crucified on a cross inside the Closet of (Carey) a early 1975 movie with "Sissy Spacek" whos related to a Greek Ugly Retarded Donna Muppet in Estelle Gettys family, Stacey "Geller Varges" that Donna is making people hear. Shes a Frizzy Greek Little Big Eyes Estelle Getty whos got a Cold Nose and shes a Retarded moss related to Donna and Sissy and they wanted Ryan to end up like (Tommy Soares Jesus) on the Cross in Carey being abused by the Mother in that movie whos a Linda Blair Marchand and original head case from the late 60s. Kerry Marchand (Related to Stacey in Fast Times At Ridgemont) High mixed with Pam Roy Ella Means, Wests and Mosses that are Greek Issacs, Barrymores, Russos, Sarandons and Fords and the Frizzy Lizzies dont understand its a Crime to make Ryan hear a broadcast of Stallones, Fords, Hogans, Donnas and Zoey Ringwalds in Wheelchairs that are all tied to the Greek (Gordan Kaye in Stuart Marchman who wanted Sarmento to make Ryans English Princess Crown Stage model. *

* ===== Now why this

happened, Ringwald in 16 Candles (Found Out Ryan was not on the steps with a Ringwald relative of a Ella Mean and she knew Ryan was on the top of the steps when two people Ryan saw Arguing (Not Really Fighting about a Football Issue and saying you cant get past me and a kid to my left made a comment and pointed down to him at the bottom of steps in Padnaram, Ma of (Your Mothers Got a Wooden Leg with a Kick Stand) and he pointed they way Babe Ruth pointed to the Outfield when he wanted to hit a Home Run and then did according to Red Sox fable with a Rively between Boston Red Sox and the New York Yankees and Tom Cruise in War of the Worlds has a Red Sox hat on in a early seen, someone swaps out unnoticed with a Yankees hat after a Attack by aliens and that movie is about Bridge cases with DeFacings of people that have there faces cut up like the Joker (Ledger went to Hollywood and was in Batman with a Cut Up Face and he ends up dead being involved with someone looking for the suspect that does that to people. *

* Now Ryan says this photo of Ruth with Two Bats is connected to the Carl

Yastremski photo from a 1969 Topps Card that has Pink Circle and Player Position on the Left side of the card that someone in the Breakfast Club moved the Pink Neon Car Wash Sign to the Right side and moved the McDonalds Lockers all in Yellow to the left side (Switched Places) because someone in Federal Prison wanted to swap places with Ryan O'Neil later in life and someone else related to me for arresting them and putting them in jail. Ryan also thinks there is or was someone in jail who was Arrested and caught for a crime they committed, but were not arrested and tried for another crime, they also committed and they were waiting patiently like the Paul Pacheco (Related to Donna's Brother with Holly Hunter) in The Firm to get out on a sentence that was not life, before someone found out they committed a murder, they just didn't understand it when they were booked. The plan (Tied to Stacey Vargess) was to get out of Jail, like Dinero in Cape Fear, ripped from Head to Toe and go after a Ringwald, Goranson or McClellan as revenge to make the person. Now, understand that Gordan Kaye is related to the actor playing Ringwald's Father in 16 Candles who wanted to ring up a couch in a scene that's tied to Ryan's Dartmouth Street Ma, New Bedford apartment in 1974 when Ryan took a 4 am Bus to Condon School in the morning and waited across the street with my Lunch Box and that's why a Stallone in Rocky V makes a comment, near a Wire Fence of your Lunch Money and the girl with a Backpack in that movie represented a girl at Ryan's Birthday party when I was living next to David Pike as a kid and Affleck in The Town gets dragged in for Questioning by a Paul Pacheco Nelson Macedo relative and he's working at a (Sand and Gravel Name Badge Company and why this matters, that's who wants to combine someone considered Sand like Sandler with Gravel business person when their relative gets out of prison eventually.) Now Ryan's point is that Donna Leconte and Gordan Kaye are O'Nasis and Greeks and the movie "Get Him to the Greek" means a Gimp Box location that Donna's people broadcasting in people's head have put people into in the past and also it's a metaphor for sticking people hearing the broadcast into mental hospitals and Sue Miller and Angie Dicksons who are Dottie Dittas in Wanda Artus Coopers family and Hendricksons in Classified areas did this to Ryan cause I don't want "Jenna and Rita's relatives and they wanted to meet and make a McClellan Goranson Ryan's met who's a English looking 16 Candles baby. Now what Ryan is explaining the "Jenny in the Chantix Commercial, Herb who's a Hendrickson near a Bench and says....I have a Long Time and this went out, likes to abuse Ryan with Rosa who's a Carey Fischer in the Chantix commercial sitting on a Bench with a Puzzle Book and Donna has to be brought into a meeting with Deans related to Loretta Lynch, Comey, Borenatz running the Treasury Department, Stallones, a Donna who's a Mary Caldes Little Cochin in the Waskawitz family who's broadcasting in Ryan's head and abusing me with a Sue Miller *Tied to the Ma State Attorney Generals family) and Dineros and Donna's "Jenny Relative in the Chantix Commercial is a Gomer Ringwald related to Donna, Cherly Perry Heinz Bush and she in that commercial doesn't understand Ryan's not a Object that (Jenny's relatives get to abuse out of the way so they can make a DD Breasted English Model Ryan's met. *

https://www.youtube.com/watch?v=qMSKZkZ_aAE

<https://www.youtube.com/watch?v=qMSKZkZ_aAE>

* Now what Ryan is explaining (Jenny makes I Tried to Quit and Well Taking in this commercial and Donna and Cherly Perry Heinz Bush and Rita Senras people with a Machio Greek related to Tom Stemberg's (16 Candles Relative, playing the Father) don't understand Ryan's life matters and that they and Donna committed a crime putting me in a Mental Hospital, allowing a Fury who was Bending over in a Henderson Clinic 8 years ago when a Greek Chia Hair nurse forced me to take a Nanite shot with 4 Tall White Uniform Ordelies standing over me, 1 of them a Evander Hollyfield African and they forced a (Nanite Shot Inside Ryan's Blood that's been made me hear Donna's Greeks, Tracy Varg's and a Platipuss Portman that's related to Nia Varlakos and a Hamm who are in wheelchairs with a Donna and Pachino Dinero Leblanc that's a Coo Lip Italian that doesn't understand it's a crime to make people hear Rita's Ella Mean people who are Winslet Tank Teeth Margo Kidder "Honeys" who have Obama Medelov Licky Lick Tank Teeth and they don't understand Ryan isn't Donna's prisoner and they did something wrong to my life with Tamara Hall and a Affleck that's in a Chair who's a Jeff Pachino Slow Mielos Teeth side of the heritage also related to Matt Austins family and the Stallone related to him, also has a (Shriners Little Pedro) who was related to a Pedro who went to Voke Tech High School with me and Chris Glen. In addition, Helen Hunt, Jody Foster, Tamara Hall, Lisa Dalamore and Stallones all have relatives in wheelchairs as does the Ringwald who's a Maria Antonio in The Town who wants Ryan to be Sue Sarandon's Retarded Hogan (Helen Hunt's Daughter) who's a Helen Hunt Androgenous skinny Frizzy Lizzy who got the Technology from NASA and Classified people she's related to who worked for NASA and other Classified agencies that Stallones, Fords, Geither Greeks, Hogans and Portmans have been given positions in, over the years. Donna is making Ryan hear a "Broadcast Inside My Head" of a group of retards, 1 of which is a Little Nervous Amber Zotick from Staples Inc who's a (Cheney Bono Italian) and lazy eye Greek that is in the Williams, Bush and Heinz family who did something wrong to Ryan with Donna that I want her and Obama to be arrested and stopped from doing. Now Ryan is explaining the Chantix Commercial (Angela) **<https://www.youtube.com/watch?v=EmCINb99LPs>* <<https://www.youtube.com/watch?v=EmCINb99LPs>>* is a Frizzy Lizzy who's tied to Mielos Antonio and she doesn't understand (Mielos People and Ellen Barkin that Mielos and Joel Schippers people in Bob Dylons family are committing a crime with Barack Obama's family making Ryan hear a Broadcast Inside my head that was put on me so Ryan would as Maria Antonios (Related to Ryan's Ex Wife could make Ryan Go Crazy) which is what Portuguese Maria Antonio would say to Ryan when I went to Celia Antonios house on Sundays cause a Rice Goranson in her family was a mental patient and Donna is making people hear a retards broadcast that includes a Mexican Debra Messing that's a short Ugly Frizzy Stevie Nix with Rooster nose and a Stallone that's a nervous Tracy Varg's Pachino that's in a Wheelchair and older than Ryan tied to Matt Austen and (Little Pedro who also has wheelchair bound relatives with CatFish Teeth.) Donna doesn't understand Jim Rice, Condi Rice and Obama did something wrong to Ryan with Barack Obama's relatives and they don't understand it's a crime to Broadcast in people's heads a group of Retards in wheelchairs that a Hendrickson who's got lips like Babe Ruth and Features puts on people with a Dickinson (Angie) BlindEyes Coo Chin Jennas and Gilda Radners that mixed with Karen Varg's, who's got a Bo Derek relative that's

been coming around me connected to Actress Lisa Brenner *

* and Clare Carey has a retarded Zoey Ringwald Greek Donna relative thats a
Moonpie Linda Lavin Donna that did this to Ryan with Cruise Technology that
mixed with Stallones and Clare Carey is also a Varges related to the Karen
in The Patriot. Now the Band 3rd Eye Blind is tied to Eye of the Tiger and
Carl Weathers in Rocky movies and 3rd Eye Blind was a band promoted by
Jenna Bushes Blind Eye Family that wanted Triplets tied to the Girls,
Girls, Girls Love Stripclub involved with 3 Triplets in Princess Diannas
Sheena Easton family to become Courtney Love (Annie Pacheco skinny skanks
in La in the Goth World who are with Jenna whos a Retarded 3rd Eye Blind
partially blind retard in a wheelchair. Long story, short they have to
explain to Sly Stallones relatives that Donnas Varges Little Coo Chin
Goodman and Dean Relatives in wheelchairs are and did something wrong to
Ryan and other Social Security recipients being forced to hear a Shining
and Field of Dreams intelligence broadcast tied to Harmon, Cruise Stallone
Heinzes and Hendricksons using a new Technology to abuse people against the
law who are not arrested, tried amd convicted or a crime cause a Ela Mean
Pedro or Amber Zoltick, Bullock and Donna wanted Ryans Royal Stage model DD
Breasted McClellen to come out with a Rita, Donna and Blind Eye Jenna
worken on a Triple strip club undercover girl tied to Forest Gumps Strip
Club and the little Coo chin Donna whos a Gilda Radner is a Blind Eye Helen
Keller who does this with a Lucas Ringwald retarded related to Larry Baxter
from New Hampshire, Russel Brant and Jonas Hill trying to get Him to the
greek.*

*The Us Government has to arrest a Pinto, Stallone, Kardasian and some
Greeks making RYan hear the Broadcast with Donna who want me to be a
prisoner to Donnas (Handicapped people who want me to be abused so they
could meet and make a girl Ryans met in the past and in Ca. Sally Field has
a muppet relative that doesnt understand they cant broadcast in peoples
heads.*

Regards, Ryan ONeil

Ryan says I see that someones placing Silence of the Lambs on IFC tonight
(I Fucken Can) and a short Zoey Ringwald Pepper Tree hair I saw pass by
Ryans apt door and stop in some Red hat or outfit and she seemed like she
was trying to get into Ryans apt or figure out if the creepy Mielos Teeth
Tank teeth people can serve a warrant or do something to hassle Ryan and
understand (SHe Doesnt Live in the Complex and theres a Tank Retard

broadcasting in RYans head whos like the Taco Bell Drink Cup ZOey that was in the Drivethru in La who pulled up when Ryan was getting a Drink and she was in the car maken (I Was Alone Comments and acting all seriel sufle and fava, except if you see a short Zoey with Tank Teeth (Shes not role playing or acting shes sufle she actually is a seriel killing personality.) Now Ryans point is there is a Jody Foster broadcasting in RYans head and every now and then they put Silence on cause 1 of the Lisa Dalamore and Little Hindus broadcasting on TV wants to believe like STacey does RYans a sufle personality and killer and thats the way Michelle LeFleur used to treat me at Staples when she would walk past me looking at me like she thinks RYans a seriel killer (Wide Eyes and all Wife Beater feminist looks.) Now Ryan says Tracy Varges (Nervous) is the same kind of person and RYan says when Silence came on today, the only thing RYans thinking is theres some commercial on for Adam and Eve that has some Italian Girl who has a Dogs Trenchcoat on and shes some Italian Chelsea mix and shes dressed like a Detective and then drops the coat and shes got the Reporters Hat and Glasses on like Kurt Vonagans hat in (Back to School) which are hats that are like Det Hats from the 60s and then Georgio Italian CHelsea drops the coat and shes in a Red Dress and starts all Ray of Sunshine Penis Swallower happy personality smile. Now theres a Commercial on tv that (Al Paine put on somehow if Id guess) that has a Dog standing in line at a Register whos got the same English Hat and Trenchcoat on and hes got glasses and it simple comes across as a (Even More Misarable line from the Birdthday Party But Tatoo people and the dogs in total disguise standing thru the line and simply looks with a Expression (Perhaps there is no hope!)

Now Ryan says when Silence comes on it makes me think of Meeting Beca at Staples which Ryan now calls (The Sham Team Builder) and RYan says the Eye Contact and Brunch Lunch I think was someones idea then by Leblanc and Hendrickson of meet with him and prove hes a Fleshling Killer Personality and I think Betsy wants a man thats Fava Fa Fa Fa Type sometimes and Betsy knows RYans not a Fleshling killer, but I must confess is (Such the Pig In Bed) and she knew this from first Site. But! and she knows thats where its going, right away waving hand like Camps in Bridesmaids whos been tossed Dried up Tumbleweed Tree Branches someone placed outside the Apt on the corner wall outside the Driveway and (Someone really does look like they took Trees that look like they came from say Arizona and brought the Branch Shrubs and moved them to Holly Hill, FL all Dried out like what you see cross country when Crossing thru the Desert STates on the way to Ca on the side of the Road.

Now RYan says this being said and perhaps someones idea of (Raising Arizona with Adam and Eves offer and Other offers from those that would be suitors as I think Adam And Eve Girl a Chelsea wanted Ryan bad simply cause she lost weight and is a Drop the Coat at the door and take type. Now RYans point is that Betsy knows if we were gonna play Fleshling Killer at the table the conversation might have taken a Biter Turn with a senerio of question of (What Happens when we come with a Tall Trenchcoat at the door) and she might say, it keeps us safe and warm from the Rain and Ryan says like Hanibal....NO!!!!!!!!!!!!!!!!!!!!!! in the agravated Clarice via Fleshling Boobie exchange of words. Now RYan says cause this is from when Clarice meets Lecture and Jody calls him LEcture with that Southern Fake

Taunt Twang of LEEEEctooooore! and RYan says Clarice Think, what happens when we drop the Coat.....Betsy might say, it places the coat in the closet on the hook. RYan says NOOOOOOO! and this might go on for hours until she concedes defeat and Finally, Finally says (ok, ok, It Takes Up the Shit All Day Till Its Sore and Cant Handle It Anymore and does what its told! Then RYan says I would understand why Jody and Them think RYans a serial Sufle personality....because RYan was the Only person at Staples Adv that (was normal and not a creep like Amber and Lisa.) Now B also understands...it clicks the chain and Gimps her ass! Also the Aferican woman that was Jodys Confinadant in Silence of the Lambs with Dreadlocks in dusguise and makeup was a sufle and drops the Land Line Phone and that someone wanted to make a suit out of me and someone in Ryans apt complex is making food that smells like skin. I think its Pigsfeet, but it really does smell like someones cooking skin in the oven

*Well, Ryan has been having this (NightMare Becka tied to the song Yankee Doodle Dandy) **https://www.youtube.com/watch?v=StDpLge_ITM* <https://www.youtube.com/watch?v=StDpLge_ITM>* and image tied to Demi Moores Stripper where in theory if B came over in Trenchcoat, heels and dropped the coat when the Duffle bags (2) of them on each side are dropped once she comes in my apt (Agreeing to take) and I get the knock....shes there Trenchcoat and heels and comes in holding Duffle Bags (2) with Pigtails catholic Girl Skirt Outfit for role play, gimp leash-chain and leather collar, Little Girl Pigtails scrunchies to role play...so your daddy isnt home then senerio. Now Ryan has this image of 4th of July of B dressed in a Bathing suit thats like the ones that have Straps for Boobie Bras that are strings that are attached to the main Bathing suit but are like suspenders that hide the Nipples and stretch and Ryan has this image of B coming through the door, drops the duffles and has the coat and Ryan leans and puts hand on hip and slouches and says (Now Will Those DDs Take It Right In That Ass!) and she sparks up a streamer and 4th FireCracker sparkle and she drops the coat with Fire Fighter suspender Thong type thing on and parades around with Sparkler lit singing Im a Yankee Doodle Dandy and Ryan starts to be so Happy seeing DD boobies going Bouncy Bounce and B with her pale English Rosey Bottom and Pretty Baby Jowels will understand what this all means. The 4th of July B is the right day and time to give that crapper up per terms **https://www.youtube.com/watch?v=StDpLge_ITM* <https://www.youtube.com/watch?v=StDpLge_ITM>* . Stay away from Anne Hathaway and Beedy Eye Borenatzes as there is a Ducky Lip Genna Borenatz with LeFluer features and Ugly Davis in the Field whos a Ducky lip thats trying to get Ryans baby to take it in the ass with a Child Molestor sleeper family thats sending Ringers after her and her sisters.*

*Ryan says its 4th of July Hallows Eve the day before 4th Independance Day and in theory as they broadcast The Amazing Spyderman 2 on FX which has (Edwardo from the Social Network) this message of Spyderman on FX and Amazing says 2 hidden abuse (The Shining Scatman Messages) and this is what I mean. The Amazing is Leo Meehens WB Mason Who But Liscense Plate on the back of his Black SUV and Spyderman UP is the Tubby (Super Is that a Salami in your pocket or are you happy to see me Dressed in a Trenchcoat on the Sherman Oaks, CA Library Bench at the Martin Library. Now (Ryans Point, 4th of July is tied to Jaws and (Larry on the Beach and the Purple Kurchief

Extra that crosses left side to Right. Now (Schindlers List Shower seen and again (Betsy has seen Schindlers List Running to the Shower seen) where a White Kurchief crosses in the undress, degrade and run to the Showers seen *

<https://www.youtube.com/watch?v=6hY1hw1IWS0>

<<https://www.youtube.com/watch?v=6hY1hw1IWS0>>

* and when Ryan met Betsy she understood the Verbal Eye Contat Conversation we had about (Getting Some Ass) and what Getting some Ass is about from time to time. Betsy is a *Service But Slut* who was working with Deal or No Deal Rachel Cavanaughs in Ca and Serena Portman from time to time whos (Next Side Computer) and Next is a Triplet tied to Forest Gumps (Strip Club) and the edited White Undies and Towel seen and the White Item thats being held close to the (Schindlers List Shower) Extra thats pulled out of the RUn to the Showers and Gas Chambers who is pulled from Red Rover (Left Side of Screen, by a Nazi Guard thats a Chippy in the middle who pushes her Right to Left and she runs holding the White Shrowd of Jesus (Face Book Reference and Shrowd placed over Jesus Christs face, when Buried in a Tomb. Now if you look this video up and Thumbs for the Schindlers Shower seen, theres a Liam Nieson whos in a Thumb (Same Page when Looking up on Youtube) (Schindlers List, Running to the Showers) in the search, it comes up with Youtube Clips from Schindlers with people in the Forced to Undress by Nazi Gaurds, be Degraded and run in a U shaped (Pedro and Dartmouth Street BB sniper shaped U to the Showers and a Chippy takes the White Kurchief (Camp Survivor that Ryan describes as *Bubble But* whos naked and (Sexy like B) and she has a White item pressed hard to her chest with both hands close to her chest, clenching it cause it was a Condon School (Assignment to go to Russia when Purple Kurchief Jaws White Bikini and Flowers Pink, Purple and Neon was sent Red Rover in 1975 to Russia with her parents when she crosses behind Larry on the Beach Left to Right *

<https://www.youtube.com/watch?v=cG3cf2gNUJU>

<<https://www.youtube.com/watch?v=cG3cf2gNUJU>>

* and her assaignment in 1975 was to go to the Right (Russia with Jaws Interpol people undercover and bring back the Shrowd of Jesus, that Russia and the middle of the World didnt understand was Ryan who Donna kidnapped back in 1969-70 and already moved to the United States, faked a Birth Certificate and hid me at Dartmouth Street where Kevin Pedros shot BBs at the back of RYans head on the BigWheel connected to the Shining. Now Betsy understands the Schindlers List shower seen is a Double Me Trick as Ben Kingslee a (Jew Finkle wanted to put down the Books that DeCovneys people in La at Sherman Oaks, Ca Martin Library mixed with to the extent theres a DeCovney thats related to the McClellan on the Bench, though shes a English Dianna where Am on the beach is a Mini Driver Chin side and has different baby Jowels features. Now Ryans explaining that Schindlers List Nazi Guard knew what Bs Tall Model and Slight Chubby Thighs were built like and said then, knowing that back in 1975 when Larry on the Beach whos behind the Purple Kurchief Extra (Who was Sent Left to Right to Russia and told with her people....bring back the Shrowd FaceBook Bench to me...which then, she was with the Left Side US Spielbergs, Redfords, Little Partys or Donnas who made her wear the Donna Purple Kurchief (From her Dartmouth Street Sniper

Pedal Bike Days when I was 4 and the Soares Shot BBs at me on the Bigwheel, written into The Shining. Now Ryans point is between 1975 and when Schindlers List Shower seen came out they made Platoon with Charlie (Caldes Fucken Fredo in the Middle) had a cast member in that movie wear the Purple Kurchief who then was dating (White Bikini and Neon Flowers in Purple and Pink) Jaws baby who crosses left to right then whos Ams half sister growing up then. Now Ryan is explaining that Ben Finkle whos a Ron Taylor tied to Angel Borges who has Coos Lips like BudLites Push Pop Goranson in the Elevator Commercial whos pushed to the Left by a Cotton Dating Julien Miller whos a Dark Bowl Hair Cut Lesbian *Little Dick* who was with Julien at Tony Pachecos Nursing home when Julien and her came to visit with us and Tony was Dying in there and she said, Julien has a Little Dick. Now Ryan says (Cotton is related to Jenna) and Rita and Donna Ho Shot that took me to Dunkin Donuts when I worked at Burger Express with Shawn Dupre and she did Ho Shots in the Parking Lot and Donna looks like the woman thats in The Fugitive thats in the Photos with One Arm Manned in the Swordfish photo hugging Bald Putin tied to Chippy in the middle when Tommy Lee Says do you know this woman in the photo. Donna was pissed about a spin out car accident and the Hug of her between two people is tied to Tom Pacheco showing me a Photo saying (Do You Know Who This Is) and a Ryan ONeil twin was between Tom and Someone else with a Grey Coat and he had Heinz Angel Borges eyes and looked like me as a Twin and hes in the middle like (Donnas relative in the Fugitive photo with the One Armed man. Now, understand, Donna took me for *(Change) near Voke Techs Corner Dunkin Donuts when Mike Panagakous told us to get it at that Dunkin cause he ran that store also. Now Donna started doing spin out Circle Ho Shots in the snow in the parking lot and she had a car accident issue, tied to Dartmouth Street turns out and Perrys (Black and White Colored Funeral Home Down the street from Ryans apartment connected to Pedros who had a 3 Floor Tan Apartment connected to Ryans 1 floor Brick Apt that joined in the middle both Apartment Buildings in a U Shape Courtyard, which is why they make the Shower Nude Camp Prisoners in Schindlers List, undress, and run in a U shape (Toward Hogans abusers and Pedros who like to Torture people and put them in the Gas Chambers and Showers. Now (Chippy the Nazi Guard in Schindlers List took out the Girl Nude who came back from Russia with a Jesus Shrowd Twin (To Be Placed on the Face of Jesus Christ (aka Ryans Line of Portman family) when she had that baby via Cruel Intentions Sara Gellers plan with Phillipe to get that ass and Selma Ward (Pikes Penis McCartney Emporor wants people to Sel for Ma aka SelMa (Meaning Selma Ward and Liam Nieson do Jaws seems and Schindlers List to get people to Jump to a new Piece of Ass and say, I want that Baby and one instead. Now Mel Gibson in Ransom is sitting on the bed and taps his hips and legs and says, well, I cant Help him anymore (If You Dont Choose Am the Shuffle Board that was in a Black Bikini on Santa Monica, Ca beach that came past me and said, Ella Maes Brother, says If Your Not Serious Then I Am and walked and lifted a Foot over the short Beach Wall and left. Now Ryan was understand (Ella Maes Brother) and she knew this, but also was skitosphrenic and in her mind, speaking for me *Ryan* saying Im Ella Maes Brother and not serious or am serious and she knew who Yahoo Serious was in Australia whos a Ditata who knows Im not related to him directly so, technically Ryans not serious, but I am Ela Maes brother and Am Knows how Serious I am and was about getting B to come to Ryans apt Door in Heels and a Trenchcoat and agree to take it right in

the Crap! Now (Am Understands this mentality) and she has half and Twin sisters like the Party Dance, Behind the Longs Drugs SUV before it changed to a hated Extra Care Palm Pixie Hitler Hand Front of Store Extra Care Lincoln Wave Sign. Now the Bench held up the Book outside the Martin Library in Sherman Oaks, Ca when I walked past her, cause she had a Book and Trenchcoat on and knew Ryan paid \$50 Dollars to TC whos a Aferican Heavy D thats related to Rooster Cognines in the Senra and Eric Holder Jrs family. Now Heavy D and the Boys in "Now That We Have Found Love, What Are We Gonna Do" **<https://www.youtube.com/watch?v=NNEgUPKxk7A>* <<https://www.youtube.com/watch?v=NNEgUPKxk7A>>* video which was about Ryan at BCC giving TC whos related to Heavy D and Senra and Eric Holder Jr and (TC was Fat Like Heavy D) and Sir Mix Allot and Baby Got Back *

<https://www.youtube.com/watch?v=qr89yq2wC9o> <<https://www.youtube.com/watch?v=qr89yq2wC9o>>

* starts off with O My God, Becky, Look at Her But! Now, understand Betsy knows and knew when we met at Staples Ryan Loves Such Big Boobies and a Sexy Tight Slight Donkey Ass and Slight Chubby Thighs that arent out of shape, but a little bit Sexy Plump and in shape. Now Ryans point is (Jaws was sent to Russia 1975 and at some point, she got married or Picked up by Platoons Purple Kurchief boy and Jaws (Larry on the Beach, has never been seen again) and Schindlers List years later in the 90s was given the Jesus Case File of Ryan and came back from Russia sent by Jaws or someone that said, shes missing and married in Russia or Purple Kurchief in the White Bikini and Flowers and Neon Pink never came back and someone told Bubble But Shower with a White Bikini, Go Back and Explain to Ryan that someone like Vincent Berry and Cherly Perry and Betsy who was on the Condon School Playground when Ryan was 4 Years old I think in New Bedford, Sent Bubble But back to the Us with the shrowd tied to Lord of the Rings and Shrowd of Invisibility the 3 Brothers shared aka the Cloak of Jesus that protects a person and allows them to pass by the Nazis like Donna and Vanessa Williams canibal relative thats on a "Murder In the First" tv show episode tonight on TNT between 10-11 pm and shes a Vanessa Barry Gibb Aberiginee Odd sufle color skin, like the Barry Gibb Vanessa Williams thats on CSI vegas with Liz Shue *The Milado Aussi Barry Gibb on that show, doesnt understand his relatives are not who tossed the Rocks at Ryan and a Friend I was with when 2 Oriental US White Girls showed up and tossed them at me and a Friend. Now Ryan was gonna go see Independance Day this weekend for the 4th of July at the movies and I decided to go Thursday instead because I dont think there gonna have a 5 Bus and normal Bus routes tommorow and I realize Im not gonna be able to get to the movie theatres as Ryan doesnt have any near me unless I take a few Buses to get there. Now, got some beer tonight and when I went to Wal-Mart late today a couple people outside as I approached the Store motioned there heads to the Beer Liquor store thats (Closed Down tonight at 10pm earlier oddly for the 4th of July when the 4th is when people buy allot of Liquor and as I approached the store two people motioned there head, to the Liquor store that used to be on the left side of the Wal-Mart Bldg and they moved the Liquor store a couple years ago to

the Right side of the Wal-Mart thats closer to Ryans apartment complex. Now last night, there was a man outside the Liquor store was leaning against a post and he looked like Ryan mixed with Jon Grey and someone smells like there maken Skin Sufle in the Apartment complex and today someone tossed a Gas Grenade sounding thing down the Hallway that sounded like Exploding a Chemical in the Hallway and Apartment below me cause nobody really is watchen Ryans apt and someone sick in Manson Sabubalas Holder Jr family related to the Dickinson Hogans stalking Ryan whos a creepy Chia Head Dickinson Lucas that used to live next to me on Dartmouth Street when Pedros shot the BBs at me and when I was a little kid, someone at a House Donna brought me to was a Dickinson Lucas older than me and took me up a Winding Stair case thats like the one in the 6th Sense and he showed me at the top a Push In Wall Door that was like a Attic Door that leads to a Gimp Box and the Staircase in the house of a person Donna took us to see when I was really young had only this and a wall at the top of the steps and the Chia Head Kid Dickinson looked at me real Creepy like (this is the Gimp Box Attic Entrence we put people in and he didnt put me in it that day, only cause Donna when we were gonna leave would have said, weres Ryan. Now, understand these steps in there house were weird and led up a winding White Staircase thats like the 6th Sense, but at the top, didnt lead to rooms or a Hall, just the wall and push in door. Now what Ryan is explaining Heavy D is a TC from BCC college in Fall River, Ma that was a Eric Holder Jr and hes a Senra thats related to a Rooster Cognine (Thats what Roosters look like TC and Heavy Ds odd Skin and Chia Hair)

===== Now RYans point is RYan met with TC when I was in College and he asked me for a \$50 Dollar Deposit for a Canadien Bus Trip that Steve DaSilva and Chris Lorell and all of us were supposed to go on then and RYan paid TC in the College Campus center room that has Coffee Seats and couches of the Campus Center near the school Store a \$50 Dollar Deposit and didnt end up going on the trip cause though I paid the Deposit to hold my Seat on the Bus Trip to Canada, I couldnt come up with the rest of the \$200 or so Dollars for the Trip and Heavy D and Roosters people kept RYans Deposit and cash and used it in Canada to hit big on Vegas type Slots and Craps and Roulette and made Big Money like Tommy Vu and paid for a Training Day Buried Gimp Box under the Kitchen Floor thats in Training Day with Old \$50s in the Gimp Box of Scott Glens House when they wack him withn Denzel and Cut up his Floor and yank out the gimp Box like a Treasure Chest and it has (Old \$50s from West Days and Dances with Wolves) cause the new \$50s have Williams Beard and Grant Face on them. Now RYans point (Senras like Jon Senra have TV Rooster Cognine Hair and Lips and odd features with Little Big Eyes and Donnas Greek relatives have there features and a Jon Senra went into the apt next to me where Joanne Silvas aferican relative used to live in years ago (On the Other side of Ryans Kitchen Wall and someone sounds like they been diggen thru the walls and Floors cause nobody is watchen the Apartment and whos coming in the apt below me that a Black Sygorney Weavers inside now and then when she shows up and the Apt across from me keeps having new people come, every now and then that stay for 1 or two nights since (Like Moved Out) but Angel doesnt put anyone thats in the apartment below and across from me on a Permanet basis....because they want it empty so someone can give out the *Extra Key* and sometimes someone comes in the apt and sounds like there Exploding a Bomb inside thats a Contaminate that Retarded Senra

and Machio explodes. Now someones sayen the Patekous in the USAA commercial

******<https://www.youtube.com/watch?v=kP5jJAvSMEQ>*****

<<https://www.youtube.com/watch?v=kP5jJAvSMEQ>>

* says Ryan drowned his sister and hes a Cruise thats related to Jay Patekous who had a short Bald Rock Brow (Core Jay) on the bus the other day who had a Stone Cold Tshirt on and he was a Bald Jay like him in a Yellow Shirt. Now hes in the USAA commercial with a Karen Murphy in the La Carte Lunch Trucks and his eyes move around with a Karen Murphy *Sufle Personality* and hes a Hendrickson thats acting like his eyes are using the Telepathy on people and analizing Ryan or other people in the Broadcast. Now (The Manson with Rock Core brows on the bus has nothing to do, nor does USAA Patekous Mexican with the two Orientals that tossed rocks at me and a Friend when I was a kid and the Oriental Girl didnt drown. Now, someone whos oriental might have drowned in New Bedford tied to those beaches, and the Poloroid that Donna showed me once that had 1 man all alone on Belmedias Rock Wall with a storm behind and around him and the water in Winter and he was alone and it looked like a Perfect Storm. Now Donna showed me this photo when I was a kid at Belmedias Days when a Del Came and wanted to take a picture of me and a Uncle of Donnas that had Cancer who told me to wear a Green Army Jacket with Orange inner liner and Donna had us with Del take pictures on Belmedias Circle Flower Garden thats in the middle of Jon Ricas Beach House Parking Lot and thats why Jude Law in Road to Perdition has a Shot in the corner plan to wack someone and thats (Where the Ring Came from left in Ryans towel closet with the V on top and PP Biter Mustard pattern thats connected to the Gas Station thats across the street with a Hot Dog thats in a Hammock and has Mustard and JFK Sun glasses on in the Hammock and theres a Hammock st across from my apt where a Det Williams Chubby Martin lives in a House Apt complex thats tied to the Online at Social Security line thats at the Port Orange office on the wall on the left side entrence and the Right side wall has Obamas Photo, Biden and a Hook in the wall to the left of Biden with the Hurrican Plaques on the left side of the Photos because Bob Dylan likes to mentally abuse RYan keeping score with a Plaque of 4 Hurricanes on the Plaque connected to the Muppet Donna in the Glamour Magazine with a Donna related to Richie collecting the Diapers in the Hurricane Sandy Article passing the Plastic Bags. Now Diapers (In Glamoire 2010 was a Kardasian Vespa Hug Sexy Long English Bottom and legs on the back of a Vespa in a Kardasian episode with her hugging on the back of a Vespa on a Santa Monica, Malibu or Ca Beach road that Runs from Venice all the way up and down the coast of Ca. Now Ryans point, the Hook where a 3rd Photo is supposed to on the wall to the Right of Joe Bidens Photo which has Obamas to the left of him is cause Tap a Tiger Rachel Cavanaugh knows the Hook is for (Jesus Prince RYans Photo who really does keep the Democracy and Government together with my Poetry and Resistance, but they dont want a Headshot photo where the Hook is, cause Ryan works in ananmity not status and thats why the Hook is there, no photo to the Right of Biden cause the papalcy is sayining RYans really more qualified to run the Government then Obama and Biden who dont understand its a Crime to Broadcast in peoples heads.

===== Now Ryans point is Schindlers

List Bubble Butt whos in the Line and Shower Seen was back then inside
Bradley Cooper and Ray Fein whos the serial Killer in Red Dragon with
Norton a Follow up to Silence of the Lambs and Emily Watson in Red Dragon *
http://www.imdb.com/name/nm0001833/?ref_=tt_cl_t5
<http://www.imdb.com/name/nm0001833/?ref_=tt_cl_t5>

* is a Platipuss Cindy Winsnewski whos broadcasting in Sue Miller and
Elaine Bromkas family a abusive Donna Broadcast maken comments about Little
Cindy who wants to abuse RYan cause RYan doesnt want a Portman that looks
like Emily Watson in Red Dragon looks like and she looks like the Gazel
Lizard thats in Geico commercials that has some Camper Commercial where 5
woman on Motorcycle drive Bikes to a Camper in Ca and get off the Bikes and
1 girl has a Tight Can in Maroon Coordiroys and she gets off a Bike with
Helmet and takes off Black Leather gimp Biker Gloves and heads to a Camper.
Now a Black Rooster Cognine Denzell Washington has driven a Bus in RYans
area and when Ryan has gotten on the bus he takes Gloves like the Biker in
a Geico Commercial and smacks them around like a girl in the Geico
Commercial and Ryan needs to know why they do this if its cause they want
(The Biker with the Gloves Female with a Tight Can in Maroon Coordiroy
jeans or if its cause OJ Simpson whos a Leconte makes comments about
wearing the mask when he was arrested in the 80s-90s for Nicole Brown
Simpson and Ronald Goldman Murders and OJs in a Interview and hes talking
to a Detective and makes comments about wearing the mask, the Detective
didnt understand he was talking about and hes the psycho personality that
the Hair Pins in the Towel Closet Im talking about....meaning hes in Prison
fpr some crime OJ committed, but hes getting out when his sentence is up and
he may be guilty of another crime and they didnt charge him and if they
figure it out, before he gets out...he wont get out. Now like Silence of
the Lambs where Hanibal in the Cage grabs a Pen and breaks the Pen Metal
off the Pen to pick his cuffs and uses the Pen Cap Metal clip to get out of
his Cuffs and when Mush Moogey Pacheco the Guard in Silence of the Lambs
brings him Lambchops and a meal on a Trey he cuffs the Mush Moogey Gaurd,
Bites his face and takes the skin off and puts it on Hanibal *His Face* and
escapes after taking the face off the Guard who he puts his clothes on him
and makes it look like the Guard is him and puts his skin on his face
(Meaning Hopkins cuts the skin and face off the guard and takes his skin
and face, puts it on his and plays hurt Guard while they take the Guard
whos missing his face and skin they think is Hopkins cut up and shot and
tossed down the Elavator shot in the back...they think hes hurt from
falling down the Elavator shaft and being shot in the back and face.
===== Now Ryans point Geicos Ride
Motorcycle commercial **<https://www.youtube.com/watch?v=JSr5dfhlzCA>*
<<https://www.youtube.com/watch?v=JSr5dfhlzCA>>

* at the End is why a Rooster Cognine Aferican Denzel Driven a Bus that has
a nose and features Like Gregory Meeks smacks the leather gloves like the
Tight Piece of Ass at the End of the Geico commercial with 4 other Bikers
that end up at the Camper in some Ca Beach Desert Location. Now why this
matters, the Gloves tie into OJ simpson and SUV chase and Kato Kalin (Whos
Broadcasting in RYans head a Kato whos related to Am Bumble Bee Beach Side

on Santa Monica, Ca as Am has cheeks like Kato in the OJ case and OJ was Aquited because the Leather Gloves didnt fit. Now the (Twist and spin) is that OJ is right now, in Prison and the 2 Rusty Hair pins left in Ryans Towel Closet when I moved in with the Canadien Queen Liz Regina Penny with KG 8MM Lagasse leafs on back tied to a Lagasse in 8MM thats raking leafs on a Wooden Road side road in a opening seen (Thats where the Penny Comes from) and the Leafs are a reference to someone who did a Ryan Look a Like (Seven) with Brad Pitt and Gwenavision maken Thanks for Giving Me All THis...then All THis was the Laundry Packs All Commercial of a McClellen with Laundry Packs tossen them into a Washer. Now RYans point the 2 Rusty Hair pins left in Ryans towel closet I think are someone who is using RYans Twin to make Sleeper Look a Like Child Porn in my current and all 5 other Apts Ryans lived in that each had a sleeper look a like and someone whos in Jail (Or there relative like a OJ) blames Ryan and my Relatives for putting there relative in the past in Jail who might be due to get out soon if they dont Figure out what else the person in Jail like OJ did.....and the Hair pins are a use RYans Twin so when I come out like (Cape Fear Dinero worken out in Jail Every Day to get Ripped he plans to go after the Prosecutors and Cops family that put him in jail by making there relative played by Juliet Louise whos a Sue Miller Related to (I Was Like) Now Ryans point about all this is number 1 Geicos Lizard has to be identified as it looks like a Platipuss Amber and Like tied to Rob Zombies song 3 Am *

<https://www.youtube.com/watch?v=C-Naa1HXeDQ>
 <<https://www.youtube.com/watch?v=C-Naa1HXeDQ>>* and this song was about a Amber El tied to My Dad whos Ryans sister, sister*

*===== Now Rob Zombie in MatchBox 20 a band in the 80s and 90s that had a few hit songs like Baby its 3 Am which involves a Amber El thats a Platipuss neck that looks like the Geico Lizard who wanted the first Backpack to come over to Likes side, Donna and Rita. Now Ryans point is Schindlers List Shower seen with the Extra that is pushed like Meet Joe Black from Left side where Chippy the Nazi Guard takes her out of a ordered Hogan Sabubla Sarmiento and Dickinson Lucas Slaughter U shaped BB Line to the showers and Gas Chamber and Nazi Guard Chippy pushes her *White Kurchief naked from Left to Right and shes sent and pushed to the Left side where Jaws came from back in 75 and never came back. Now Betsy knows why Jesus Shrowd Bubble But in Schindlers List has a White Kurchief (Married off Jaws Purple) color and shes holding the Shrowd of Jesus (Thats Ryans reference as Ryans a Jesus Portman Skin like Tom Pacheco whos also Jesus Blood, Except hes Afgan Barry Gibb, Not Irish Portuguesse Pure Jesus Portman Stallone Kennedy-Brando Jack like me. Now why this matters when Ryan met Betsy this was in the days Rachel (Tiger Tapper) whos not a short Tap Tap Stacey was at Victory when I had a part Time job at Hudson Victory and Rachel I gave Ride homes and Rachel was a Secret Service But Slut like please Molest Me Ryan Serena Portman whos Nexts half sister. Now the Ma Service But Sluts like Rachel and Serena were part of Family nuclueses from Ma who had parents and relatives tied to Moodey, Ford,

Stallones, Geithers, Comeys and Hogans that played Red Rover with Spielbergs and Lucases that were supervisors when Ryan was at Staples and they didnt hassle me then...cause I was with Celia the ex wife and not a Threat to Lopez, Rita and Donna and Lisa Dalamore who today want to put me in mental Hospitals so Hogans, Stallone Lucases and Russel Brant Get him to the Greek can cover up what Tamara Hall, Gordan Kaye and Donna did to Ryans life to make a Forest Gump Princess Stripper that was paid for when TC took RYans \$50 Deposit at BCC in 1989-1990. Now RYans point is The Shining is where this Technology comes from partially and Field of Dreams hearing the Voices of a Jon Sarmento in a Wheelchair and Jon has a Half Twin Brother of Ryan thats in baby pictures of me at 2 years old (Baseball Hats backwards and Wiffle bat and ball and Jon my half Nathan Lane Twin tied to Jody Foster in "The Little Girl Down the Lane" and thats a movie with Sheen burnen a Rat with a Cigarette after she kills the parents to kill the parents. Now American Reunion has a Prom and the Ball Dance seen with a Little mexican between Speedman and a Prince Charles in a seen where he does a pysce seen and does a Regina *Kate Winslet Hair Swoop like the Winslet that was in Stuart Marchman Clinic) when Ryan was brought into the place in 2012 and a Gordan Kaye was wiping down a Dry Erase Board on the wall, behind the Reception desk that had Bryan, Sue and other names on it and a short Regina Portman Onasis Kate Winslet was there when I came in and he said, Thanks For Giving Me....the Narc List and Dry Erased the board. Now she (Kate Regina did a Vincent Color of Money Hair Swoop and they were using the Nanite Broadcast on me and a Sarmento Iranian Man came out of a Room on the left of the Reception desk and he was like the Closet killer in Murder of Crows pissed someone stole his story and caused a Car Crash that ruined his life. Now Ryan says whats the point of all this info....well a Rachel Tiger thats a Moonpie Chin went into the Joanne Silvia apt next to mine a few days ago and I havent seen her since and Joanne Silvias are related to Am and the *I Must Say Santa Monica, Ca Party Dance Goranson McClellan behind the SUV outside Longs Drugs and she knows where Forest Up Beckas White Undies and towel Strip Club Undies Dumper is in the world and where the Booty is....Party Dance and the Martin Sherman Oaks, Ca Library knows where B is in the world. Now, Ryans point is Joanne has Gappy Teeth relatives lke the Blonde thats in Pretty In Pink on the bed with James Spader **<https://www.youtube.com/watch?v=H2j9u7iDwdI>* <<https://www.youtube.com/watch?v=H2j9u7iDwdI>>* when Ringwald says James against the wall.....thats a Joanne that has Italian relatives with big Wide teeth like her and those Joannes dont know who the Alicia Goranson and Hershey Commercial Mixed Bs are and they were raised in different sides of Joannes nucleus **<https://www.youtube.com/watch?v=7Uj5r2jI6WY>* <<https://www.youtube.com/watch?v=7Uj5r2jI6WY>>

* Now why Ryan explains all this to B and she understands most of this and why it matters. Ryan was hoping that Ryans DD Stage Donkey Ass Slightly and a slight Donkey ass is like Dakota Johnstons ass Tatoo Stanford Bubble But in the Social Network where the Booty in this seen isnt Badonaka Donk Booty but has a slight Bubble But Donkey shape *

https://www.youtube.com/watch?v=_7sQJDY8I8U <https://www.youtube.com/watch?v=_7sQJDY8I8U>* and The Movie The Generals Daughter has a park seen that shows a B Cross in the background behind Park Benches and American ReUnion is on Fxx Chanel which has a End seen of the

Cast after maken its Finally in the Books and this was a plan to abuse Ryan because Ryan doesnt want Rita, Mindy who tugs her ear like Jams Spader in Pretty In Pink does when James is on the Bed with a Joanne Silvia Blonde with Beaver teeth and understand there are Italian Joannes like her who are Celias who dont look like Alcia Goransons English Baby whos a mix of Alicias Jean Jacket Trick photo which has a Different English Twin of her whos also mixed with Hersheys Jean Jackets side, minus the Jason Biggs Features from American ReUnion and what happened is Joanne has Celia and Donna relatives that dont communicate with the Goranson and McCllelen and Ringwalds on the English Side and B side. Now B when we met at Staples knows why mentions the Schindlers List Shower seen when the guard (Related to Chippy pulls her out of the send to the Showers to be Sarmento Slaughtered and instead Bubble But Naked with a Jesus Face Book Shrowd of Ryan is sent left side screen to Right to be spared and theres a reason why. **<https://www.youtube.com/watch?v=6hY1hw1IWS0>* <<https://www.youtube.com/watch?v=6hY1hw1IWS0>>

* ===== Now Ryan is explaining that when Betsy came to meet with Ryan at Staples in the late 90s Mark Leblanc told her Ryan was a Child Molestor, Wife Beater and Seriel Sufle and she was a up and cuming agent then in some Dept that I know was watchen Ryans Online Internet Activity and tonight there are people on Tv all over the place, maken comments Ed Davis took out (All This) and All This is what a Ignorent Olga Costa that looks like a Mindy calls English McClellens, except All This can also mean a Carlise Pinto All Day Deal or No Deal version of a Carlise with a Donkey Ass Depending on who says he dated All This. Ryans point is that Olga Costa Mueller is a Mexican Mindy that looks like a skinny Mindy related to Dave Pikes Wife who had Tatiana and Ryans point is that in Pretty in Pink when Ringwald is on a couch with Andrew McCartney she tugs her ear (This is a Pam Dawber Mindy code that comes from Rita who supposedly lost a earring inside Ryans AMC spirit when we were in High School and Middle school at 17 years old at Stop and Shop and Ryan thinks Ralph Machio in Karate Kid though Tom Cruise doesnt understand might be Ryans birth father who they need to find out if he donated Semen in 1968-1969 as the Kitchen in Karate Kid of the new Apartment he and Birdy teeth his mother in Karate Kid move into (In a Ca Apartment) has leafs on the Kitchen Stove walls. Now In theory Machio was Ryans Birth Fathers side and theres a Machio thats a Stemberg whos a Kachaka Kachacka Hunk a Tooth and the Machio thats Broadcasting in Ryans head and abusing me is a Greek Hitler Hunk a Tooth tied to a Aferican Sygorney Weaver who has a Aferican Bulp Stemberg relative thats a Seriel Sufle and Elaine Bromka is in the Camp Fire seen Karate Kid and Karate Kid Machio was from New Jersey in the movie and thats the (Brown Mr Hankey Switch Car in 16 Candles that is left in the Driveway as a Buick that Stemberg parks in the Driveway when they leave to a wedding with Ringwald and the Little Girl with her to the Wedding. Now why this matters.....Liz Shue in Karate Kid was a But Tatoo tied to WoW the Bug in NY and Peter Wong and Walsh Services and WOW is like a Amy Grant Shore West with Dan Hagerty Tank Ringwald teeth thats got Liz Shue features and Shue mixed with McClellens also, because shes a Amber Zoltick relative, though Ambers a Jew Williams Heinz in the Ambush Bono family who doesnt look like Shue and has Beedy Cheney Eyes and shes short and Italian looking. Now why this matters.....people dont understand that

Ryan is being abused by all the Rita and Teresa Heinz, Like Ms Robinsons who are related to Anne Bankcroft whos a Wanda Artus Cooper from Ms Robinson a 1969 Movie with Dustin Hoffman whos relative was dating Donna in the 60s *

[===== Now when Machio is in a Cafeteria line n](https://www.google.com/search?q=ms+robinson&biw=1228&bih=486&tbm=isch&imgil=JHy-Caw_vCOLaM%253A%253B4C3SqaacDBOZFM%253Bhttp%25253A%25252F%25252Fthewomensroom.typepad.com%25252Fthe_womens_room%25252F2009%25252F04%25252Fstyle-icon-mrs-robinson.html&source=iu&pf=m&fir=JHy-Caw_vCOLaM%253A%252C4C3SqaacDBOZFM%252C_&usg=__HiiZkItWFqLwfnclDsRolaPpw7k%3D&ved=0ahUKEwi2geTAgNnNAhXDeD4KHeTHDclQyjclfw&ei=WOp5V7b1LsPx-QHkj7eQDA#imgrc=JHy-Caw_vCOLaM%3A*<https://www.google.com/search?q=ms+robinson&biw=1228&bih=486&tbm=isch&imgil=JHy-Caw_vCOLaM%253A%253B4C3SqaacDBOZFM%253Bhttp%25253A%25252F%25252Fthewomensroom.typepad.com%25252Fthe_womens_room%25252F2009%25252F04%25252Fstyle-icon-mrs-robinson.html&source=iu&pf=m&fir=JHy-Caw_vCOLaM%253A%252C4C3SqaacDBOZFM%252C_&usg=__HiiZkItWFqLwfnclDsRolaPpw7k%3D&ved=0ahUKEwi2geTAgNnNAhXDeD4KHeTHDclQyjclfw&ei=WOp5V7b1LsPx-QHkj7eQDA></p></div><div data-bbox=)

Karate Kid after being beat up theres a Bill Fey relative, behind him who also has a slight black Eye (Hidden waiting grudge people didnt understand back then) and Ryans point is that Schindlers Lists shower Camp Concentration seen is what Betsy Met Ryan about to the extent she was told to come and meet me in the Cafe by the window with a Meet Joe Black and keep her going to the Mansion in Meet Joe Black when a Extra is pushed in a Silver Dress to the Mansion and Sue Millers relative says Keep her going and motions toward the Mansion with a Hand tied to the Celia in (Jaws in the water who tosses water from left to Right...where Purple Kurchief comes from sent to find the Jesus Blood Feds and Papalcy line that Schindleres List Bubble But has a Shrowd of Jesus in the Camps whos coming back to deliver a FaceBook Shrowd that is to be placed on Jesus Face when he died and is put in the Tomb. Now The Shower...didnt undertand this in the Bubble But seen shes being told by Red Rover Richie in the Shining (Danny writing Red Rum on the door that RYans being abused by Vincent Berry, Perrys related to Celia and Phobe Cates and Stacey Varges in Fast Times Ending Credits when FLo the 4 Pink Waitresses outside Perrys Pizza pull down the Metal Door in the Mall of Perrys Pizza (Pissed about being drowned in a Boat in the lower decks in a War tied to Richard Shaw in Jaws talking about Operation Tiger. Now Karate Kid when Machio visits Pat Moretti in his Janitors Room and Apt and hes cutting Bonzi Trees Machio comes in and Moritti is cutting a Bonzi Tree and theres a Shower Curtain Poka Dot behind Machio like *U the Sniper BB Dannys in The Shining and Dartmouth St when they shot BBs at me and (U) the snipers knew Ryan jumped in the water and pulled the Oriental Girl that tossed the rock at me and friend, which they say or someone is sayen was Pat Morittas Daughter who died and Drowned. The Oriental Girls that tossed the rocks, were not Morittas and short and Puffy Eye like him....but Ryan did go back to Belmedias Cottage after pulling her out and take a Shower and The Professional has Natalie Portman with (Frenchy a Senra) on the Bed shaken Grey and White socks like Peyton Manning does in a commercial (Shaken Feet) and Natalies Twin Antonio takes a shower after he does this (Someone knows Ryan took a shower cause I was wet, from Jumping in with Shorts and Shoes and Slippery When Wet has to do with what happened (After this) and Moritta takes Pumpkins (and Brings one to the Counter and ads it to two others with Gappy (El Junior Carvalough Ok Muck Muck Ozzie Osborne Slee Slab Teeth tied to a Wyatt El and Jane Curtain

with Gummy Teeth. Now Moritta does a Vincent Scalp Hair swoop when he puts the 3rd Pumpkin down and this matters cause Shue makes a comment in the Shower seen in Karate Kid, I never taken a Shower before and thats because Shue then and later in Schindlers List, knows Ryans Sexual Needs and Prouse and Betsy knows the shower Camp seen in Schindlers List makes Ryan like Mel tapen hips in Ransom after seeing her Run Naked left to Right say to B....I could for July 4th Really Go for Some Bubble But that doesnt look like Eva Braum Bubbles at 24 Hr Fitness that ran up to the Bubbler and said, Ask Me Now, or Jay Gets that ass.....now Bubble But in Schindlers in Karate Kid has a Shower (Machio behind the Curtain go into a Bathroom which was getting Rid of Undies Chris Glens Forest Gumps sister edited out of Forest Gumps strip club if Ryan says, Im taken Schindlers List White Kurchief Bubble But Camp Shower Undresser and Degrade job Specifically who is told to Run in a U and then taken out of line and sent left to right out of the to the showers and Gas Chamber lines by Chippy who figured save Ryan some Bubble But **<https://www.youtube.com/watch?v=6hY1hw1IWS0>** <<https://www.youtube.com/watch?v=6hY1hw1IWS0>>

* ===== Now why all this matteres (Karate Kid) has Machio get beat up at the Fence (This is why there is a Penny and Skin in Ryans towel closet that has a KG letters on the back of the Canadien Queen liz Regina Penny with Maple Leafs and KG on back that had skin under the Penny.....and the Fence seen where Machio is beat up by 4 Skulled Costumes and Johnny who says U couldnt Leave, Well Enough Alone (Well was tied to Jaws on the Beach White Bikini and Purple Kurchief and Larry sayen Well, was a Bout to put on some Lotion and and the Sign in Karate Kid is connected to Jaws Ella Mean Help Shark Retarded Rita and Belly down on the Surf Board and I think that was a Fara Fawcett on Skateboard job people wanted back then. Now why this matters, when Machio meets Moritta later the Shower Curtain he goes to the Ball-Dance with and has shue in the Curtain with him is later placed on top the Tools Shelves inside Morittas Maintences Room in Machios Apt. (Someone knows the Shower and person who said, Ryan didnt drown someone was above the Tools or Vice Versa and someone in Karate Kid didnt understand they knew this and I heard Moritta says his Daughter was who tossed Rocks and hes too Short and Puffy Eye Chinese but Ryan sees why he mattered back then to someone and what happened and why. Machio and Liz Shue with the Soccer Ball is tied to Z-Girl Cheerleaders and Heather is a Z-Girl number 10 while Chris Glen was a Z-Girl related to Number 3 and number 3 has a number trying to back her up and 3, Karate Kid in the Cobra Kai Dojo has a Ryan ONeil Gilley look a like in class when Moritta goes to visit the instructor (Rooster Cognine side) whos Jonnys Instructor and he knocks Ryans Gilley Look a like down on the matt and hes looking up (This is why the drown case and pose backpeddling happened....someone was knocked down flat and Miagi has a Tournament poster that says Dec 19th and Enter Now with the N cropped to read V instead of N and Johnny has a Black Eye and I think someone is gonna say Johnny in Karate Kid is related to the Girl in the water and Rooster Cognine (Coach in Karate Kid makes a comment, your a Pushy Little Bastard, except the Oriental that tossed Rocks at me and a Friend on Belmedias beach in the Summer was not Pushed. McPherson Jewlers is near Cobra Kai Dojo and this is tied to who and why the ring was put in RYans towel closet with 2 Rusty Hair Pins (Pick a Prison Lock and swap places like Hanibal Lecture

when he uses a Pen Clip to pick his Cuffs in the cage and takes the Face and skin of a Pacheco and switches places with him and escapes. Now Johnny was a Ca Surf Boy side (Then) and the water happened because of someone like him and Fawcett in Ca that made waves for someone then.*

*===== Now The Overlook July 4th Ball in The Shining Photo of the Gold Room at the End when people went crazy shows a Larry Carlise Moonpie Jaw relative in the photo on the wall to the left side with Nicolson hands out in the middle of the Photo (Added to the Ballroom of the Past) and the Jody Foster and sick Shelly Duvolls in The Shining with the Blow Job Dog seen.....they wanted the Dead Corpse and abandoned Ball with Dead Skulls in seens of The Shining. Now Chris Glens half sister a Number 3 Z-Girl was why Penny Outlaw at Staples Inc when Firing me told me to sign a 3 Month Severence Agreement and she said, or It (Like Steven Kings Halloween Clown kicken at the Curb in Halloween III) will ruin your Family. Now 3 Z-Girl as Ive mentioned to Chris Glen gets a reply by most men, biting there First when they see her and turning to everyone kind of Giddy and saying Christopher.....all Excited.....Thats a Really Good Job! Now the Downside, Machio didnt understand in Karate Kid in the School Hyalee seen with Shue and saying Make a Wish in the Shower and a Walsh passes in Purple Behind him from Left side to Right that someone (Knew Ryan Jumped in the water and then took a shower) but someone whos a Prison Raped in a shower and tied to Make a Wish Cancer Terminal Patient wanted to Switch Water Incidents and thats the comment. Now when Shue gets picked up by Machio and his Mother in Karate Kid the mother of Shue looks like Ryan and what happened is Ryan was (Swapped) and someone didnt understand back then who was birdogging Ryan and Machio doesnt know who the Rock people were and he thinks or thought Ryan tossed Rocks at someone else. Now Ryan understands what happened and that the water park in Karate Kid and Game and that Slide comment when he takes Shue on a Date was tied to what happened and also Shue maken (You Play Hockey and Video Game Hockey me and Pike would play at Dream Machine at the Mall with the Puck and Handle Hockey Players with Fooze Handles. Now the Water Park and Pizza N stuff sign in Karate Kid (Was where the V Ring came from in Karate kid and Ryans point is Betsy when we met at Staples knows why Ryan says when I see the senerio of Schindlers List Running to the Shower seen, where Guards came out with Campers and put school Desks in a U shape and clip boards tied to the Fix Sarmentos Tool Girl relative in Home Improvment with the Hat and Belt and then they degrade and tell the Campers to Undress naked and run in a Hogan Abuser U shape BB pattern to the Showers.....Chipy pulls out Bubble But Naked with White Kurchief and Jesus White Shrowd and Betsy might say, why would they pull her out from the Showers and Ryan would say, cause thats such the sexy Right Role Play in Ryans apt of Im in the mood for Bubble But, B, undress and run around till me the comandant puts the Gimp Chain Leash on her collar on the neck. Meaning Betsy was the type that understands an All Day, have to stay inside and take it up that Ass, all day till its sore and cant be handled anymore. Now Role Plays when doing

it, more than once includes Bubble But camp Prisoner and ordering her to Drop to Knees and unzip with a Yavol Response and the Cheerleader senerio of Pigtails and saying make them go bouncy bounce in front of me. Now why The Shining matters and Overlook Photo at the end of the movie with Carlise Moonpie Chin on the left and how that ties into Karate Kid and Machio maken (Jesus I Cant Believe this when Machio leaves Cans of Schlack paint for him to paint the Fence Up and Down and the Night Before Moritta puts a Hawaii Shirt with Flowers (Previous Tenate and puts a Bernie Doyan 20s hat of a Bernie I saw at the Reseda, CA library that had the same kind of 20s Male hat and he used to come around behind the Library when Id go there before and after Donating Plasma. Now Machios Jap Headband in Black and White when Moritta says (Show Me and Wax On Wax off and Show Me Paint the Fence, Up Down the camera shows Machios Back of his head with a Knott tied in the Headband a U sniper and Jack Kennedy Head married off. *

<https://www.youtube.com/watch?v=eWMtUDJQfYs>

<<https://www.youtube.com/watch?v=eWMtUDJQfYs>>* and what happened to Ryan is someone tied to the Overlook July 4th Ball 1921 *Babe Ruth Red Sox Reference, wanted to move everyone thats The Ball Intelligence level to the Sufle Kingpins Place of Origin after matching them up with Ripped from Head to Toe Ringers and they didnt understand why Ryan is being abused and the (Jesus comment by Machio really is why Ryan gets hassled *

<https://www.youtube.com/watch?v=-fN-Xjpd-qE>

<<https://www.youtube.com/watch?v=-fN-Xjpd-qE>>

* Now the Soccer Field in a Karate Kid has Cheerleaders all on the right side, doing a Can Can Dance and then Grey Shirted men after the Goaley stops a Goal on the left side at the neck tosses the Soccer ball out that someone kicked *Before the Mark Leblanc incident* and why this matters.....after this, allot of Grey Tshirt people rush past the goal Left to Right like the King Kong Afericans running up the Plank and then back down. Now there is a Ball Seen in Karate kid with a Ex Wife thats sitting at the Ball Table after showing The Shining Lights above the Tables in a Krystal from American Curves Magazine with a Baby (Straps and Boobies Where Did You Get That Ass, touchen the Pulp Fiction Gimp Wall) in a magazine thats got Rebecca Grant and Krystal is a Sue Moran and Betsy relative mentioned in A Few Good Men. Now Ryans Ex wife and Johnny in Karate Kid, swoops into a Table seat in a seen of Karate kid and fake smiles. Now Ryans point is I dont know if the 4th of July is a Right time for B to come over in Heels and a Trenchcoat and Finally come through the door and say, Ok, I agree to terms and allow Ryan to do my Hand on Hip pose as she drops the Coat and Ryan says (Now Will You Finally Take It In That Ass All Day, Till It Cant Be Handled Anymore!) or if the previews shown on MSNs site today of a Scream Killer with the mask holding a head decapatated off, means someone is making movies in the apt below and around me and releasing look a likes and nobody really understands someone is trying to Frame Ryan with a Look a like and a Obama is that Obsessed with me and wants to come into the apt below me and make a movie and Release it so people in Ma think its RYans apartment in FL and give them and Maria a Warrant when there (Really maken a movie decapitating someone and people dont understand there doing it cause some Retarded Del Pacheco Donn and Retarded (Jaws Billboard Honey Del

doesnt understand why Ryan doesnt want Help Shark and Honey Retarded Greek Ringwald Lucas related to Larry Baxter. Now Ryan says Machios issues were tied to Mark at Shaws, except there was a beat down before Mark and I think Morittas Wife Photo says shes the rock tosser and thats not what the people who tossed rocks look like.....someones Jaws case (Is what they needed Ryan to be framed with so Geither Snaggle Tooth Honey and McCaulif dont get arrested. Now Ryan wants B to Read the Letter below and figure out what Im explaining and Ryans tired of being abused by Donnas Broadcast and Little Pedro and his sister whos a Toby McGuire Madeline Pike Elaine Bromka Like Bumble bee that Stallone has in his Scream Ron Taylor studio broadcasting in Ryans head, where last week, someone added a Tom Hanks Sounding voice and Ryan thinks Pedro (Richie) doesnt understand people dont want to hear a Little Coo Chin Toby McGuire Bumble Bee thats all happy when Texas Chainsaw Massacre people related to Little Cindy Kidnap someone and there held hostage in the Diner room seen and they bring out the little Coo Chin Little Cindy Jenna Retarded Bumble bee in a chair that bounces up and down all happy, maken comments about Little Cindy brought Leather Face a new one for the Little Bumble Bee....now I dont know if Spyderman understands this, but Machio and Stenberg planned RYans banishment back then and Ryan had nothing to do with a Machio abuse and Fight....he thinks I did...now Ryan sees what happened partially and why. Deal or No Deal had a Taylor related to Sanders who was sitting near Ryan on Deal Or No Deal and he turned to me with Lincoln Catfish Teeth and Flutter Alfred E Newman Features when All Day in the Audience made a comment (Then Jay Gets that Ass with Models with a Case on Stage and he turns to me, next to me and says Were Going to Hawaii like Dave Tore at Lowes said he came after my Daughter when I worked with him and his 20s Cap at Lowers in RI. The Lincoln thats Broadcasting in Ryans head is a Alfred E Newman like the Madd Magazine Cover looking Gap whos related to Walkers Furniture Charles and Owner whos a Marchand Next door and Pat Moritta didnt understand the Hawaii Shirt is a Flower Sleeper Kid Video and he puts the shirt on and doesnt understand thats RYans previous Tenate Flowers maken look a likes of Ryan and others to be used later on when everyone is moved out of the US or retired from the Days that understand what happened to Ryan in Ma and why. Now B if she reads this understands why Bubble But comment is necessary and why Ryan wants to toss her ass on the Gimp Chain and why Ryan wants to be able to say (Now Will You Finally Take It Up That Ass All Day) with Hand on Hip and also the couch Birdy Teeth senerio holding a hand and saying all Calm and serious, I wanna ask a question and she says Yes with DD Big Boobies and Ryan says Al Stary Eyed, I been wanting to put it right in the crap if thats ok with you....now RYans B with Goldy Lock Hair will understand what all this means. Now RYans Spyderman Uping and Trying to Super Spyder Sleuth Solve before the Canibal behind the Scream Mask strikes again.*

* Now Ryans home and Donna has a relative that's a Ugly Del Greek (Theres a Del at Wal-Mart with a Whipper Allison Janey Joanne Silvia and they don't understand its a crime to make Ryan hear a Broadcast in my head and abuse me cause (Del and Verns want to make Forest Up Her Dumper White Undies and a Towel Booty B sit on a Bench. Also a Will Smith Aferican and Droop Jaw Detective that's in Ryans Apt complex as I went to the Dumpster this morning started following me with a Aferican Will Smith that starts staring at me....I think Donna should make Pinto aware that I know the LeFluers

related to Mills and Ducky Lip Michelle don't explain to Rita and some of Will Smiths people and Loretta the Statute of Limitations (Meaning even if RYan made a copy that Phil Collins when he wrote I can feel it Coming In the Air Tonight (Its all Been a Pack of Lies) and hes not talking about Backpack who lies allot.....Pulp Fiction (Fredo Tarantino) and the Switch Brown Mr Hanky Car in 16 Candles theorized in College Ryan had Alledged Adult Copies and that would be (Over 25 Years ago had Ryan ever made a copy back then.) Whats happened to Ryan (Lacey Goranson and some Detectives in Ma that RYan spoke with over 15 Years ago retired or are elsewhere in the country and close to retiring. *

*Al Pachino retired (Federally and Stallone doesn't clerlify what Ryan is explaining because someone knows there are Feds around me and 1 of them thinks there gonna kick Ryans door in for Maria Antonio and serve a Adult Copy warrant and (Someone may have Copies in Ma, but they don't come from Ryan and right now, someone doesn't understand because Billy Barty (Or Someone in the Broadcast whos a Blind Eye Jenna) is telling people in Ma that Ryan has Copies and I know Donna doesn't understand shes doing something wrong to me so (Tamara Hall and Del Toro in the Heineken Commercial with the Ex Wife related to Top Gun girl in the Ex wives family and Blind Eye Lance and Scheiders and Manson Retarded Eric Holder Jr Vern (All maken Rita and Ella Misses took off with your service order...meaning Ryans Booty B English baby. Ryans point if the Droop Jaw Detective that followed out of my apt today and got out of the Car when I dumped Trash wants to start taking my trash out there for me (Let me Know) in the meantime the Will Smith like a Polansky that was doing the same thing (about 7 Months ago) who looks like he came from some (Scientology cult) that follows people around when someone like (Like whos tied to Katie Holmes and Dottie Ditatas Julia Roberts and Queen Liz and My Dad Amber Els tells (there people and State Attorney Gen) he has Assporn! Such as a Ozzie Osborne El whos a Jane Curtain Gummy Calls her (Crooked Feds and Science and Muppet Janice Deans like Kelly at Kohls up and say *He Has Assporn* and then they send these people such as today to follow RYan to the Trash Dump. Now Keep in Mind *Ryan spoke with Dets years ago in Ma, FL and CA about the issue and asked them if they were gonna charge me with Anything (They Said No) and the new people (They Don't Understand that Jenna and someone who wants to keep Ryans baby whos a Retarded Coo Lip Pachino Paralel in the Floobada Family and Little Cat Fish side of Barry Gibbs who have someone on the Peoples Court maken comments then your Giving your service orders to the Gibb Family (No) and I have to explain this cause Barry Gibb has (Different sides to his Family) and Alicia Goransons Truck photo (Shes Technically a Gibb family member but shes not a Barry Gibb Afgan Catfish and theres Gibbs like the Vanessa Williams on CSI Vegas that thinks Ryans letting Him make a English Version of Alicia whos Not related to Vanessa Williams Gibb at all.....Ryans point, Donna has been letting her Greek and Retarded Fun Muppet Leo Meehen Greek Pachecos Abuse me for 7 Years making me hear a broadcast in my head that's not legal to make me hear, even if RYan makes 199 copies today. Little Jenna Blind Eyes whos a Little Coo chin who has a Blind Eye Lance Hendrickson Blind Eye Relative (Blind Eyes are Retards that have Blind Eyes and Flutter Around In there seats and meddle there arms back and forth.) and Helen Keller Jody Foster and Rita (Jaws Billboard have Retarded Honey Helen Keller Relatives and there not

Blind Eyes there Candice Ryder Skinny androgenous autistics and they are all Julianne Moores, Russos, Sarandons, Vons (Not Vince Vons but Vons that have Rose Brynn, Stevie Nix and Ask Creepy Eyebrows that look like that Round Eyebrow around the brow and the Androgenous woman are all tied to Helen Keller (Jaws Billboard and ET and the NSA men with Jingly Keys which mixed with Drew Barrymores and Mike J Fox Skinny Wests that have Floobada Floobada hair that's frizzy Concert 80s Rock and also tied Jingle Keys Hips (Notice the man in ET when they come to a crash site and investigate in the woods and the camera Zooms in on a man with Thin Hips and Jingle Keys (That's Man Hips and Androgenous Hips and why this matters.....The Drews, Ritas, Vons, Jody Fosters, Carolyn Kennedys that don't look like Clint Eastwood Dirty Harry (Birdy teeth Hidden back then first Daughter whos Kennedy Birdy teeth was created on purpose as a Terror visually about illigits nobody knows about. Now (Andregs hassle Ryan who are Candice Ryders and Donnas Little Cindy...now to understand what a Androgenous Sarandon and Von is (See ET and the Opening seen where the Alien ship marrons ET and the (Government Agents with Flash Lights are looking around the woods after the ship takes off with Flashlights..... *

<https://www.youtube.com/watch?v=Y3DIXSFOofw>

<<https://www.youtube.com/watch?v=Y3DIXSFOofw>>

*I couldnt find online any Opening seen with just the Flash Light people, but notice 1 man with Thin Hips and Andreg Thighs...now on a Man thats Fine....Ryans point there is a Frizzy Candice Ryder whos a (Androgenous Cathy Issac and Cathy Issacs are Nervous Ritas half Cousins and related to Cathy Issac at Staples and they dont understand nor does West Tank Teeth Honey versions of Drew who dont look just like Drew but look like Jaws Billboard that Ryan doesnt want a Androgenous West Honey. Now what Ryan is explaining (Donna doesnt understand that shes abusing Ryan and doing something wrong. She treats Ryan like a Prisoner to (Jenna Genovese Bush whos behind Star Treks Genosis Device which was (Telepathy Tech) and Donna knows RYan needs Prescription money today and she calls me this morning making comments of (I Like Her) and she makes a comment, Im not Home, I'll Call you later while *Jenna* whos a relative of Donna whos (Related to the Italian Mama Pizza that was living in the Apt across from me years ago and moved out and she was in there after Jessie Obamas people were in there (The Afericans who had the White Girl with a Spyderman In House Wig on that the Afericans on the steps had and Jenna (Shes related to Bronsons, Mansons, Mama Pizza Regina Portman Onasis Laura Ingells that mixed with Judy Garlands and Lucky and Sheas Daughter is Jenna and (Like is 1 of Donnas abuse Ryan Power Sources and Donna for years whos (Mentally Ill and Sick) calls me up when RYan calls her for Money for Prescriptions I need for Asthma and she says IM not Home Right Now (Yes she is) cause she has a Tablet that she can send Money from.....Ryans point (Donna Likes to Abuse RYan with Dottie Dittats Like Jenna relatives who look like Braided Treat Williams Jenna. Jenna has Many relatives, some Koda Madisons who mixed with Judy Garlands and Dottie Dittats like Katie Holmes. Now Koda Madison *

* has a La Stick Figure Nervous Jenna Body in Ca who hired Ryan on the Set of some Hoke Scientology project that was Filming at some Bar and Room that had Couches and a Bar and she wanted me to sit as a Extra on a couch while some Fabio young actor was at the Bar Filming (This was the same senerio as Lisa Dalamores relative in the Heineken commercials with Belicimo Del Toro with a Lisa Dalamore shaken her ass at a Table at the Bar and shows Normal Hair, turning into Chia Afro Hair.....tied to Austen Powers and the Shaken in the seat is tied to the La Party Dance Behind the SUV and Bar Stool is Smagetz Version of a McClellen sitting on a Bar Stool. Now Smagetz (Tells them to do this to Ryan cause Elaine is related to Barbara *Butter Streisand* and shes a Jew (Elaine) that doesnt look anything like Alicia Goranson or 16 Candles or a McClellen (But there is a Elaine Bar Stool version of a McClellen thats in a Boardwalk Empire and Vegas show Episode thats sitting as a Extra on a Bar Stool. Now Elaine Smagetz and Jen Love Hewitt in (Heartbreakers) a movie about a Mother (Sygorney Weaver) and Daughter Jen (Going after Estates of Men, by using Jen to make them, then Sygorney Gets rid of them (What Donna does) and Donna gave me a Bar Stool that is tied to Heartbreakers and Forest Gumps Strip club.....its a Island Bar Stool and RYans Spyderman Up B (Already Understands why this Stool was understood cause it Swivels 360 all the way around, is made of Bamboo and its (Right Perfect size to get behind a Large DD Breasted woman and shes able to Spread and Ryan can (Right Height) go Right up THat ass and Rip it up like theres no tommorow. Now, also understand the Stool Swivels and thats Right for a when Ripped, to spin it around, do a Full Hand Smell and Taste that ass! Now the Religous People when they hear Blow it or Taste that ass....they start sending (Trash Barell Follow people cause My Husband and Mielos People think doing that or asking a Woman and girl to be a slob in bed (My Husband Maria Antonios and Mielos think thats something thats a Abomination and Mielos Antonio (Julia Louise Dreyfuss and Ethridge who are related to Mielos Antonio whos a Greek Kennedy that looks like the Jaws billboard and Ethridge she thinks when Ryan wants Ryans English Baby whos not a Greek like her....when Ryan says I want her to Sit there and Spread (Mielos thinks RYan is talking about her Ella Mean Jaws Billboard Daughter whos a Greek Ringwald and thats a Ethridge Ella Mean Rita relative. Now what Mielos and Donna and Amber Zoltick and Del Pachecos and a Hendrickson thats on the show Oil Painting with Gary and Kathwren which is on today on a PBS station where he makes a Is She Right from Back to School **<https://www.youtube.com/watch?v=0uqjznmTp80>* <<https://www.youtube.com/watch?v=0uqjznmTp80>>* and Angela in the Chantix Commercial with Angela in the Bench * <https://www.youtube.com/watch?v=EmCINb99LPs>* <<https://www.youtube.com/watch?v=EmCINb99LPs>>* and Jenny (Gomer Donna Ringwald In the Chantix commercial that makes I Tried to Quit. * <https://www.youtube.com/watch?v=NJUNQfSIX54>* <<https://www.youtube.com/watch?v=NJUNQfSIX54>>* Now (Is She Right, Sam Kinson matches Seven and hes a Waskawitz like Jon Ritter and Walton Jon Boy

with the Mole (Ryan Has Found Out the Lincoln Flutter Retard thats Broadcasting in Ryans head is a Walton related to the Walton (Pops) that plays Mark Harmons Father on NCIS and he was on the Waltons. Now also understand hes a Anthony Andrews Stallone thats a Catfish Teeth Marchand (Related to Kerry Marchand)*

*Now someone whos Painting today makes a comment (Is She Right and Ryan went to Wal-Mart today this morning and a Dave Pike comes over and caddily says out loud (Whats the Madder) and this a slight Taunt from Lou Dolces 50s Song called (Whats the Madder You, Shut Upya Face) and this is a Mafia Family and the song he sang in the 50s as hes a Gesepe Italian Stallone related to the Fury that put the Implant in RYans head (Thats Tied to Fury)
**<https://www.youtube.com/watch?v=I-5EjG-6r9o>*
<<https://www.youtube.com/watch?v=I-5EjG-6r9o>>* and his song was Covered years later by a Paul Pacheo **https://www.youtube.com/watch?v=sFacWGBJ_cs*
<https://www.youtube.com/watch?v=sFacWGBJ_cs>

* and this Taunt song is what Pike Refers to. Now Let me explain this and Richie (The Fisherman From Stop and Shop who RYan used to go Fishing with knows that Yesterday Ryan put 2 and 2 together when they put Steven Kings It on IFC which you never see that on Tv cause it was a 80s Made for Tv Steven King movie with Jon Ritter and Jon Boy (The Mole) from the Waltons and Ryan realizes people who have a Piece of the Mole put in them, is like being infected with the X-Files Virus Now Richie knows that Ryan is not a Child Molestor or skin sufle and Ryan for the past 8 years has had "Blind Eye Jennas Come around me, Sala Mae and Junior Carvalough Osborne Els and people who are (Caldes and RumbleCreeps) that want to treat Ryan like a Pedephile and Child Molestor and Ryan knows (Someone turned in or has a Stack of Porn in Ma that Jenna Like and other people tied to Stacey Varges who was Tossen Clothes off the Balcony of the Fall River, Ma apt when she kicked out Tom her boyfriend several Times from the apt above me and Dr Furys (Whats a Madder You relative with a Muppet Face when they gave me a Second Shot at Henderson Clinic and the Muppet Caldes Senra CHia Head who has Det Williams Coo Ellis Lips and slammed his Arms on the table like Elton Jons Song (Sugar Bear Drum Double Beat *
<https://www.youtube.com/watch?v=u18dXZzsIF0>
<<https://www.youtube.com/watch?v=u18dXZzsIF0>>* and Stacey (Frizzy Muppet) Shore tossed clothes off the Balcony because of this Schindlers List seen *
<https://www.youtube.com/watch?v=6hY1hw1IWS0>
<<https://www.youtube.com/watch?v=6hY1hw1IWS0>>

* and the Undressing Clothes seen and Bubble Butt Girl who is naked and (Super Sexy B) runs Left side Camera to Right and a (Chippy related to the Medelov Surgeon that put the Implant in RYans head) when Dr Fury whos a Jesepe like Lou Dolce had a Medelov Todd Krasnow with James Earl Jones and Travolta creepy Beaver Medelov teeth put the Chip (Terminator in RYans head that Donna and Russian KGB wanted to use like Red Dawn Lea Thompson to lead FBI, Secret Services, Marshals and US agents that were coming around and watchen me in cars and in society....they put the implant the chip to watch me to get to them the way Hopkins in (Gorillas in the Mist wanted to use them to get to them) Now Ryans point Donnas people, Pam Dawber Mindys, Portmans related to Like and Amber Els who make My Dad COmments and there

Ambers that are Nervous Eye Tracys and there are Stallones that are Nervous who mixed with Linda Lavins, Russos and Sarandons and you can tell a Nervous when you see a Nervous. Now Androgenous versions are Frizzy Concert Ritas that have Keys Gingling like ET man in the woods the Androgenous Thin Skinny Man hips...no skinny thin man Hips are Fine on a Man, when a Woman thats a Sarandon, Von, Russo or Juliane Moore has Andreg hips and thats what Rita and her sisters Ella Mean are like (It Makes Men Go Ewww) and Ryans being abused by Donnas (Teresa Heinz, Bullock and Blind Eye Jennas) who are Allies of Ella Mean West Andreg Hips. Now Ryan explains this cause Richie from Stop and Shop was a Fisherman and Demi Moores (Relative) who passed me on Flomich years ago whos not a Demi that looks like Demi or RYan, but a Costa and she makes a comment (Save It For Later) and what she meant Penny Wise the Clown in STEVEN Kings It (Nobody knows who the Clown that looks like him was in Ma that was kidnapping kids in the 80s and tied to the Jon Wayne Gasey story. *

* ===== Now what Ryan is explaining is That Steven Kings It the Clown is tied to "A Few Good Men" and Demi Moore put GI Jane on today or a Terry (American Tourista and Terry at Kohls who are Afgan Jon Goodmans with Coos Chins and Butter Can Do Faces, put GI Jane on (Demi who shaves her hair off) and Ryans point is Schindlers Lust Bubble But (Was Why Fury and Stacey Tossed Clothes off the Balcony as she wanted Ryans Clothes meaning they made the Extra in that movie Undress and be degraded who runs from Left side to Right and shes holding (Close to her Chest a White Face of Jesus Shrowd Cover of the Face of Jesus who was buried in the Tomb with a White Shrowd placed over his Face (Thats what Bubble But in Schindlers List with a White Jaws Kurchief has pressed to her chest. Now Fury at Henderson clinic when Ryan was forced to take a Shot, came out and saw a Fury there who said (Did He Take THE Shot and the Lazy eyed Senra Caldes Nurse said, Yes he did and then Fury said, Then I Guess were all all right and understand Schindlers Bubble But Naked Jew Camper forced to Run to the showers and yanked out of 1 line and pushed in the back toward the left side (Where Purple Jaws Larry on the Beach Came years before left to Right and why this happened. In 1975 Spielberg or the person that knows who Purple Kurchief Jaws WHite Bikini Neon Pink Flowers is...sent her to the Right side....past Larry (Meaning to Russia as thats the Right side) and when Schindlers List came out Purple is either dead or married off, as Bubble But was given her Task perhaps after Nina in 99 Luft Balloons convinced her to quit her undercover job and Luft Balloon when Jaws Purple was in Russian told her quit **<https://www.youtube.com/watch?v=La4Dcd1aUcE>* <<https://www.youtube.com/watch?v=La4Dcd1aUcE>>* and handed her case and Task of find and make and bring back the Jesus Face Shrowd (FaceBook) and bring her back to the US for Jew Spielberg and Face Book was Tubby McClellan on the Bench in La at Sherman Oaks, Ca Library who has 4-8 Half Twin sisters

of Different mixes. Now, Understand what happened with understanding Vincent Berry (Wants to Kill them all from Breakdown cause his Photo with Split PP Biter Danny The Shining Hair was in a Civil War Grey and Blue Civil War Jacket cause he wants to help the Fun Muppet Elton Jon Retard (Make Ryan Phat) because RYan doesnt want the Muppet in Stacey Vargeses family or Rita Senra Frizzy Lizzy and the Like offers. *

and Vincent was a Gummy tooth and the Comforter that Donna and Leconte gave me has a Face with a Home Plate shaped Mouth tied to the Dog in The Shining thats down on knees giving a Blow Job like a DVD Ryan bought and nobody knows who the Dog was in The Shining....now why this matters....Vincent has Jon Goodman and Hussy Relatives tied to Saarsguard who dont understand the Fun Muppet Goodman Elton Jon whos related to the Nurse that gave me the Shot with 4 Large Tall White Ordelees...one related to Actor Delroy Lindon whos in Get Shorty (Martin Short Must Say) whos a Creep Ed Grimley Must Say Ear and Flutter Eyes thats a Flicker and Flutter anarchy. *

* and the Nurse at Henderson who gave me the Activation Nanite Shot had ties to him in lips but was a Chia Head Arab like Angel Borges and mixed with a Lazy Eyed Senra like Jason Gordan and Segal. Now Ryans point is he slammed his Arms on the table when I explained to him he had no Right to give me a shot in my blood and he got (Serial Killer angry and a look in his eyes and said, IM the Nurse and slammed his Arms on the table in the same Synchronized tone as Elton Jons Song Sugarbear and Drums that beat twice solo (Which really is tied to Rainman and a Retarded Goodman Muppet that has a moonpie chin and looks like the mexican kid thats in The Fugitive on the sign in the model seen that has him in the lower Right corner (Where the V ring in Ryans towel closet, looking in was planted.) and The Nurses relative when I got out had a Retarded kid come on a FT Lauderdale, FL bus bring a Box of Pizza and he came and sat on my left and said, his name.. ===== Now Ryan sees what happened and why this matters (When a Fury in Henderson Clinic said (Did He Take the Shot, Muppet says, Yes he did and he says, Then I Guess were All All Right, he had both Elbows on the counter tied to Jon Sarmento and Ryans Twin half Brother baby pictures and he was bent over the Nurses station in the middle with Jeans. (Putting Down Both Elbows) and he left. Fun Muppet was a (Serial Killing Family and his Goodman Terry American Tourista relative when I was at Col Greens (He ran over to a Little Girl in a Bathing suit when Ryan was in the middle of the River and he poked her with a stick cause the Fun Muppet and Elton Jon (He Lets His Kids and the Retards in Interpol run around the world and keep playing Red Rover and thats why Bubble But in Schindlers List goes Right to Left *

<https://www.youtube.com/watch?v=6hY1hw1IWS0>
 <<https://www.youtube.com/watch?v=6hY1hw1IWS0>>* and this seen matters #1 cause Ben is trying to take off with Studies English Books and the Jesus Shrowd represents Ryans Blood line and Bubble (Sexy Butt) thats Camper Prisoner crosses from Left Side and Chippy Nazi Guard pushed her back to say, go to the Jaws side and this is why the White Undies in Forest Up Becas Dumper Stopped in the middle of the Stripclub stage in the Edited (Unseen Version) and grabs a White Towel in the middle (Jesus Shrowd Face if picked up becomes a Fast Times Little Party Belly Down Towel if shes made and Bubble But with White (Now Married off or Dead Jaws Purple is the message as when Schindlers came out...the Jaws Purple was with someone in the Field (Not Single) and Bubble But was handed her case file and told Spielberg Jew wants you to find and bring me the Facebook that The Social Network Dakota (Is that My Donkey Ass) switch Maroon But wanted her side to make hopen Ryan would take Dakota Specifically who knows who B is. *

* ===== Now Dakota (Is that My Donkey Ass in Stanford Undies was placed there to do a Terminator 3 Quick Decieve But Shot after putting up Hair and helping Chippys Elton Jon relative in the movie sayen hes Homeland Security while Bronson was messen with Addidas (Dominic Carbiean Flip Flop Black and White Step Up Arobics that Anne Hathaway in Glamour Magazine wanted to make Joquim Acordians and Likes Addidas Flip Flops. Now Ryans point (Stanford Undies comes from a Man thats in a Photo album shown in the movie Jade whos tied to Kiss of Death and the Jade man

had Justine the Fucken Fredo in this seen with a Pillow thats tied to Ryans comforter (Black and White Behind Justine) and the Pattern is close to the one Donna gave me of a Mans Head, Cracked Open) with Blowing Winter Mouth shaped like Home Improvements (The Fix Tool Girl) whos a Sarmento Bulpy Nose sister that Donna likes to use to abuse Ryan with Thats It, Like and Home comments....she wants Jenna, Thats IT whos a short Joe Elliot Simon LEbon Donna to make RYans Princess crown. Now why I have to explain this....one of them is maken Look a Like Ryan skin sufle and Child Porn. *

* and there is a Bulp Nose Sarmento version of Heidi that doesnt understand Ryan doesnt want Like and Thats it and Heidid Bulpy Nose short sister. Home Improvement had a Italian Version of Heidi on the show who has a Bulpy Nose in a few Episodes and when Donna makes Home comments she refers to her and the Gonzalez Muppet mexicans in a X-Files Episode Titled (Home) about Deformed Canibals living on a Farm that go out and kidnap people to bring home to mama who lives under a Bed on a Dolly thats Deformed and missing limbs and they keep Empregnating her to have more kids. Now Ryans comforter (See Photo is tied to 1 thats in The Shining) with Shelly Duvoll thats Faded the way Ryans is fading as the ink with Light gets Faded and the Pattern shows two Faces with Leaf in there hair being pushed down between Legs to Suck Penis and the Person thats got Legs Spread above shaped like Jaws Flower Bikini is Blowing Down on them with a Home Fix them Shaped Mouth. Now that persons head is cracked open and Karen Varges whos related to the The Patriot Varges named Lisa Brenner *

crazy cause of his Estate worth (Allot of Money) ===== Now
the Fun Muppet poken a stick was a Liberachie relative, but also a Mexican
Goodman with a Huger Moonpie CHin tied to Jay Leno size and what Im
explaining is Fury and Donna think RYans supposed to be tossed into Mental
Hospitals and abuses so Donna, Like, Thats It and The Fix can as McDowel
says Make RYans baby and Princess Crown. Now Blind Eye Jenna has ties to
Rooster Cognines who are Jennifer Garner relatives *

* Both Liv Tyler and Jennifer Garner have Koda Madison, Lynn Kampavon and

Robin Wright Penn skinny Oriental relatives as does Judy Garland Regina that are Rooster Cognine side like Gregory Meeks the Congressman. Rooster Cognine are tied to Rooster in (Shawshank) who was a Burleson Paine ref back then, but also Gregory Meeks Manson Muppet thats known as Rooster and thats whos Broadcasting in RYans head a Rooster that doesnt understand Ryan doesnt want (Jaws Billboard Honey and Rita) Now Rooster Cognines are Nervous Marilyn Dickinsons from Staples and Betsy knows who she is and RYan is being abused by Madeline Pikes Elaine Bromka relative from Uncle Buck who has a Little Moonbeam Jenna relative thats a little coo chin and chee kee relative whos a little excited Janice Dean Moonbeam face thats different from Rita Moonbeam and she doesnt understand Ryan doesnt want Little Cindy whos a short little mexican like her. Now Donna has (Belmedia Body Relatives also broadcasting in Ryans head who are Richard Gear Flutter Eyes and Belmedia bodies have Sloth Fat Backs and Chia Hair and they walk around and attack people with Moo Moo Dress bodies and this isnt a Joke (Belmedia Body is not what you want around you and theres a Partial Hogan Belmedia Body thats a Dickinson Pedro thats been abusing RYan in the Broadcast with Donnas people who have no Respect for me, my life or understanding Ryan doesnt want to hear them and the Little Coo Chin Gilda Radner Donna thats Broadcasting in RYans head who thinks its ok for her and Elaine Bromkas Little Moonbeam Dean relative thats got Nervous Eyes like George Gentlys Actress *

* shes got a Little Moonbeam relative thats also a Elaine Bromka that her and Loretta and Stallone dont understand isnt supposed to be broadcasting in RYans head with Donnas Teresa Heinz people.

===== Now RYan is gonna go for a walk and compose myself and Donna (To this day and minute doesnt understand what she did to Ryan is a crime. She thinks she gets to abuse me with Thats it, I was Like Blind Eye Jennas and Shaggy Bowl Pepper Hair Crack Rock Pachecos related to Pintos and a Retarded Cry Baby Bubble Lip (Felix from Patriot Games and Clear and Present Danger and Felix has Berg and Portman relatives that are Bubble lips like Angie Jolies lips and and the Little Smooth Caldes that did this to me with a Maria Antonio and Jack Black Belmedia Body have committed a crime with Donna and her relatives where they have to be arrested and charged for making me hear the Broadcast. James Comey and Loretta Lynch dont understand shes not supposed to have relatives that did this to Ryan Oneil and Eric Holder Jr and Porsche Rossi wanted the Pretty In Pink Half Cousin of The Ball to come out and she wouldnt for years and that made DONna, Fury and Loretta and Ritas people hassle RYan. *

 <<https://www.youtube.com/watch?v=q87sTz0WCqE>>

* now (The Ball) seen where Andy meets Ringwald and she says Hi.....this is what a Meeting is about....Now the Ringwald in Pretty In Pink is Flat Chested and about 8 yrs old than Ryan and Betsy knows why this seems is (Pretty Much The Meeting At Staples senerio.....now The Difference between

there Ball and Ryans The Ball senerio and The Ringwald in this Movie Understands this. Ryan has a Island Bar Stool.....now if RYan met B today (Hi seen senerio, Ryan would return the Pleasantrees and Hi comment, then Pause and say....Your Gonna Take It Right In That Shiter! and Ryans B would make whoooooo dippy comments and Fall into Ryans arms. Now B Senerio is she comes in and sits Side Straddle Birdy Teeth right near me and I hold her hand and look into her English Eyes and shes anticipates a comment or Romance and Ryan says as shes all Birdy teeth...Now Will You Take It Right In that Crapper! Now B understood the Ball and thats why the Team Building Meeting was Set up at Staples Cafe. Now Betsy looks like the Ringwald in Pink, with certain Changes and also had the Hair Locks from the End of 16 Candles. Now Ryans gonna Recompose myself as Donna and her abusers with a Back to School (There Not Right and did something wrong to Ryan with Lisa Dalamores (Tamara) and her Porche Rossi from Graduation Photos) at the Art Institute and Mary Caldeses and Jack Black Maria Antonios who think Ryans there prisoner. ----- Now what everyone needs to be aware of....Mary Caldes and Donna have Caldes and Rita relatives that have been Broadcasting in Ryans head and James Comey and Bill Fey and Loretta Lynch dont understand Hulk Hogan, FOster and Deans and the Obamas and Little Chia Moonbeam did something wrong to me with a Mills thats trying to order a Mental EVALuation with a Jaws Schieder cause Donnas Hippopptamus relatives and Pachecos and Stallones want to send me to a mental hospital so someone doesnt say...I understand Donna...YOU AND Rita and Sick Stalking obsessed Coo Lip Billy Crystal Pinto and Anarchy Swollen Cheek Penny Outlaw and Catfish Nervous Tracy put the Broadcast on him so Lisa Dalamores Eric Holder Jr Lincolns and Lance Hendricksons tied to Krystal in American Curves could help Angela in Chantix and Gomer Jenny make his baby for a Donna, Rita or STaples and Maria person and your still abusing Ryan and (Dont Understand little Blind Eye Coo Chin Jenna has to be arrested with Donna and Diesel and those involved for what Rita and them did to Ryan.*

* Now Ryans Baby Jowels DD B understands the confusion about the Bar Stool which Sedwig thinks is a SMagetz that looks like her as opposed to Spyderman on the Bench. Ryan says Must Say and Baby jowels understand the Bar stool is a (For After for Instance after Ryans Initial Drop the Coat at the Door in Heels and get the Let Me Inquire about the Ball senerio line first.....now the Ball senerio is she comes to Ryans door in heels and Trenchcoat and comes past the Threshold where Ryans Living room and the stool is and Ryan says Stary Eyed Drop the coat and she does and has little Tassle or leather slight thong on and Ryan looks at eyes all certain and asks her to the Ball, by saying (Your Gonna Take It Right In That Shit) Now after that senerio later after Warm up on the couch she ends up on gimp chain leash sent to the stool for the Initial Spyderman Up Rip and thats a Point, swirl and smell senerio and thats after the Birdy teeth conversation on the couch and will you take it in the crap all day senerio and B understands why the Height of the chair matters (See Attached) Now what has to be explained to Tracy Varges and Donnas Retarded Sarandon Issac Rita relative thats broadcasting in RYans head and a Hippo Teeth Bubba Ringwald Retard is that Ryans not Sarandons Nervous Daltry Daughters Prisoner and they have to arrest her for what she and someone else and Donna did to Ryan. *

*Well, Ryan went to the Social Security Office today and Ryan was waiting at a 7-11 and had a Rachel (Tap a Tiger Come Around Me with a Donkey Ass and Farmer Jean Shorts and also had a Karen Varges who is a Mexican with Batman Eyebrows come around me and noticed a Jack Black woman who has Batman Manjaw Eyebrows come around me in a Car, looking like shes trying to figure out how to kick me out o the apt and a Aferican Stallone Roy Scheider Carl Yaz came around me at the Bus Terminal with coo Lips and Ryan sees that Cindy Shaggy Hair like Moe from Moe, Larry and Curley are trying to cover up with the Little Blind Eye Dottie Ditata Jenna (Like) has been doing to Ryan ONeil and other people. Jenna and Koda Madisons did something wrong to Ryan with Donna (Turning the Broadcast on with Felix from Patriot Games and Clear and Present Danger and someone is broadcasting in Ryans head thats added a Tom Hanks sounding voice and Ryans determined they have a (Scream Box like Billy in Scream and I see there are Bob Dylan Scott the Bathtubs coming around Ryan and Bob Dylons who want to help Donna and her Panda Thats It Family cover up what they and a Stallone in a Wheelchair did to Ryan whos a Chee Kee Kee (Sick Machio Nose Stallone) with Horse Hunk a Teeth that has people coming around me at Wal-Mart maken (Ella Misses Already Picked Up Your Betsy and today a Sophie Warlock thats a Blond Cruise Version that has Platipuss lips came around me at the Bus Terminal and shes usually with some old man with a Cane thats role Playing Richard Branson looking (Papa the bonnet Shaparone that usually sits near her metaphorically and today Papa the Grey Beard Jurasick Park Papa leaves her side and sits on the other side of the Bus and Ryans Hoping that B has told Papa Dont Preach, Ive Made up My Mind Im keeping my baby. Now Ryan sees IT the Clown and Steven Kings (It) is on IFC with Jon Boy and RYan sees Jon Rita is in a Restaraunt thats in a Chineses Rest with (Harry the Gat) and Ryan sees Tim Curry and a Craig Simmons looks like It the Clown in Steven Kings It **<http://www.imdb.com/title/tt0099864/mediaviewer/rm1032166400>* <<http://www.imdb.com/title/tt0099864/mediaviewer/rm1032166400>>* and Penny Wise is a character in this movie on IFC with Jon Rlitter whos sporten a Beard with Jon Boy and he tosses a Rock at someones head around a River and he goes into the Woods in a seen that looks like (Stand By Me) woods like the Stand By Me Woods (Why this is a Problem, there is a Street Arrow thats white and points down the middle the of the Road (Thats where the Ring in RYans towel closet came from) and Ryan sees that Donna doesnt understand nor does a Bob Dylan (Scott the Bathtub and Bob Dylan on a bus whos trying to Baker act RYan with Ritas people who are abusing me such as cancelling Ryans Cell Phone that I have and when I called the company today and asked them why it was cancelled with No Notice or Text (She made a comment of India and used the phone and Well. Now a Tap a Tiger Came around me today, maken comments and sending a Donkey ass and Ryan sees that It (Has Jon Ritter and a Aferican man thats on the phone after some kids go into a Gravel Quarry and the Hindu that answered the phone starts maken comments (Where Gonna Try) and Ryans being abused by Rita Senra and people who are now treating me like a Prisoner to Well and Veronica and a Pinto and Rooster Cognine Pinto Pacheco with Shaggy Haur and Little Cindy Bully is abusing Ryan with Ralph Machio and Ryan sees that Bob Dylan and Scott the Bathtub who have McClellan relatives want to abuse RYan and Garnish Ryans Social Security check and abuse me for Betsys Booty that Bench Tubby Trenchcoat knows there sayen is a Pedaphile and I can tell Hindus Mielos are implying while It the CLown is on the It the CLowns Case is Ryans

Problem.*

*Now Ela Misses people and Ida (Staffords mother) IDa at Shaws and as Im in Line at Wal-Mart today someone makes a comment, (I'll Let Yugo) and Yugo is Chris Staffords mother whos a Ida with Stafford Gap Snaggle Canopener shaped teeth. Now Ryans not gonna let Chris STafford and Kerry Marchand Take RYans Baby and thus RYans not letting Yugo and thats what Party Boy Stafford was implying sending people to abuse me maken (I'll Let Yugo) and now that Ryan understands the problem. (Thats It) whos a Fucken Seriel Killer Intelligence Simon Lebon and Donna enjoy abusing me with the Greek Eric Banners, Joey Lawrences and Ugly Little Coos related to Rita and Koda Madison and Jennifer Ganrers and Donnas (Making RYan hear her Greek Relatives who have a Little Coos Greek Bumble Bee maken (I dont want You to have your phone and Internet. Now Ryans Phone and Cable have been being interrupted in the past 3 Months. Someone whos a Hogan (Sabubula has been disconnecting RYans Phone Line when Im leaving Messages and also disconnecting my Email when Needed and Im being hassled because Loretta Lynches Family (DOesnt Understand Nor does James Comey and Sue Miller who sends a Jennifer Anniston walking a Dog past me at Wal-Mart this morning and looking like the SUE Millers and Roman Polanskys related to Sue Miller are abusing Ryan so the Chris Glen Mother (Whos got a Relative thats in a Cell Phone commercial cooking at a Stove and she has someone hand her a Phone) and there abusing Ryan because Chris Glens mother and other people want to cover up what someones been doing to Ryan making me hear a Polansky Muppet thats Broadcasting in RYans head. Now I dont know if Becka knows who RYans half sister is, whos also tied to Lacey and Beca and what Geller was talking about in (Cruel Intentions) when discussing with Sabastian and (Can You Get Me That Baby) which is not Thats It. Now when Ryan met Betsy, she might have said and been thinking and was told by Justine Timberlake and RYan Phillipee and Sara Geller *Meet with Ryan and Get Me that Baby* and Betsy met me and Ryan said (Can You Get Me that Baby) and Ryans hands were tied cause I was (Then with Ball and Chain Celia) and Betsy couldnt then...get me that baby....now the Deal and Bet was in Cruel Intentions if I can get that baby, she has to take it anyway I want it. Now Betsy knows if we met today, across the table and I said, Betsy can you get me that baby....shes not supposed to reply, can you get ME that baby. This is the confusion. Now the Other End.....again, the Other End, is Joanne Silvia had a Seriel Killing relative that was Aferican that was living many years ago in the Apt on the other side of Ryans Kitchen Wall where she used to bring over a ERic Holder JR that kept babbling in the Hall about (Making a Long Time) and today a Grey Truck came past me with the name Boy with a Fading Grey name as a Last Married off name. Now Ryan says I think RYan sees what happened....Demi Moore Sent someone like the Rachel Today with a (A Few Good Men) and plan talking to (A Few Good Men) Tom and she said, Tiger, Go to Ryan and see (If You Think You Can Get Him) and mind you Tiger Rachel (She Plays Rough) and shes mentioned in (Saving Private Ryan as a Easy DD) by Damon. Now it appears (Joanne the Fucken Betraying Special Counsel and Shower Fredo already sent a Rachel Moonpie Davis into the Apt today where all of a Sudden the Tiger Tanks from Saving Private Ryan seem to have taken over and metaphorically Joanne wanted to Mentally abuse me with (Tiger Tuesday and Wednesday with a Tap a Tiger Tuesday and Wednesday is Whip them Out Wednesday which is Trash Track Day and I see know when I

refer to Chris Glen and College Days (I Tire of This Game We Play Glen!)
 Now I think whats happened is Ryans in the Social Sec office today and
 someone makes a comment about Beach Baby (Am and someone says Ed Gonzalez
 says you used my sister as they sent a Mary Viera comes over at the Social
 Sec office. Now Ryan says were now abusing RYan with (Sent By McCartney and
 Hush Puppy) whos starting to become a Tenacious McCartney and someone thats
 a Jody Foster (FLedgeling Killer) is abusing RYan with a Muppet Bernie
 Doyan Wind up Muppet thats like Roman Polansky Muppet Face like Loretta
 Lynch. Now Ryan sees It the Clown has a Clown in a seen with Flashy Eyes
 (Sparklen sayen Dont You Want It, Dont You Want It and someone comes over
 to me near a Bench today and kicks it out and thats a CLown in Halloween
 III in a Background and what happened, in Fast Times theres Extras on the
 Track and Ritter is talken about Track and Coach and My Best and when
 Ritter was in Steven King It (Someone wacked him or he died or was put in a
 Foreign Prison because of him going into the Woods and the White Arrow
 thats got a V tip and someone in (Steven Kings It) caused 911 and now RYan
 sees why Waskawitz freaked and RYan also sees someone left a White Mop End
 down under the Porch outside Ryans Apt and someone came into Ryans apt and
 put my MOp inside the Bathtub. Now years back a Guataloope mexican was in
 the Apt above me and I heard her in the Bathroom with a Little Kid that
 said (Mommy Dont Touch me like that) and the next morning there were Pink
 Disney Beauty and the Beast Sheets on the porch and a Mop in the corner
 after the Mother was cleanen the Kitchen in a Frenzy. Now RYans point
 someone is *Birdddogging Ryan and Trying to see if they can frame my ass
 with a Sleeper and Comedy Bang Bang wierd Al and Pete Townsend on the show
 are acting odd. a Roy Scheider thats a Aferican Hogan came over to me today
 after I paid my Bill at the Gym and he had a Red Metal Pedal Bike tied to
 The Town and it had a Fucked Up Seat with Stuffing Ripped out and I notice
 they opened a Business near Ryans apt and Ormond Street Gym that has Hot
 Coils on the sign which is a way to say the Coils under a Couch are
 Radioactive and (Hot and causing Cancer and maken people week.) Now RYan
 also sees, Jenna (Like and a Karen Varges relative related to Sing Sing
 Celas Cousin whos relative was in the Patriot who has a mexican relative
 thats been coming around me with a Bo Derek (Manjaw) and RYan sees shes
 tied to the Movie Cruel Intentions. Now Ryans been being abused with Lots
 of offers and McCartney is a real Bastard and Tough to Beat with New Hush
 Puppy Offers *

 and whats a Hush Puppy Offer **<https://www.youtube.com/watch?v=14qxb6j2E48>*
 <<https://www.youtube.com/watch?v=14qxb6j2E48>>* (thats a Hush Puppy) and a
 All Day Pike Offer *

* and Ryans trying to explain that Liz Shue and Hush Puppy are abusing RYan with a Hush Puppy offer and Hush Puppies mixed with McClellens and Goransons and Ryan sees that Karen Vargeses relative that came on the bus today whos a mexican Bo Derek (Tommy Boy) Manjaw is tied to the Papalcy and Feds in the Papalcy and using the Broadcast technology on RYan and she and Tracy Varges (Nervous Dont Understand thats a Federal Offense and a Crime.)
===== | Now Ritter was Hugging a woman at the end of steps with a V Ring Rail on the left side and Ritter was in the middle and shes a Sue Miller thats tied to the steps kid, but wasnt totally related to him and Ryan also sees a Jay Waskawitz whos got Surfer Hat and Chico Stash Hair and RYan sees what happened. Joquim Phonix is almost the Steps Boy, take away the Pike Features and hes tied to (Seymour Butts and Jay was not chico Stash and the steps kid was tied to a Lagasse related to Celia and RYan sees Jay knows the Skateboarder on the steps was not Jay, but someone has a Dupe Waskawitz Steps incident and the Sue Miller doing a Hug makes a comment, I always Hated him and (*Thats Ritas Coo Chin Russos Direction who mixed with a Sarmento that likes to drive people crazy related to Rita who makes a comment I always and she likes to abuse people and make I always comments. Now Beca knows what a Hush Puppy looks like and Rachel is a Tiger and Judy Garland with Lions, Tigers and Bears dont understand Ryan doesnt want a Judy Garland (Sort Of and Ryans Constitutional Rights are being crapped all over by Donna, and Joey Lawrence and Eric Banner and the Greeks and a Ed Berg Cry Baby Smoothy Caldes and they dont understand that 16 Candles *Half cousin of a McClellen* is supposed to explain to Moonpie (Felix from Patriot Games and Clear and Present) and someone is now pressing some Taylor Sound Board button maken themselves sound like Tom Hanks in Saving Private Ryan when Hanks Says *Ryan and sounds like he has a bowel Cancer issue.* Now RYan realizes that Demi and someone like Hush Puppy sending Sleep Number Hush Puppy offers is really retaliating cause RYan wont go to the Daytona Beach, FL Library and walk up to Hush Puppy and say, Ok, IM asking you to the Ball. Now reasons for Concern....Silence of the Lambs Credits **<https://www.youtube.com/watch?v=sbJ89LFheTs>* <<https://www.youtube.com/watch?v=sbJ89LFheTs>>* and the Friend Jody has is a real serial Sufle (Not Role PLayer when she drops the phone and the Credits show a Aferican girl walking away and hoisting a purse the same way *Flat CHested Ringwald* in Pretty in Pink does when she comes into The Ball and Andrew McCartney decides to leave the Table and attend the Ball with Ringwald instead of a McClellen offer. Now RYan says Andy should know that Ryan sees Ritter and Waskawitz would not let someone see the Goranson thats not a Donna because of It the Clown Movie and Steven King which is on tonight and (I know someone knows a It the Clown the frame Job is connected to the movie) Now Ryan realizes that Marchand and Demi and Cruel Intentions (Sent out a Tap a Tiger Bubble Donkey ass today who shows up and waits for a Bus near 7-11 with me and Jack Black Female Moonpies are Angry they cant block Ryans emails and Garnish my wages just yet. Bob Dylons and Scott the Bathtubs and Chee Kee Stallone want to be able to do that *Simply to hassle me and Ryan wants B to turn to Kin folk and say Papa Dont Preach and turn to Papa and say, Im gonna put on heels, Trenchcoat and take it in that ass for him all day, and theres not a Damn thing Harmonica abuser can do to

stop her! **<https://www.youtube.com/watch?v=sbJ89LFheTs>*
<<https://www.youtube.com/watch?v=sbJ89LFheTs>>

* now Betsy knows that Rachel mixed with Betsys as did Sue Moran at Attleboro and in the last 2 months theres several Service But Sluts From Ma like Rachels and Hush Puppies and a Serena Charlotte that came to Jesus Ryan and asked me like Sara to (Get them that baby) and Cruel Intentions Sabastian with Half Cousin agreement is to Get Me that Baby. Now Ryan needs Betsy to confirm which one of these offers from Hush Puppy (Which is a Hard Offer to turn down, cause Wayne Wilkens whos like a bon jovi Black Anarchy Trenchcoat Ryans seen in the Field laughen at the side of the Road (After Ryan sent an Email years ago, Moonpie misread it and reacted in the Field and got arrested and Wayne knew what happened and understood what happened. Now Ryans point is does Betsy understand what *Get Me that Baby Means?* and Does she understand what Baby Ryans trying to get and that Caldes Berg Smooth Cry Baby with Bubble Lips (Related to Felix doesnt understand he and Donna have to be arrested for Broadcasting in Ryans head with Donna, Thats it and Little Coo Chin Mary Caldes whos a Selma Ward Batman Eyebrow. Now Ryans point is Ryans Critics are gonna say, All You Have to Say is Betsy Only and Ryan says Betsy isnt fighting for Ryan and is instead letting Ryan be abused all over the place and there sayen Betsy was a Trainey and had Implants and is in a Basic Instinct Love Triangle secret Lesbian Affair with Cruel Intentions Selma Blair and Niv Tyler and (Must Say Party Dance) is really retaliting by sending a Rachel Moonpie to rush into Joanne Silvias former Apt with a Well, Party Dance and bench exited and its been taken over by a Tiger. Now Tom Cruise and (A Few Good) Men with a I got that ass...doesnt understand Tap a Tiger Tuesday and Whip them Out Wednesday have to Stop Fighting over me and Arrest the Greek Del Pachecos and George Mielos relatives abusing me about which one does Ryan want to Rip up and Does Betsy tell these people to come abuse me with a (Get Me that Baby) and what Baby is Ryan supposed to get someone and whos sending me new ones to Rip with a mentality of Betsy is down, Arrested and was wacked in a Holding cell, but Rachel and Well and Hush Puppy are willing to take all day and Karen Sing Sing from the Patriot I supect has a Papalcy Manjaw (Tommy Boy) relative with Rob Lowe (Whos Video Threesome involved Betst) is abusing RYan with a Cruel Intentions and Laney Shes all that Pool Boys Plot. Now someone has to explain to Tony Pachecos (Nervous Dickinsons and Mellissa Glen Dickinsons we cant block Ryans Emails. Phone and hassle me cause Flutter Flutter Retard and the Sue Miller in the AARP Animal Cruelty commercials that shows a Coo lip Arty run out on a Glacier and hit a Harp Seal with a Bat (By the Way, thats really who with the It the Clown in It are maken Child Porn and and Ryan sees someone in Bob Dylon and Prince Williams family thinks if I want to But Fuck McClellen her half relative gets to put me in a mental Hospital and Ryans being followed around by people who think thats what there gonna order and the Ugly Muppet Polansky and a Vin Diesel at 7-11 today parked outside was acting crazy cause he knows a Pauley Shore and Greek Geither and Barry Gibb (Related to Csi Miami Gonzalez and the Aberigin Gibb thats on CSI Vegas with Guilford and Grissom when he was on the show *Turned the sound on and Mark Harmon whos conneted to Zales Nice Jewish Boy used to have Service watchen me online and someone dropped Marshall Service down to the knub and Ryan sees a Cathy Gosian Tied to Dark Obsession was coming to a Bus to drive today and I see what the problem

is....someone wants to abuse and hassle Ryan. They dont understand no...RYans not going into a Mental Hospital cause Julien Millers relatives who are Greek Drew Barrymores (Related to Rita and Retarded Cathy Issac Wests want to abuse me who put the sound on me and Ritas (Relatives and Donnas and Selma Ward tied to Cruel Intentions wanted Ryans Baby (For Less to be sold to Selma whos a Hush Puppy Sales Rep) and Well Ryans ass rep (She Went Awhol and theres Hindus tied to Lisa Dalamore who think if Ryan says Well Veronica is not Ryans baby specifically that means someone can cancel Ryans Cellphone that I have that I signed up for and someone did that (This Week to Hassle me cause I was calling Congressman and senators) and Lisa Dalamore, AMbers and a Harry Potter Amber (Thats On the Bus Today thats a Andrea Yates that I saw put down a Umbrella as I left the Bus (Shes abusing Ryan with Amber (My Dad Els) Now Ryan doesnt think Betsy understood what (Can You Get Me That Baby Meant) Getting me that Baby isnt tell Joanne to abuse me mentaly and have a Ed Davis Moonpie Rachel Rush into a Former Joanne Apt simply cause a Tiger Sent by Rachel and Sara Cruel Mesquitto Smiler Face sister sends them as part of her Wicked Stepsister plot to ruin Ryans girl with Sebastian Mentality. Now (whats not funny the Ring and Items in the towel closet came from someone in Cruel Intentions and The Help and RYan says (B can you get me that baby.,.....means she turns to the Baby (Hopefully this wont involve a second Personality and says to the Baby....Get him Heels, Trenchcoata and Duffle Bag and go over to his place. Knock on the door and offer to get him that Baby whos gonna take all day till she cant handle it up that ass anymore. Now Betsy should understand Jenna the Ugly Dragon Tooth Like and Koda Madison have a Retarded Regina Sister whos Broadcasting in Ryans head and she and the Rockerfellers and Little Rosey dont understand Ryans not Donna, Eric Holder Jrs prisoner and Donna and Little Batman and Jenna did something wrong Broadcasting in RYans head they have to be arrested and charged for doing with the Pinto and Nervous pachecos and there is some Tshirt Cruelty commercila thats on for some some ASPC type commercial that has a Sue Miller Blonde relative thats showing the man with a Harp Seal beat Down stick in the arctic and he runs out on the Ice of the Artic and starts clubbing a seal (Thats the man in the Grey Coat that Donna has in a Old Photo) and the Retarded Half Pachino Coo lip thats broadcasting in Ryans head with a Tracy Varges and Donna (HEs related to the Harp Seal man and someone in Russian Decovney or services lets him go around and do things like that...people dont understand Loretta Lynch and Donna did something wrong to Ryan and they have to charge Like and thats it for abusing ,me. Now Getting me that baby.....unless she says Papa Dont Preach and agrees to a Five Day Furlough at Ryans apt then shes not really and has to set her relatives straight which means any half breeds, cousins and ban anyone related to Donna, the Little Party and Stallones retarded Pachino Tracy Varges relative and the Borenatz Dragon Tooth in a Wheelchair that doesnt understand its a Crime for him and Obamas handicapped relative to broadcast in peoples heads. Now there is a Hendrickson and Ugly Rosey Portman and Nervous Pacheco Italian thats been abusing me and now Ryans gonna wage war on them till they are arrested and they and Donna did something wrong. Forest Gump Undies understands what Im explaining and the Blow Job Dog in The Shining (Does anyone know whos behind the dog costume on knees giving a Blow Job? Now I dont know if B understands Ryans Thoughts on Sexual Filth but does she understand why Ryans competitors come into a Room to (So I Creep) and Ryans baby us

supposed to understand Ryans Theme? Stallone and Hogan dont understand Ryans not a prisoner to Donna and Tamara Hall.*

* Ryan *

dont go to a Basment with the man as hes related to the Non Fun Muppet in Elton Jons Family whos Broadcasting a retarded (Travis Relative) tied to NASA people inside the heads of Human beings against the law that a Greek Pauley Shore Issac doesnt understand is a Crime to make people hear. Elton Jon has a song Called Someone Saved My Life Tonight that has to do with Rainman the movie and the retarded half Brother. The Drum Solo Beat in the song was the work of a Travis Hutchinson Retard in a Wheelchair whos father, doesnt let him drive slow on the driveway, but doesnt understand its a Crime for Pauley Shores (Nasa) people to broadcast the Fun Muppets Relative inside peoples heads with Classified Weapons and its not a Joke. *

* which is what Ringwalds related to Clinton McCartneys and Selma Blair in Cruel Intentions looks like. Now "understand" what Ryan understands (Ryan Phillipe) and Sara Geller and Selma Blair whos online photo (Explains Shes Behind the broadcast abuse) and Ryan sees one side of "Pikes Penis" didnt explain to the other side who Ryans DD Breasted Baby was and Ryan sees theres a Battle between a Geller thats a Little Mexican Moonpie Broadcasting in RYans head and the Selma Blair and Sara in *Cruel Intentions* who oddly hug and embrace each other and are (Broadcasting in Ryans head with a Pike and Geller thats related to a Little Coo Chin Mary Caldes side and a Justine Timberlake who thought RYan Drowned his Misrable sister. Now while an Offer of a (New Hush Puppy) is quite impressive from the McCartneys Im not fooled by the Laney and Cruel Intentions cast. Ryan also sees that when I got Divorced from my ex wife many years ago and

announced the Divorce and I went to Westport, Ma on a Drive one day and saw two (Floobada Richie from Stop and shop Looking woman who were not totally Richie Richie From Stop and Shops, but they were Parellels of Richie (One in a Jean Jacket) and they were right in the middle of the Westport, Ma beach that is at the end of the road and Horseneck Beach where if you drive past Horseneck and go to the End of the Road, theres a Right that leads to Crab Shack and Left that leads to Westport Beach Road and they were on the small Beach that looks like the one Scheider is on in a seen of Jaws with a Log Floating Right in the middle. Now RYan sees what happened (The Hush Puppy Selma Blair) side of Pike family views Ryan as a Kidnapped Lindberg (Vespa and McDonalds Baby) and Donna Kidnapped me 45 years ago and Selma is the name of street thats in Ryans area of Holly Hill, FL and the question from RYan is did Pikes Penis when Cruel Intentions came out need (Am the Beach Santa Monica Baby) or did Pikes Penis David Pike need another side of the heritage which is the seen of Geller maken Apologize to your aunt (Sue Miller Reference) and having Sara and Ryan Phillipe (Face Off) close a Book and Sara maken she came to her senses and she bites a Marachino Cherry Stem off in her mouth a (Reference to Biting off a Penis.) Now RYans been hearing comments in Ryans head, about Drowing Justines sister and a person that sold me (House Insurance in my Westport, Ma House was a Blair thats a Stafford that has facial features like the Marchand that was running "Walkers Furniture" and RYan knows he has a David Valado *

<https://valadao.house.gov/> <<https://valadao.house.gov/>>

* and David mind you is tied to Walkers Furniture next door and a Slee Slab Lincoln Anthony Andrews thats a Stallone Medelov that is a Fluttering (Anthony Andrews thats retarded like Lenny in Mice and Men) and this is not a joke, thats whos 1 of the people in the Broadcast. However, hes a Anthony Andrews and Paul Mederious Gap Tooth Feature. Now Ryan says (I see Cruel Intentions) people turned the Broadcast on inside Ryans head and why (Hush Puppy Selma Blair has a Problem) theres a seen that has a Straw of her drinking in Bed on the Bed and she has a Twisty Straw thats shaped like the Ring thats in Ryans Towel Closet in the corner of the Closet (Looking inside the closet) and Ryan sees that the Ring patten was the same shape as the Straw and (That Means someone tied to Cruel Intentions with a If You Can Get Me that Baby) made a look a like Child Porn tied to Breakfast Clubs (Wedding Kid Photo Inside the wallet) with a Little kid (Goth Eyes) and shes in a Wedding Dress and (Alley Sheedy Dressed in All Goth Like OK Port was whos in the backseat of a Patty Sanders (Aferican Usual Suspects Junky Pulp Fiction Monster Joes Switch Car) and "Understand the Chubby Aferican Patty was driving the car and shes a Drew who looks like the one thats in the Booking Number of the Usual Suspects Photo in the movie showing her at the Bulletin Board, holding up the Number. Now Ryans point, 1 of the people tied to Cruel Intentions which came out in 1999 (Two Years after RYan was Fired from Staples where Betsy came to meet with a (If You Can Get Me That Baby) motive and (Betsys Like Waving Her Hands Like Camps In Bridesmaids Will Understand why this is kind of funny.) Now Ryans point is Geller is maken comments in a seen with Sabastian and describing someone as a "Little Toy" and she motions her head over to Curtains that have Royal Blue Color like Water after shes maken I Blew it. Now Phillippes Wall Color behind him is a Lighter Blue and not Royal. Now Ryan sees someone put the Penny, Rusty Hair Pins, and Ring in Ryans towel closet because of (Sipping through a

straw) in Cruel Intentions and back in 1995-1997 Ryan was walking around with a 7-11 Drink Cup and someone back then was (Upset) about Sipping through a straw and a cup. Now Ryans comments in the script of (Sort Off Collection of my Conquests and Regina sort of was at Hess Gas Station when Ryan was Delivering Auto Parts for Pep Boys and a Regina Sort Of (Daughter of Lucky and Shey at Pattys House in Florida) and Lucky had a Shot Gun. Now Lucky is a Marsh Burn Case, tied to Briteny Spears song (Isnt She Lucky) and RYan thinks a He Shee has to do with the song and why this is a problem for someone (16 Candles which involves a Fire) Cake seen which is where RYans Birthday Card Signed by (Jen, Jon, Joe or someone who took the middle initial and Letter in there name they signed with (Hope the Smoke From the Candle Doesnt Kill You) and Drew a Molly Bish Composit Sketch Drawing of a Man smoken cigarettes. Now Mark Pike worked for the Civil Air Patrol (Might be tied to where the Broadcast is coming from) and Chaos is about Jason Stathem in a Small Municiapal airport and he takes off with a Duffle Bag at the end in a Small Airport Cafe area thats like the one that Ryan saw a Victor Andreolli tending Bar at the New Bedford, Ma Airport when Ryan rented a Car at the Airport, with Celia before I went to FL on the Honeymoon with Celia Antonio and Saw a Mark Leblanc (Related to me and Larry Carlise being driven crazy inside the place sititng at a table on the left side with a Dana Lambardi on the left (Blonde and a Stalin with a Mustache in the middle smoken at the table like the BirthDay Card which has eyes (Xd out and words Hope the Smoke from the Candles Doesnt Kill You) and Ryan knows why someone signed it then. 1 of the Moonbeams of Lisa Dalamores that has a (He Wasnt Or I wasnt) was communicating there rage and motive of (16 Candles BirthDay But Tatoo) and he wasnt, intention so there ok to make Ryans Princess Crown Baby. Now Molly Ringwald in 16 Candles at the End has Hair Pins and (Krystal) Case Hair Pins in her hair and Ryan knows theres Hair Pins issue cause of Simon Lebons song of View to a Kill and why this is a issue.....**<https://www.youtube.com/watch?v=4vvBAONkYwI>*
<<https://www.youtube.com/watch?v=4vvBAONkYwI>>
* Now Holly Hill and Ormond Beach has a Church in the area that has Steps inside like the Church thats in 16 Candles in the BridesMaid seen *
<https://www.youtube.com/watch?v=IOiRMN5nRO8>
<<https://www.youtube.com/watch?v=IOiRMN5nRO8>>

* and why this matters (Someones Been to Holly Hill, FL and made a child porn in Ryans apartment and Sara Geller makes a comment in Cruel Intentions of my Stepbrother Sabastian and I know hes looking down on me today.
===== Now the name Sabastian Valavore or some name like that is at the end when someone hands a Book Script to Geller with his name with a Corn Cob Irish woman thats in Catholic Stang School Skirt and the Steps back then (Was Cause Molly Ringwald in 16 Candles thought Ryan was on the steps with her brother and Ryan sees Reese Witherspoon takes off at the end of the movie with a Journal thats changed from a Portfolio thats with Phillipe thats a Black one earlier and Reese has it changed to a Tan Leather and RYan saw Nick Mueller in the Town Houses across from my apt down the street one day when I walked down the street and he put a Portfolio down on the Drivers seat as I walked past him (He worked with me at Publix Supermarket and hes tied to Am on the beaches

side.) Now Ryans determined that Ryan was (That Baby) and the Pikes view me as a Trust Fund Baby, Donna already swiped back in 1969 as a Rosemarys Baby and took Ryans trust and all these people went to Hollywood on the dime of my Trust with Rita Senras people. Ryan was the Trust Fund baby and thats why Joe Costa (Was maken comments with Lisa Dean Andrews whos a Roger Andrews relative related to Janice Dean and also a Moonpie Chin Goodman and what Ryan has understood (Someone put the Ring in Ryans towel closet with a Cruel Intentions and also Andy from Shawshank Switch Places and take off to Mexico or foreign Island when there relative (gets out) which back in 1999 may have been still have been doing a stint in Ma or some state in Prison and (Ryans Family and inner circle put that person in prison and Donna said, Ryans grand-father kept her locked in the Ivy Tower (2 Rusty Hair Pins in the towel closet are there to pick a Prison lock (Mentally to get out there relative whos been wronged and theres 2 to the left side, 1 closer to the middle pushed back in the closet past the door track looking in and the Penny and Skin are on the left (Stuck in the door track) and Ryan sees a Stafford Newman Blair (Related to who sold Ryans Westport House Insurance is who is broadcasting in Ryans head.

===== Now Ryan thinks Selma Blair (Selma Street is in Ryans area) and The Movie The Help came on after Cruel Intentions on Logo where a man with Mandy Moore that has a woman come into the Room in a Purple Dress maken (Well Thank You whos a Donna Bannana) and the Maid in the Help Octavio comes over to the Steps at the bottom and says (ms so and so, do you need help, coming down like the Scooters that are automatic on steps that slide down or people that need help getting down the steps after Heart Attacks. Now Ocatvia Spencer *
http://www.imdb.com/name/nm0818055/?ref_=tt_cl_t4
<http://www.imdb.com/name/nm0818055/?ref_=tt_cl_t4>* has Gappy Who Teeth and the Lincoln Retard thats a Flutter Flutter sounding Anthony Andrews is related to David Valado in California whos a Congressman and Clemens (Look at his Face and Photo **<https://valadao.house.gov/>*
<<https://valadao.house.gov/>>

* and understand hes got a Lenny and Squiggy from Mice and Men) and thats one of the people broadcasting in RYans head who has Gappy Teeth like Octavio Spencer. Now Ryans point is (Someone put that Ring with a Pattern thats like the wavy Straw thats in Cruel Intentions with Selma Blair and shes essentially a (New Hush Puppy) and Ryan realizes Sue Miller whos related to the Ma Attorney General State (Shes a Sara Geller thats a Jealous type that doesnt want Ryan to have a New Hush Puppy as Sara wanted Smiley Face to conquer all Suitors that Moonbeam coming around maken (I Wasnt!) with her Moonbeam face has been setting Ryan ONeil up with over the years and then getting shot down. Now Ryans point Moonbeam sends someone like Ronnin and Ryan walks past the window, sees a girl toss Fingers at a Vancore Arab Ed Munster Hair Caldes and Ryan doesnt walk in (Then) and stop the Wedding and say (You Cant Smell His Fingers, Smell Mine and Take It Up That Shit All Day With Me, Not Ed Munster Caldes) and Ryan didnt go in there and stop the Chelsea Step up Arobics Orange from Ormond Beach ad cause if shes even thinking and participating in any Caldes policy where shes across the table tossen fingers at him and he says (Then I Guess were

all set) when Ryan walks past Ronnins Window and (Then Unfriend for not understanding we dont empower caldes and even sit at the table with him.) Now thats not gonna get me (That Baby) as RYans That Baby the mafia World and Moonbeam kept sending new offers to say He wasnt...now that day, Ryan walked by and didnt ask her to the Ball (She makes I wasnt!) with Moonbeam later. Now Pepper Tree had 4 woman sitting at a Rest in La called the Pink Pepper and Ryan sees this is referenced in the movie The Help with 4 woman at the table with a Bannana Well Ambassador related to me in Jaws Purple sitting at the table and theres Light Purple Lilac colored Maids outfits and Dresses in (The Help and 16 Candles) ===== Now "Lucky" married Shea meaning a Bald Man with Mustache living next to Patty Sanders married a woman named SHea (SHe had Vampire Grey Stripes in her hair and she was related to Regins swipen the charge card at Hess when Ryan was driven a White Pickup Truck. Now part of Pikes Penises Offer at the Meeting is (Cruel Intentions) and Donna has a little Coo chin Mary Caldes relative that still doesnt understand Ryans not her prisoner and that they did something wrong to Ryan that (You Have to Pay For) and Ryan also sees that someone in and tied to The Help which has a Mandy Moore looking at Leafs on a Tree and Cruel Intentions (with the ring reference on the straw) has to do with more than 1 person maken Child Porn look a likes in a Network and plannen to take off with Reese like (Andy in Shawshank and Silence of the Lambs 2 Men with High Five at the end Credits when Hanibal Fury in a peach suit is walken down the street and Aferican Girl hoists a Purse as a Extra as the Extra in Farmer Shorts and they high five. Now Offers of a New Hush Puppy comes from Selma Blair who looks like the Wicked Witch of the West on her IMBD photo **http://www.imdb.com/name/nm0004757/?ref_=tt_cl_t4* <http://www.imdb.com/name/nm0004757/?ref_=tt_cl_t4>* and if you read her bio of one of our most Exciting and Versatile actresses in Hollywood (Ryans So Angry at All the McCartneys related to Pikes Penis simply for there mix of Pikes abusive plan and Angle. Now Ryans meeting Betsy was a situation where Im not sure if people understand what caused all this.*

*===== In Theory Ryans the Baby (Trust Fund) that they wanted Betsy to come and see if she could (Get Sara Geller That Baby) meaning Geller and Phillipe in Cruel Intentions make a Bet to send Ryan Phillipe out to Get that baby which then is played by Selma Blair who plays the Trust Fund Daughter there all trying to get made. Now the Irony that (Little Cindy) has to do with whos Reese Witherspoons side, is I think the Pikes helped Donna Kidnap me as a Baby in 1969 because of the Clinton McCartney Photos in the 60s of them dating Donnas and the Merly Streep version and the Chris Glen Factor was what was in the way and also the Stray (NoBody Touches Ryans Bannana Well!) Well and Glen have (Many Offers to send me to see if a Glen sent to bed me can *Get that Baby* Now Geller a Sue Miller Shakes her Booty and seduces many a men in Hollywood but shes a Goranson mixed with Rita and the Ex wife and has a (Nervous Eye Rita Relative thats in a wheelchair and Smiley Face! Which when you refer to Jessie Obamas photo at Jons Guest Bedroom in his Dartmouth House when he

had it...Smiley Face mexican Geller was on the photo with a Jessie Obama
 (Because she had Cruel Intentions then for Ryans Future, Ruining my life
 and shes a Sista related to Ryan and Rita and Geller who already had Ryans
 Trust Fund Stollen, Switched and cleaned out. Now Jessie (Creepy Eyebrow
 Lucas) was a Navy Person tied to a Movie called Wild Things with Denise
 Richards and Nev Tyler about Lesbians planning to sail off with (Andy) in
 the Shawshank Car later when they obtained (That Baby) whos not Thats it
 and also got rid of all evidence of the past and replaced everyone in Ma
 that can Testify RYan didnt drown someone that day on Belmedias and there
 was (Two Incidents on the Rocks and Ryan says I suspect down near Peter
 Wongs and Twisty Dip Ice Creams SHop that was across from a Dike wall (A
 Murder happened that caused the Chinks to come up the beach and toss Rocks
 at me after 1975 Arrowhead Happened which looks like Jaws Billboard and
 (She wanted to get rid of the woman that looks like Ryan on the Billboard,
 but thats not who tossed the rocks at me and thats before it happened. Now
 The Help has a seen with Octavio "Platipuss" Spencer in near Maple Street
 and a Maid gets on the bus when Octavio looks at a Maple Street Sign behind
 them and (Its a Reference to the Park seen in The Generals Daughter when a
 woman passes with a Booty) and then during the Help thats what they were
 refering to and a Maid gets on a School Bus that says 71 on it and thats a
 reference to 16 Candles and the Bus with Ringwald and RYan as a Kid at 3-4
 waiting for a Bus when I was outside waiting to go to Condon school up the
 road where Goodman Retarded Coo Chin Liberachi Fun Muppet was apparently
 and someone that the Little Girl in Rocky V with a See you later Backpack
 and Jean Jacket theft see you later plan came from. Now Ryans point is Beca
 knows for a brief period of time when Ryan left Staples and moved to Ca
 Ryan had Street Mafia Status that Cruise and Portmans like THE PProfessional
 knew about and people in the Street World treated RYan like a Mafia Don on
 the streets (Its Hard to explain, but there is a street mafia Don status
 even for people homeless cause they dont know if your undercover. Now Ryans
 point (The Professional El) has a Frenchy whos tied to Senra shaken Grey
 Socks when El in that movie goes into a Room and takes a Shower. When Ryan
 was on the Rocks as a Kid and the Chinks Tossed Rocks at me and a friend, I
 hesitated when the 1 in front slipped into the Water and I went over, as
 she back peddled (Doggy Style Swim) and said, Help, My Father didnt teach
 me to swim. THis happened after 7 year old Steps incident happened when the
 Pointer Wood B said (Your Mother, Has a Wooden Leg with a Kick Stand) and
 in The Help the school bus has a 71 Number on the side, when the maid
 climbs up the steps. Now someone needed (Seven) years old supporter of Ryan
 to fall (Who Knew RYan didnt push that kid down the steps and that also had
 more than 1 incident. Now why this matters Ringwald in 1 of her movies says
 I didnt slip.....she thinks, thought or was told Ryan pushed the oriental
 Girl in the water and someone tied to Justine says thats what happened. The
 Oriental Girl (DId Not Get Pushed and when she went in (Not far from Shore,
 Ryan went over and hesitated cause I had Socks and Shoes on and jumped in
 and pulled her out, My Friend went off and they left and I went up to
 Belmedias Cottage and (Took a Shower) and someone in The Professional knew
 that happened. Now a Dick Cheney or someone else said Ryan left (With
 Friend and her Friend) and she drowned or someone else took her out of the
 water and she had a Heart Attack and there version is (Its Cold and Winter)
 and Donna showed me a Photo that has a man alone on the Rocks in a grey
 Coat and hes alone in a Perfect Storm and she says (Do You Know Who This Is

and Donna knows that's not Ryan in a coat and he has a Kevin Smith Mook Body Posture. Now why this matters, Sherman High is what Ringwald in the End of the Breakfast Club comes out of and on the steps and Belmedia used to Drink High Balls. Donna said she wanted a High Ball and that's what she meant. Al Sherman (Singer of a Camp Song Called Hello Mudder, Hello Fadder planned this out and that's what caused both incidents in sequence.

===== Now Ryan says WallPaper has Symbols in Both Movies and there's a African woman in the Help who's a maid that says I want to (Ask You Something and mentioned my Twin Boys Graduated with Honors) and the African maid looks at a Marchand and makes a Face Without a Loan and Cesar Sakay at Art Institute made comments about losing a Stafford Loan and he had to quit school. Now 1977 Knows Ryan didn't push the kid down the steps *Though I didn't understand what really happened that day as I was with a Friend* and someone had Water toss happen as a Follow up to Mother (Becoming Father) and RYan knows that Oriental Didn't drown and if she had, her Friend and the kid with me would have freaked and there would have been cops and Ambulances coming to the cottage beach. Now Al Shermans song HELLO Mother and Hello Father *

https://www.youtube.com/watch?v=9jjiWS__Mp0
<https://www.youtube.com/watch?v=9jjiWS__Mp0>* has Sipping Diner Straws and he's related to me and Angel Borges who's running Ryans apt complex and treats me like he's trying to kick Ryan Out and Breakfast Club *there's two levels of steps* for a reason, it represents someone that wanted to swap Places later on and Ringwald on the Land Line Phone in Pretty In Pink makes a comment, I didn't slip (She's talking about the Rocks and Del Pacheco with the Oriental Outfit Told her that back then. Now Breakfast Steps and Sherman High **<https://www.youtube.com/watch?v=daU1TYL2ySs>*
<<https://www.youtube.com/watch?v=daU1TYL2ySs>>* has Judd Move Left to Right and Right to left and he has the Grey Wool Coat that's similar to DONnas Polaroid of someone on the Belmedia Rocks alone in what looks like a Winter Storm and Anthony Mike Hall has Maroon Scarf and someone else has a Yellow McDonalds Scarf tied to Clint Eastwood Dirty Harry Bag. *

* ===== Now Coke Bottles in The Help with a Marchand that plays a ditys Bannana Well part in a seen has to do with what all happened. When Ryan left Staples inc in 1997 someone fired me with Cruel Intentions and had a Can You, Get Me that Baby. Now Betsy knows when we met, someone told her to meet me with a think you can get me that baby (Forest Gump strip Club get at that ass white undies and towel understands what that means) Now Betsy might argue and what's holding up the rip up the rump is Ryan had Al Pachino All Day back then on RYans side before that (Fucken Fredo Godfather if he's alive sold my ass out to the mexicans and negros when he retired and didn't explain Ryans case file and now the Kardashians with the Vespa Booty English But on the back of a Vespa had in her possession in the Field with a Party Dance at the time. Now Ryans point is that Ryan might have a theory Ryans meeting had a senerio with Betsy of (Can You Get Me that Baby) as in me asking her and she might have been taken aback by that prospect at the table...Meaning Justine and Ryan P sent her with Garland and Geller as a (Scout) to see if they could get me that baby for one of them. Now then it might have been Moonbeam, Mary Caldes Coo Chins related to Donna and Rita couldn't get All Day Deal or No

Deal or a Geller Goranson Ass Booty on the phone or it was a Hush Puppy thats still in the field that hasnt yet come over to Ryan directly thats a Ringwald McCartney that was sucken From the straw in Cruel Intentions and needed the Baby then to become her baby for a Pikes Penis related to (There side which is sunken Selma Blair Eyes) and Emporor Eyes. Now Ryan says I dont know if Betsy is alive and reads letters But does she understand who at the table wanted to Get Me THat Baby! and Does she understand the person that put a Ring with a pattern like the Straw in Cruel Intentions on the bed seen and Rusty Hair pins, Penny and Skin all past to the left....RYan thinks I know why. Theres a Beedy Eye Anne Hathaway Pike thats also a Smagetz thats come around me at Bus Stations and she didnt want me to have Forest Gumper Undies and White Undies.....shes a Pike, related to a Betsy, but only 10% Betsy and the rest is Pedro and Little Big Eyes Side Greeks. *

*===== Now theres a Brents Drugs in The Help and Brent was a Williams Bono at Stop and Shop who was a Mustang Robin Colcort at Stop and Shop and a sufle teeth (Brent has someone broadcasting in RYans head) and theres a Brent in the broadcast and Ryan sees there was a Car accident when Ryan was 4 years old and it affected someone to the point they snapped. I also see the Help has a comment when the cast is drinking and eating at a Diner Brents Drugs and 1 of them says (Your Mother, Convinced Us) and that means someone on the steps needed to convince someone that Ryan was the Drown Rocks case, that I think happened 1975 or another time Ryan was not on the Belmedia Rocks and Belmedia wanted High Balls (A Alcohol Drink) and Donna would make comments when I was a kid High Ball. Lucille Ball was a Belmedia and she would let them see the Breakfast Clubs Hidden half sibling whos younger and was at Ryans Al Paine Birthday party when I lived next to Pikes Penis who was at the Party. Donnas photo is tied to Judd Nelson and the Football Stadium at the end and the goal Post thats wrapped in Electrical Tape and Ryans apt has a Egg Trey inside the heat and water Blower closet that had a (Seven Pitt Midget and Freeman SwitchBlade Cut) out in the electrical Egg Carton Control Panels and theres a reason why.....someone was gonna kidnap a Kid (Tied to the Ring and Items in the closet and all 4 Items on the left side looking in are the pass side and the Ring with the straw pattern was the only thing left on the right side. Now Ryans point, after Ryan left the Rocks and went for a Shower (Something may have happened and someone came along and had a idea) and Ryan also thinks the Egg Carton is connected to Breakfast Club Judd and the Grey Poloroid Coat that Donna showed me in a Perfect Storm Photo of a person alone on the rocks and its the only person on the rocks. Mary Liz in Perfect Storm is loading Yellow McDonalds Jaws Barrels and I think thats Depth Charge References with the barrels. Now Ryans point someone in The Professional had (Frenchy Senra Shake Socks on the bed the way Peyton Manning does in Directv commercials and I know that referes to a wheelchair person and someone back in THe Professional Wanted to move White Socks to Ny or NJ were El brings and planted the Plant tied to ET and Excedrin and why this matters, the people on the steps where she moves (1 of them might be a mask wearing family member) and Ryan thinks the Grey socks comes from the Grey Coat on the rocks photo thats also in The Hunt for Red October and

theres a Photo taken *Implied someone has in a classified dept that involved the day someone was on the rocks when someone drowned in the winter and its not RYan in the photo and its connected to the Poloroid Donna showed me. Another thing, Donna had me come out with Del her aunt (Rosemarys Baby Rocken the Crib in the end seen when Rosemarys Thru the Closet aka Veronicas Closet as Well has many sistas in the closet that dont have to do with a Frame Job Ring, though I suspect she knows at least 1 person maken Child Porn that she could hire to make a look a like if Wells Mafia side was threatened. Now Rosemarys Go Back to Bed seen *

<https://www.youtube.com/watch?v=Kv3p8klyqLI>
 <<https://www.youtube.com/watch?v=Kv3p8klyqLI>>* was a plan back then to abuse people like Ryan with a Cult of Dels and Borenatz Sweet Asses for life because they switched me in the crib and Ryan was weather people understand this (Rosemarys Baby) and now Ryan need to know who put the items in Ryans closet as all 5 items are sleeper look a like child porns made in this apt and previous ones that someone tied to Silence of the Lambs Credits smacken High Five retiring and completing a contract for life cause my Grandfather put DONna in a Ivy Tower and she was not talking about Tony Pacheco. Ryan thinks they have to arrest Anna Kendrick and the person thats in her new movie that makes a comment, he died, Twice. Now Ryan sees*

* ===== Ryan sees there is a Jody Foster thats in a Wheelchair that wants to stop Ryans Weekly Payment with a Donna thats sick and a Moonpie and she put me in a Broadcast that has a Larry Carlise weeble and Stallone and Lincoln Catfish thats like David Valaro the Congressman, except hes a Anthony Andrews thats like the Anthony that was at Lowes and made a comment, IM Trying to Make You Laugh...Anthony was a Gap Tooth Sergeant whos a Lincoln Flutter FLutter with Gappy Teeth and Ryan sees theres gonna be world war 2 because Donna and those that put the broadcast on RYan dont understand Donnas Greek Little Big Eye Dels and a Roman Polansky Muppet cant Broadcast in Ryans head to ruin Ryan from Getting That Baby. Now Maria Antonio would make comments *In Case I Have Money* and Thats My Baby and other comments that are angry Disgruntle Portuguessa and I think someone in the Help and Cruel Intentions put the Broadcast on me with Donna and a Stafford thats a Anthony Andrews who assembles a bunch of Gilda Radner Misfits related to Donnas Coo Chin side. Now Zoey RIngwalds retarded Daughter whos tied to Deal or No Deal Audience who made a comment (Then Jay Gets THat Ass when a Model was on Stage when Cavanaugh Rachel was on stage with someone else that Ryan couldnt see that day, cause I didnt have glasses back then. Now All Day if you want her comes with Zoey Ringwalds and the Retards and they are willing to take all Day and shes a slob in bed that has a Donkey Ass, and the Help has a seen where a Maid (Aferican Tosses a White Towel into a sink thats connected to Ryans westport house and a Richie came into Ryans House with a Jay Dean that was Sick and looks like me, leaned against the sink and was a spitting image of the Birthday Card Signed at Staples (The Person who signed that card and hid there middle name Killed someone and was the Drown persons conasore. ===== Now Ryans point, Ryans been told someone picked up Betsy already and she took it up that ass all day already till it was Ripe Sore

and based on no service people around me, it appears something happened to Betsy McClellan and Forest Gump Strip Club Undies understands what I mean, There is also a Roman Polansky Muppet thats a Greek with Eyes like Gear and there is a Foster thats in the broadcast thats sayen someone released a Child Porn Online that looks so much like RYan there getting nervous. Theres a Liberty Mutual Commercial thats online that has a Well Bannana Hillery in front of the Statute of Liberty with Blood Shot eyes maken comments about But and ass indirectly and theres a Carlise thats in the BRoadcast who doesnt understand nor does Chris Glen that DONna and Obama have to have it explained to them that Little Nervous Drew Barrymore Greek Hogan Retarded Androgenous Ritas Sister in a Wheelchair whos a Candice Ryder thats got Frizzy hair doesnt understand its a Crime to abuse Ryan and make me hear the Broadcast of Handicapped people in wheelchairs. They also dont understand that DONna and Obama have to have Congressman and Senators come into a Room with Obama, Geithers, Comeys and Loretta and Eric Holder Jr and explain that Social Security isnt gonna allow Ritas relatives and Donnas and Hogan to put a Hold on Ryans payments or Rent cause some wheelchair Stallone, Donna and Hogan doesnt understand Ryans not his prisoner and Activity for some retards in wheelchairs that dont understand making Ryan hear the Broadcast is something (There Going to Fucking Prison For Putting On Me) and the people in the Broadcast want to be able to kick me off Social Security and abuse me and they dont understand what they are doing to me and did to others is a crime and not there right. Now as for the meeting with B can she confirm or deny that we met and shes was told by Geller and Phillpe and Demi Moore to see if they could Get that baby in a Cruel Intentions manor and does she understand what Baby Ryans trying to get to agree to come over in heels and a Trenchcoat and take up that can all day till it cant be handled anymore on a Gimp Chain and that Rita has a Cathy Issac Paul Stanley Drew Barrymore Frizzy West broadcasting in Ryans head with a Pinto and Pacheco thats a Nervous Italian Pacheco connected to the father in Pretty in Pink and he doesnt understand nor does Donna that RYan (Doesnt want a Frizzy Rita Broadcasting in Ryans head whos father is a Hogan and he did this to me with Donna cause I dont want Her and they want the Help thats not been found in the Field thats not a Creepy Rita. *

*Well, Ryan sees that Donna and Loretta Lynch dont understand the retarded Panda Bears (Related to the Greek Hogans and Rooster Cognines who look like Congressman Gregory Meeks **<http://meeks.house.gov/> * <<http://meeks.house.gov/>> * and there are Eric Holder Jrs and Portmans in the world related to DONna and (Rooster Cognine who have faces like Gregory Meeks nose and features, but are bald Mansons and Milados who have Gummy Teeth like Danny Ayella whos connected to Congressman Ron Pacheco in Ma, Now someone has the Professional with Natalie Portman on SUNDANCE today and Ryan sees what happened and why. Hogans (Saboobadas like the Aferican woman thats in RYans apt want to say Ryan drowned a Antonio or Ela Mean like the Frizzy Helen Hunt Retard thats on the Billboard of the Jaws Billboard in 1975. (Donna took me to a Rock Wall like the Belmedia and Shawshank Wall in 1975 and said, (Look, I found an Arrowhead) and put a Slade Rock like the one Morgan Freeman had in Shawshank with the Titanic Rock. Now Elanor is in a seen in The Professional taken a Shower (with Frenchy Senra Bald man shaken socks and feet on a Bed.) Elanor and Antonio know Ryans incident was not 1975 but later and that when some Oriental Girl whos Generic White

Features are like a Johnny Depp tossed Rocks at me and a Friend, Ryan hesitated for a minute when she sipped in and then Jumped in with Clothes on and pulled her out of the water. She made a comment of "Help, My Father, Didnt Teach Me to Swim. Now 3 Doors Down *

<https://www.youtube.com/watch?v=xPU8OAjjS4k>
<<https://www.youtube.com/watch?v=xPU8OAjjS4k>>

* and My Kryptonite and the old man (Blowing a Horn at the Begging which represents Ryan at 4 Years old on a Port a Potty (Which is what kids use at 4 Years old to train kids to take a shit in the Toilet.) Now theres a Apartment 4 D in the Professional and Elanor in the movie with Masked Men (Tied to Dirty Harry) and the Red Mask (Switched to Black SKi Masks in the Professional (They are the people who planned to arrive at Charleston House Place and Arrest Ryan for a (Sleeper Crime Later) that Donnass Retarded Linda Lavin Greek Moonpie head relative abusing me, making me hear the Broadcast with a Kachaka Kachaka El and Donna made a comment to me (Im after 12) and The Professional with a seen that has a Masked man about to shoot a Gun makes a comment as *Frenchy Tells El to Go* and she starts blabben no and they shoot a Hand Grenade RPG through the walls and blows up a Building. Now RYan sees back then, Ryan was supposed to make a El that looks like her and In-House in the mafia World and Ryans being abused (Present Day) by someone who didnt want Ryan to make a Goranson whos connected to Portmans on the Tom Pacheco side. Now Palentano sounding person kept sending some man around Ryans apt in the past months Maken (No Comments) and thats whos behind the Professional El (No Drama Seen) and Ryan sees theres a Slee Slab El thats Broadcasting in RYans head whos a Gummy Iranian Wyaat looking skin El with a Pacheco related to Tony Pacheco and Italian Pintos who with Donna are covering up whats been done to RYan ONEils life by Staples people and someone who wanted to move Ryan into Charleston House Way to abuse me and make me sick. Now The Professional has a person with a Hand that sticks up all Bloody and Red and (Ryan says the people that came down Belmedias Beach and tossed a Rock at me had a previous 1975 Problem that led to them wanting to come toss Rocks at Ryan. ===== Now Ryans point, Today, Ryans not gonna spend allot of Time calling and complaining and Ryan sees (Charleston House Place) is supposed to be a Grave for people that move into the Place and the French man thats guarding Elanor in The Professional at the end when she takes off with a Plant and Frenchy gets shot by Oldham in the back and Danny Aiella *

<http://www.imdb.com/name/nm0000732/mediaviewer/rm2077268736>
<<http://www.imdb.com/name/nm0000732/mediaviewer/rm2077268736>>* and Gummy Teeth versions of Danny that have Iranian and Gummy Teeth like Wyaat and RYan sees what happened is in 1975 (Jaws Billboard Retarded Honey) on the Billboard shes a (Sabubala Water Case) and thats (Not Who Through a Rock At Ryan) but I dont think the Retarded Honey Drowned in 1975, I think shes a Ugly Greek Helen Hunt with Frizzy Hair that had some heart attack and ended up on some beach and (She is Broadcasting in Ryans head) and Johnny Depp is a Genrica Chink thats not a Frizzy and Jap and CHinese. Now what happened to Ryan (David Borenetz and a Lincol Carl Yaz (Number 8 Police Car thats outside the Professional Apt when Frenchy in The Professional gets shot and the Number 8 Police car is outside. Now The Bone Collector is being put in SUNDANCE after The Professional and has Lincoln Rymes (R Has Your Meeting

Engaged Sat) and RYan is (Very Tired Today and been taken the Fucken Abuse of a Lance Hendrickson, My Dad El Amber whos a Iranian with Iranian Pale Skin, connected to Sarmentos and Staples People who been maken me listen to Helen Hunts (Sarmento Emporor and Linda Lavin Retards in Wheelchairs and a Amber Greek and Italian Gummy El for 6 Years with a Obama and someone tied to the Bone Collector (They Did Something wrong to Ryan with a Paul Stanley, Stallone and Borenatz thats in a Wheelchair thats a Retarded Lincoln Flutter Stallone and Anthony Andrews. Now they and Donna Turned the Broadcast on 6 years ago in 2012 and have been abusing Ryan ONeil with Donna and a Ugly Caldes that has Benetio Mouselini Caldes Cheeks and Features *

[and Mouselini \(ITalian Dicator has many Caldes SMOOTHY Bubble Lip Relatives and Ryan sees 1 of the Els whos a short Gummy Tooth whos father or relatives in the CIA or National Security with a Chee Kee Kee Stallone Sarmento put the Broadcast on Ryans head and did this to me to \(Abuse me with people in wheelchairs which includes a Machio Stenberg from Karate Kid \(Connected to KG Penny\) on the left side with Skin under the Penny. The Professional El \(Has PP Biter Split Hair Design thats in the In-House Hair design of the comforter that Donna gave me with Twins \(Pushed down below the Jaws Flower Bikini Purple Kurchief thats in Larry on the Beach and theres a NY cop thats in a seen of the Professional thats in a Purple Shirt when Elanors *Twin* passes him and he pushes her shirt and says keep this one going. Now someone will say a Antonio El like her or the person thats on the Jaws Billboard tossed the Rock at Ryan and Drowned. Thats what a Stallone Chee Kee Kee Hippopotomus broadcasting in Ryans head wants to say \(Hes not who tossed the Rock at me, hes an asshole whos abusing me cause hes in a Wheelchair and doesnt understand RYan doesnt want Frizzy Lizzy Honey Rita. Now RYan is tired and I want the Inspector Generals office to \(Arrest the Stallone, Donna and Gummy Toths that have been abusing me for 6 Years with the Broadcast in my head that is \(NOT LEGAL\) to make me hear and the Stallone whos a Retarded Pachino thats tied to Tracy Varges and has a Move around retarded Lazy eye and Mielos Teeth \(He did Something wrong to Ryan thats a crime and he and Donna have to Answer with Lisa Dalamore for the Crimes and Charges of using the Broadcast on people which is \(NOT LEGAL TO DO\) Now while someone thinks \(Chee Kee Kee and Prince Charles Stallone Flutter Anthony Andrews Gap Tooth\) are gonna cover up what Donna, Some of the Kerry Marchands did to Ryan maken me hear the Broadcast inside my head with a Belmedia Body and Bill Fey. Ryan wants Donna and Obama to clerify who says there is a person Drowned in NB on Belmedias Beach and what Year,](https://www.google.com/search?q=benito+mussolini&biw=1238&bih=522&tbm=isch&imgil=9HfONSzwRCFTUM%253A%253BIBGvL0a-LX5R_M%253Bhttps%25253A%25252F%25252Fwar2war.wordpress.com%25252F2016%25252F04%25252F28%25252Fbenito-mussolini%25252F&source=iu&pf=m&fir=9HfONSzwRCFTUM%253A%252CIBGvL0a-LX5R_M%252C_&usg=__12HcqHDxnnpkVv5LyiKEf5iTBWc%3D&ved=0ahUKEwi-gsSq483NAhVMGh4KHXC_AIIQyjcIjAE&ei=XAd0V77kFcy0ePD-gpAl#imgrc=zfbGgNLckWFJyM%3A*<https://www.google.com/search?q=benito+mussolini&biw=1238&bih=522&tbm=isch&imgil=9HfONSzwRCFTUM%253A%253BIBGvL0a-LX5R_M%253Bhttps%25253A%25252F%25252Fwar2war.wordpress.com%25252F2016%25252F04%25252F28%25252Fbenito-mussolini%25252F&source=iu&pf=m&fir=9HfONSzwRCFTUM%253A%252CIBGvL0a-LX5R_M%252C_&usg=__12HcqHDxnnpkVv5LyiKEf5iTBWc%3D&ved=0ahUKEwi-gsSq483NAhVMGh4KHXC_AIIQyjcIjAE&ei=XAd0V77kFcy0ePD-gpAl></p></div><div data-bbox=)

they claim it happened and who they alleged is the Victim. 1 thing RYan does know in 1975 when Donna took me to Newport, RI, on the Beaches and Mansions and to the Field thats like *Retarded Honey on the Billboards Field when she wanted to switch places with the Other womans face (Ryans Face and Family side) thats not when Ryan had a Belmedia on the Rocks issue....(Thats Before It Happened and Donna wanted to give me a Coal Slade Rock Arrow head that some will say is a AL Paine reference. Now, 1975 was also the Revalutionary War ReCreation battle in NEwport on a Field like that, where the Troops landed and marched up after English War Ships landed and marched up the hill in a line and had a Recreation battle that happens only every 100 Years (BiCentenial) and Ryan now sees (Frenchy Senra in The Professional and someone at a Los Angeles, Ca Supermarket I worked in near Beverly Hills a small Market thats like a Donelans in Ca (Had Brooks Hadelin Come into the Market Meaning the Actor that played the Old Librarian in The Shawshank ReDemption) He came in a Supermarket RYan was working at, in the Produce Dept and so did (Frenchy and some Girl) he was with back when I was in Ca and got a part Time Job worken at a Market thats like a Farmers Market Grocery Store. Now, RYan sees the Ed Senra Muppet thats a Loretta Lynch with Muppet Features is trying to get Ryan Arrested or Baker acted (After years of Sending people to hassle and abuse me and some Port a Potties were related to Ryans line or Portmans when My Dad Amber Els (Were Not Directly and My Dad Needed a Marlyn Monroe when she was interviewed for the Professional. Believe it or not, My Dad El (Amber El) is not the same as the Portman thats in the Professional if you look closely. My Dad El was a Amber Italian El*

*===== Now Ryans point is Ryans trying to understand if Stallones Retards and Hogans Retards that are Pacheco Mush Moogies (Think Ryan tossed a Rock at Belmedias Rica Cottage in 1975 and they think the Oriental Girl was a El or Antonio and Drowned or if 1975 a Drown happened, that was not a Drowning but a Candice Ryder Retarded Roger Daultry whos a Panda Bear Retard thats broadcasting in RYans head and is a Sarandon Muppet Helen Keller that Ryan suspects was Classified Intelligence in the 70s and 80s and people think shes dead, when shes the Retard thats on the Jaws Billboard maken Help Shark Comments as a Cartoon with Pop Eyes. Now why this matters, Ryan knows Im a First Portman line thats (Different from other Portmans and RightFull McDonalds and Vespa Owners kid that Donna and Sly the Sarmento side dont want anyone to know Donna switched me and took me from 4 twin brothers. Now Ryans being abused because of 1975 Jaws and Jaws 2 that has a Joe Costa Cruise on the Rocks with Cable Junction and the Shark that comes up and bites the cable and says (Show Me Your Teeth) and Tom Stemberg at Staples came and planted a Tree in the yard outside a Business at Staples like (The Professional) back when I worked for Staples. Back then, there was a portman in the CIA or Intelligence world that was involved with Ryans life that was Normal and knew RYans case file (SOmething has happened and people dont understand Donna has a Linda Lavin Pike Moonpie Head relative thats a Greek Chia with Stuart Copeland Lips and shes abusing me and the Sting song in (The Professional) at the End in the Credits doesnt straighten out anything in there case file about what Im

explaining as the Sanders family doesnt give a Rats ass about Ryan anymore
or there too old and week to stop Donna and Obamas Broadcast and may have a
Sanders (Betraying the rest inside the Broadcast)

===== Now Anthony Andrews at Lowes whos a
Gap tooth tied to Richard Shaw in Jaws and has Paul Mederious Features
approached me and said (Im Trying To Make U Laugh) and he was also a
Sergent related to the slee slab Gap side and the (Sandwich) in Ca At Carls
Jr Restraunt when I was in C & C Internet Cafe and saw the Oreo Cookie
Video online of someone forced to wear the Frizzy Lizzy Wig in some
basement (Made a comment when a mexican at the computer was looking at the
video of a Cacaussian in what looks like the Tan Basement that Krystal in
American Curves is touching the wall in *American Curves with Rebecca
Grant)* on another page in White Bikini down on the knees like (The Game)
and Mike Douglas is related to the Jeff Antonio Pachino Retarded Stallone
thats Broadcasting in RYans head whos slow and has Mike Douglas Mielos
Teeth. Meaning, look at Mike Douglas Teeth and Jowels and CHin (Hes a Miela
Antonio and has Italian Parelel Relatives abusing RYan with a Marly
Dickinson PEdro thats a Retarded Pinto that doesnt understand hes done
something wrong to RYan with Donna thats Federal Crime and not legal. The
Plant being moved to NY and the place that The Professional Ending has
Elanor Plant the Plant (One of the Kids on the steps is part of a Family
Nuclues maken Child Porn and Framen Ryan and Stemberg Planted the plant at
Staples in the Buildings yard he had a Tree Planting ceremony. *

https://www.youtube.com/watch?v=9sU_71Yht0U
<https://www.youtube.com/watch?v=9sU_71Yht0U>

* ===== Now Ryan sees what happened is a Mystery and
that there is a Weasel Helen Hunt Sarmento thats in the Broadcast who
doesnt look like Helen but bops and jumps around the way Emporor Palpetine
in (Star Wars Phantom Menace) The Comment, I think well be OK is because OK
Port in Ca came through Ryans Turnstyle Booth when I worked in the Seider
Seinied Hospital Parking Garage on the 1st floor and Ok Port came thru
RYans Booth and a Drew Barrymore whos a Chubby Sloth Seven side, came thru
with a Friend driving and she paid and was a (The Usual Suspects Booking
Number Relative) meaning she looks like the Black Aferican woman thats in
the movie The Ususal Suspects and holding up a Booking number and she came
through the Booth with OK Port in the back seat, Dressed in Emporor Black
and all Black and she looked Sickly. (She might have been a water victem
thats not dead, but reported with Intelligence people she died.) and Thats
partially what the (Switch Is about.) RYans point Stemberg at Staples
(Planted the Tree) outside the Building in Westwood next to Framingham when
I worked there and this was connected to (The Professionals Ending) credits
above and planting a Tree at the NY Over the skyline (Perhaps NJ across the
Liberty Park River) RYans being set up for a Drowning case thats 1975 Jaws
and Donnas Arrowhead was tied to a Rock Wall (Like Belmedias that someone
comes and tosses a Rock at me years later and they wrote it into THE
Shawshank Redemption with the Titanic (Winslet Reference) and Ryan thinks
the Short mexican WInsllet is trying to get me arrested for a 75 Drown
incident or a later one that happened because of 1975 Drown Incident.
Theres Ugly Panda bears and a Sygonerney Weaver thats a Mielos Panda Bear
Teeth thats abusing Ryan with (Senras who are related to Frenchy in the
Professional) who doesnt underatand Ryans not Jon Senra and Rita and Donnas

Prisoner and a Manson Hogan thats a Milado thats tied to Greg Meeks and Rooster and Roosters (They have Bulpy Noses like Greg Meeks and Vern Miller Features)*

* Ryans point Ryans being abused and its against the law to Broadcast in a persons head, even if they did drown a person and Ryan sees (Johnny Depp) is tied to 1975 Yellow Jaws Barrels and Depth Charges. Now Mary Liz Mastrantoni in Perfect Storm wanted to load a Jaws Yellow Barrel then and take off the way 2 men loading SHaws Boat hoist a Duffle Bag. Ryan sees what happened is the Retarded Rumsfelds and Honey Ringwald Greeks want to hassle Ryan with a Thats It Retard and Donnas Belmedia Body Sloth people and little Greek Panda BEars and a Little Rosey thats a TRacy Varges Nervous in the Broadcast. Now 16 Candles has Dong whos a slope Glen, but not the kind that tossed Rocks at me and he falls out of a Tree with a Coat Wrapped around his waist connected to Patty Sanders 60s Photo of her touchen her Waist and Belt Scarf around her waist. Dong and someone fall out of a Tree and Ryans point is that someone planned to make a switch with a Twin thats tied to the Ryan look a like with a Tracy Varges thats on the photo on the end table of the 16 Candles Grandparents and thats connected to Dirty Harry Photos of a Cherly Perry backing up a Celia on the End Table in a seen of Dirty Harry. RYans point Ryans being abused by Donna and Rita and a Elaine Bromka from Uncle Buck because Ryan doesnt want Little Cindy or a Retarded Honey Geither Greek Rita and they all wanted Ryans Princess Crown B DD breasted Stage model and there maken Comments Betsy got picked up by Donnas, Glen or a Putin. RYan says I see that someone coming thru the Booth at Seider Sienied where a Little Party Nurse with Frizzy Hair was worken (Planned to switch off with me and OK Port.) RYan says This needs further investigation and its clear something happened to Stings people and Tony Sanders where he doesnt correct Donna abusing me anymore, which means a Sanders is bangen Ryans Princess Stage model or Tony Died and he doesnt have anyone in the Field Federally anymore that can explain to Donna, Rita and OBamas people what there doing to me is a Crime and Wrong. Now Ryans gonna take a nap today, I been exhausted and sick of hearing Donnas Broadcast. WHen I wake, Im gonna start calling people till they idenify all those involved and (Arrest them and Chee Kee Kee for making me hear the Broadcast and find out who made Ryans baby and toss him right in a Dunk Tank with everyone in media that covered up what Donna and Lisa and Tamara did to me. Well, Ryan has "Theories" about whats causing allot of this to happen and that many years ago Ryan was walking to the FBI office in Daytona Beach, FL across the bridge and Ryan was on a road and came to a Pauley Shore (Vancore) behind a Electrical Truck and he had a (Slow) construction sign. Now Ryan realized this was a reference to the Alicia Goranson Photo on the back of the Pickup truck and (Swap Head) and Ryan says Pauleys Slow may be connected to Kick the Can Oesting Street Kids and a TC showed up on the Bus today thats a Aferican Tyrone Pina and Ms Pina and (She was a Moonpie related to TC) and she sits on the Right side bus. Now (\$50) dollars in Training Day was a Buried Old \$50 Dollar Bill with Go Tee and Garth Brooks and Bruce Springsteins type of Little Go tee (Hair under Lip) and the Old \$50 in Training Day looks like a Ryan Ethan Hawke

and Ryan combined with Costner from (Dances With Wolves) Northern Union Soilder. Now RYan says TC only shows up when it comes to (Canada and Co Lip Rick from BCC and Poloroid at BCC with New Sweater! Now RYans all of a Sudden Nautious today and I suspect its from getting Ice in a Soda Machine. Now RYan realizes there is a (Gummy Polansky Muppet thats Broadcasting in RYans head thats a Crow Colored Skin tone and (AMC) had a Bruce Lee movie on (Enter the Dragon) and now Gladiator on and either Joquim Phoenix Pike thinks hes to make Ryans Princess Crown, or he thinks Im about to enter into a Fight to the Death with a Pikes Penis side Competitor. Now Ryans point is Jones Beach is on the other side of the Town line (Orphons Line) and the Penny with skin with 8MM Canadian Maple Leafs with Queen Liz Regina II on front with Skin under the 8MM penny looking inside the closet Door track which may be a Town Line (Motive) of cant get off the Belmedia and Jon Rica Town Line wall between Dartmouth and New Bedford, Ma line. Belmedia Pachecos Cottage was on the New Bedford, Ma line and Dartmouth was Jones Beach, where Ryan tried to kiss the Beach Baby and Orphan Greys chased me off with a comment, Mess with 1 of Us, Mess with Us All. Now Ryan sees Donnas (Sick) and someone today got something into Ryans Body via Poison in Ice or Food that made me Nautious or Ryans Nautious Right Now. ===== Now what does (Slow Down Really mean) and keep in mind Russel Crowes (Gummy, Sala Mae side) with Iranian flutter flutter skin tone tied to Sala Mae and Wyaat (Iranians Put the Nanites in me at Henderson Clinic,) meaning a Murder of Crows Sarmento Iranian came out of a Room when they checked me into Stuart Marchman Clinic and a Leo Meehen Gordan Kaye was wiping down the White Dry Erase Board and it had Bryan on the names and list and he says, Thanks for Giving Me the Narc List. Now also understand that Regina Portman Onasis (Likes Side and Judy Garland tied to Wicked Witch of West Vs East and Sala Mae Garland side (Gummy Yeagh ELs with Dark Blankened Teeth) and Ryan thinks since Sabubala and someone have been pushen the Drowning comments that a (Sala Mae Gummy Dot Ok El broadcasting in RYans head, tied to Junior Carvalough and Ozzie Osborne whos gonna say, the 2 Semi Slopes tossen Rocks at Belmedias Beach, were in any way Gummy Teeth people and someones gonna claim that the Rock tosser was Drowned (Closest to me at the End of the Rocks.) Her Friend wanted to lead Ryan down to the End of the Rocks (Penninsula) and Ryan theorizes why. When In Stuart Marchman, a Kate Winslet did a Vincent Hair Swoop at the Reception desk as Gordan Kaye Greek makes a comment about (Thanks For Giving Me the Narc List) and he wiped down Names on the Narc List as Kate-Regina does a Color of Money Hair Swoop Vincent. *

*Now Ryan also sees a Ruanne on the Side of a Delivery Truck pass me today and and thats Off Track, Bedding Ruanna who would Click the Lamp Handle pull down cord and say (Every Night) and Ryan says Betsy and 1 of the Zoeys were in theory (Slow and Slightly Retarded) and a Little Big Eyes Sue Pedro was on the Bus today with (Arabic Sue Pedro Hair) and Little Big Eye Glasses and a Handler and Babysitter whos a Special Olympics Shirt person and he looks like the Taylor (Lance Hendrickson) thats in Gladiator that in a seen, grabs a Cobblers Sword (Different from the White Ivy Sword with a Special Design (Forest Up Becas Dumper Undies) and the theory is Harrison Fords (The Cup of Christ and Choose Wisely) and 1 Cup is a Cobbles Cup and

there are others with Jewels and its about the Fountain of Youth if someone chooses the Right Cup, that Jesus drank from before death or in life and anyone that drinks from the Cup will be healed by God. Joquim Phoenix in (Gladiator) drinks from a Cup with a Annete Benning dressed as a Roman Emperors Taylore Bride and Princess and shes Dark Obsession side and this is a (Bitter Face Off Motive) between me and Pikes Penis side. Now Ryans got (Theory on a song by Juvenile *

<https://www.youtube.com/watch?v=dXTBbM21plg>

<<https://www.youtube.com/watch?v=dXTBbM21plg>>

*) called Slow Motion and theres a version of Slow Motion by Trey *

<https://www.youtube.com/watch?v=dXTBbM21plg>

<<https://www.youtube.com/watch?v=dXTBbM21plg>>

* (Slow Motion) and there is a difference and new (Angle Ryan Understands) which is almost all the McClellens, Goransons, & English Ringwalds have a Genetic Defect and Ryan realizes that Betsy was a little Slow Mentally even though they dont think she was and Ryan sees she only came to meet me cause Prince Charles and Chippy put the Implant in Ryans head and in theory are gonna say, Chippy Thinks RYans a little Slow and has a Brain Defect and thus Idiot Savant, yet also a little slow in some areas like Math and Logic reasonsing. Now Betsy was (Kind of a Guber) and Slow Mentally and may have been told by Maria Shriver and Unis Kennedy Shriver the Special Olympics Patriarc to treat RYan like IM a Gladiator for a Tournement (Machio is involvedd with) except things that came up in Ryans life like (The Fun Muppet) on Col Greens Beach poken the stick (The Special Olympics people keep sending people like him around with Sergeants and the Retarded Goodmans. Now Ryans point is Betsy when we met, may have had more than 1 intent and I know she was Watchen my online Habits at Boxboro, MA Apartment and looken up Online Adult Porn and she knows Ryans attracted to a Able and Willing Anal Princess suitor. Now Slow Motion for me song, by Juvenile belive it or not is Corten of this nature to the extent that if Betsy that day, wanted me to take her to a Motel and Fuck her up the Ass, All Day until it was sore and couldnt be handled anymore (Then Slow Motion Match and a Slightly Retarded Brain Damage girl would be a match. Now also understand the positive side, of this, Betsys brain Disfunction or slowness if she has problems mentally were not the same as Ryans lack of Concentration or inability to do math, as Ryan in School, never could pass Math, or any class that involved Problems, but thinking, English and thought (All As.) Now Ryan says, that being said, Betsy was kind of a Personality like Kelly from Coach the tv show and (Carol Anne) died and supposedly of a Bacterial Odd Infection after (Preacher from Poletergiest II wanted to come in past the screen door to the House (Penny source and reason why its in there, with God Is in his Temple.) Josh Mayhew at Lowes when I mentioned Body, said, his Body is his Temple. Now Ryans point is (I'll Get Back to That Later) what Ryan wants B to understand is Kelly from Coach was (Math Stacey Send a Rat in the Mail and Implicate and Frame Ryan side.) and Stacey at Voke brought the Dead Rat to Class in a Checkbox size Box that I see a Jody Foster in a Wheelchair broadcasting in Ryans head, tied to the movie The Little Girl Down the Lane has to do with. Lane is (RYans Sarmento Nose Half Twin Baby Picture) with 1 elbow on counter. Now

Ryans point is Betsy in theory was (Who Ryans Half Brother who went through a Sex Change and Silence of the Lambs Transition where someone cut off her Penis and thats what Hanibal Lectures Advice from the Opinion Dr Lectuuuuur and Silence was on last night with Foster and Ryan knows sees whos abusing RYan with the Tech which is like being in the Seriel Killers House and inside the Well (Patty Sanders Raza) teeth relative in Silence of the Lamb Well house with noises in the background is a (Drown Reference) and Nails in the Stone is a Lynn Kampavon, Koda Madison Like Greg "Milk" from Roche Bros and I think "Jenna Bush" whos Like Next door who moved out, years back is gonna say a Like tossed Rocks at me and a Friend on Belmedias Rocks and thats theres a Greg there when they tossed them. Now Greg at Roche Bros was a Sala Mae Italian Bush version of a Wesel and Greg moved around Roche Bros, smoking not like either person on the Belmedia Rocks....but there is a Presedence why this matters as Gregs people and theme song for movement is not (Slow Motion for Me) its So I Creep!) *

<https://www.youtube.com/watch?v=LIYdtG3xqI>
 <<https://www.youtube.com/watch?v=LIYdtG3xqI>>* Now Quit Pro Quo and someone had a Liscense Plate passed me today with a Q Letter and Number *

<https://www.youtube.com/watch?v=YIRLfbONYgM>
 <<https://www.youtube.com/watch?v=YIRLfbONYgM>>

* on the back of a Car Plate and Ryan will get back to Jodys Opinion Ryans Lecture Personality wise and shes Examining me with Lance Hendrickson who was a Seriel Killing Dressed to Kill Shrink in Real Life. Now the Penny is also connected to the (Old Friend) seen at the End of Silence of the Lambs and the \$5 Dollar Bill thats got a Queen on the Front of the Bill from some Caribbean Currency and understand thats the Penny Queen Liz motive and Lizette Holder at the Art Institute and offer of a Blow Job for \$5 Dollars in the parking lot. Why its not funny....the Penny and skin is tied to that, and someones plan maken Child Porn to High Five like them both in the Credits with the Farmer Jeans Man on the left side and a Vietnames Charlece Theron Passed me today with all these little kids and she motions over to a Little Girl in Farmer Jeans, before they cross the street to Hammock side and in theory (Something happened to the Fun Muppet and Up Another Notch) and Lagasses Stick Together isnt there this time, either cause he ate and made a skin suit and left to the Bahamas with Henry Freemans relative that is on the other Bill thats in the Hanibal seen at the End or because Henrys Half Brother whos a Dickinson like the man that brought me up a Winding Staircase of a White House that Donna brought me to that had a 6th Sense Winding Stairs and Gimp Box Push in Door at the Top (Noplace to go at the top of the steps and a Dickinson Chia Hair Creep when Donna took me to someones house as a Kid, he took me up the steps like 6th sense and he looked like he a (Pedro Side Dickinson creepy Eyes and Chia hair wanted to make me George Lucases Red Leash Tan Tunny Puppy at 4 Gimp later. (I'll get back to that later and why) and a Lagasses Sergeant Smoothy came to Ft Lauderdale, FL Beach and he was playing a Flute on a Beach Chair and way down and acting like (Morgan Freeman) in Shawshank when hes thinken about Playing the Harmonica and makes 1 sound with it. Morgan is about to Blow it and (Doesnt go all the way thru) and thats a metaphor for the 1 Thing Ryan mentioned to Richard at Stop and Shop about sleeping with a Friends Girl.

*Curly in City Slickers with Kaplink Kaplink has to do with the 1 thing. *

<https://www.youtube.com/watch?v=X4CvFWCULuI>
 <<https://www.youtube.com/watch?v=X4CvFWCULuI>>

* (Now Ryan has a Theory About Palances Theory and Intripritation on the meaning of 1 Thing. Now Wizard of Oz and Ruby Slippers *

<https://www.youtube.com/watch?v=Leb83bRkXDg>

<<https://www.youtube.com/watch?v=Leb83bRkXDg>>

*===== Now Ryan sees Wizard of Oz and

Wicked Witch of West and Follow the Yellow Brick Road if someone compares the Rock Wall of Belmedias Beach (Two of them seperating Properties) and I couldnt figure why the girl furthest out wanted to lead Ryan and a Friend out to the End of the Rock Wall at Belmedias when Tosses Rocks at me and him. Ryan says the Ring is tied to the Follow the Yellow Brick road, starting point, corner and Judy Garland is a PP Biter Split Cracked open Hair Style and head case, clenchen Precious the Puppy which Like had a Precious with her when she lived in the apt next to me, that later someones Poodle was wondering around the Property of Ryans apt (As in later after she moved out, Ryan would hear a Poodle like Likes running past RYans window at night lost and alone cause Like Moved out and in theory was wacked, or left the Poodel Behind when Mark Leblanc (Next Doors DeCovnney Relative went into the Apt with a Ringwald relative 1 day, when I saw them outside the Apt and heard them, through the Peep Hole and he went in and there was someone at the table (Out of site on the Right side entrence of the door) and he came in and punched someone at the table and made a Exaserbated sound as a Keith (Chris Glen Bubble Head Version of Mark) went in and made a punched the person to the Right in the face motion at a table and I heard someone make a exaserbated sound like they were being worked over already, all day and that punch was the last the person (SOMEone at the table out of site could handle and passed out and groined.) Thats what Ryan heard and there was a Laura Ingells slight RIngwald woman outside the apt with him around that time. Now, Ryans point is that the Poodle after Like Moved out, seems to have been wandering around looking for food and its owner and Barking the way the Fun Muppet would for a few weeks if the Goodman, Sergent and Elton Jons that pay his way and give him Credit to Live took away his Money to enable him to keep playing Red Rover which is tied to the stick as The Fun Muppet at Col Greens River 1 day, when Ryan was in the streem middle swimming.....he ran over to a little Kid (Little Girl) in bikini, had a stick and poked her in a (Red Rover, Red Rover, Fun Muppet, send her over manor? ===== Now Ryan understands this issue and also as I waited for a Bus near Citgo today and was on the Bench a Dog (Mangy) comes out of the House thats on the other side of the Fence behind the Citgo and hes a Black and White Dog, like the Belmedia Beach LightHouse in the Harbour between East Beach across the waterway and Belmedias and Jones Beach. Now (No Lie) the Dog, walks across the street and goes over to a Dumpster in the Apt across the St and this is after a Walsh looking Costa (Joe Stop and Shop) walks past a Grass Plant that doesnt fit in the yards landscaping like the transporterred some Grass from the Westport, MA Marshes and planted them special in that spot for a reason. Now, he spits (Right in the middle) as he crosses in front of the Grass of a Marsh (Like Hair Pins) and he was a Joe Costa Mel mix with

Roland Toms Friends features and ponytail and he gets in the passenger seat of a car, after going around the Apt and he was also slight Newman. Now, RYans point the Dog crosses the street after he passes and the dog, hangs around the Fenced in Dumpster, looks over at me and (Sware) knods its head, like Likes people or someone whos tied to Chippy and Nanites put the Nanites in the dog (Which has a Much Slower Brain Thought Pattern) and the dog is being commanded to make mention of the Trash Dumpster and thats a Machio desire for a Trash Can Warrant (As He Calls It) and also implies the other Dog is being made by the person who is a Lighthouse Belmedia Black and White person and why the Payback ScreenWorld book has Alicia Goranson with a Black and White Jean Jacket Photo with Edge near a Volvo wanting to put her in a *Thats It Volvo Back* and RYan says the Dogs being told to continue Machios Trash Can Yes in a meaning yes he thinks RYan tossed alledged Adult Porn Copies, and the LightHouse person picked up the Baby and thats whos a seriel sufle who came along after RYan left that day. Now what Ryans point is (Ryans seen before Dogs Pass me maken Head Motions cause either Goodmans, Sergeants or the Upper Echelant Walshes Nanited a Dog and Animal and Ryans mentioned before seeing a Dog pass me maken a comment (Thanks I Got that Ass) *

*===== Now (Gladiator the Movie) has a Annet Benning woman whos a lead, with Russel Crowe, being forced to Fight to Survive and hes kissing a Annete Benning whos a Cathy Gosian wearing a Jesus Shrowd, who after she kisses Crowe in a seen, wearing the shrowd she looks like shes had Poison Lipstick and backs away with a (Dark Obsession Sheena Cathy) reference and Gabriel Byrnn, mind you has Muppet Lips like the Preacher from Poletergiest II and Let Me In, God Is In His Temple **<https://www.youtube.com/watch?v=n83c1aFWkOs>* <<https://www.youtube.com/watch?v=n83c1aFWkOs>>* and Joquim Phoenix in Gladiator when hes talking to a little kid thats a Betsy, Ryan, Rockefeller, and Robert Hathaway whos also related to the Kid in Jaws who walks up on the beach in Red Bikini and he says, in Gladiator as hes on the (Left side Lap) like DONnas Merly Streep 60s X-Mas Tree Photo with a Clinton Carlise-Cushman Sullivan Stenberg and he makes a comment of If Your Serious about all this, then they killed the snake. The Ring in RYans towel closet (to the Right) by itself has a snake pattern and Ryan knows why. The Rock Wall at Belmedias is (Straight) out, not like a Yellow Brick Winding Road and Paul McCartney Song the Long and Winding Road and the woman further out, was trying to lead me to the End to get me (Toward East Beach on the other side of West Beach on the other side of that Beach, Cause someone had already gone out on those rocks in the past, and perhaps thats where DONnas Winter (Perfect Storm Poloroid she showed me, making a comment, DO U KNOW WHO THIS IS and it showed a person in a Grey Winters coat on the Rocks (More up the middle alone with a Perfect Storm around the person in the coat with a Hunt For Red October Blurred Pose and photo thats hard to make out.*

*===== Now Ryan says Craig

T Nelson and Carol Anne from Poltergeist there gonna say her being trapped in the TV was a Metaphor for a Marchand Drowning and Jaws Openeing seen has a woman tied to marchand Run past the Wooden Bro-Ken Fence which has a V shape broken wood and the woman in Gladiator and Joquim Phonix makes a comment if you are serious, then In the Dark! He says it in a odd manor and Ryan says Mary Liz Mastrantonio in The Perfect Storm wanted to load a (Yellow McDonalds Barrel) on the back of the Boat and people dont understand how that equated to switching the Dirty Harry McDonalds Yellow DuffleBag with Body Bag Zipper with Magnum Forces Black Duffle Bag (No Zipper in Magnum Force Parking Lot) seen and has a Chucky Tobias Motorcycle Cop in Leather whos related to PP Biter Shrink in Silence of the Lambs who bites the Cross Gold Pen (PP biter reference) and I saw a Junior Carvalough years back coming out of a Pub up the road with a Duffle Bag up the road. Now Ryans point is if Betsy Met with me initially as a Case Study and wanted to do me, shes probably thinking what Ryan would think If I asked her to the Ball that day and she said, yes and said, something like, why do you want me though....RYan would have to reply....I Got Me a Slow One and Betsy would understand why theres a Gomer Pike with Droop Jaw whos a Fun Muppet Retard thats a Pike Quaker and why Slow matters...when someone like RYan say, was near Beca and out of the STaples Bldg and shes outside in a Skirt and RYan realizes shes (Slow) and Ryan goes over and says something like to her.....did your Daddy teach you about Boys and what they do and want and Betsy might respond Slow (What Do Mean and then you would hear her say something like Hey, Stop that Ryan! Now Im not sayen Id grope and go up her skirt implied by the comment, but Slow Betsy would understand why Getten Me a Slow One Sexually on a Date (That Causes me to Jump up and DOWN and say BONUS, Shes Slow! Now Ryan sees motives to lead me out to the End of The Rocks and The Pefect Storm *

<https://www.youtube.com/watch?v=O-ydNrUWOik>
 <<https://www.youtube.com/watch?v=O-ydNrUWOik>>* and Mary Liz Skippering the Boat with a Yellow Golden McDonalds Barrel on the back. Jaws the original has a Bearded Extra man loading Richard Shaws Boat with DuffleBags and this is the Golden McDonalds Switch to Black plan later on. Crissey in Jaws with Broken Fence **<https://www.youtube.com/watch?v=yrEvK-tv5OI>*
 <<https://www.youtube.com/watch?v=yrEvK-tv5OI>>* has Slow Down in Comments and Im not Drunk and Ryan says theres a switch between Jaws Extras Loading Shaws Boat and Perfect Storms Boat taking off a Yellow McDonalds Barrel. Mary Liz was a God is In His Temple Snaggle Tooth side*

*Now Amy Kalin was the other side *East Beach* and she had Fire Eyes and reminded me of the woman at the Art Institute of FT Lauderdale, FL that was dating Rick and maken Spanish Comments about the Donkey and was in Fashion Design and I think she was tied to Voke Techs Compass Senior that came over from Drafting Classes and would poke all the Freshman in the Ass with a Compass when she would come thru the Middle Doors of the Shop Classes, (3 together and linked from Commercial Art (Mr T) and then 2 Different Drafting classes next to each other, connected by the Middle Doors. A Justine Timberlake in a McDonalds in FT Lauderdale, FL was at a table when I came in and he made a comment, *Thanks for Giving Me.....All This* Now Ryans point is Mary Liz was a Karen Varges and at Art Institute with Nude

Models RYan drew a COLLage in a Class where they asked us to draw people and Ryan drew a Chris Glen kissing a Varges (THat looks like Patriot Karen Varges) and also there was a Cathy Gosian Raza Raza Tank Frizzy whos looking up with Catherine Hepburn Teeth all wide with a Eaggh Anarchy look and smile. Now, why this matters Deniss Marshall (Dennis the Menace the Mama Pizza Painter) who was painting outside Mama Pizzas Plaza as a Painter years later, has to do with (Drown Switch) and motives to lead someone from Shore of Belmeidias Rocks to other side (East Beach Across the Harbour, or West or Even Further to Europe and Russia like 16 Candles Stemberg looks at the Poster of Europe when Ringwalds on the couch and he does a Ring hand motives and gets up, looks at her and motions to the poster (Meaning take off from Prison and Andy from Shawshank Switch places, later on.) Now RYans point Al Paines Garage had a Dead Penny Cat (In the Garage) that Donna said, must have Died, From getting into a Can or Paint (Cats Smell Poison, someone killed that cat and Donna was being facitious when I asked the question why Penny the Cat was dead as a kid. Now Ryans point Liz Portuguesse and Joe Costa brought me to West Beach (Stop and Shop Days and Liz wanted to put a Blanket like Seven on our heads and play Weegie Board, from The Exorcist with Linda Blair (Shes related to Carol Anne in Poltergeist and a original Head case. (Spun Around) and Donald Rumsfeld and Hogan have Mush Mush Retard Teeth and Features and when Linda Spins her head around, in The Exorcist she makes a slight Mush Mush Rumsfeld Teeth Retarded ET Motion. THE Jaws Billboard Honey Face (Replacer who wanted to lead the First Woman out to be replaced with Honey Retard is why the switch happened with Painters (DeFacing the Board) and Howard Stern would make (MOve the Board Comments on his radio Show and the Board was a Weegie reference and Game Board, from the Exorcist basement (Gimp Box Local, back then) Now Ryans point is Ryan saw some Tractor Trailor pass me after the Gym today that said, Heartland Express and Liz Shue has a LA Weekly Ad Mexican Amber Relative thats in a Ad titled Express and shes related to Mary Anne who had a House that Richie and Terry from Stop and Shop (Autistic Produce Mama Pizza Greek) who worked with Ritas Tish Basement House that me and Henry and Stop and Shop people went to a Basement party in Tishes house (Terrys Sister and Ryan did some moves and dance in the basement as people took turns) RYan had the Tan and Peach Stripped Outfit on then, if I remember correctly. Now, the Jaws Billboard *

<<https://www.youtube.com/watch?v=fGoekw7e-3U>>* has Painters (Left Side, same as the Penny looking into the Closet and skin under it (Skin is a Silence of the Lambs Presscious) and Skin Suit maken a suit and the Penny and Skin and 2 Rusty Hair pins in the closet Ryan found are tied to this and motive of Bridesmaids in 16 Candles a (Lighter Purple Dress of Ringwald and a Little Girl whos a Cristine from Stop and Shop reference stand in of Becas mix Dianna back then, without showing a Beca specifically and replacing her with a Bulp nose English Little Girl. Why this matters (Donna had a Dark Purple Metal Pedal Bike, Tied to Wicked Witch of West in Oz and the Jaws Kurchief passing from Left side to Right (Behind Larry on the Beach) when he says (Well, I was, About to Put On....some Lotion and Purple Head Kurchief (Cracked Open Head back then, passes left to Right) while Shower Schindlers List passes Right to left with Jesus Shrowd Held close to the heart and Hands Pressed to chest, tied to Fury, bending over at Henderson with Both Elbows on the counters of the Nurses station, Hands

pressed to chest like Schindlers List Shower that CHippy Thinks was a Push.
 The Guard and keep her coming over to the Mansion is someone who says, RYan
 pushed the Oriental off the Rocks and Sue Millers Meet Joe Black actress
 has a Toss and keep her coming to the Mansion in the Silver

* ===== Ryan says someone views Ryan
 as the Sport to be abused and hunted for someones wealty whos in a
 Wheelchair like (Logans Run DeCovney Dave Fish) (Who Turned Out My Light)
 which is a huge Irony as RO Annes Commercials were before Ryan went to FL
 and started to turn off Dave Publix Fish Depts Freezer Light that led to
 The Shining Abandoned Payback motive tied to The Shining and Jack in the
 Freezer. Ryans point, The Shining is the Source of the Broadcast and
 Hendrickson tending Bar when Jack goes in for a Shot Glass is the same as
 Victor Andreoli at the New Bedford, Ma Small Airport Cafe and I saw him
 with a Dana Lombardi looking Blonde at a Table inside the Airport Side Cafe
 thats like a (Wings Small Cafe) and there was a Stalin at the table who
 looks like the Molly Bish Composit Sketch Drawing smoken a Cigarette and
 thats tied to who drew (Hope the Smoke From the Candles Doesnt, Kill You)
 and this was Moonbeam on a day when approaching RYan and saying (I wasnt!
 With a Moonpie Smile and why the Card was signed by someone who saw Ryan
 look at Beca with Fornication Eyes and didnt want to be able to say (He

was!) and this made a Moonbeam Angry or someone like a Moonbeam who like Lisa Dalamore (Someone told Lisa, I think he was with Beca and this prompted a Lisa maken (James Comments in the Cube, the way Ringwald in Pretty in Pink with a Joanne Silvia and SPader on the Bed, Ringwald backs up to the Wall and says (James!) all angry like a vote. Now the Birthday Card had a Drawing with 2 Eyes Xd Out and name swirled in to read Jon, Jen, J?N and the middle letter was not ledgible and Ryans senses, is Moonbeam up till STaples was sending new Job offers at me and RYan didnt know Moonbeam was a Red Rover person, like the FUn Muppet and apparently Shaquille ONeal (And I know he is, based on his face and excitement in recent commercials (Shaqs Playing Red Rover) or letting the FUn Muppet keep playing, somewhere on the West Coast, but Shaq doesnt understand some Condon People and 1 of the Goodman Fun Muppets is playing to the Death and its not fun. *

*===== Now Ryans point is when someone signed Ryans B-Day card with Stalin Faced Drawing man with X-d out eyes and smoken a Cigarette like Molly Bish Composit Gene Valecenti Broadcast with Patrice Woods (Ducky Lip Patrice Woods is a Liberachi side looking woman and Gene has a relative in La at the Encino Carls Jr that came up to the counter and she leaped over the counter with her short little weeble Portman Mexican Features mixed with Princess Dianna, Rita and Cindy and Me and she titled her head at the counter when I went in there and said like a Pam Roy Rooster Coo chin (I Can!) and this is a I can meaning Ritas short little mexican relative can see (Then Ryans LA Baby) and at the same time, she leaped toward the Counter behind the Register like Raul Pina at Donnas Rockdale West blizard of 78 on the Front Hood Manufactures Donna hit Raul and he came around with Witnesses and jumped on the hood of Donnas car and called Police. Gene Valenecenti is a (Creepy Eyebrow tied to Wonder Years and Coach Gap Tooth who played the Coach on Wonder Years. Now RYans THEory on the Card and name of the person that signed it with X d out eyes, is Moonbeam or Shelly Cabby Hailing a Cab in La whos a Muppet Mexican that was near C & C Internet Cafe in Hollywood side, not Korea Town.....I saw Shelly Cabby a Mexican Rita with a Obama Muppet Chin, Hail a cab outside C & C Internet Cafe near Hollywood Blvd (She then got into the Passenger seat of the Cab at the curb and she wanted to pass up Larry on the Beach and she got in with a man who got into the Driver side back seat of cab, while Shelly Cabby got into the Passenger side (Ryans side and replaced me with a Hand up in the air like Larry on the Beach Jaws reference. Now someone mentioned Shelly Cabby in the past few days and I think theres a paralyzed Jody Foster Broadcasting in RYans head with a Tell Me About the Lambs DR LeCtuuuure, using me as a Profile of what I think (Other than LAnce was a Dressed to Kill Shrink that was really a Seriel Prison Dr they let out to do RYans evaluation and he was a Hanibal that got a Degree in Prison. Now RYans point (Moonbeam was tied to Lisa Dalamore and she backed up at Betsys Cube wall or a Wall Cube one day when Ryan came around her and she said (James) same was as Ringwald The Ball In Pretty In Pink does, staring at James in Bed with a Blonde Joanne Silvia whos got Ducky Lips (Theres a Retarded ANthony Andrews Shroom Broadcasting in RYans head, related to her. Now, RYans point, someone told Moonbeam that

day or a Moonbeam with a I wasnt Test!.....someone told Moonbeam, Yes he is and (This Caused the Xd Out Eyes and Smoke and Kill Underline Card Motive with a (NO He ISnt ANgry Response from someone who signed the card) since Jody Kianti is wondering. Now Ryan sees that Larry Carlise had a relative that was at New Bedford, Ma Airport, Ma and he was a Mark Leblanc mixed with Ryan and Larry going crazy with Bug Eyes and Stalin Composit Sketch was sitting at the table while a Victor Andreolli was with a Black and White Bar Tender Suit and Vest, Wiping down a Shot Glass. *

<https://www.youtube.com/watch?v=Wlz6mTyiMZc>

<<https://www.youtube.com/watch?v=Wlz6mTyiMZc>>* Now (Motives) of Sugarbear and Someone saved my Life Tonight Elton Jon Song (Hes who caused the steps kid to come up and Chico Stash was a Del side, ironically so is Elton (But not the same kind of Del) **<https://www.youtube.com/watch?v=u18dXZzsIF0>* <<https://www.youtube.com/watch?v=u18dXZzsIF0>>

* and RYan knows why Skateboarder Chico Stash (Hoisted the SkateBoard).....I'll Get back to that later but its a Surfer and Board side of a beach and 1975 is a Jaws Drown Beach and Honey Retard Bulletin Board (Switch) and Ryans being blamed for a 1975 issue.

===== Now Ryans point is

Little Genie was (I Can) mexican Princess Dianne Rita mix whos at Carles Jr and she charged and almost wanted to leap over the counter (A Personality Trait thats also connected to the Moonpie Chin Man thats a Obama-Dice-Clay Milado Head Shaped man thats on the side of a Bus in Daytona Beach, FL ads (Put Full Size on sides of Buses) and theres a Obama Dice Moonpie shaped head on the side of the bus with a Berg Obama head tilted to 1 side, like Ford Tilts head on Fugitive Runnen up steps. Now why this matters, The Tilted Head pose is a charge like Raul on Hood from 1978 Blizzard Jump on Hood. Moonpie head, makes (Understand, Understand Comments when he speaks and theres a Retarded Polansky Muppet thats broadcasting in Ryans head and a Dice Clay Arty Moonpie Mexican pick pocketed Ryans Wallet at Dollar General near the Sunrise Gym where Fast Foot would bring me White towels on a Elyptical Machine. Now Ryans point is Pretty In Pink James Spader on Bed with a Blonde Joanne Silvia on the bed and Ringwald makes a (James) comment the way Lisa Dalamore makes a comment at Staples with back against Cube Wall and says James the same way. Why this matters, *

<https://www.youtube.com/watch?v=H2j9u7iDwdI>

<<https://www.youtube.com/watch?v=H2j9u7iDwdI>>* there is a retarded Anthony Andrews (Shroom Stallone with Ducky Lips and Jenna Italian Like Hair whos a Wide Pan Retard Face like Joanne Silvias relative on the Bed with Spader in Pretty in Pink when James is mentioned and its changed to Jim and why this matters.....when Ryan was in La at the Reseda YMCA the Shroom showed up at the Reception desk (Like Penny and Skin) and Shrooms pizza opened up here in Daytona Beach, FL after Ryan mentioned the Shroom whos a CatFish Gappy Tooth Jenna Marchand Stallone and Anthony Andrews Gap tooth side that has Eric Banner features and not the same as Louie Anderson Gappy, with Water Wings on Jimmy Kimmel when Louie was on years ago, Water Wings around his arms *Both Of them and he dived off the 3Rd Back to School Dive Board Cannonball style. RYans point, thats why Fury at Henderson had 2 Elbows on the counters after RYan got the shot and he said, (Did He Take the Shot and the Fun Muppets Caldes Gummy Teeth Nurse said, Yes he did and he takes off and says, Then I Guess Were All Set. Now, understand (Im the Nurse) slammed

both Arms down on the table when I met with him after the Shot was given and explained he violated my Rights and he said, I speak for the Dr and (Im the Nurse and slammed both Elbows on the table, same time and the bang was like the Drum Beat Sound in Elton Jons Sugarbear song when theres only musically sound and he sings *Bye Bye!* and then theres silence and a Bang Bang....weather people understand this or not, its the same as Rainman and Dad Lets me drive slow on the Driveway and that (Sound was Elton or someone let the Fun Muppet when they recorded that segway for the song Pound the drums.....Elton if alive will say, not the case, I know The FUn Muppet Banged the Drums and Cherly Perry would make Bye Bye Comments all the time which in her case was wishing you would go away, when pushing a issue and confronting CHERly Perry and Disagreeing....meaning, she would freak and make a hand gesture and say, Bye Bye, Ryan! Cherly Perry had ONeal WHitey Bulger Ducky Lips and RYans noticed Mellissa Car Wash across the street today has a Soft Touch Ad above the Drive Up clearance signs that have White Letters that say (Soft Touch) and the letters are in a arch like a Japanese Emporors Bridge (when your soft, beaten and conditioned down, its ok to touch Ryans supporters and RYan himself (It does matter and the Air Fresheners are tied to Seven and Paul Pacheco Rotting away with Fresheners hanging down above. **<https://www.youtube.com/watch?v=u18dXZzslF0>* <<https://www.youtube.com/watch?v=u18dXZzslF0>>

* now the Drum Beat (Sound Is the same as FUn Muppet and the Nurse when he pounded Both Elbows on the table, angrily said, IM the Nurse and I speak for the Dr. When Ryan got out of Henderson Clinic a Retarded relative of his showed up on a FT Lauderdale, FL Bus with a Pizza and sat on the left side while RYans in the middle and made some comment about his name and said, Im so and so ===== Now Ryan says, The Fun Goodman Muppet from Col Greens with the Stick and poken the Little Girl in the bikini on the beach when Ryan was in the stream between Private Beach Section and Public Col Greens matters and it does cause Charlece Therons tied to *The Devils Advo Cat Ed* had a Charlece Vietnames Foster come past me with all the Kids she collected and 1 has Farmer Jean shorts on and was supposed to be a Rep of a Little Girl moving with the Vietnam nose side of Jody mixes which dont look like Jody, they look like Party Down South Missipi Skeeters and Ryans concerned because Silence of the Lambs Credits **<https://www.youtube.com/watch?v=sbJ89LFheTs>* <<https://www.youtube.com/watch?v=sbJ89LFheTs>>

* and Scott Glen with (Your Father Would Have Been Proud of U today) and they show the Gold Ring and Agreed Handshake. Now the Oriental Girl that tossed Rocks at me and we tossed back, went into the Water and said, Help, my Father, didnt....teach me....to swim while her Friend was trying to draw me and a friend out to the End of the Rock (Where someone had been before previously) and why this matters....Forest Gump has a Boat (Shrimpen Boat Hanks Crashes the Boat Dock from the sea when he Jumps off the Boat and waves to LT Dan who comes to see him. Jaws (Yanks the Boat Dock Out to Sea) after stabben what looks like a Heart as Bait! Jaws wants to Draw the Shark into Shore to Drown the Shark and RYan was being led out to sea like a Fredo (White Merly Streep knee Photo at TOnys with a Boat Across the street Surrounded by Snow (Where someone had been taken out already and had there head blown off (Fredo) and Godfather style and if thats why Ben Finkle

brought me to Ron Taylors House where the couch had Plastic on it wrapped up (Like Putting Plastic on a Mafia Wacked persons head to suffocate them and then blow there head off, or wrap them up in plastic after there shot, to be put in trunk. ===== Now Help SHark (Painter Laurie Sakay in Jaws on the end of the Penninsula Painting sayen Help Shark Fescecos was related to Lauries Lincoln Floobada Betty Eldridge relative who was Ryans Manager at Universal Studios in La when I had a Short Order cook job at Dodgers Dogs and worked with a (Huge Mexican Chef) and Lauria Sakays Chicken Eldridge Relative was like the Emporor from Phantom Menace, jumpen from one Congressmans Pod to another (Same Manorisms and Eghhhhh comments! **<https://www.youtube.com/watch?v=9DI8kkR9G0Q>* <<https://www.youtube.com/watch?v=9DI8kkR9G0Q>>* and understand when Lauries Lincoln Ear Floobada Relative moved around, its the same as the way the Emporor Bounces from Pod to Pod in a anarchist nobody can stop the bathtubs (Emporor Floobada Shaped Face Version) from using anarchy Betty Lincolns who are like X-Files Cullen Farm :Home: In Breeden Mamas under the Bed maken Kids and babies while the 3 Cullen Canibals are going out finden Texas CHainsaw Massacre Food for Mama.*

* ===== Now RYans determined Russel Crowe has a Polansky Fun Muppet relative thats tied to Jay Greene shaped head and Rachel Cavanaughs Gibbs Skinhead Bald Manson muppet relative that I saw when I dropped her off and he was doing *Hand Stands on the hood of a car, like Pinto and Deon Sanders at Corner Sports Store with a U aint., Down with Us comment from Deon when Pinto and them across from NB high were doing hand stands on a car hood. (Hit By a Car motive that Raul was angry about) Now Ryan has More....but Im nautious, Tired and see Gladiator is tied to where the KG Penny in Ryans towel closet came from as a plan to put Ryan in prison to be forced to fight in a Holding cell like a Gladiator to prevent being raped. The Apt complex put a Notice in the door tonight about a Inspection tommorow 8Hrs notice and Ryan sees that Belmedia Body Borenatz Sloth, someone from the Royal Family and a Retarded Manjaw Polansky Greek want to be able to hassle Ryan and kick me out of the apt *While Broadcasting in RYans head) and abusing me. I think Rita, the Royal Family and Donna should get a laywer as I dont think they and Obama understood what I was explaining. (There not slow, there simply mean and the Sarmento and Co ChiN Donna Mexican Jenna she is evil and Ryans gonna call every congressman and senator now, until they correct her for maken me hear it. They are trying to set me up with a Little Big Eyes Pedro Retard and Snuggle Up Billboard in La on Wilshire had a Oriental Cook come around me who reminds me of Orientals that ran the Chinese place out on Wilshire just below the Snuffle Up Billboard with a Relative or look a like of Ryan under sheets with another woman.....I'll get back to why thats a issue later and tommorow. Keep in Mind Ru Anne from Off Track Bedding and Donnas Greeks are Seriel Sufle Polanskys as is a Zoey Donna Muppet with Flutter Gear eyes and theres a Russel Crowe Iranian Gummy El BRoadcasting thats not Ryans Victem, but Gummy Teeth wants me to be a prisoner of a Shroom Stallone in chair and also gummy el.....like they think of me as There The Game to be hunted.*

<https://www.youtube.com/watch?v=dPi40lQetew>

*Now Ryan has (Simple Thoughts About whats causing all this to happen and Ryan sees we have BackDraft on SUNDANCE today which has a Theatre seen of a Fire Fighter that has a man in a Burned Down theatre that says (Like Oscar, he went through the windshield of the car and they show a Body buried under the Seats in the Theatre (Thats the car accident sleeper) and Ryan sees there is a (Cable Electrical Panel) thats for Plugs and its a premedatated plan to hack Cable and Block Emails (Ryans Phone Jack in the Bedroom all of a Sudden doesnt work. Now someone in Backdraft is involved with Donnas (Belmedia and Diesel Evil Broadcast) and Donna doesnt understand Ryan doesnt want to hear Donnas (Ru-Anne Broadcast) and Ruanne is a Bulpy nose Madeline Offer. Now Elaine Bromka *

and understand that there are short Grey Portmans that are Portmans with Faces like a Jon Grey or David Schwimmer Swollen Cheeks and they dont understand that Ryan doesnt want "Little Cindy" Little Cindy is a (Entity Like the Borg and watch your Futures End Woman,) meaning there are people who report in the mafia to (Little Cindy) and there are Different Little Cindys in the world. 1 Of the Little Cindys is a Elaine Bromka (but short and birdy Teeth) and Elaine is a Madeline Pikes thats a (Cindy Relative of a DeCovney Cindy who has Grey and Mini Driver Cindy Versions. (Theres 2 Cindys Tied to Bromka) 1s a Birdy Teeth swollen Grey (Meaning Larry Bird Has Swollen Cheeks) Now to explain, look at Larry Bird of the Celtics Swollen Face and Cheeks *

* Carla was what Bryan DeStafano when I was at Staples in my cube passed me one day, before I was fired and said (Carls Gonna B) meaning pick up a B. Now Bryan was a Carl Yaz Stern Relative, but understand how (Cindy and Rita and Donnas people work and function as a Borg Hive, where there leaders are (Thats It, Carla and I Was Like whos a Mexican Judy Garland and Laura Ingells Regina ONasis whos a Sort Of.

===== Now Ryan sees that Jennifer Jason Leigh in Backdraft (Thats In House Taunt Photo side and putting birdy teeth inside the Wig (Seven Taunt Randy Price Video Photo) and Wing Wah Chinese Theatre after a Steve Pike (Aferican comes into a Room with a Rug on the floor thats on Fire (after a Orlando Bloom name with Orlando (Then a Last Name) comes on and Ryan knows there was a News Story in Ma where its implied someones leaving Bodies on the side of the Road, wrapped in a Rug and on fire. Like TOFU and sandwiches that are (Wraps) and Ryan remembers the news story and Jon Leconte was Obsessed with Ryan taking the Oriental Rug Maroon and Colored he gave me when I had my Apt in Boxboro and he kept asking me every time I would go see Donna and Jon to take the Rug (Thats Why Backdraft Sleeper) and Ryan sees that (Flegling Killer, Jody Foster and Kianti (K.G.) Penny has to do with Ling and the Panda Bear Twins in a zoo.....and Ling on Charlies Angeles is Lucy Lu and shes tied to China Lantern in Ma where they have a Number 9 Combo which has Fried Chicken with Bread, Fried Rice and Egg Roll. Now Ryans point Larry Bird was (Birdy Teeths side) as in Birdy teeth has Swollen Cheeks and usually are Portmans that have Crooked Medelov Teeth with Cheeks like Birdy teeth and RYans been abused by (All the Italians, Mexicans, Russians, Portmans and relatives of Rita, Donna and Likes people who are in some capacity Cindy and Birdy Teeth side. Now why they kill and hassle Ryan to understand (Flegling Killer and Social Personality reporting to a Borg Leader. "Beat ONeil-Ryans Goes". Now the Borg Queen in Star Trek with Data and Patrick Stewart **https://www.youtube.com/watch?v=sMt3SzAH_i0* <https://www.youtube.com/watch?v=sMt3SzAH_i0>

* is partially why there is a KG Penny in RYans towel closet that Ryan thinks each item is a (Sleeper Child Porn Look a Like of Ryan intended to be released to implicate Ryan Online and then allow a Borenatz Beedy Eye or a Pedro, Hogan, Chee Kee Kee Stallone or Obama to kick in the door and say not only was his movie, released online (Case Closed Motive) is if someone released a look a like online or dropped a Detective Williams in Brockton (This Guy Movie, mentioned by Dinero in Backdraft when he tells Baldwin to lift the Top off the Trash Can (Silver) and it explodes with Fire and he says Take the Top (Back then the Top Bannana But Tatoo Well Reference.) Now, Ryans got a Vons Hair Salon in the area thats got Top Business names

and references to Vespa and the Kardashians and also two different Car Accident hit by the Road persons grave Memorial (Both Sides of the Street)
===== Now Dinero didnt understand when in BackDraft he passes a Grey unit thing in the middle of the room thats like a Water Cooler and Heat Boiler (Such as inside Ryans Apartment Complex Closet) which has a Boiler unit in the Middle of Ryans apt with a Closet and when I moved in it had a Boiler Egg Shell Unit up top that has a Switch Blade Cut shaped Panel that someone tied to the movie *Seven* with Brad Pitt, planned to put the head of Ryans girl inside the panel or put the head of a Kidnapped kid that was gonna be kidnapped in Ryans apt complex or area and they were gonna make a look a like in RYans apt (Theres no one watchen Ryans apt and preventing Angel Borges or someone with a Key whos a Obama from coming in and making a movie right now and someones been coming in over the years and local and FBI dont stop them. Now Ryans point the Borg Queen was a Gosian and Cindy is like a "Borg Mentality" that socially people have to understand how Little Cindy Works. Scarlet Johanson had a relative named Cindy that Ryan went on a Double Date with Jay Paterkous and Cindy whos a Moonbeam chin related to a Hogan thats not Broadcasting in RYans head. Theres Hogans who have Roger Daultry and Round Robin Right Penn Moonpie Chins that also mixed with Jen Lopez and Moonpie Chins. Now Dinero in Backdraft is in a Hospital with a Land Line Phone and Baldwin makes a comment (What Do You Want to Do) and the Phone Cord or a Cord attached to the phone is drooping down in a U shaped PP biter: Now First Ryan must explain the Factions of Mafia Els and Staples people like Backdraft that people have to understand to catch and avoid a Seriel Sufle: 1.) Belmedia Bodies (Belmedia Bodies are Sabubula Hogans and Belmedia Bodies dont understand there not supposed to come around and sloth attack people. *

*2.) Little Pedros **https://www.youtube.com/watch?v=v_etR3dlrR0*
<https://www.youtube.com/watch?v=v_etR3dlrR0>

* from Shriners Hospital whos not Ryans victem, but is related to a Pedro in Ma that went to Voke Tech High School when Ryan was with Chris Glen and (Little Pedro) has a Following in the mafia Cult World that abuse and harrass people cause Little Pedro is in a wheelchair who looks like the Mexican with CatFish Teeth in the wheelchair. Now Donna showed me a picture of Pedros South of the Border Mexican Amusement park and Little Pedro started South of the Border and thats a Little Amusement Park off the Highway Donna and Jon stopped at and took photos with a Sumbraro Hat on there heads thats enoromous (Mexican Cowboy hats are called Sumbraros)
===== Now Little Pedro (has a CatFish Bald Retarded Stafford sounding relative thats got Wide Teeth and is connected to Det Williams in Brockton who Randy Price Released (Im Trying to Get This Guys Blanket and Beard, Glasses Video that Ryan thinks is a real Child porn with a Little Kid in a Wig with the Beard and glasses (Person whos covering there hand on the left side....tied to Jaws and Red Rover and Purple Larry on the Beach Purple Kurchief. Now BackDraft has a seen where Scott Glen comes into a Fire Dept Changing room and stares at Baldwin (Who to this day thinks he was the steps kid) and Scott Glen comes into a Shower Room, after taken a Shower and the Camera Zooms on a Silver Lock thats (Flipped showing the back of a Combo Lock) and why this seen matters...someone like Mielos didnt want Ryan to have (Gone for a Shower at Belmedias when the oriental

Girl tossed the rocks, she avoided 1 after being hit and slipped in the water. Ringwald in Pretty in Pink or 1 of the movies makes a comment (I didnt slip) and this is what has to be investigated further as what happened (Jaws Billboard and Retarded Del Pacheco Honey on the Billboard that is a Hogan Sabubala Daughter or relative that in 1975 says or a Hogan tied to whos in Ryans Bldg (Aferican Hogan Samuel L Jackson says Drowned in the water on the Rocks at Belmedias) beach. Now 1975 is not when someone tossed Rocks at Ryan...but there was a Rock tied to Jaws Wall Incident and Costa is involved with the cast of Jaws and Jaws 2. Now Ryans point is Jaws (Caused all this) with 1975 Donna taken me to Newport, RI and putting a Slade Rock ArrowHead on the Wall thats between a Field thats like the 1 in Jaws that Ed Davis walks in the middle of and Dreyfuss and Scheider keep wanting to swap places (This Matters) as it implies someones in a Prison like Shawshank Redemption Morgan Freeman goes to the Rock Wall and Finds The Titanic Money in a Tin Box and Note from Andy (Dice Clay and Ringwald in a movie called Andy (Ass Nailed Dy Yours) reference and this was partially cause Al Paine (Fort Hancock Texas is guilty of some Rooster Crime back then and cant get out of it and left to Mexico and was mentoring people with Crimes like Alledged AssPorn Copies which is not what the Feds put Roadblocks for....but he had to leave the country cause a Paine (Did Something, back then, that required him to leave to San Juan Tanaeo) *

<https://www.youtube.com/watch?v=fGoekw7e-3U>
 <<https://www.youtube.com/watch?v=fGoekw7e-3U>>* Now Davis in the seen puts a Cigarette in his Mouth (Pissed about sucken Penis back then or Prior and what caused all this to happen. Now Jaws Beach "Purple Kurchief" *

<https://www.youtube.com/watch?v=cG3cf2gNUJU>
 <<https://www.youtube.com/watch?v=cG3cf2gNUJU>>

* and why this matters the Kurchief represents Cancer or Cracked Head and in 1975 Donna took me to a Newport, RI Field after seeing the Breakers Mansions off the beach and the Field she took me to, overlooked the harbour that looks like the one thats in Jaws and Ed Davis Mayor walking up past Schieder and Dreyfuss (There was a Field in Newport, RI with a Harbour like the water below in the seen and Donna put a Black Slade Arrowhead (Tip of Arrow on the Rock Wall thats like Freemans In Shawshank with Tin Can and Money for a Bus pass which then was (I Scared Beret Carlise Pinto on the Orange Line BUs with Beret and Grey Wool Coat that came on a Orange Line bus all scared and tilted her head against the Window. Now Ryans explained what to look out for and the number 1 and 2 above are Kinds of Mafia Scientologists that cause problems and surround and hassle someone like Ryan. "Belmedia Bodies have Almond Eyes like a Gear, they have Chia Hair thats grey and nappy frappy mixed like Sugarcorn Hair and Derek (Seriell Smudge Senna at Camp Kennedy whos a Gideon and Diesel Relative and Belmedia Body Sloths are like a Jon Cena with Maria Antonio EYes and Chia Hair, mixed with a Belmedia Pacheco **<https://www.youtube.com/watch?v=X4CvFWCULul>*
 <<https://www.youtube.com/watch?v=X4CvFWCULul>>* One Thing *

 <<http://www.imdb.com/name/nm0000986/mediaviewer/rm3823868672>>

*Ryans seeing that Ryan was totally and completly Abandoned by Ryans baby

and I dont think there is a single person watchen Ryans apt complex (While they are Broadcasting in RYans head and people dont understand there is a OBama and Pachino that (Really are sending a Senra and Retarded Vietnamese Blind Eye Jenna Division who explode chemicals outside your apartment and 1 of the neighbors sounds like there kicken in doors and freaken out. Now someone listed the movie The Generals Daughter that has the Mueller that played Zephrame cochran in a Star Trek and Father in Revenge of the Nerds. Ryans Determined there is (Confusion about Ryan Mentioning the Ball, cause the Breakfast Club people think Ryans going back to the Little Mexican Party whos related to Ringwald and is not a Ball, shes a Fredo Cheap Beer Drinking party near Stop and Shops 3 Floor Tenement where the Pedros and Rita planned back then to frame my ass and get prints on a Beer Bottle that Im sure, was bagged and used at a Crime seen back then. Ryans point is (Theres so Many Kinds of The Balls in the world that mixed and are Different. Now Am who is slightly a Ringwald related to Mini Driver on The Santa Monica, Ca Beach who said, (Ella Maes Brother said If Your Not Serious, Then I Am (thats what RYan calls a Windup Ball) like the Energizer Bunny. Now the Party Dance (Behind that was Behind the Black SUV who started doing a Waynes World, Party Time Excellent I Must Say Party Dance (Thats what we Call the ReUnion Retro Ball, cause shes quoting Ball Comedy from Waynes World Past Days of the Waynes World and Martin Ding the Triangle Days of Ed Grimley. Now the Bench outside the Martin Library who held a Book up (Thats a LardBall) and Betsy knows that Kerry has been Trash Track Birddoggen my ass and going around maken all the McClellens and Goransons that are not related to Mini Driver, Donna, Pam Roy or Ritas coo chin, making them All Monsters Ball (As Kerry is a Aileen Woornoose Fan and Lesbian Charlece Theron movie depicting a Maria Antonio Female Seriel Killer traveling and killing with Charlece the Monroe Impersonator. Now Dodge Ball was (Gym But Ball) meaning anyone thats the Ball Personality thats also 50% SPandex Excercise Gear, thats Gym But Ball.) Now Balls Out (the Movie thats a different kind of the Ball that says Lego My Ego. Now Ryan says that if I was with Beca right now, upset about me mentioning Breakfast Club and Pretty In Pink if she has Thin Skin and I know my Competitor has Thick Skin (Which By the Way Allen Thick does remind me of someone that would make a skin sufle mask and wear it out on the town for one of Kerrys Monsters Ball Events. Now Ryans point Kurt Cameron is the (Ducky Lip Jenna Creep side) and Ryans explaing that Beca with her Bonnet Invitation was kind of a (Dirt Ball) and this doesnt make sense cause Bubbles Ask and Thats it and Joe Dirt will say (Thats what there kind of folk our, Except Ask and Kyle Jenners are simply Dirt, Minus the combined Ball. Now there will be those that dont understand this or agree with me, but lets be Honest across the table with a comment of If you were to take me to a Ball, what would I and it be (Agh....A Dirt Ball?) and the Filth Behind the Thought Explains what I mean. Now because (Nobody Touches Ryans Fucking Well which is such the Fraud comment, be advised that Pam Roys Trash Track Booty Fast Times sister is related to a Pam Roy Coo chin thats broadcasting in Ryans head. Shes indirectly related to Am and Im not messing with anyones head as to which one Ryan wants to rip, Im simply reminding people that when Am reads shes a (Windup Ball) there might be violence on the West Coast. Theres several Reasons because shes part Jody Foster and a certain Mix, but has people on her side of the heritage with Mini Driver shaped chins that dont understand they have to stop Winduping

when it harms and kills people and Bernie Doyans retarded Windup Muppet
Relatives dont understand they cant Broadcast retarded Windup in Ryans head
so they can make a Ryans DirtBall. *

*Ryan says I had a Eventfull day and stayed home today as about 10 Am as I
was flippen thru the Chanel and the Today show had Tamara Hall and the New
woman on the show whos got ET eyes smerken maken comments about (making
Ryans Girl and these people really dont understand nor does Donna and her
Greek Relatives what they did to me and are doing is a Crime that they have
to be arrested and go to Jail for committing. Then RYans (Power Goes Out)
and someones been yanken the cord on my Internet (meaning Im on the net and
all of a sudden, Ryans Connection Ends and Drops out *and I hear Thats It
Relative in the apt above me bangen the floor, like shes got a person in
the Bldg thats watchen Ryans online activity and stoppen, blocken and
preventing Ryans emails from getting thru as Tamara dressed in White and
Black sits herself on the left side today on the Today Show. Now RYans
point (Rita Doesnt Understand Ryan doesnt want to hear her, Donna and her
Hogan Relative whos a Bundy Hogan Sabubula whos the Father of the Sarandon
thats been abusing me whos a Androgenous Frizzy Sarandon Hogan Related to
Rita whos a Candice Ryder (Panda Bear) retard and shes using the Technology
on me with a Retarded Jon Leconte Peter Debenedeto and someone who keeps
maken (You Dont Get It) comments the way Kerry Marchand would make the same
comments at WB Mason. I suspect a Kristen Dunst from *Spyderman* who doesnt
look like a Super Spyder, but Kristen Looks like a Beaver Teeth (Thats whos
broadcasting in Ryans head) and she doesnt understand nor does a Helen Hunt
(Sarmento whos a Jackie Lynn Kennedy Tank teeth) and mixed with Sarmento
that RYan doesnt want the (Ella Mean Italian, Greek and Rita Ringwalds.)
Now the Breakfast Club Cast and 16 Candles with Glen has Ringwald relatives
all Italians that are related to Rita (That Dont Understand Ryan doesnt
want Ritas Sarandon West Honey Relative and there side of Donnas are
abusing Ryan ONeil making me hear the Broadcast and (Nobody in Washington
Understands they have to Arrest Obama and Donnas Relatives that are Rltas
who mixed with Harrison Ford (Whos Got a Sick Bulpy Nose Relative
Broadcasting, Stallone whos got a Lucas Ringwald Lincoln Mielos Teeth
broadcasting whos a Jeff Pachino that doesnt understand Mielos Antonio is
doing something against the Law. Now Donna has a (Del Pacheco Retarded
Ringwald thats Broadcasting in Ryans head whos a Loretta Lynch Linda Lavin
Retard and she behaves like (Alice on the Brady Bunch) if anyones seen that
show. Meaning shes a (retarded Linda Lavin Greek with a Moonpie Chin,
Stuart Copeland Lips and she doesnt understand Ryans not supposed to be
hearing her, Donna (Who Drops into the Broadcast Now and Then) and shes put
a Little Beedy Nose Anne Hathaway thats related to the Pike Smagetz
McClellen thats been coming around the Bus Terminal Now and then and she
seems to want Paul Ryan and Greeks with (Bulpy Robert Kamersham Noses) to
pickup RYans SuperSpyderman Forest Right Up Becas Whitey Tightly Undies. Now
Ryan also sees that Jennifer Garner whos a Glen tied to Koda Madison in Ma
(whos a Oriental Vietnamese Like related to (Lynn Kampavon who had a Party
and Cook Out in Ma where Celia took me to there home where they had a

Staples Trophy on the mantle of the Fireplace and a basement with Tool Cabinets and a Forest Gump Ping Pong Table. =====

Now Ryan has (Concerns About the Movie The Shining and the Freezer seen that has Pimentals in the middle on a box when Nicolsons Head is cracked open and hes inside the Freezer Locked in after the (All Work and No Play, Makes Jack a Dull Boy) and Wendy (The Lesbian related to Shelly Duvoll thats on the Chicago Album Cover that says Wendy and Becky that has a Belmedia Pacheco that looks like Lucille Ball with a Wendy thats got a Magicians Tony Pacheco Calender and Rabbits Hat (Bannana Well Rep) and shes tossing Cards inside the hat. Now what Ryans explaining theres a Oreo Cookie Package on top a Box of some other Product inside the Door and on the Floor with Nicolson and the Oreo is on the Box thats on the floor. Now Scatman Crothers (Related to a Retard Scheider Whos Broadcasting in Ryans head and is a Hendrickson Moonpie Chin and doesnt understand Ryan doesnt want to hear him) Really was a Seriel He Fur Dead Sufle. THERes a Hendrickson thats Broadcasting in Ryans head and a Obama thats a Flava Flava Looking Nemo that thinks hes allowed to Broadcast in Ryans head and keeps maken comments about Charging Ryan with Torturing Mark Leblanc and saying hes in a wheelchair (Which I know Mark is Not, I saw him in a Hess Gas Station in Ma between a Mobile near 99 where a Texas Mielos George Lucas showed up one day when Ryan was filling gas and he gets out and says (You Cant Stop It!) the same way the El in Ca thats a Barbara Morse Silver was out in Los Angeles, Ca and she was near the Orange Line Bus Road and I saw a Barabara El near the Road with a Backpack and she makes a comment (You Cant Stop It) and Ryans point is Rita Senras sisters (Some Sarandons, Vons, Russos have Hogan Blood in them and Hulk Hogan has a Bundy Randy Price Relative whos the father of the Sarandon Retarded Androgenous thats been messing with Ryans computer. A Comment was made when Ryans power went out this morning by (1 of His relatives of used my daughter) and the Hulk thats the father of Sarandon thats related to Rita doesnt understand nor does Michelle Obamas (Loyal to Rita) that they are doing something wrong to Ryan that requires them to be arrested.

===== Now Ryan sees the (Hidden Direction in The Shining) has Scatman Crothers call the Park Ranger in the Mountain where the Estate and ski Resort is that Nicolson is Caretaking and the Ranger that answers starts maken comments about cant get through on the lines and he says, They Cant Hear You, There in Another Place (Charleston House Place) is a The Shining Built and planned Complex thats intended to send Zeke and Zed to your apt with a Warrant to make a person a Oreo Cookie for Pimental the Box above the Oreo and *Cathy Pimental* was a Rita relative at WB Mason whos really skinny and had Concret Frizzy hair and had a mouth like Angela in the Chantix commercials who with Hendrickson and Rosa (Del Pachecos Dont Understand Hendrickson is not supposed to be abusing Ryan with his Relatives who dont want Ryan to have a Life because Ryan doesnt want a Frizzy Rita and the Retarded Goodman, Sergent and Loretta Muppets want Ryans Job so to speak and planned to make Ryan a (Oreo Cookie Pulp Fiction Gimp Box Oreo 3 Some which is why the Mexican in Ca at the Korean Town C & C Internet cafe thats next to a Carls Jr and Ryan was in the Internet Cafe 1 day in Ca when (Understand Mexican) people were inside watchen Porn out in the open in a Pay for Time Computer and he had the Oreo Cookie Video out in the open and he turns around and looks like (Were trying to get a new person to be put in the basement of where two

Large African American Muscle Feds like Robison where Double Rapen a person in the basement that was skinny and androgenous and was being forced to wear the Frizzy Rita Wig. Now also understand what a Understand person is (**<https://www.youtube.com/watch?v=a1f2kjXiGpw>*)
<<https://www.youtube.com/watch?v=a1f2kjXiGpw>>* tied to Pulp Fiction and the RaselRope Gimp seen is why (Chippy in Carls Jr is abusing Ryan with this commercial for Carls Tossen Money *)
<https://www.youtube.com/watch?v=j2gxP00C04Y>
<<https://www.youtube.com/watch?v=j2gxP00C04Y>>

* Now Betsy and Well Bannana were part of the La and Ma (Gimp Detectives Squad) and thats why in Pulp Fiction when Zeke and Zed make a Comment sitting backwards in the Chairs Zed says (Well, Bring Out the Gimp) *
https://www.youtube.com/watch?v=S8kPqAV_74M
<https://www.youtube.com/watch?v=S8kPqAV_74M>

* and this is what the meaning of the Oreo Cookie seen was about in the Freezer seen and why The Shining was had Nicolson Frozen Alone at the End. Charleston House Places (Are Supposed to Abandoned, Banish or Set someone up to be The Gimp for the Crooked Hogan and Stallone and Donnas (Retarded Loretta Lynch Stuart Copeland Relative thats a Nervous Sick Greek Retard in the Pike and Loretta and Donnas family whos abusing me making me hear her Broadcast. There is a skinny Zoey Ringwald thats related to Donna and Zoey and Betsy whos a Mickey Mouse Chia Head with Nicole Antonio Pachino Features and Alien Sygorney Weaver Teeth (SHes a Canibal and Donna and she is Not Trying to help RYan Get laid and wants to Abuse me for the (Zoey Ringwald and Retarded Donna who has Greek CHia Head like her. (Shes there side of the Heritage, not the English Princess Crown side.

===== Now they put Cape Fear on Tonight, after The Shining and its about Maxx Caty with Juliette Lewis whos a Sue Miller (Related to Like that was also in Till Dusk Till Dawn) and understand that Likes People who are Italian Jennas dont understand that Donnas doing something wrong to Ryan with *There people* that she has to be Fired and arrested for doing. Case in Point, the Chantix commercials below (A Patch On the Arm that a Ed Berg in some WebMd Magazine that has McConehey at Dodgers Stadium in the audience surrounded by Little Party Guataloopes that are staring at him with Crazy eyes like they treated me in Ca on the Streets and charged at me and inside is a Schedule that has a Ed Berg Senra looking at a Cig Patch on his arm. Now understand theres also a Ringwald thats a (Maria Antonio side like one in some current commercial thats working in a Art Institute Setting class as a Fashion Designer and shes covering her eyes in a Schedule of things coming up. Now why this matters, theres a Yoga and other categories being set on a Schedule that represents a (Wacko Fed tied to the Mexicans that wanted to collect all of them on a List. Now the people in la hassling RYan like Rosa a (Carey Fischer Del Pacheco **<https://www.youtube.com/watch?v=IOCz2mWokn4>*)
<<https://www.youtube.com/watch?v=IOCz2mWokn4>>* in this commercial are Cultified and part of (Likes People and cult and thats why she makes a comment in this commercial reading a Puzzle Book on the Bench of Im Like.) because Rosas people and Like wanted to meet and make the Library Bench in Ca and sit her down. **<https://www.youtube.com/watch?v=EmCINb99LPs>*
<<https://www.youtube.com/watch?v=EmCINb99LPs>>* (Angela) is a Kachuck a

Kachuck teeth that is tied to Kim Hugh, Bonnie Bedeslian and she and Nick Nolte have a Relative thats a Moss using the Technology on Ryan against the law as Larry Carlises people are Bending over Half Twin Bathing suit woman who are on the Edge and Curb of a Pool today. Now Lance Hendricksons (Asshole relative) **<https://www.youtube.com/watch?v=MzMqIGzXli8>* <<https://www.youtube.com/watch?v=MzMqIGzXli8>>

* Now Ryans point is Jon Corynine changed his Picture on his Website to hide the photo he had before with Flutter Flutter Eyes *
<https://www.cornyn.senate.gov/about> <<https://www.cornyn.senate.gov/about>>*
Jon Corynine Senator and Crapo a (Mark Leblanc has Rumples Caldes Lips and Teeth the way 1 of the people Broadcasting in Ryans head whos a Chris Caldes Smoothy **<http://www.crapo.senate.gov/>*
<<http://www.crapo.senate.gov/>>* does and Coryn and Crapo I can guarantee have relative in National Sec who dont understand Obamas *Sick Relative Broadcasting in Ryans head who looks like the Lawn Ornament thats in Back to the Future II inside the Fence with a Elbow on the golf Club in Polo Dominican Jockey Type Clothes which came from Lizette Holder at The Art Institute whos Boyfriend was a Horse Race Jockey and Lizette Ryan joked about giving a \$5 Dollar Blow Job in the parking lot in College in Ft Lauderdale and this is why 1 of the Retarded Els keeps maken comments about the \$5 Dollars sometimes in media. When you hear someone say (The \$5 Dollars and only that term, it comes from a Zoey El thats retarded but isnt the same as the Zoey Broadcasting in Ryans head whos a Canibal Chia Head. Now there shown Laura Sakays relative thats on Saturday Night Live a (Cast Member and the people broadcasting in RYans head said she got caught making Child Porn and shes related to (Fix the Tired in the 5 Hr Energy Commercial) and if thats the case, this explains why she passed her head out on the table (Being Indited for messen with the Kiddies) Now The Well the Gimp seen in Pulp **https://www.youtube.com/watch?v=S8kPqAV_74M* <https://www.youtube.com/watch?v=S8kPqAV_74M>

* The Bring out the Gimp was a combo back then of Stacey Varges short Muppet relative that Ryan saw years back in Ronnin Rest here in FL near the Daytona Beach Library where a Step Up Arobic CHelsea was inside the place sitting across from a Caldes thats *Using the Tech on Me* and hes a Vancoure Arab looking Caldes and as I passed the two Windows of Ronnins seats in the window she tosses Fingers across the table for him to smell and I saw him lip sink a comment, Then I Guess were all all set. Now Ryans point, muppet shows up there days later with a Pinto thats related to Zoey in the Audience seat at Deal or No Deal where Rachel Cavanaugh the Tap a Tiger Stage model showed whos not the same as hated Stacey Vargeses Muppet Tap Tap Mesquitto who was tap Dancing in a Santa Monica, Ca near a beach that has a Stallone Island thats further up the coast of Venice and why this matters.....Stacey the Muppet was in the seat next day, maken "I Did Get My Brother That Ass" refering to across the table and her wanting someone to take metaphorically Ryans girl and hand her to a Zoey Kin Pinto and Caldes Mexican with Ed Munster Pulled back hair. Now RYans point, Cape Fear and Dinero and Nolte was someones plan to Put Ryan in Prison or a Gimp Box later (Because they or there relative was raped in prison by 4

HillBilllys and the Michaels Disco behind Nolte when Maxx Caty (Dinero is explaining to Nolte out of Prison he has to be comensated for being Raped in Prison for 14 years and hes maken 5,000 Days and he says "Its Like \$5 Dollars a Day" and he says, I dont think you really really "Understand!" what were talken about here with Els cropped on the Banner behind them that spells (Micheals Disco) and its cause Pulp Fiction has a Song thats played when the Rev Up the Music in the Back Room to Rassel Rope Rugie (Male Rape) and the music song selected Rugie and Vin knows back then, was chosen by Hated Tap Tap Stacey Mesquitto and it has all over the tone, sound and music (Stacey Mesquitto Rape and tone of a Stacey Muppet Lesbian 3 Some with 8MM strap ons in the basement. Now at the same time *(Bug Eyes) the actress that Dinero Rapes and Hog Ties behind her back and Starts beating her with a Belt (Al Paine Reference) was because Al Paine used to beat Ryan with a Book and Belt and *Someone wanted to pass El on the banner left in Cape Fears Parade Route seen. Now Jon Coryn has a Parade Cape Fear photo on his site and he got rid of his Flutter Flutter Eye and Slit Tooth Photo that shows he a Larry Laramar from Publix and Belmedia Body Retard whos using the Tech connected to Bob Crane.

===== Now Ryans point is (Chippys People are Hidden Hitlers like the Carls Jr Sandler whos related to Chippy and Angel (Which Means the US Government doesnt understand a Intelligence Mousad person cant run Ryans apt complex and allow people to come in and out of my Apt and I can tell that Angel Borges is trying to kick me out of the apt and Finkels related to him, Tele Savales and Heinzes dont understand that they dont get to kick me out of the apt. And Cape Fear *
<https://www.youtube.com/watch?v=FYJZ4aA1t4c>
<<https://www.youtube.com/watch?v=FYJZ4aA1t4c>>

* has the bar and eventual Rape seen that mentions Cady at the Bar meeting (Bug Eyes and he says, I used to work at the Power company and today someone put Ryans power out for awhile and RYans being stalked by a Fed whos tied to a Nemo Obama thats been down Flomich that doesnt understand hes committing a crime abusing me and hes trying to get permission to take me with His Feds to abuse me and Nemo and Obama dont understand nor does Donnas people in the Broadcast, maken some comments I want you to go to Putin Glen Prison. Someone told these (Handicapped People cause there in a Wheelchair, they can abuse Ryan this way, until they put me in a mental hospital or put me in Putin Glen Prison. Now also understand Bug Eyes is a Tammy Haus in the seen and Ryans trying to figure out if this was a *plan later to rape Ryan after the made your wife comment, which then refers to The Fugitive and Richards Photo behind him and RYans point is RYan one time at Irelands Inn in FT Lauderdale with my Backpack Homless back then when I first Moved down there had a Magazine of American Curves with Rebecca Grant inside down on the knees in a White Bikini and the Book also has Krystal touchen the pulp Fiction Gimp Wall (With Straps and Boobies and baby where ever did you get that ass with Straps and a Fuck my Shit Pose with her touchen a Pulp Fiction Gimp Wall. Now why this is a issue when Ryan was homeless, I would when I had Appointments in the area or go in Interviews like when I went to Publix and wanted to come back later, I hid my backpack behind a Bush outside Irelands Inn and (Nobody Saw me put it behind Bushes and had the American Curves magazine inside the backpack. The Obama Caretaker there or someone watchen me with Satelite when I left that

Backpack and Magazine (Stole the Backpack and the Caretaker was a Obama thats now using the Technology on me and he doesnt understand Nemo Obama is doing something he has to be arrested and put in Jail for doing. Obama thinks he gets to abuse me (For me to be able to see Ryans DD baby. He doesnt understand hes done something he has to be arrested for doing and Kate Fear has comments in a Diner seen of (Now You Can Just Relax, cause your a Daddy) and Mentions Danny (Cherly Perry arranged for Ryan to meet Celia with Intent to get her Pregnate as part of a Grudge in jail going back to Dirty Harry Days. ===== Now Ryans point is that there is a Ugly Little Loretta Lynch Nicole Antonio whos a little (Enemy Mine Alien Loise Gossit Junior Alien Face with Flutter Butter Nose and she doesnt understand Ryans not supposed to be hearing the Little Alien Butter and Likes Retarded Blind Eye sister whos a Helen Keller Moves around Blind and doesnt understand I dont want to hear her. Now Ryans point Rita and her retarded Linda Lavin Relatives dont understand Ryan Isnt supposed to be hearing Ugly Honey Greeks and a Stallone Italian Lincoln who dont understand Ryan doesnt want Tap Tap Russo Stacey Varges whos related to the Stallone in a Wheelchair thats a Lincoln and has Tall Teeth that doesnt understand Ryan doesnt want the Manjaw Stacey Frizzy Shore Ringwald that is known as Hated Tap Tap and shes a El also mixed with Russo and Stacey Stafford and shes a Sick Seriel Killer that has a Cult Following. Now RYans point is when Ryan made a comment, last week, I was in the mood for some Bubble But from Schindlers List Shower seen *

<https://www.youtube.com/watch?v=6hY1hw1IWS0>

<<https://www.youtube.com/watch?v=6hY1hw1IWS0>>* the Extra thats undressing in the Shower seen, that crosses from Left Side looking at the screen to Right with *(Chippys Guard) pushing woman and people to either the Right or Left side and she comes with a White Jesus Face Shrowd from the left side with a White Jaws Kurchief (Tied to Larry On the Beaches Purple Dinasauro that passes Left to Right instead of Bubble But Right to Left with a White Kurchief and shes holding the Jesus Shrowd Close to her chest as a Hitler Chippy Guard pushed her to the Left (The side that doesnt continue running to the Showers) and Sarmentos Sick sister whos a Sara Spaulding set this Nazi Rey Fien and Liam Neeson seen up. Why, Janice Dean Mime and Caberet Dancer in the Begging is Schindlers List whos entertaining the Hiter Soilders in a club was behind all this anarchy abuse with Sarmento who orders the Guards to come out in the Courtyard of the Prison and put Clip Home Improvement the Fix Clip Boards on all the School Desks in the yard (Breakfast CLub Reference and Ex Wife thats in a class with a Ringwald shaken Number 2 Pencils. Now Stiller *Fucken Pike Jew Fredo* in Dodgeball went a Little Too Far today showing a State Farm Commercial that shows 4 people sit on a couch with Oversized Rotund Tan SS pants (This is abuse refering to DodgeBalls End) a predication of Ryan would end up Rotund and Orca Fat Alone where Stiller at the End sings some Jingle that mentions I could Teach You, but Id have to Charge. *

<https://www.youtube.com/watch?v=xecy36VuoS4>

<<https://www.youtube.com/watch?v=xecy36VuoS4>>

* and the Fat Bastard Rotund Wars have begone as Stillers people crossed the line today by putting the State Farm Commercial on with Wide Pants in SS colors which means he and Birdy Teeth Rica David Letter drew Fucking Blood and now Ryans out to Wreck them. ===== NOW

Ryans point is that this Kind of exchange and Rivelre between Fat Bastard and Dodge Ball Stiller is from Different Ends of People Who Stare at The Ball! Wait for a Sexy Beast to Enter the Ball and Everyone antipates the Speach senerio and which way the Proposed Question will go, meaning in Pretty In Pink the Ball Seen and speach is a Preplanned Proposal Script for anyone down the road since Ringwald did the seen, who follows the Ball Senerio and Plan to get some Titty and Shitty. *

<https://www.youtube.com/watch?v=q87sTz0WCqE>

<<https://www.youtube.com/watch?v=q87sTz0WCqE>>* Now the Preview for this seen in Pink has Ringwald Posed in a I never postion (Look up Pretty In Pink the Ball and look at the Preview of the Link above. Now why this is a Senerio This is The Ball Lead up to a proposal and Stiller and Fat Bastard they understand the Ball senerio and when they did both seems where competing to get some Shitty and Titty from someone and there competition is supposed to end up (Like Stiller at the end of Dodge ball which was Pikes Penis side and Trading Shots and Prediction of if RYan stays home for 1 to 2 day what happens to me Psyically and RYan says (Its Not Quite that Dire and Bad Rlght Now) However, the Proposal Script that Ringwald set up years in Advance is tied to the Seen of the Approach and playing Innocent Farm girl who had to go to Joanne Fabrics and make her own Dress. This is what Betsy pretends she is and the Point is the lead in seen where the approach and comments is that after the Comments by Ringwald and sad face and Rehearsed Mouth Movements intended to Lure in and Intice the Ball people know that anyone like Ryan who understands Attending the Ball is to respond with a grab a hand and pretend your sympothetic to her being unsure and nervous and stare right into the Eyes with the doey Look from her of wanna dance and instead, say with a Firm and Straight Forward Proposal Response of *(Im Taking You Out of the Ball Right Now and to a Motel and Your Gonna Take It Up that Ass All Day, Until You Simply Cannot Handle it up that Crapper anymore!) Now Ball people Understand this and the two Stiller and Fat Bastard seems are (Ball Proposals of another kind,) Now theres bad Senerios like Jessica in Cape Fear whos Noltes Wife who says in a seen (Wanna Look Around and she was in King Kong years before that had the Giant Ape in the Bridges version who wanted Jessica dressed in a Ball Dress and tied up on the offering to the Ape and Monkey that had a Costume and Mask thats Rugies face. Now Rugies Vin Rymes must have taken up the offer from (Her) in real life and ended up in Zeke and Zeds basement cause *Jessicas side when in the Motel, cuffs a person and leaves with your wallet and then the Hendricksons and Sistas come in and bring you to the Gimp Basement and Rugie didnt understand not to ask Jessica Lang to the Ball back then.*

*===== Now Ryans point Kerry Marchand was a Evil Poor White Trash at WB Mason who would come over to me and say You Got No Balls and would bring Photos with Tammy Haus Historectomy Complainer and such a Fraud with a Routine thats the (Evil Version of the Ball where Tammy would

come over with Kathy Pimental who RYan thinks is a Child Molestor Related to Rita and Tammy would start with Hand her a Oscar or Emmy with a (I Had a Historectamey) and shed start babbling about this with Kerry out of the blue for no reason and tap her cheeks and face the way Kelly from Coach the Tv shows relative whos a Little Stacey Muppet related to her and Debra and shes a (I Dont want to Say Anything Nurotic tied to Joan Cusack who smacks both cheeks and her face and she says I dont want to Say Anything like shes a nerotic Mesquitto and there is a Ringwald Stacey related to her thats a Little Ugly Muppet thats in the Broadcast Ryans hearing and shes a Tiger Chin Coo Chin in some mental hospital who plays with herself all the time and makes *Really Comments all the time, cause Likes people related to Jessica Lang and Donna have her in some Russian Putin mental Hospital and shes a short Frizzy Stacey Really that went nuts when they told her Ryan was gonna have a Party with her and shes a retarded Donna who really is Mentally Ill and Donna doesnt understand they have to be arrested for doing this to Ryan. Now also understand a side motive, Kerry said, You Have No Balls which she will say, she was looking for a Online look a like or person castrating little Boys balls and penises and if thats the case, Ryan knows what the motive is: one of the Fuglies didnt want Ryan to make and pick up a Ringwald that looks like Pretty in Pink at the Ball back then. Kerry was concerned Ryan would have Balls and the No comment then was No One DeCovney whos related to Am on the beach whos a Partial Mini Driver Chin Ringwald. Now Ryans point is Leo Meehen has a Greek relative thats a Tony Pacheco thats abusing Ryan whos Part Geither and 1 of the people involved with Cape Fear (Really was a Sleeper Cell person who had or has a relative that was in prison for years, raped and may have lost his Nuts, Penis and went nuts and got out. Now RYans problem is who was (Behind the Bug Eyes plan at the bar other than Jew Pam Smagetz who was a patriarc of making people Oreo Cookies in the 3 some against there wishes and will, especially with the Coloreds who like to Kick the Door in like Robison and make a person a Gimp by framing them via Training Day Tv seen with the senerio of *When Coloreds Rush In* and make people do a snuff video after raping them for hours and then force them to make a movie and get rid of them in the cops gimp box that eventually kicks the door in like Dr Dre sets up Scott Glen Senerio in Training Day. Now Ryan says if thats what Bug Eyes Hawes was working for (Someone has to hit that Fucken Skinny Bitch with some wooosh RPG. Now Betsy knows I know the senerio after the Ball meeting and the agree to leave and (Take In the Shiter Right Away) senerio, that the Cuff and Belly down Role play is not just Sexy, Its Super Sexy and understood. Problem is, it seems Haws who has 1 relative thats a partial Betsy back then wanted to help Scarlet in the script at the bar when she says My Name Is Scarlet in Cape Fear when Dinero meets her, because someone who has a scar and perhaps cant have kids cause of a Car Accident or other incident is tied to the Israel movie that has El and a Woman thats Lesbians in Isreal in a school who also go to bars and make men and Decovney was in this movie and I think its cause (NO ONe Understands hes sending them out and there pimp to get Penises bronzed, sayen perhaps it would be better to pass No ONes versions of Goransons because they may have sharp PP Biter Motives if a David has a hidden Prison early Career left Behind, Raped and really pissed No One Motive. Now Ryans point is I need clarification about which way this is gonna go B. Now Ryan understands that all The Italian Ella Means, Ringwalds related to Donna, Russo, Sarandon and Obamas want to

keep mentioning the Ringwald Cause (Honey the Ethridge Greek Shore with Frizzy Hair doesnt understand Ryan doesnt want to hear her and doesnt understand Ryans not talking about a Rita with Frizzy Hair with Ella Mean Ringwald Tall Tank Teeth. Honey and Machios Retarded Hunk a Hunk Teeth Ringwalds and Mindys dont understand Ryan (Really Really will not ever want a Ethridge Honey and there a retarded Sarandon in the broadcast whos a Hogan Daughter that has to be arrested for them to understand this and Rita was between them and me and tied to the woman in Back to the Future II on a skateboard in a seen who then, wanted Halloween III Season of the Witch and Change on the counter tied to Fast Times Sarmento planning this pushen the cookies off the counter to Judd. Ryans point is I could speculate so many senerios of Doing it up that can after Role play thats tied to what I was explaining with these examples from B behind the seens 1.) *

* ===== Now what Ryan is explaining

all of these examples are what happens when there is a Perfect Ball Night Pickup Senerio and you stare glaring in her eyes and dramatically say, For Christ Sakes, Your Gonna Take It Right Up that Fucken Shiter, All Night Long, till its sore and if shes the right Ball date, she might get Dippy like Seymours Pron Island But Swap with Farmer Jeans (meaning the switched a Rita with another girl in a seen as Bronson knows RYan does not want Rita and the right girl gets dippy, lunges for a Hug and collapse in Arms and says (Handle it Till Its Sore!) Now Beca was kind of a Guber with a Red Sweater that had Really, Really Large Firm DD Boobies and she only met with me, to discuss if I wanted to go to the Ball, but then was imprisoned to the Ex wife and the Hidden Cherly Perry Vincent Director involved with 1971 Dirty Harry that had a Celia with Mexican Woman backing her up in a picture on the desk of the Woodward that was his Supervisor and shes being backed up with Fake Smiles and a Molestor pose. Now Dinero goes up to the Ticket Counter in a Airport seen in Cape Fear and speaks to a Maria Antonio thats related to Monica Lewinsky at the counter and says Danny and I were in Kind of a accident, any idea when he will be back and Palm Teresa Heinz Swols Watson Parellel showed up years ago in the Daytona Beach, FL Airport when I stopped at the Terminal that has 8MM Penny Leafs in the Green Carpet inside

the Terminal and she shows up at the counter like a serial Interpol Sufle and says as I passed her inside between Buses that stop there and had to piss and she comes to the counter and says *Your Ass Already Came Out* like a serial Stalker and tied to the Teresa Heinz Celia tossing water at someone in Jaws. Now shes a Dianna Manson Watson Teresa parrellel and she took off after saying it cause of Cape Fear and Maria and she doenst understand Ryan doesnt want Rita or a Moonpie chin like Alley Sheedy in the Breakfast Club who seen of I Stole Your Wallet was tied to Celas family and the mexican kid on the ID in the wallet with a kid thats in a Wedding Dress that has Goth Black Eyes and clearly was Nemo and Celas intent to frame me later with a sleeper Cherly Perry Heinz (Danny from THE Shining Kid Sleeper) where Cherly was obsessed with Burlington Coat Factory and talken about Kids in wedding gowns. Now I now realize the switch Car in 16 Candles Bridesmaid Ending with Ringwald in a Lilac Bridesmaids dress withn the Little Girl tied to Camp Crapper Emily Camp in Bridesmaids maken I dont know waven the hand is that the large Leconte and Stemberg at the Reception and Wedding seen where Ringwald brings the Little Girl Present (Mini Me Smaller version whos not Mini Me Drive and Stemberg wanted to Molest her instead and thats why the greek Creep crosses one side of the aisle to theres to olgly the little Girl, Molly set someones nambla date up with. Now Lecontes relatives, stayed in his seat and I know why, he knew a Child Porn cop, was onsite and look at his face in a manor of Im not gotten Caught, let him go over there and molest and accost the Little Side kick of a Ringwald which then represnated Ryans Irish Lord of the Dance Bride of the Future! **<https://www.youtube.com/watch?v=eq5NSAyQEtI>* <<https://www.youtube.com/watch?v=eq5NSAyQEtI>>

* ===== Now Ryans point about the seen and the Ball is when someone chooses the Alley Sheedy Version of a Date which hers is Goth Rave Death Dance, this is what leads up to what happens in that senerio where everyone leaves in Stembergs Switch Mr Hanky Jay Brown NJ Vern Car with the V Plates and ends up dead in the bahamas while your left having to explain the porn in his Buick was the switch Buick and sleepers not the same as Ryans College Light Blue Buick that came with a Plan of (Ask and Thats It whos a Ugly Balerina that couldnt make it on Broadway as a Dancer and Thats It and Ask hated people cause the Cats Crew and People said we think your too short and stumpy and thats why theres a Converse All Star Balerina seen in the hallway in Breakfast club, Larry Carlise Balerina missing in Switch Back and also why Ask ordered Costume to fit Glens Skateboarding Pumpkin head sister with a Pumpkin mask on in Halloween III Season of the Witch next to a Ghost costume and Barry More from ET and Stumpy Ask didnt explain the reason she had a Light Blue Tu Tu was Bishop *Steve Bishop and Bishop Dezmand Tu Tu and ask wanted to swap there porn with the car Ryan had in college that was Light Blue same company as Stembergs 16 Candles car that had V NJ Devils Plates. Now 16 Candles End seen **<https://www.youtube.com/watch?v=IOiRMN5nRO8>* <<https://www.youtube.com/watch?v=IOiRMN5nRO8>>* and comment, thanks for Getting My Undies Back *Undies tied to Forest Gumps Strip Club Crossing the stage Edited out with a Princess Dianna McClellen was (Preplanned then as a Future Mentally Abusive plan to get her Back *Meaning had Ryan taken B to a Motel that day, she would have Gone Back, Right away and all day till she simply could not handle the Pipe up there anymore!*

*===== Now why the 16 Candles seen matters, notice when Ringwald comes out of the church that has a steps side seen thats double level (2) steps that go up in a zig zag from 1 floor to the next which is in Dirty Harry in a seen with a Cut Out Brick Window thats tied to *Seven* and the apartment in Seven with a Window Divider between rooms. Ryans Fall River, Ma apt had a Living Room and Kitchen Wall with Cut out Divider. Gwenith in Seven in that room makes a comment, Thanks for Giving Me All This. Now why this matters, Ringwald comes out in Purple that looks white at First at the Top of the steps (Chico Stash Skateboarders side with Flowers) and this is before Breakfast Club a year later. Why this is a problem, Ryans previous Tenates name is Flowers (Crossed out in a Line with a FWD For Ward or Finally with Dalamore or D and whoever crossed out the Previous tenate left behind a Penny with 8MM Leafs and Queen Liz and 2 Rusty Hair pins (From Ringwalds Hair in the movie, meaning thats what 1 of the Rusty Hair pins meant to the person who placed them there and the script Writer who makes a comment, Thanks for Getting My Undies.....pause Back! Now Undies in the Bathroom might be what they meant when Anthony Mike Hall, Cryer and Glen are in there and Chris Glen when I stayed on his Twin Couches in the front room and was getting Sleepy asked me to close the Front door and I was already sleepy and didnt get up and he came out and said, I Asked You To Do one thing in WHITE Fruit of the Loom Underwear. Now a Damien Flowers *(Chippy Hands me my Blood tests back at the Hospital this week and spoke with a pedro when I complained about what they did to me and didnt really treat me and I have her name (Jennifer Fuit missing a R to make the word Fruit such as Fruit Bowl in Field of Dreams and Fruit of the Loom Undies. Now Ryans point Chippy the Flowers Doctor looks like the Carls Jr man that had in La Korea Town Las C & C Internet Cafe where *Understand Mexican was looken at the Rape in the basement with 2 Black Men and then RYan went over to Carl Jrs and saw *The Short Gap Tooth Portman known as The Sandwich who makes a comment after seeing this video (are You Gonna Go for the Sandwich) and when she says this, shes trying to help My Dad Els get you arrested by Oreo Gimp Cops and Charleston House Place (where Im living is where someone made a look a like Child Porn Wedding video that Cherly Perry (Related to Shining Dan who was supposed to Replace me had made and its tied to the Blow Job Mask thats in the movie seen when SHelly Duvol climbs the steps with a Butcher Knife and thats why Mielos in the Guest Baby Room BEDroom in Westport, Ma house took the Plastic Bag Cake out of the Closet with a Halloween Butcher Knife and stopped in the doorway like a pysco and said, Shoud I do it now? Meaning Poison and get Ryan in a Gimp Box and tonight someone advertised a show with a name that had Cake as the last name *Mielos teeth is not allowed to make RYans baby* ===== Now whats the difference between the senerio of take it in that ass till it cant be handled anymore and having B on the stool or Down Belly Down like Scarlets Couch Champ Video is this video (But You have to ignore the ex wife part and the fact Anne Hathaway had this Porn star do this seen, knowing Betsy Frame and Large Boobies and its a For Instance that the Ex wives put together to abuse Ryan because they know that Alana

Rains who slightly related to Donna in this Video is (Handling It Quite Well!) and Ryans baby knows I dont want a Donna looking woman, but Ryans baby also knows how to *Handle It* without the ex wifes thoughts or being present and they have to explain to Rita that shes done something wrong. *

<http://www.4tube.com/videos/303913/chanel-preston-fucks-alana-rains-moist-slot>
 <<http://www.4tube.com/videos/303913/chanel-preston-fucks-alana-rains-moist-slot>>

* They have to arrest the Greek Ella Means and Teresas and Celas and Donna and Rita and the Little Stafford Wide Teeth Mesquittos for them to understand why they were not given Permission and a Bill of Sale to Take Ryans baby and ass to the Bahamas as Moulan Rouge Kidmans Moonpie Relative likes to say. Also theres a Roy Scheider and Like and Coo Lip Retarded Arty thats a Dinero thats stalking Ryan and doesnt understand they arent gonna serve a arrest warrant and the Retard came out of a Aparment yesteday and I heard him run out of 1 of the apartments maken (I Dont want to Go To Prison) which I mentioned the senerio in Twins 2 and Deveto Running across the lawn maken Vincent start the car, I dont want to Go to Prison with Devito Top Speed across the grass and Lawn between there apartments. Except he really is a Retarded person that was in the apt to make a new Look a Like with a Twin and its not a joke and he doesnt understand thats a crime and neither does the Samuel L Jackson in the Bldg.*

*Ryan Has Insight On Final ANALYSIS of the Ball Senerio and True Champions and When Two Tribes Go to War. Now Virgin Mobile and 1 Other Pay as You Go Site has been down for 1 Week, and Virgin changed there phone Web-Site so that Customers like Ryan (Cant Change The Phone Number Online) which to open Yahoo, Hushmail, Google and Other Free Email accounts you have to have a Cell Phone with Text to be able to (Open an Account and then your number is Entered.) Now RYan calls Virgin to get my New Number and a Hindu Answers and he makes a comment, We Asked and Im explaining there sites been down for a Week and is there a change to the site and hes maken comments like We Asked, You Cant Do That Anymore. He also makes a comment Like We Have. Meaning I was like (Doesnt Understand that Teresa Heinzes Celia and Dianna Mansons who have Skinny Thin Noses and mixed with Pixie such as a Palm Pixie that came years back to the Daytona Beach, FL Airport that has Leafs on the Carpet inside the Terminal (Thats Connected to the Leafs and 8MM Penny in Ryans towel closet.) Now, Ryans point is that theres Liberty Mutual Commercials Online in front of the Statute of Liberty such as what Ryan calls (Sygorney Hillery Gush But Ed Alves Training Day Shaped Ass Sufle Creep (Title of this commercial) *

<https://www.youtube.com/watch?v=PpyCSMIYHDU>
 <<https://www.youtube.com/watch?v=PpyCSMIYHDU>>

* Ryans point, notice Sygorney with Cullen Cult Hair Style, PP Biter Regina (Lucky and Shay Patty Sanders God Is In His Temple Preachers Farmer Mid West Spit Frumpster Dry Hair Parted Down the middle and Grey Slacks with Hoggen Gimme the out of shape worken on it Gush. Now she walks over to the Bench in Liberty Park maken blaben comments about U Do All This and in this case, All This Refers to the McClellen on the Bench or (Depends) the Statute of Liberty refers to a Larry Carlise Italian Pike Gomer Chin thats got a Donkey Ass thats tied and related to Deal Or No Deal Audience in Ca whos a Kin Dianne Manson sitting in the Audience who then had a Phat Tub of Lard Ass and shes a (Angry Dianna mixed with Ryan) and sitting in the

Audience maken comments (Then Jay Gets that Ass when Tiger Rachel and other Models where on Stage. Now Perfect Car comments are tied to Tiger Rachel and Tap a Tiger Tuesdays and that leads to *

<https://www.youtube.com/watch?v=NXi4i2cZdnY&list=PLjtMLXtXzRpylsqH5IDmpia1C4F6E61zA>
<<https://www.youtube.com/watch?v=NXi4i2cZdnY&list=PLjtMLXtXzRpylsqH5IDmpia1C4F6E61zA>>

* and theres different comments about Crash a Car in to a Tree (Tiger Woods News Incident where he took the Front of a SUV and crashed it into a Tree outside his Ca Home. Now Tiger is a Ono A Lac a Ney, Um Ma Hawain Powell and that story was tied to who made a V Ring Sleeper in Ryans Towel Closet and motive why. The Front of the SUV crashed into a Tree (Jackie Lynn Kennedy and Det Williams Baldy at Lowes in Ma and Jackie would make, Im a tree comments.) Now Tree might have refered to Pike Penis Maken a Tree House Days when Ryan lived across from him at Al Paines or the Tree in Silence of the Lambs that has a Kerry Marchand SKin Mask picken a Tree and Corey Hains Website has him Picken a Tree (Then He Died) Now, Ryans point the Cherly Perry Heinz playing the Mother of the Patty Sanders in Silence of the Lambs was tied to the steps boy kid in Padnaram at 7, Except he was not a Teresa Heinz Celia, Like the Celia in the water in Jaws tossen Water Left to Right at a Friend while swimming (She Tosses a Hand and spashes Water at a Girl) Now Ryans point Rachel and Beca were Stage Models I hear on Deal or No Deal and Ryan didnt have Glasses when I was on the show, as a Audience Extra, but had different seats each time I was hired to a Audience Member and Ryan knows (Tap a Tiger was a Stage Model in 1 Episode), Now why I mention this Tiger Woods Tree Crash was motive of Either Jackie Lynn trying to find out (Who the Tree Power Source was) and Forest Gump has a Tree at Mamas Mansion which isnt Sally Fields or Donna Reference. THats a Sweet Home Ass Alabama Strip Club Reference. Now Ryans point, Tiger Woods (Did Something Wrong with Tap a Tiger Rachel the Car Accident Day with the Black SUV and has Grudge back as far as Dartmouth Street Days where Ryan thinks near Perrys Funearal Home someone was hit straight on front and Paralyzed when someone crashes the consule Driver seat (that person went on to wack Ryans entire family line. =====
Now Ryans point the Donnas that are *Zoey Ringwalds are Greek and Broadcasting in Ryans head with a Panda Bear Retarded Little Big Eyes Moonpie Cindy and Hogan who doesnt understand its a Federal Crime to Broadcast in Ryans head, Order Virgin to Bring Down the Web-site to Block Ryans Emails and Communications for a Week, so they can cover up what Hogans Bundy Rita and Retards and Donna did and are doing to me, which includes a Jen Love Hewitt whos a Chee Kee Kee Stallone Eyebrow side. Now Chee Kee Kees, they have these odd Cruise Brows that also have Medelov Crooked Teeth and Bulp nose and they break into out of Control moments when they do evil things and make CHee Kee Gestures when they do. This is what Chee Kee Kee Is and the Stallone Sarmentos are Chee Kee Kee. Now RYan was in the Gym Yesterday and a Barry Gibb Vanessa Williams type comes around me with a Natalus Ten Clip Board and looks like hes a Social Worker trying to find ways to garnish Ryans check and today at Wal-Mart Ryans Debit Card was Declined when I had enough in the account cause the Redford (Cats who are like Bobcats with Poo Pants Crying Eyes and Faces, that are the Iranian Skin Tone and Canibal Cat Teeth, theres a Jackie Lynn Kennedy Laura Ingells

coming around me that fits the bill sometimes and they dont understand the Canibal Cats cant Broadcast in Ryans head and help Donnas retards and Hendrickson make off with Ryans Babe and Booty. Now theres shownen a Well Bananna Mix at the Statute of Liberty Park maken motions of she doesnt want you anymore and Ryans been explaining that Donnas Retarded Greeks and Lopez Perry Butter Face (Jen Lopez Donna have to Be arrested with Mellissa Glens and Rita shores to understand yes, I understand Lisa, the Little Mexicans and Like want to be able to Toss Ryan in mental Hospitals, Abuse me and turn the Sound on, and stop Ryans Atm Transactions and want to Garnish Ryans wages, Stop my Check and hassle me. *Ryan says thats a Crime and what Retarded Kachaka Kachaka Donna Spielberg Moss Retard related to Kelly from Coach and the Retarded Coo Lip Pinto side to side did is a Federal Crime they have to put you in Prison for doing. Ryans point the Sygorney Spinster Split Hair Gush But in Heels with Ed ALves Hockey Days shaped Ass is (All Wrong and this commercial does not say The Ball and Champions and its speaks of Mielos Teeths Sinister Ny Amber and Hunk a Nose Carl Retards. ===== Now Ryans about to Explain to Hogans Retards and Eric Holders Retards that are Rooster Lips and people that are Bald Mansons that think the Waskawitz Mary Cadles Coo chin Donna thats Broadcasting in Ryans head shifting around in her seat with Donnas retareded Honey Greeks and Dels *

<https://www.youtube.com/watch?v=n7Os6HAc3es>
 <<https://www.youtube.com/watch?v=n7Os6HAc3es>>* such as this woman (they Dont understand that Donna did something wrong to Ryan with Obama you have to be put in Jail for doing and they have to explain to Donna and Machio that we dont Broadcast in Ryans head, try and give me a Heart Attack and then Try and Garnish my Wages cause it makes prince William, Dylons, Harry and Donna and Lisa and Honey happy and Retarded Stallone Panda BEars and Paul Pacheco Stallones who want to make Ryans Princess and then Cover up abusing me, by ordering more abuse. Now Ryan compares Turning the Tables on the Little party and Lesbian Truth About Cats and Dogs and Cameron Diaz Lesbians and Garafalos by having a Counter Concert where Little Parties do not Rule and having everyone in the Stadium Stand up during the Bands White Snake Performance of (Is This Love) which usually makes Ritas people think were gonna have a Little Party and Concert like Double Date with Patatoe Patekous in the Stop and Shop days, where Ryan made a mistake going on a Double Date with Rita and jay and Cindy Love and saw Scorpions and White Snake. Now Counter Concert, Present Day, is Everyone Interrupts short Scorpion Singers (Here I am, Rock you Like a Hurricane, yanks the cord out of the Speakers like Forest Gumps Justine Speach in front of the Monument and Instead, everyone stands Straight Up and Puts Lighters up and Arms Up High and Flicks the Flames on and everyone says at Once (For Fucking Christs Sakes, Nobody Touches his God Damn Well and Hes taking his Baby Jowels To the Ball and then Straight to the Shit! Now this doesnt mean Alaskan Veronicas in Toyota Orlando Dot Coms and Likes people get Ryans baby to Veronicas side of Wells or Like. This is simply a understanding of How to Set up people to be (Champions when Defeating the Little Party Ritas side by turning the tables and having the Crowd at Concert all sing We Are the Champions and Shame Scorpion Kings and White Snake off Stage in Shame.*

* Also, Jon Senra is Blocking Ryans emails to half the Addresses on my list for those getting my emails and they have to Arrest Rita cause she knows some of the emails of Ma Fire Fighters have people that know Ma cops and my Emails explain to them with Downtime whos been stalken Ryan and they know what Rita and Obama did and there trying to cover it up and I want them to arrest Donna, Hogan and Stallone for Blocking them cause Pinto Moonpie and them don't want the people being blocked to call Internal Affairs and arrest Donna and Chee Kee Gonzalez the Little Creep Like and Nervous Mary Liz Tracy Rosey. Mielos teeth is trying to cover up what they and Jen did to me to get Ryans Princess crown to say yes to a Dalamore. Those that get this email, Forward them to every Email Address on my header as they have a block on my Computer Cable line in FL One llevel Further Cheers Garys Old Town Tavern Cheer and March into the Saloon (Replace it with Old Town Champions, Old Town Champions and this explains the difference from the way Rita little party people did things and Present Day and the only right episode was Reading Poetry to Gary till he was disconnected for hacken Ryans computer and can arrest them Does Betsy Understand coming to Ryans Apt in heels and a Trenchcoat and Saluting at the door and saying something like Reporting for Assignment Sir, I'm hear to Become your Champ! And the Replying Your a Bad bad Girl with Pigtail Shame on her face and Then Sayen Your Very Late for the Ball! Now that's (Champ Senerio) the Down side and opposite is Ryan goes out to dump trash today and coming back theres a carloyn Kennedy Chubby Italian with a Dog on a Leash cause the Muppet Saw Donna Italian Frizy Carloyn is a 8MM lesbian Gimp side of Men. Ryan also sees Ground Hog day is tied to Bldg 9 and tomorrow Ryan will elaborate on the Background things having to do with Framen Ryan with a sleeper like the town Blue Flag between a Westport Town Hall and the Road in a seen. Does Betsy Understand coming to Ryans Apt in heels and a Trenchcoat and Saluting at the door and saying something like Reporting for Assignment Sir, I'm hear to Become your Champ! And the Replying Your a Bad bad Girl with Pigtail Shame on her face and Then Sayen Your Very Late for the Ball! Now that's (Champ Senerio) the Down side and opposite is Ryan goes out to dump trash today and coming back theres a carloyn Kennedy Chubby Italian with a Dog on a Leash cause the Muppet Saw Donna Italian Frizy Carloyn is a 8MM lesbian Gimp side of Men. Ryan also sees Ground Hog day is tied to Bldg 9 and tomorrow Ryan will elaborate on the Background things having to do with Framen Ryan with a sleeper like the town Blue Flag between a Westport Town Hall and the Road in a seen. Um, RYan says We Must Understand the Difference Between a Ball Champ and Champions and Attending the Ball,

leading to becoming such the Champ! Ryans got More Issues surrounding the Ball and someone sick whos a Ozzie Osborne Lance Hendrickson (Muck, Muck Caldes Bubble Lip whos related to Lance Hendrickson and is a Caldes and has Features like Scott Nemo and is a Muck Muck Lips and Crooked Teeth and as Ryan was in a BP today, and a Manson was outside and hes a Dinero with Dark (Rickshaw Blue Eyes and he says This Doesnt Go Around Here....this means short Hated Run related to Regina and Ditata who was running around UMass Dartmouth, Ma with Orange (Jaws 2 Trunks) and when you here anyone supporting the Lopez and Cherly Perry Moonpie Lopezes that make (This One Goes Around) which Jennifer Lopez Butter Face makes those comments on TV Sometimes and it means they find someone like a Goranson or McClellan and want her to be picked up by the Hated Regina Sortie Dorothy (Dottie Ditata Mexican Running Around UMass in Orange Trunks, hence 1 of her relatives or there Ringers make (the Girl being targeted and thus as Jenn Wants has to Go All the way Around (THats what he meant, gets picked up by the Road Runner Short Run, Running around a Circular UMass Campus. Now Andy McDowel in GroundHog Day is on Today on SUNDANCE and there is a seen near News Van 9 and shows a Blue Flag near a Town Hall thats tied to a Westport Town Hall Design and a Blue Flag is Right in the middle of the Road (Oddly Between a Town Hall that looks like Westport, Ma. Now Ryans point Andy McDowel (Mielos Glen and Andy From Shawshank Wanted to take off with a Heist, when she in hair commercials (Made his a reference to make RYans Princess Bride Booty and take off the Mexican San Juan Tan-Nayo. Now Andy Dice Clay on the other hand, has a new show advertised that seems to have a few Pilot Episodes and his Pysical shape (Present Day makes Everyone Want to Take off as its Really Embarassing! Dice will snap if he reads this, but he knows its the Truth and he like Ryan has a Metabolism that sometimes fighting the Battle of Age and the Bulge makes me want to walk right into the God, Roman Papalacy and Jesus Council and say, I Quite, RYan doesnt want to be a Jesus Blood Anymore and hand in my card. Now Ryan Notices a few things like the House thats down the Street from Ryans apartment thats on Flomich that has new Grey Paint and its across from Roseys Bar and Rest where someone tore down the Mini Grassy Caribbean Outside Bar thats behind Roseys which has to do with Heartbreakers with Jenn Love Hewitt and Sygorney and the Blow Job Office seen where Jens Blowing someone whos her Boss and for a Brief Moment shes swapped with someone elses back of the Head in a Blow pose. Now Ryans point is that RYan notices the House down the street across from the Bar has a Small Little (Fat Man Pulp Fiction Stool) that is like Fat Mans when Sid Shaw bought Ryans Light Blue Car for College that (Fredo Anti Tarantino wanted to help Stemberg in 16 Candles with his New Jersey Switch Car Buick (Same Company as Ryans College alledged Shit in Trunk Car and the Stemberg Adandon and Frame Switch car has NJ Plates which has a Number that starts with a V. Now Ryans point the House across the street from the Bar was painted Grey (Used to be a Different color) and there is a Garage on the Left side thats a Car Port thats Light Blue Garage (Only Section thats Blue) from Old color and there is a Number on the side of the House 805 and it has a Dreary Horse and Drawn Carriage in Black (Switch Duffle Bag in Clint Eastwood Magnum Force that wanted to Deliver and Switch the McDOnalDs Golden Arches Duffle Bag in Dirty Harry. Now RYans point the House has a Porch thats got a DustPan from Porters at McDonalds and Theatres that sweep up around the McDonalds and Theatres and they left the Dust Pan and Broom on the left side outside the Door of the House with Fat Mans (Forest Gump

Stool On the left, hidden behind the Corner Porch Entrance. Now RYans Point from the Street Al Paines (Hancock St House had a Garage with Dead Poison Penny the Cat Garage on the Right side looking at the House. Greys House down the street (Did the Switch and Put Dead Cat, like Switch Car Dead Nigger in Trunk of the car that has Aids (Fred Mercury) Blankets in the back seat and RYan realizes as I came back to my apartment today from the Gym and there was a Sabubala Samuel L Jackson that when I left was all Angry and Getting into the Passenger seat of the car (Cause she wanted me to stay Home figuring I been home allot since going to the Hospital Recoopen from the Heart Incident and in the past 2 Days a feeling in my Chest, Feels like the (Intelligence Bubble in RYans blood and Veins someone caused on Purpose (Broke and popped maken me feel Better) Now Before Chest Problems (Conspiracy Theory Came on) the Day before, talking about the CIA and NSA can give people heart Attacks. Ryan took a Dump yesterday that looked like something (Cleared my Body that was a Green Nuclear Contaminet in Ryans Digestive system and it was not from Cool Aid Drink Powder or Patty Comeys (Galblater Nuclear Shot a Catscan operator gave me in FLorida Hospital when taken Catscans of my Organs and a Carolyn Kennedy and Patty Sanders mixed with Comey took the Scan and put a thing in RYans body that made Organs feel Warm and its supposed to make the Bowels Light Up so the XRay is clearer (Though its not needed to do a Catscan....Ryans point, what came out of me was not that she put in.) What was in Ryans body either was from a Beer Can put in a BP when I bout a 18 Pack or some food they arranged on the shelf. Now RYans comes back to my Apt from the Gym and theres a Sabubala on the Porch and shes Party Dancing around with Headphones and a radio snappen her fingers and either Party Dancing around tied to the TMobile phones which has a Retarded Mielos Donna with Frizzy Hair related to Thats its Shadow Profile that she doesnt understand Ryan doesnt want, or B the Ringwald in 16 Candles with the Snappen Fingers in the School Hall who sits in the hall near the Fire Extingusher and shakes head yes and I know about the Fire on Dartmouth St Next Door in the Brick Apt Building 1974 and then gets up and walks down the Hall to the Double Doors (Tonys Thumbs Up Gimp Basement Ref) from the 60s photo and she does a Snap outside the door and they bring a kid that is brought near her to the Door and inside the gym (Bringing someone then a New Basement Zeke and Zed Gimp and people didnt understand that this is what Two Snaps Up. Or Thats its Relative when Ryan was in Raynham Pep Boys that showed up in the Store maken, Does He Know and Short Joe Elliot Thats it walken away down the Aisle says, Does He Know and does Two Snaps Up and her idea is does he know she tries to help the Gimpers Frame and put people in Gimp Boxes for thats it. Yes Ryan does know and Im not happy about snappen Fingers in her case. Now Ryans point is these things all tie into (The Ball Versese Competing Mental Inner Circle People that Ground Hog Bill Murray (As Ground Hog Day is on Sundance today and has Bill Murray get up at a Podium tied to the Presidential and Graduation Podium and theres a Circle Logo that says Inner Circle on the logo of the Podium with a Rabbit tooth GroundHog like Gofer! In Caddyshack and Simon Cowel then doesnt understand the Inner Circle (meaning Top Classified Feds that know what all other lower level Feds dont are led by Alvin, Simon and Theadore (Like Huxtable, Cowel and Alphie Rugies Arab Eyebrow Milado cant stop the Dunk Friend and understand There not whats considered the Top Brain Feds that keep the country together and Democracy from Falling, but Murray gets up on stage near the Podium and

does a Bored to Death Zach (Bernie Doyan Bored to Death Book Signing Club) episode move when Zach in a Episode of HBO Bored to Death signs Books and some Girl in a Cape and Charge Electrical Super Hero Costume when he says Ok, I'll take Compliments and she raises her hand Like Horseshack and Jaws Larry on the Beach. Now Ryans point the Inner Circle Feds, some Papalcy would know the Inner Circle knows things like a House on Flomich that Ryan passes from the Main Road near Wells Fargo has a House before I get to the Bush Afgan (Might be Meatheads and Maken Trailer Spare Parts and Fixen Trucks and cars with Used Cars on the Grass and parts all over the Places house. Ryans point theres a House, I once saw a Gosian in the backyard behind a Fence thats outside the House inside the Wire Fence a (Double Fence, where the Owners put a King Kong Wooden Wall Fence inside the wire fence to hide the Backyard and it used to have a Section that you could see in there yard and Ryan saw a Gosian put something as I passed on a Table in the Backyard and today as I walked past, I heard Two Small New Dogs that are like Datsuns that Dark Obsessions side of Gosian Trained with the Devil and Rosemarys Baby Cult and Carby Satan to (Attack Jesus Blood and there barking was to see if Ryans Telepathy and Mind *(Still Has Control of the Animal Kingdom) and Ryan saw something on the Ground today on my way home that said ripped on a Styropham Cup of And Carey. Now Ace Ventura was out in La at Some small Airport that had a Mini Mall like the Men in Black 3 Seen inside the Men in Black Secret Base with (Sexy Vixens Extras in the Balconies as Josh Brolin and Will SMith Motion Ogling a Extra that walks past in a manor (They Want that Job of a Set and Dress Peeked Damn thats some Hot ass up there. Now the Mall inside the Airport was like that (Balconies where he filmed and walked down the middle when Filming as RYan was placed on the Left side as he passed (Someone there was a Penny or Skin) sleeper and if a kid went missing (At that Ca Airport or a Airport) they flew to Daytona Beach, FL Airport that has a Carpet in the lobby with 8MM Leafs and also brought a kid and did a movie here and left 2 Rusty Hair pins past the Door Track to the Left FLoating Toward the Penny and Skin looking in (Mielos Kid is a Carey Pedro and did a Child Porn in RYans apt and left a Lock hair picker or Slim Jim and a (Step into a Slim Jim has been in the gym before) Randy Macho Man Savage whos in Men in Black 3 with Jaws Kurchief. Now Ryans point normally when RYan walks down the road theres a Few Houses that have Guard Dogs in the yards behind Fences and they come around when I walk by (But dont bark like at Other people cause Dogs sense evil and know Ryans a Jesus Blood thats not. Its also cause the Telepathy Tech with Ryan gives me (Control of the Animal Kindom and Jim Carey has some control of the La Animal Kindom, but Fire Marshall Bill, Let Me SHow you Something, doesnt Control Ryans papal Jesus Thing. Now Ryans point a Rugie Andrews thats comes around me now and then when I pass this house was walken away from Ryans apt area like he just came out of my place with Hogans people and a socket Wrench tryen to open Ryans fridge to contaminate it in a Mission Impossible Stalker manor and Rugie crosses the Street like where now King Kong Rivels as the 76 King Kong Monkey that falls from the Trade Center has a Face like Rugie Andrews and the Monkey Owned 76 Gas Station which has a Orange and Blue 76 Logo and Ironically its in a 1971 Dirty Harry Movie in SF as in 76 Gas was started before 1976. Now RYans point, Rugie walks across the street after Ryan passes Ws House and says that W and explains to him when Mansons send (Champions around me with offers to see if I Still have control of the Animal Kingdom it means that W

doesnt understand 2 Help Gosian Train 2 new short Datsuns that can Resist
JESus Hand and Mind meaning in the past when Ryan walks past the Dogs a few
Houses on the street and sometimes they come over and bark, Ryan Looks at
them and Thinks and says to them Telepathy Command (Control of the Animal
Kingdom and the Dogs stop, calm down and back away. Gosians King Kong House
with King Kong Monkey Tall Wall, has 2 New Ghost Mask Mean Dogs that were
barken and barken even when Ryan passed cause Hogans Pedro Jackson in
theory was sayen that they and she have the Party Dance whos a kind of
Animal Elliot thats not related to Joe and thus weekens RYans control of
the Animal Kindom as there was a time Long Time Drugs wanted to party Dance
her Bottom behind the SUV behind the SUV for Ryan. Now if Jackson and Bundy
Hogan have her, theres less Jesus Goransons and McClellens worken Ryans
(Such a Piece of Ass Case) and B understands what I mean. This makes the
Animal Kindom Control of evil cause even if they made a Beca sister Twin,
she moves with them and the Satan Carby and Like people when out of the
Service Area have more Evil move in RYans area, taken away Jesus Energy
when Party Dance or 1 of the Jesus people like Ryan as in Betsy and Ryan
are both Jesus Bloodlines where RYans got Portman Jaw and Features that are
Jesus Blood likeness according to the Face Image and Betsy was also a
Jesus, but had the Nazareth Blue Eyes of the Son of Man part, not the Jaw
and Portuguesse Blood and were not related and she orginally came to me as
a Jesus to Jesus COnference to Split up the Terratories cause Dice Clay and
Well wanted Gaza (Though there not Jesuses, Dice is Just Greedy and thinks
if he owns Gaza he might Not You Could Get Cancer. Now Ryans point is when
theres more than 1 Jesus in Town the Satan Dogs are able to be tamed by a
Look and I have control of the Animal Kingdom. Now someones training Rugies
Dogs and he clearly went to the other side of the street out of Spite and
to say, Rugies not stoppen the Slaughter of the Christ anymore and went to
the other side of the street (Fine Fredo Ape, Be that Way!)

===== Now Stir Crazy has

Wilder in a Bull Penn and hes on a Bull and Comes off with the Craig
Fergusons Horses Ass Sadle Seat on the Fence and hes knocked off the Bull
and holds his hands out with Leather WoodChippen Gloves on and says, Im
Flying like La Hands Out Sweater Drawing and Desk in La outside Wilshire
that showed a Drawing put on the Light Post outside FBI taped that has a
SPyderman Up Sweater Representation of Beca with Hands out over the Desk
Standing up in a Nobody Touches Ryans Fucken Well pose, Hands out and Tax
Books and some other Items on the Floor with Coffee cup on the desk with
Computer with Little Flag and Pens, PEncils and other items in the cup. Now
in Stir Crazy when Wilder Comes off the Bull or Horse he holds his hands
out and says, Im flying and they cut the seen to a Shop Class tied to
Middle School with Scott the Bathtub and show a Aferican Jack Kennedy
wearing a Shop Helmet and Goggles and McDonalds Sophie the Ape Jaws
Kurchief on with Yellow McDONalds Golden Arches Kurchief color and Jack
Kennedy Aferican shakes his head, Yes Excedrin as Liz in the Excedrin
Commercial (Twin nobody knows isnt MadMen kind of Liz) and the point is
that Jack Kennedy know eventually people that are Jesus Blood figure out
they are Jesus Blood and Finally Understand why RYans portuguesse Blood
sometimes has Control of the Animal Kingdon and realize like The Force the
Power Birdy Teeth mush Moogey Pacheco Guinness was babbling about Explaining
to Luke what the Force is and the Power people dont understand. Carey knows
Jaws 2 Rachel and (Then its a Date at 7 bar seen in Jaws with Reese Alaskan

Cave Face Rachel and then Carey says, yeagh sure, then Rachel Bad acting says, Great pick me up at 7, she turns and says, Hey Everybody the Dates on its at 7 and they all Raise a Glass to Daddy says she has to be in the movie and makes a Yeagghh with Enthusiam thats blasay and do we have to handle and deal with her. Now that Carey in Jaws 2 knows when around woman like Kelly from Cheers or Nick Tortelli when Air Head (Loretta Would come in) with Small Brain power, Jesus people can sometimes do Mind Melts to make Rachel do a Band-Aid Farm Girl Commercial that shows a Little Farm Little B Rep Girl that has SPYderman Shirt Farm Style with Sailors knott on and Jeans and shes got a Bandaid on one part of the arm and the mean side of Lucas or Jesus Blood thats tainted does a Telepathy Burst, she gets confused looking for a Second and grabs the Band aid and moves it from one spot to another in a Confused manor. This is what Careys kind of Jesus can do to people and thats why someone stalken me put a Styrafoam Cup that has And Carey (meaning he wants Press to explain Careys in the Inner Circle Murray gets on Stage in GroundHog Day to say, Thank You, I'll Take compliments as Verns Williams side then had such Knowledge that others didnt understand and Vern likes Compliments as did Bill Murray. Now Jesus Careys with Yes and Liar Liar, when Carey confuses a Little Girl and she (Makes a move ordered by Rest Home Al, carey starts Laughen at the kid with a Fire Marshall Bill cause he uses his Control of the Underage Powers to abuse and confuse kids sometimes when he has a Bad Day and The Dates on, but he realizes its only cause if he doesnt attend with Bad Ator Rachel in Jaws 2 out of sync and Really bad, he gets cut.

===== Now Ryans point of All this is Beca would understand why Today a Scarlet Johanson thats a mexican came into a Gym after sending a Girl in with Pigtails to speak to a Tom Cruise with Erckle Did I do That Glasses thats new at the Gym and she passes him coming in and pokes the Face and does a O Ok motion and comment cause theres a Scarlet tied to the Julien Miller Leather RYans current Couch Color thats taking a Julien in the Porn business up that ass like a Real Pro and Such the Champ! Now Berg and others, read my explanation she knows how to Take in the can like a Champ and someones sending Pittsburgh Steeler Shirts around me on Buses more often and other World Series and Superbowl Shirts that say Champions on the shirt to Taunt me So! Now The Ball and Scarlet Johansons are competing Inner Circle Levels of Service But Sluts with different Enterages and clans and Champions like Scarlet and the Joanne In House Wiper at Wal Mart have more Cell Phone and Donkey Ass Features than the Ball whos got Chubby Thighs with a Little Bum Bum Tight Can and Large DD Boobies. Now the thing about Ryan meeting Beca at Staples with a Jesus via Jesus Pulp Fiction Gimp Box prior to Pawn shop seen with Rugie being hit with Coffee in the street and Boosler looking at the Car that crashed to the Right side and the Crowd looks at the Victem thats hit on the Ground down on them in a Jesus Huddle. Now, understand, that Car seen was *Before Gimp* and Rape seen with Zed and Betsy meeting with me was a Pre Gimp Me senerio first Date in the minds of MatchMeAJesus.com. Now RYans point is that should Ryans baby come in Heels, Trenchcoat and Drop it with Costume Items, Role Play and (A Gimp Mask for the Ball) and things RYans asked for, then she would sit there, spread and take it up that shiter All Day, till it cant be handled anymore and Scarlet has a single Service But Slut that I think sees Besty and all the Goranson half Breeds of her, left and went scram with Glen and Donnas people and Abandoned Ryan

and theres a Scarlet with a (Theres a Champion for you if you will give a Switch Signal) and whats the difference between the Ball and Champions? Well, Ryans baby knows shes both in a sense, cause after a Few Days of Taken it up the can, after the Ball, she will feel like a Champ and be able to boast and Sing Queens, We Are the Champions, my Friends. Now RYan realizes the mistake Ryan made mentioning this the other day in a Email about Freddy and the song we Are the Champions cause Likes people are such Wackos if I dont also say, I Endorse the song Premise, But Ryans straight, not Gay and Likes people have to have it explained to them cause shes (The Outer Circle when its a Mary Caldes Jenna and Coo CHin and has less brain power and shes swaying more towards a Loretta and Nicky From CHeers. Ryan has to explain that Freddys Song (We Are the Champions understand what Makes a champ...taken up that ass, like one all day, till it cant be handle anymore and Freddy new all the SF sista CHamps *

*===== Now what happened, Pulp Fiction has Bruce Willis in the After Boxing seen lying down out cold in the Room when a Adam Walsh Grey Haired Man is at the Doorway with a Flava Flava aferican man and another, checken in on him and he wakes up after being Knocked out and there in the door frame (old Man Walsh Arm already slightly in Pre Gimp plan, meaning if Willis hadnt gotten up and was out cold, he would have been taken to Walsh and his Basment and woke up instead in Zed and Zeke and Silence of the Lambs Patty Sanders Bubba Well where your forced to put the Lotion in the Basket or It Gets the Hose. Now, Understand Willis gets up from a Beat down in the Ring and A Walsh Cat in the Hat Responded to a complaint I called into Police This week after the Hospital incident and he comes to the door and Ryan explains someone keep (Droppen my Phone, Internet and Cable Line down and The Cable Company says theres nothing wrong with the Line (meaning Lance Hendrickson has a Vietanmese Caldes Bubble lip like Richie from Stop and Shops Crystal Girlfriend whos a Linda Silvia and theres a Lance thats like her, mixed with Caldes and he has Ozzie Muck Much Mouth and Teeth when he makes the mouth Rumble Pose. Now when I explained, someones pullen the cord out of my line (From there end) he understood what i explained theres someone who keeps coming in the apt and messing with Things and theres Afericans in the Bldg maken comments about having to go for an Evaluation and Donnas people and Rita are Trying to order one and dont understand there committing a crime as is the Person that orders them to come around my apt and maken harassing comments. Ryans point he made comments, I think your Mentally Ill and RYan explained, then dont come and Respond to my Calls in the Future and he made a comment, well I can, cause Im the Boss. The Vespa shop down the Road had a Silver Vespa parked outside on Display in the lot front (Only 1 tied to Nice Italian Boy Cobble Stone Moss commercial that came out years ago of a Twin thats like Excedrin Moss (whos Not Madmen or a Bulp nose and they dont show that commercial cause shes 1 of the off the grids that only were seen during West Wing Years. Now RYans point the Vespa had a sign that said, Future Champions on the vespa and the Walsh Cat in the hat was at my door, treating me like im Mentally Ill and trying to create a Ground work for someone to order a Evaluation instead of arrest those Federally harrassing

me and theres a THin Nose, Mom and Dad Mike J Fox thats a Seinfeld Greek thats Broadcasting in RYans head with a Crista McCaulif thin creepy nose and he sounds like hes already in a Gimp Box and being forced into the Broadcast and his kidnapper is laying ground work to make me his Future Zeke and zed Champion instead of with a B or a Scarlet (Champ and RYan knows Beca set up that Johanson Porn of How to Take on the Couch and the Clincher between a Normal Ass Taker and Champ, the way she lets him get on her Belly down and she spreads that can and lets her Hot Dog her ass slow (This is when we respond like murphy in Beverly Hills Cop and say to Scarlet, when handling me Franky Scarlet, Im not Just a Champion Person, Im a Super Duper Champ! Now Champ Examples *

 <<http://www.4tube.com/videos/303913/chanel-preston-fucks-alana-rains-moist-slot>>* when you take the Ex wifes Part out of this movie and Donnas Mix of Alana Reins the Yelpen when Taken sounds and Postion (Shes a Super Champ!) Now Scarlets Porn **<http://www.bravoporn.com/videos/210785/>*
 <<http://www.bravoporn.com/videos/210785/>>* again (Your Not Just a Champ, Your a Super Champ and I mean that!) now Freddy Mercury that might be Ryans father **<https://www.youtube.com/watch?v=04854XqcfCY>*
 <<https://www.youtube.com/watch?v=04854XqcfCY>>* knew what Champions are about and knows if Ryan But Fucks Ryans baby for 5 Days Straight, no Rest in a All Day Sessions (This is what you sing next day when Walking around and boasting) *

*===== Now Ryans point they say Freddy Mercury was a (Sista and Gay and I think he pretended he was due to Undercovers and if he was, he had Illigitimate kids in the late 60s as a Rock Swinger and thats partially what caused this. Swingers like Ron Jeremy and Nina Hartley have Sons and Daughters and some switched Gay and Straight and the Bird Cage was about the Gay Lover of Williams after he turned gay and thats why Ryans being Framed and hassled in theory since Tom, A Few Good Men has the Jerk with STEve Martin on trying to Figure out who Ryans Real Mother and Father was and in theory if Freddy was Ryans father, he later Turned Gay and his new Lower later in Life started framen me with Sistas and Donnas people as there Gay Marriage made him sole Beneficiary of Queens Estate money (worth Billions with Investment over the years and this is why Kerry (Trash Mouth Track) Marchand and her sister made comments at Mason of (Freddy Got Fingered). Now Mercury was tied to (Seven Randy Price Aids Blankets) and Murray in Ground Hog day has a Aids looking Quilt tied to Jaws neon Pink and White Bikini (Larry on the Beach with Purple Kurchief crosser Just Below the Top of the Quilt as Murray lies in the bed and Smashes the Alarm Clock on the End table that has a Vava Tavares Doley on the Table under the clock and this was Murray knew 16 Candles (Switch Car Framers put the Tracy Varges family photo on the End table to the Right (Ring side in my closet looking inside the closet and theres a Twin of Ryan in the Photo (They had) and this will be denied as the photos hard to see, I know its Tracy and thats why she gave me Red Hot Chilli Peppers Underwears at Celias Baby and Wedding Shower near Stop and Shop as those come with a Switch Twin Frame (Later in Life and she didnt want Ryan to have a English The Ball Ringwald Cousin the Little girl Brides Maid in 16 Candles then, being Guarded By Rlngwald in the movie as she knew who Al

Paines Birthday But Tatoo baby was then, which doesnt exactly look like the little Girl shes with in Bridesmaids colors, but shes a Stand in whle the Real Boobie was in the Field then and was at RYans Pin the Tail on the Donkey. Now Donkeys is another catergory Tied to Dodge Ball People which are Like Champs and The Ball, But Dodeball people are Gym Spandex and thats Anne Hathaways Muffler Sucken Cock Lips on the Glamour Magazine in Black and White Spandex and Headphones and the Vegas shuttle Bus Little Bum Bum Tatoo Triplets with the Direct Number motive and DD Boobs in the middle a hidden Front side for Instance of Forest Gumps WHite Undies Back side on Stage in the strip club Edited seen. Now Mama Im Comen Home was on in BP Today **<https://www.youtube.com/watch?v=K0SiYUjV9UM>*
<<https://www.youtube.com/watch?v=K0SiYUjV9UM>>

* ===== Now Ozzie Osborne and Sharon (Cathy Gosian The View Side whos a Manjaw WOW side of Gosians and tied to Kelly Osbornes Jaw and Clinton WOW Hagerty Teeth and Birdy Jaws with Large Bubba Retard CLinton Ringwald Teeth (There mix, and Jaw like Kevin James has a Birdy Jaw like her in the Broadcast whos a Wow Pinto Kelly and he doesnt understand Ryans baby isnt a BirdyJaw. Now as I went into BP today the Musac had *Ozzie Osbornes Mama, Im Comen Home Abuse playing Real load cause theres a Lance Hendrickson whos a Ozzie Slight Relative, but he has Caldes Gonzaga Bubble Ugly Caldes lips like Linda Silvia at Stop and Shop and Be For Real Carter Brooks April Monterio. Now Mama Im Coming home was a Abuse by (The Caldes People) and Jack Osbornes and the senerio is that either Sweet Home Alabama (Cat in the Hat Confused between being Cat and Spyderman in the Airport Terminal Extra when Reese says, well I took this one and they show the Grey Nice Jew Wool Cap Extra with a Luggage in Hand, Striped Red Shirt and Blue Jeans disoriented with Bubba Kin Facial 21 Features and Mama also referes to Hanks in Forest Gump maken My Mama, which doesnt refer to Sally Fields in the movie or a Donna chin. Now Mama, refers to the Strip Club Edited Forest Gump Strip seen with Edited seen. Now RYans point the Grey house down the street is a Former Switch House tied to 16 Candles Car Stemberg with Jake RYan wanted me Replaced then with Greg Aka Cherlys Metaphoric Dans she likes to set people up with and thats what caused them to hassle me then Partially, Ryans sister Rita then, said after Fast Times, were gonna save him a English Ringwald and there were people that knew one was interested later when Retired later and that made Nervous Tracy and My Dad Els (Angry then and they didnt want me to have one cause the Mafia Els needed the Chris Glen and English side to come to them or they would figure all this out. Now, Ryans point is Beca understands what Im explaining about (Back in the Teen years and also some of the Els that are not My Dads cause non Els to come after me when a Normal El wanted to get with Ryan and the Mama Pizza Jennas and Likes and Thats it for a few Years hassled Ryan

because of them. ===== Now Ryans point is Scarlet and Serena the Baby Sitter are considered Service But Sluts and Service But Sluts know what this means, Young Service Girls that stay Single and date around but are not totally Tied down and Hush Puppy was one of the Service But Sluts whos close to being Tied down with someone shes been with off and on and RYans (Reputation is any girl with me, gets tied down First Date and cuffed and tossed on the leash, this was Paul McCartneys Plan years ago to Really Push a Hush Puppy on Ryan as a Indecent Proposal on again the other day. Now Demi and Redford still dont understand Ryans not like a Pauper Hired Ho Below them and have to beg for Scraps. They dont understand Ryans (Above them in the Mafia Chain World though Ryans not mafia and The Jerk with Bernadet Peters was about Martin Paying 100 Dollars to touch Kathleen Turners But when they took 1 of the But Tatoo Photos back then and someone in this movie and Stir Crazy makes a comment (A Bout Nothing and Krystal in American Curves (Mercury Rising STraps and Boobies and Backpacker BookBag BeachBag Spyderman and Sue Moore West Half Twin side (Which Ryan calls Baby WHere Did You Get THat Ass Side) and that photo was a Training Day Morph shot with Rebecca Grant in the Magazine of her on the beach The Game knees down in a White Bikini with Crime Tape on the beach in the background but a Beach thats Different side of the Boardwalk in La such as Venice is on the other side of Santa Monica where Am was and Ams got Mini Driver chin and shes got a Half sister and the Sanders (Dont really have anyone watchen Ryans apt and life anymore in service and someones been testing coming in the empty Apt below me and exploding Chemicals outside the Window and below me and they will say someones living in the apt below me, except the same persons not always there, they leave for a Month and someone gives or has a Extra key and someone comes in and Bakes skin sufe Smelling food and the abuser Hogan tells someone to make what hes gonna say is Piggs Feet, or Brownies, execept its contaminate Food and he leaves it on in the oven for Hours till the smell comes up in Ryans apt. Hes (Harrassing me cause theres a Stalker in the Obama family that has a Guy Richie Moonpie chin related to Obama in a Wheelchair and the Obama Broadcasting and Obama did something wrong and have to be arrested with Donnas Retard Barkley Lip Loretta Greek Creepy Muppet Relative. Now also understand if B came over and understands the Walsh Pulp Fiction Bruce wakes up before they make the Final Decision to Pre Tri and send him to the Gimp Pawn Shop people and RYans point if Beca was in Ryans apt having this Nightmare Vision I picture her stunning Dress role play and its Ripped up and torn from some suitor tied to Coward of the County and she comes in distressed and acting impure like a Bonnet Video Game in the grassy Field running from the Eagle (Some Commercila for a Video Game with a Bonnet Running looking over the Shoulder while Don Henley Moonpie Eagles chase her and Ryans point the senerio, Torn Dress and Ryan says Undress like McConhey in his SHerrif Crooked Movie where a Brother of Zelwegger is told to let Mathew see his sister and he will drop his Jail Charges and he comes and she comes out with a new dress told she must do it with him and attend a Rapist side Ball and she says, after he tells her to put the Dress on and she starts to move to the Bedroom and he points and says, no try it on in front of me degrading. Now understand the counter senerio is Bs in RYans apt, shattered and RYan tells her to take the Dress off in front of me and get Totally naked and she does and Ryan puts Boxing Gloves on and she does and cant Figure out why and then Ryan says (Ok Champ, Jump Up and DOWn and Shake It off Champ! and The Boobies Go

Bouncy Bounce and she understands what I mean. Now TEd Danson treated woman like this when Loretta and his Bimbos came over and to Jon Allen Hills Rest above and went to his Apt and they interviewed Twins to make a Hollywood Movie and one of the Bimbos says something Airy and does something where her bra unhooks and her boobs shake and she makes a comment like They are sticken out and bouncing all around and Sammy Claps his hands and starts maken Yes, like a Dirty Old man (Now Thats Ryans competitors leading to a Gimp Chains Personality) ===== Now Ryan has much more to explain, but its Saturday Night and Ryan doesnt want to be on the computer and the Donnas (Retards Broadcasting Greek Nervous Hogan Moonpie Rltas shore and Ella Mean and Little Cindy DONna Teresa dont understand Rita, Donna and Like have done something to me thats a crime and the Rooster Hogan Lips and Retarded Jon Senras with Kate Winslet Margo Kidder Rlngwald Nieson Lips they dont understand Jason Segal Eyed Crooked Ugly Amber Els cant Broadcast in Ryans head and do what they did and make as McDowel says Mine. Now RYans gonna spend all of Sunday From Dawn till Night Calling and leaving messages till the Fucken asshole that did this to me is arrested and Rita and Donna are told (RYans not going to mental Hospitals so Chee Kee Gonzalez Stallones in Chairs can feel Better about being in chairs and treat me like a Prisoner to mafia Ella Means and DONna and Obama, Now B understands why Ryan Mentions Champions and The Ball now and then and Likes Ducky Lip Jenna People and Carlise Moonpies who keep sending people on Buses about Carlises Orange Line Beret Sister thats part Maria and Maria Antonio thinks RYans a Prisoner to Maria Antonios and the Bulpy Nose Pike thats come around thats a short Anne Hathaway Pedro Bowl Hair whos 3% Beca mixed with SMagetz and makes abusive comments suggesting her 97% rest of her genetic Makeup wants her HEinz, Pike or Hathaway relatives to make Ryans Princess Crown Forest Up Becas Dumper B, even though shes a Blood of the Line the way Ryans a blood of Kidmans Line (Nose Tip) though me and Nicole are not Directly Related. Ryans point Scarlett Knows (I appreciate Perfect Cheer and Motivations such as *Champions!* Videos online and Retarded Jim Belushi Leconte thats a Quaker Oats Retard and the Lucas Hagerty and Wheelchair people and a Mielos Teeth Stallone, Mielos and Sly Stallone chee Kee kee that is making me hear them and a Machio and Moyel Diesel Butter nose in the Broadcast they right now are trying to get Social Sec and Health and Human services to order a Baker act if a SS recipient looks up Legal Porn in the Privacy of there home and apt. Now there is a Obama Nemo thats a Flava Flava thats got Cheeks and a Face like the Back to the Future Hogan Lawn Ornament thats got a Golf club thats moved up to the Fence in Back 2 from inside the lawn in Back 1 and Back one its got a Ryan Sarmento Elbow Twin Pose and in Back 2 when Afericans take over FOXes House in a area that reminds me of a School and Ft Lauderdale Street and neighborhood where Ryans old FT Lauderdale apt was that Baseball Bat Holder Jr and Janet Jackson Aferican man beats the Lamp Shade when Fox comes back to where he lived in Back 1 and sneaks in the window and finds out Afericans with a Mike Jackson Poster moved into his house and there was a person that came around me today with a beat Tshirt. Now a Joquim Phonix 8MM person came around me today that has Putin Nose and the Putin Bulp Nose, dont understand there not the same as Baby Jowels and there sayen Ryans baby was Wacked in the Field already which means Evil Cherly Perry Heinz Jen Lopez Moonpie or Donnas family made her and Ryans point Im sure Ryans B knows why Ryan cant really stop Maken Comments about the Ball

Senerio and Champions and the Sarmento thats in the Car Commercial with a Beagle Hush Puppy in the Couch with a Sarmento shaken his head back and forth with Controller doesnt understand its not so much the new Offers that cause the Trouble in the mafia Underworld, its that Likes Ducky Lip and Thats it dont understand they arent getting any version cause the Ugly Little Greek Banner, Joey Lawrence Bumble Bee Donna put in the Broadcast with Sniffles Nose, sounds like one of them *Got Arrested and shes trying real hard to ruin RYans baby and say, they dont have to hire a lawyer and that Jackie Lynn Kennedys Lincoln Corn Orange Canibal Cat Relative thats been coming around me on Buses and in the Terminal the other day and said, Does Ella mean need to Hire a Laywer. Now, Kerry Marchand has a commercial with Orange Hair Marchand Twins a get Both 5 Hr Energy Twins for Trash around the PoolBoys lead her by the hand to Moonpie and Keep her comen Meet Joe Black To that side tied to Schindlers List Bubble But Shower....now Beca understands why Ryan said, a few weeks ago, I felt like some Bubble Schindlers Shower But and Likes people say, he said we can take his baby, he switched Right (They Dont Understand Inner circle and The Ball Brains) and that Ryans point, since Ryans baby a DD Peaked Piece is (Really, Really Late for the Ball) and worst Girlfriend ever, Ryan has Mood Swings and thats almost like a babysitter Charlotte Serena Baby Sitter a But Slut Service Swinger....whos the Nexts Half Twin....Ryans point is these grades and observations remind Dino Beca (Whos Kind of a DD Guber that if RYans in the mood for some Role Play Bubble But from Shower Schindlers list, its cause I saw the seen, saw the Guard push her to the Left cause in theory, someone said, what about her, then like Dom at Publix when he asked if Kim Hugh would let him put it up her ass, right away and Doms in the Caribean with Step Up Boat Spandex cropped ass thay Seymour Buts the Farmer Jeans Spyderman The Dip on the Island was in (WHO swapped with Ritas Porn Star Sister in a Island House Porn that bronson Filmed in a Seymour Island House and Ryans point is B understands when Ryan sees something like Bubble But and say, I could go for some Bubble But (Which isnt Bubbles Ask) its allot like someone on the couch thats not Rita sayen Wanna Go for some pizza and Ryans watchen this Schindlers Shower seen, thinks about some Bubble but and someone like Dom maken Why do you want Bubble But and the Reply is cause I think shes a potential Champion and The Ball people and Champs understand what I mean. Now if I mention the Ball the Greek and Rita Ringwalds think that means the Italian Ritas can Take Ryans McClellen...they dont understand why when Ryan says I want some Bubble but, it doesnt mean Ryan wants any Little Party or her in Ryans life and there seriel Glen Closes that have to be arrested as does DOnna to comprehend and Rita and Donna dont understand Lucas Nervous Honey broadcaster and them did something wrong they have to go to jail for doing to me. Theres a Retarded Pinto Panda Bear In the broadcast thats a Coo Lip Carlise that keeps maken OK comments and he doesnt understand His side of Pintos are not ok, hes a creep and thinks Im letting his Ridge Moonpie chins make Ryans English Princess Crown Stage Booty B ?? *

A Final Explanation of The Ball Date, Vs a Honey Stalker Glen Close NightMare that Donna and Greeks Dont Understand will never be the Ball <<https://www.youtube.com/watch?v=qr89yq2wC9o>>* and Links Below are Ball Songs and What the Ball is About. *

*Now this Is the Ball Entrence senerio from Pretty In Pink **Pretty In Pink - Ending Scene* <<https://www.youtube.com/watch?v=q87sTz0WCqE>>* Now B is Different from a Kin Ringwald, but Understand the Entrence and Ball Senerio Meet and Greet for the Right Lets Get Out of Here and Take It Right In That Shiter, Fuck the Ball and also understand Andrew McCartheys Speech Told Me I Couldn't Believe in You, Just Didn't Believe in Me and I Love

You.....Understand this is Andrew and Carey tied to Jaws 2 Rachel-Reese at the Bar who does Hi, Goes to Carey at the Bar and says with Rumples Lips So You Goen to the Boat Race and he says something out of sink like Andrews all screwed up and out of sink, Believe in you speech which is out of wack and doesn't sound right; Now Rachel at the Jaws Bar Meet, does a Speech and says this, and Says Wanna Go to the Race with me and he says, Ok, Sure Beave comment and says, Pick You Up at Seven and she does a Daddys Retard Princess in Movie Its a Date, Then Turns and says to the crowd 1 Foot Behind Them, Hey Guys, The Dates On, They All Look at Her with Disgust and Raise Beer Bottles and make Eeeey Comments cause shes the Directors Daughters Appointed Daddys Girl, they have to Pretend is the Star Actress and Best in the Movie.Now Ringwald makes a comment Its not True as McCarthey and Jake in 16 Candles Sets up the Chance Meeting You and The Lead into The Ball **Sixteen Candles Final Scene Movie Ending Video* <<https://www.youtube.com/watch?v=cN3OxKAXAfG>>* and when Ringwald does this speech Andrew planned at Pretty Sitting at the table tapen it when Ringwald Enters to frame Ryan with the Flower Arrangement in the Middle of the table with a He will take Beca if Ryan wants her Twin half sister whos like Andy and this also is *ball Seduction* and the Thanks for Getting My Undies Back was a reference by Glen of Forest Gums Strip Club that's edited out of the Movie when she crosses in White Undies with a White towel and Replaces Red

Undies shown in the Reg Release. Now RYans point they talk about Patch Adams and Graduation in Patch Adams is tied to Ringwalds Ball Performance as then she was Older and Baby Jowels Manager and Ryans explaining the True was a Plan then to abuse Ryan with Versions. Now this may make sense why I have to Explain this when she says to Andrew (True Done, meaning unless RYan wants Molly herself, they think Ryans talking Liz Really) and Ryans point is that The Ball senerio was Preplanned by Molly Training everyone to be ready for the Ball. Now I only mention this, not to confuse Molly and B, but so she understands what happened is Carey in Jaws 2 and Rachel with Bannana well Ad Libbed the Reese Rachel Daddys Girl and The Dates On Seen that I know Carey (Definitely trained Rachel to Do that Seen) cause that fucks everyone with such Bad Acting like Andrews Speech of Always Believed in You which is the same as Rachel and I want B to Understand why Ryans True DD baby, understands why this (Is not Replacable) and why she understood at Staples fixen up her hair in a Curly Side Lock that it was preparation for a Future Ball. Now the Bad Acting was a Carey Plan to change things up a little and allow Ad Libbing. Beca would understand when Ringwalds Acting Tech for the Ball makes Yeagh seems and responds looking all sad and Vulnerable....this is Rope em in Technique that Hush Puppy McCartney Offer was Really pushen last week as Advance and Serpent Seducer that's hard to Resist, Cause Molly and B know the Talking and Tech of sad Mouth and Hi and I came says all over it, Say to Her, Your Leaving with Me, Right Now, and Your gonna Take It In that Shit on a Gimp Chain, till it Cant Be Handle Anymore and Ryans baby understands the Dip Wooooooo and Toss the Hand Wrist Spyderman Corshage and Leap into Ryans arms to be grabbed by the Hand and Exit the Ball and leave to Ryans place for the Rip of the Decade! Ass Rip Hell! *

*Ryan has a Few Words to Clerify Ryans (Poetry About My Blue Eyed Angel whos not a Angel that Looks like Sweet Ass Borenatz Italians and Beedy Cheney (Vegtables) in Ca that I saw walking down Ventura near the *(Training Day)* street in Studio City near Ballys and Ryans Post Office Box. There was a short Bulpy Nose Cheney Donna Borenatz with Bulpy nose and Pepper Bowl Hair and she was Dressed in The Nurse Outfit and walking in front of a Wheelchair Frizzy Sarandon Rita person and she was missing Legs and Arm parts and being pushed by a Mafia Health Care Worker while the Nurse a Beedy (BigLots) costume Exclamation Point, tied to the BigLots FLYer Newspaper (Years back that had Vegetables Relative dressed as a Exclamation Point in the Big Lots Banner Logo and Vegetables was in Front of the Wheelchair people maken "Vegetables" comments as the Rita Frizz was being Pushed behind them. Now RYan is explaining Vegetables (Dont Understand Ryans not suppsed to be Stalked by the Bulpynose and Chee Kee Kee STallone Sarmento noses that want a Mush Mush It the Clown Medlov Mad Hater Teeth to make Ryans baby. Now Ryans point is yesterday Ryan was trying to explain the Difference between Lea Thompson (The Dance People) in Back to the Future and Keep Your God Damn, pause, disorient face and comment, Hand off her Biff, the Prom (Tracy Vargeses with Lazy Eyes and Pilgram Hair with Nervous Shifting around with the Eyes and then taking a Prom Picture with Tracys Date (Afraid to leave the Prom with her, as there are no witnesses once they do and hes scared she will kill him if he declines Sex knowing theres something Creepy about the Girl. Now, Thats the Dance and Prom and Soc Hop is all the Watsons from Leave it To Beaver Days and Peggy Sue Got Married side. Now there are other categories, and theres confusion, about why Ryan has to explain (The Ball) and what it means to me and others that understand The Ball people. Now this Link to a Adult movie online (*

<http://www.4tube.com/videos/303913/chanel-preston-fucks-alana-rains-moist-slot><<http://www.4tube.com/videos/303913/chanel-preston-fucks-alana-rains-moist-slot>>

*) Now Ignore the fact there is a Kathleen Turner Ex wife with a Lesbian Dildo in this movie and Pretend Celias Sarmento Hat Side Doenst Exist and concentrate on the Alana Rains Ass Being But Fucked meaning Pose, Tone of

Egh, Egh, Egh when shes bending over and Taking it up that Can and with Pinash, Sound and Participation. Besty was involved in this movie behind the seens because this is what happens after the Initial in the Hall at the School and Ball and you approach and ask Ryans B to "The Ball" meaning Pretty In Pink hall senerio with the I made a dress and showed up Nervous and Unsure he wants me for The Ball. Now when RYan says (Now Will You Take It Right Up That Shiter!?) in the hallway, and when its the True Ball, she says yes, leaves and ends up (Like This Movie Taking with Ball Umph and Sounds and knowing what the Ball does when completing the Ball. Now Scarlet Johanson has a Blonde Girl who came around me on the Bus today and she had a relative yesterday that showed up wearing Jaws Middle of the Beach *Chubby Rotund Fat Kids* Blue and Light Blue Farmer Jean Checkered Shirt and the Mother puts the Shirt on him a reference to in the Future Costa viewed Ryan as the Future Chubby Kid that gets the jacket of a Wizard of Oz Shirt and Job and a Farmer Job like Alicia on the Back of the Truck which is connected to Betsys Time at Staples Inc. Now Ryans explaining (Donna Doesnt Understand Ryans not her, Stallone, Hendricksons Prisoner who has relatives who are Vietnames and Sick in the Intelligence world The Hendrickson thats in the Chantix Commercials and a Loretta Lynch Pauley Shore doesnt understand Ryans not Donnas Prisoner. DONna is (Mentally Ill and doesnt understand that she did something wrong to Ryan and shes a seriel killing personality like Glen Close and Mommy Dearest who thinks RYans supposed to hear her and Stallones *DONna Muppets Broadcast* where she wants to Broadcast in RYans head, make me hear Little Muppet Stacey Varges Stafford related to Amy Sweezy and Donna, Stroke me and abuse me with a Paul Pacheco (Qauker Oats Muppet Retard that looks like the Quaker Oats Box and Donna and 1 of the Sarmentos related to Stallone want to abuse RYan order a Baker act (That Machio and a Ugly Comey thats related to Sly whos a Aaron Sullivan mixed with a Comey that has MEdlov It the Clown Teeth. Donna is trying to cover up what she did to Ryan with Lance Hendricksons Family (Leblanc Relatives) and Stallones Chee Kee Relatives (Have Medelov Sarmiento Teeth) and Bulpy Nose dont understand Donna harmed RYan in a way that she has to be Arrested and Stopped from doing. Now (Donna is Broadcasting in Ryans head and to her and the Stallone, ET Mush Mush Ringwald thats a Creep Ringwald Greek whos a Frizzy Ella Mean thats a Mush Mush Teeth and a Paul Pacheco thats Related to Eric Holder Jr thats a Manson Bald Retard in a Wheelchair thats a Bald Manson Whos a Cat in the Hat Manson Vern Miller. Now he, Donnas Stallone relative whos a Hank Hazarien thats a Bald Kevin Pollack from WB Mason who doesnt understand Ryan isnt Sly in a Wheelchairs Prisoner, Amber Zoticks Beedy Eye Cheney Relative thats a Little Weeble Cheney Amber, a Jon Leconte (Retard thats like Quaker Oats Pappas Man) whos a Real Person that mixed with members of Jim Belushis family like the Belushi Paul Pacheco thats Driven the Boat in a Jaws seen, cause thats who killed someone as far back as Dirty Harry Magnum Force movie that has Punks stuck into the seat of a Car of a Murder Victem and Eastwood finds the car with Punks stuck inside the Driver Seat (Where a Murder Took Place and theres all these Punks in the seat *Punks are Sticks that are like Cigars who get Lit up and have a Insense Odor that is supposed to keep away Mesquittos and Dr Lorazabal whos related to Chris Glens Caldes Vietnam people when I went to him wanted once to Stick Needles in Ryans Stomach and lifted my Shirt and said, Can do this and started taken a Acupunture Needle and wanted to jab it in me (Weird and Odd, When

Ryan didnt want him to do this and this is were the Punks Murder came from.) Now Ryans point, Ryan was Explaining to B the Meaning of the Ball and what happens when a Offer of The Ball is tossed out and you except, leave and particapate in The Ball Activities. A Mike LeFluer and Kevin Mills at the Wal-Mart behind me today when I came over took a Shopping Cart out and made a comment, here have this one and I said, no thanks and took another Cart in the back Row and there was the Top of a Easter Egg Clear Shell of a Egg from Easter Egg Hunts like ones Ryan used to have at Al Paine and Dave Pikes Days when Ryan had a Birthday Party and Donna arranged Pin the Tail on the Donkey Games, Easter Egg Hunts and Ball Activities at least when you consider if B comes over to Ryans place in heels and a Trenchcoat and Duffle Bags with (Costumes and Roll Plays, such as a White Sailors Knott shirt with a Short Catholic School Skirt (Like Britneys Baby Baby Video) the kind where the shirt is white and a Sailors Knott kind that doesnt go all the way down to the Waist so the Belly is shown and you Tie the Shirt in a Sailors Knott and the Boobie Section has a split in the Middle and thats also tied in a Sailors Knott and by Tying it up and Pressing Out Boobs (This is a Role Play that is tied to coming over and Doing The Ball Activities. Now also understand, that Betsy was a (The Ball Person who understands this and the Meaning of Spyderman Up. Now Ball Activities are like the Febreze Commercial thats on that has a Okalee Dokelee Girl sitting side Stradle on the couch thats a Beca Boobies line and she grabs Febreze off the Coffee table and SMells the Bottle with a Blind Fold on and says O Gross! Now, understand that also is a *The Ball Activity* not the dance or prom.

===== Now Other The Ball Movies and Activities that say, I understand what happens at the Ball are movies such as Cum in My Bum *

and Scarlets Lipozania Stallion Hair Style We Are the Champions My Friends (Also A In House the Ball Personality and Scarlet is related to Little Cindy Moonpie Courtney Love at Stop and Shop who dated Jay Potatoe Head Patekous **<http://www.bravoporn.com/videos/210785/>*

<<http://www.bravoporn.com/videos/210785/>>* and Scarlets Understand what the Ball is really about, but Scalett (Cindy Did a Double Date at Stop and Shop with Patekous and Rita and shes loyal to the Little Party Rita and doesnt understand Ryans baby cant Make look a likes with THings and Julien on Ryans Leather Couch which is the one shes on and was used to make her idea of After the Ball and when Lex Steele in 2008 in a DVD movie that has a Porn Star Related to Donna on the cover had 1 made in (My Fla Apartment and I know they did cause theres Ritas and a Girl with a Pirate Ring in Silver on her Finger spreading her ass on the DVD with a Tv Stand in the Room that looks like RYans Tv Stand and Apartment Wall. Now Donna Arranged for me to buy the TV and Stand at BestBuy and went both Times to buy them and they were stacked Right in Front on Sale to make it easier to Set me up with a Sleeper Lex Steele Spread Cropped ass in Silver Ring Sleeper made here back then. Now Scarlets Idea of the Ball is Queens Freddy Mercury We Are The Champions and We Keep On Taking In the End *

<https://www.youtube.com/watch?v=04854XqcfCY>

<<https://www.youtube.com/watch?v=04854XqcfCY>>

* =====

Now why this matters, Kerry Marchand used to make (Freddy Got Fingered Comments) and I dont think Fred was really a sista and was Ryans Father that Tom Cruise has been trying to Find and Queens Band Members had 4 members and all of them were sistas except Fred undercover and this is why DaSilva is trying to wack me and set me up with a PopEyes Tv Controller and why Chanel 7 Randy Price had a Blanket as its an Aids Blanket. Now Scarlets Video on RYans Leather Couch (Same Kind of Couch As Mine) is a Prime Example B of attend the Ball, Except Ball Terms, Come Back to Ryans place, Take Like Champions! Now what is causing the Disorientation as Donnas Ugly Muppet Loretta Relatives and Little Ugly Jenna whos a Little ButterBall, not the same as the Ball and Angie Dickinson Moonpie Italian woman whos abusing RYan with the Technology with a Pollack Chee Kee whos Trying to get permission to put me in a Mental Hospital or Prison (Before Ryan can Take B to the Ball) and make her Ryans (Fucken Champion!) and B will understand this and there is a Sick Pappas *Fun Muppet Retarded Leconte thats like Quaker Oats Box man* and hes a Goodman relative that doesnt understand, nor does a Machio thats a snaggle Tooth and Stemberg Hunk a Tooth and Nose as the Pinto Comey Pachinio that RYans not going to a Mental Hospital for Rita, Donna and Machio and Ella Means people cause it makes them feel happy to abuse me and Rita doesnt understand RYan doesnt want Honey and a Sue Alfonson whos in a Wheelchair to come around me and theres a Sue thats a Lacey and Sue and The Scarlet on the Bus today and yesterday is partially related to a Stop and Shop Sue Alfonso whos a Big Foot and Celia. Sue and Scarlet and Donnas people dont understand RYans not supposed to be abused by Donna, Rita and the Little Ugly Lena Coe CHin Mary Caldes Donnas mixed with Amber, Kelly Nicols and Bonos who have a sick person whos trying to give RYan a heart Attack with Satelite Nanites cause Machio (Really has a relative in Prison whos in a Wheelchair that Lance related to Larazabals partner in his Dr Office puts in a classified Broadcast with a Retarded Del Pacheco Honey Russo Ethridge thats a retarded Hogan Mielos Greek Ringwald with Frizzy Hair Shore Ella Mean features. There is a Scott Nemo that came on a Bus today with a Sergeant that has Rooster Lips and Teeth and Nemo got on this morning when I went to Buy a New Lock for the Gym (As my Old One had to be Cut off as it was jammed and I had to Clip it off) and I have to buy a Letter and Number Special Lock cause all the Master Locks (Combo) have a Factory Set code that can pop the Locks for those that know what it is and have a small Pick Key that goes in the hole of the Master Silver Locks. The Only Changeable Locks that cant be picked easily are the ones that have Letters and Numbers and can be taken apart and Reset with a New Combo (Only You Decide.) Now there are MasterLocks that have Reset Codes and allot of Locks like them, but if the Lock Letters cant be taken apart and Rearranged (They Can Be Picked Easily by Someone who knows the Locks Master Codes and how to Pop a Lock. *

*===== Now Ryan is explaining that Donna is (Abusing Ryan with Rita Senra Shore, Loretta Lynch Muppet Donna whos a Polansky that looks like her and Retards in Del Pacheco and a Obama thats a Putin Nemo that looks like FLava Flavas SKin and Sunken Cheeks pose who were put in a Obama and Freeman Broadcast with a Fury thats a Jesepee Italian Mesquitto thats like Fred Lynn mixed with Ed McKintry whos relative is a leed singer of Air Supply who planed back then a (All Out of Love) song about Forest Gumps Strip Club seen. Now RYans point is Robin Wright Penn comes out on the Stage after a Red Undies ShowGirl in UNdies and Scarf Exits with a Nice Can and Stripper outfit Exits, grabs something off the Stage wearing a Pink Scarf thats tied to the Jaws Purple Kurchief (Larry on the Beach Extra) and she exits and Penn comes out, Looks around (OverLook Motel Ball Photo) from The Shining Reference and she kicks at the Face of a Man in the Audience as a way to get at the Face Book on the Bench in Ca that they needed out back then. Now understand that Hanks and Sally in the movie a Maria Antonio dont understand that Robin Cant do what they did with Hogans related to Penn and Tom Pachecos and the reason she looks around like nobody knows (Dirty Harry has a Duffle Bag seen with Eastwood being called from Phone Booth, To Booth by a Robber (Penn) who is holding a Hostage for Ransom and Tells Eastwood to Bring the Money in the McDonalds Bag that has a Open Heart Zipper On the sides and he has to Run, from Tunnel to Tunnel to get to Phone Booths as he calls them and instructs him where the Next Booth is to shake a Tail. Now This is why Penn looks around in a manor, they dont know. Why? The Second Eastwood movie Magnum Force has Eastwood get out of a Car in the Parking lot and a Motorcycle Cop in Leather a Chucky Tobias shows his Mush Moogey Jaw and Eastwood has a Black Dufle Bag thats the same as the McDonalds and he may or may not have understood the Director told him to carry them as it was about Ryans Birth and 4 Twins and Swappen the McDonalds and Vespa Trust in Ryans name maken Golden Arches now Blacks and Jack Blacks, Donnas, Marias, April Monterios, My Dad Els, I Can Els (which are Portmans with Pepper Bowl Hair Cuts and Alien Tank Teeths that walk around like Zoned out Moonies and Koresh Zombies maken I Can Comments (Which when I Cans Say I can with a Dumbell look on there face, its a senerio where someone says near a I Can El (Thats Ryans Stage Baby) and they say, shes still single and wants Ryan and I Can Els hate RYan and send over there brother and someone says, stay away from Ryans baby and the I Cans get Violent and push away the Guards and say (I Can!) Meaning make RYans baby and I Cans are worse than My Dads. My Dads, Try and Buy Ryans supporters by either Purchasing there apartment complex and Evicting them if they dont do what My Dad wants, they buy there company where they work and Fire them and My Dad Amber Els are not the same as I Cans, but Equally Evil. Ryan is explaining theres worse than My Dads and I Cans, but Understand

===== Now why Ryan has to Explain The Ball and What B should do for Ryan and Im being Told Beca was Ryans half Sister and our Father and Mother was Uncle Buck Jon Candy and the Paul Pacheco thats in Uncle Buck whos a Pacheco Bumble Bee and the Nightmare of someone broadcasting in Ryans head, is that RYan is gonna have

Heart Disease and there sayen Jon Candy was Ryans father and thats why Ryans started having CHest Pains (They Said at The Hospital and RYans Doctor office a few times is not a Heart Attack. Ryans point if Betsy was Ryans sister and Rachels Relative in Uncle Buck a Sue Miller thats a *Seriel Killer and Violent and tells McCauley Kulkin to pick up his BookBag off the Ground (This was a Preplan of Tap a Tiger Rachels side to get even with Ryans people (Metcalf wanted to by giving people Jon Candy Koraded Artery and Heart Disease. Now "understand" there is a Paul Pacheco thats a Stallone and Retard in a Wheelchair that keeps maken OK and he doesnt understand Ryans not a Prisoner to him, Mark Zuckerbergs Puffy Swollen Ferreria Relative thats tied to the Hendrickson in the Social Network and hes a Swollen Julien Lennon Mark in a Wheelchair that doesnt understand its a Crime to abuse people with the Technology and make people hear a Broadcast. Now Uncle Buck has Metcalf (Then Maken Comments Little Cindy isnt Hear) and the mother in Uncle Buck is a Decovney thats got a Liam Nieson Face and Nose and shes One Fugly Gungerdin and planned this with a Little Cindy Catfish back then to Screw RYan later when Donna made all the Non Rita and Moonpie Chins tied to Pearlman, Goodman, Aiden Tuturos and Sarmento Chee Kee Kees. The Ringwald thats in Pretty in Pinks Ball seen, understands RYans baby is supposed to tell Ducky go away and come to Ryans Door in Heels and a Trenchcoat with Two Duffle Bags on each side, like The Town and Drop them when in the Apartment across the Threshold, like Dropen Airport Luggage and Ryan backs up to the Island Bar Stool (perfect height and Swivel for the First Up that Shiter Rip) and she says something like, Ok, Im hear and have agreed to Attend The Ball with You! Now B understands this and what Im explaining and My Turn is shes there, drops the Duffles wth Role Play Costumes and things needed like Gimp Chain, Leash, Cuffs and Number 9s and she stands there all Nervous in a Im hear and accept your Terms for.....The Ball. Now she knows RYan thens put my Hand on 1 hip and have to say The Ball Comment when she comes and Ryan slouches the way Caldes Sheen does in the Navy Reserve Conference room Event thats in the Navy Reserve Book, Ryan found on the Chair at Twin Oaks, Catscan Office where a Amber Came to the Counter and made For That Comments and Inside theres a Caldes sheen at a Navy Conference with a Donna with a Water Bottle Table and Purse in the Shadows with him slouched and in a pose and they had Nanites on me and knew the Pose postion RYans talken about where when Ryan does this to B when shes in front of me in Heels and the Coat and Ryan says (Now Will You Finally Take It In That Shiter, Till It Cant Be Handled Anymore!) and Depending on how B answers, Determines if shes Truly Ryans (Ball Date) and Kerry Marchands people keep trying to myme her ass and make her a The Dance, Pagent, Coffe Clutch with Kerrys Tammy Fake Hystorectamy people when Betsy knows and I know from the look with the Curly Hair at Staples Cafe Betsy totally gets and Understands what the Ball is all about and why the Im Pretty and Nervous Shy Mouth Ringwald Move makes the Moment and why the Ball has to have Drama when she finally arrives with the Dress the Poor Peasant makes and chooses herself that is made by someone whos not a Richie In Crowd Girl. Now other Ball ways to take *

<http://www.bravotube.net/videos/tushy-being-riley-chapter-2/>

<<http://www.bravotube.net/videos/tushy-being-riley-chapter-2/>>

* watch the Way she takes in that can (Precious from Behind and The Ball Caliber!) ----- NOW Ryans point is B understands that if Jon Candy was Ryans father and they say he died of Heart Disease that means Times Running out and Ryans DD B should come prancing over like a Tiger and Tap on my door and say, Ive Decided not to cancel your check, Evict You and hassle you anymore and Take Like a Champion at Our Ball, before Its Too Late! Now Ryan would let her in and explain a Make a Wish Foundation Plan, with Full Hand Smells, Squa Postion for a Smell (Across from each other, naked, Legs and Knees Tucked under Thighs and Facing Each other and we do a Squa Finger and Hand Smell...B Will understand the Filth senerio. Now Dying Wishes are also Bouncy Castle up That Crapper in Front of the Wall size Bathroom Mirror, Role Playing Schindlers List Prisoner of the Kamandant in the Camp with a Klink But Whipper Stick and Dropping down on the Knees like The Game Pose and Saying Ya Vol Mine Comandant when Ryan says unzipping "Down Fraline!" and she drops like a Guber and Salutes with Comment. These are all Ball Requests as is taking her after Warm Up Time on the couch which starts when she drops the Coat across from me, after Dropping the Duffles and Ryan closes the Door and backs up to the stool in Ryans apt and say my (Now) and she Drops the coat, naked with Tassles and Ball Skimpyness Outfit thats mostly Naked and says (Her Line) which Ryans true Ball Date will be Phenomenal to the Effect of Im gonna Take it Up That Shit for you, Until Its So Unmangable I ask you to call an Ambulance to Relive the Sore Bum! Now Ryan then does the Click It and Pick It Move, when she tosses me the Gimp Leashs thats conceled under the coat and Make a Wish list items are she gets warmed up when RYan clicking her, says, before we do this, Ryan takes her on the Gimp Chain to The Champions Leather Couch and unzips and Drops Trow and she drops to Hard Blow me up and Ryan sits her Straddle Looking at me like Febreze Blind Fold Gross Smell, she hands me Cuffs and a Blind Fold and Ryan sits across from her and requests she Blush and look all Birdyeteeth happy without actually having Birdyeteeth for a Kiss and Embrace and Ryan explains to her what I want to do to her and she gets all Goofy like Dildo Ass Rip does when the Hated Ex wife says, your gonna take it UP that Ass and she shakes her head and says Ugh Hugh all Dowey and Submissive. Now B Will understand what this means and why and also understand that once sitting side Straddle Ryan discusses a Few Things in the List before Ryan BlindFolds her and Mows the Lawn to Get her Warmed up and Ryan says things like (Will You Do Full Hand Smells, Ugh Hugh, Let Me Take you off the couch when Blown and Warmed on All 4s over to the Bar Stool to be Spread, Staddled Tits Back on the chair and Gelled up for the Initial (Let Her Rip!) and B shakes her head all Birdy Happy face Ugh Hugh and we begin. Now this is (The Ball Sex) and The Ball understands after the Initial Rip, RYan tugs the Gimp Chain, she gets off the Chair and Gets down on All 4s and Ryan Backs her up and commands her to Walk like a Doggy to the Bedroom and Mirrors and if she wants Spanks a Little Bit. Now B will understand the Rest of the senerio and what a Squa Full Hand Smell and Finger Smell is about. This is what a Date to the Ball is about. *

<https://www.youtube.com/watch?v=q87sTz0WCqE>

<<https://www.youtube.com/watch?v=q87sTz0WCqE>>

* ===== Now to explain Pretty In Pinks

The Ball Entrance in the Hall and Inside the Ball so there's no confusion as Ringwald in Pretty is older than Ryan and related to me, Glen and Betsy in some slight capacity, but she (Understands how to behave at the Ball and how to Seduce and Prepare for a Ass Rippen.) Meaning, notice how she speaks to Ducky when he approaches and also Andrew and plays Wounded Poor White Ed Pacheco Daughter Trash whose hand Made Ball Dress is a stunner and she does a Dowey Mouth Teeth and Smile move. Why this matters, Betsy understands that Ringwald's seen here, was Well Rehearsed and Looken for some Fast Cock and Need it Now Prep Work and lure in a man for The Ball with Manorism. Betsy knows I know she studied Ball Edificate and Understands why Ryan already understands the approach of a Dove at the Ball and how to Wrap her Ass up for the Night when Presenting herself as Ball Princess prepared to take up that can like a Princess and Champion. Now Rita and Ambers (They are not now and never will be Ball Caliber and though they get under tables in Pubic Restaraunts and Places the way B is willing to do, Ambers Face and side, only make men want to hit her and then with a Wrecking Ball and this is why Pike would say, I wish I could Smash His Face. Ryans point is Rachels relative in Uncle Buck a Sue Miller was a Seriel Killing Child Molestor back, then, but she was involved uin Uncle Buch with Holly Hunt before getting arrested for molesting kids in *PrePlanned Arrangement to set Ryan Up with a Ball Date later on that was not a Hated Honey Greek Frizzy Mielos Ethridge whos Broadcasting in Ryans head with a Sarandon Rita that really is a stalker and sick creep that doesnt understand RYan doesnt want her and Donna Broadcasting in RYans head and abusing me and she wants to be in Ryans life and Imprison me to Honey who is not ever going to be Ryans Ball Date. *

* ===== Now Finally whats the Difference between a Forest Gump White Undies Ball and Goranson thats got a thicker But its simple as they keep mentioning Alicia Goransons photo on the Truck and thats a Oswald Fake Picture of Betsys Jean Jacket Booty with a Skin Mask Goranson thats worn on someones face that Thats It in the Volvo tied to Dead Poets Maria Antonio Cave Magazine that switches a DD Thats it Naked Woman Photo in Squa Pose with a Maria Antonios Raza Eye Brow Ugly Relatives head. Like Time Life Scott Oswalds Time Rifle Photo, this is a Created photo thats a Trick. But there are Goransons that look like Becas Face, but the Difference is there Bubble Butt Balls meaning there more Plump in the Rump and if Beca took the Brazilian but Lift DVD course, gained some Donkey ass weight to her Plump Tight Dinocan and then Worked it out to a Brazilian But Lift thats Ball Smacken How Bout Them Cowboys Slappen Ass and Knees Ball and the Perfect Ball understands what Ryan means. The Perfect Ball is like The Perfect Cheer but on a Gimp chain with Large Firm DD boobies that Go Bouncy Bounce when Ryan treat her like Cheers Nick Tortelli meets Loretta! She turns and says Nicky, they Go Bouncy Bounce and Ryan tells her to Jump Up and Down and Ryan says Yes, they go Bouncy Bounce the way Ted Danson in CHeers was condescending with his date. *

*I was explaining Hush Puppy finds me so Mysterious and Jesus Intergering she had to make a move and send her Coordiroys and Tight Can in Coordiroys out of the Reception Desk when Ryan was in there to print something out and

while Donna, my Sister Rita and her Fucking Hated Nervous Ella Means broadcast in Ryans head with a Linda Lavin Nervous Copeland Mathew with a Moonpie Chin thats a Hogan Daughter thats related to Honey Ringwald and she really doesnt understand nor does a Iranian Helen Hunt and Mary Caldes I dont want Honey and Donnas relatives and Donnas abusing me with Retards broadcasting in RYans head. Now Ryans point is I thought it was Funny and would help those out there with a Hard Job of worken with the Kiddies to understand what a Offer from a McCartney Ringwald looks like and that a Hush Puppy though she will deny this subtly offered me to Buy and Purchase a New Ringwald Hush Puppy that doesnt look like Molly and shes a Italian thats slight Ringwald with Hush Puppy Eyes. I simply thought B would understand since someones abusing me and has no intentions to come in heels and a Trenchcoat and come in and I say (Now Will You Take It Up That Ass Dall Day Until It Cant Be Handle It Anymore and something to the Effect of Now Can It Go Right Up That Shit! Now the song by Fine Young Canibals and Cranberries of (Jealousy) says the Relative of Celia in that band and a Sophie Warlock thats related to the Helen in Twister whos Broadcasting in Ryans head and is a Mary Caldes *Ugly Helen whos really like the Helen in Twister afraid of Ryan Asking someone other than Helen to the Ball. Now Ryans letter was a (Threat to Rita and Donnas Ugly Like and Jenna People cause they dont understand why The Ball Matters and were worried about me asking someone to the Ball. Now what the Ball is *

<https://www.youtube.com/watch?v=q87sTz0WCqE>

<<https://www.youtube.com/watch?v=q87sTz0WCqE>>* and 16 Candles Ending seen with the Baby Jewels Irish Sad Datless Ringwald Poor Sad Molly *

<https://www.youtube.com/watch?v=cN3OxKAXAFg>

<<https://www.youtube.com/watch?v=cN3OxKAXAFg>>

* coming to the Door like Pretty in Pink This weather people understand this is what this Molly older than Ryan (Same Blood as me Partially and Ryans Mother Understands is being asked potentially to The Ball. Now why Ryans Rewriting this....theres a Sarmento Helen Hunt thats a Mary Caldes Rita and Ryan mixed and shes a asshole that doesnt understand I dont want the Mielos West Frizzy Space Helen with Creepy Eyebrows and Frizzy Shore Hair and because Ryan DOESNT Want Helen and the Greek Stallone Ringwald thats Broadcasting in Ryans head whos a Stallone Mielos (Hes Sick and Doesnt Understand the Little Beaty Nervous Amber Cant Hack my Computer and Delete Letters and Block my Emails cause Rita, Nervous Sarandon Hogan Ritas sister doesnt understand Ryan doesnt want Honey whos a Ringwald thats a Sarandon (But is a Androgenous Sarandon with tank teeth and she doesnt want Ryan to have a Life, Love and wants me to be the Little Creeps prison to prevent Ryan from a The Ball senerio in the Hall which Partial kin to me Molly and Partial Kin to a Half Mix of her (She Understands being asked to the Ball and how to pretend your not wanting to be asked to the Ball and stag. Now Ryan wrote the Ball which was planned with Jake Ryan in 16 Candles and Greek Stemberg (Didnt want Ryan to meet a Irish Pale Girl like Her who understands the Facade of Being asked with a what Me to the Ball Last Minute. ===== Now why this matters Rita is a Ringwald who doesnt look like Molly and there are Sarandons, Russos, Vons and Greek Ella Means that are Dels and Portmans

that all look like Mellissa Ethridge and they dont understand that because Ryan mentions 16 Candles and Pretty in Pinks hall seen after rippen up some Poor Girls Fabric to make the Dress to the Ball where she hopes to meet Chez whos the Football Star or Mitch Andrea Mitchell or James Spader Yup thats schools Handsome chosen Boy that Lisa Dalamore at Staples made a comment (James) at Staples cause Ambers relatives and Beedy Cheney and Ugly Sisters did not want Ryan to have an opportunity tied to 16 Candles End of the Movie and Lonley English Pale Bottom Shy Dove with Baby Jowels senerio of I was at the Wedding but still havent found the one and My Dad Amber wants me to see Jake or James but James only wants her to go with Ritas Ella Mean and Yes and Yeagh Davis coo chins not to the Ball, but to The Dance. Now Ryan (I Fucken Hate the Dance) and theres a Difference, if you have seen Back to the Future and Lea Thompson and you keep Your Hands off Her Biff and being led out of the Back Seat by the Hand to (The Dance) and theres parking spots in the Charleston House Place office that say Future Tenate 1 and 2 and Ryans figured out why Pretty In Pink has Ringwald Hoist the Purse between 2 Beamers and a Empty Parking Space and why Silence of the Lambs Zeke was maken a Skin Suit (Someone who wanted to take Ryans girl then in there minds to the Dance was making a skin suit the way someone in 16 Candles with the Long Mirror made the Dress.....its there idea of Get rid of Ryan and I can ask her to the Dance when she thinks hes Buffalo Bill. Now Ryans letter which Ringwald Older than me planned or was part of a Future Plan to have Ryan meet his Bride with a Crown and ask her to The Ball and Mary Caldes, Ritas Coo Chins, Wisnewski Bubbles people related to the Bulgarian Sanders seriel Killer Bumble bee in Red Dragon the Hopkins sequal Explaining Raza Bradley Cooper and Ray Fein took Anthonys Seriel Killer Hanibal Job cause he and Rey really are skin sufle Kidnappers in Real Life and he retired so Rey was with Sanders Wisnewski from Staples Ugly Whoole Sister and understand a Retard Broadcasting in Ryans head is tied to Cindy W at Staples with a Ugly Amber and they want to George Orwell make RYan a prisoner to Ugly Ambers, Ask, Thats It and Patty Schlatz and Helens Ella Mean and Kelly Osborne Hippo Teeths people and Italian Ritas who are All (Oooooooo The Dance side) *

* NOW RYans point in Reseda, Ca at the Library when a Patty Sanders Steem Roller Chubby Kid related to her and Drew came out (Theres a Breed of Fat Chubby Drew Pattys that are like the mexican kid in a commercial related to her and Kinesen and they are zoom zooming around agravated they are (Patty Cakes side of the Fence the way the Amber El in the Interview Sweating is My Dads side of the Fence and Layla in the commercial I sent a Link to is a My Dad person and she doesnt understand my Dad Amber El with Chipmunks cheeks in the Interview maken I already have the Monroe and this and that person....people dont understand Amber has a sister related to Tracy Varges

whos a little nervous Person that has Nervous Rita and Tracy Eyes that doesnt want Ryan to have someone thats The Ball Pretty Dove Caiber with DD Boobies cause that doesnt look like Nervous Ugly Italian Portman Tracy and the My Dad that would die if Baby Jewels came up to Ryan and (Asked me to the Ball) there side, wants the Dance or The Tap Tap or Machio Tournament. The Ball is a Threat and Molly the English side who has many sisters and relatives that are not Rita Senras (Shes Older than me by 8 years and shes already been asked to the Ball, Ryan understands this, but Ryan also knows theres a Girl in the world that wants me to ask her to the Ball, cause Ryan understands the Pretty In Pink enters the Ball and Andrew approaches and theres this Hi, sad face, shows baby teeth and Im so innocent, up all night made the Pretty Dress, Ed Pacheco is poor and so is she and James has money and knows its not Right to ask her to the Ball as shes supposed to find romance with the one who really understands what The Ball is about and why it matters in the Hall. Now Andrew (Had it All Wrong in a Cleshey way, when he approaches and says something all out of sink, bad acting and to the Effect (see the Dance seen in Pretty and screws up the words with a Ive loved you Andy, Always have and something to the Effect if thats not good enough then its the mistake you have to live with and understand they met 6 Minutes prior when he came out after taken a piss and shit and passes each other in the Hall. Thats not the Point of the seen or the End of 16 Candles and Hey there Lonely Girl and the Wrist Corsage. Molly in these movie has the almost same Brain as Ryan and she understands Ryan doesnt want a girl who wants me to ask her to the Dance or the Prom (Thats Tracys side and The Prom ends in someone being knifed before or after and someone dead because of Car accidents when they get Jealous there date was looking at someone elses girl and understand someones perception of Ryan is Im not really cause I mention Hush Puppy and Ringwald in Pretty. People except those that understand my letter if it circulates makes 1 of the Mary Caldes Coo Chins whos a Donna mexican and Like read my letter and she gets (Really Fucken Angry and Violent cause she hates me cause Ryan will Never, Ever, Ever ask her sister to The Ball, A Dance or Prom and wouldnt even ask her for directions cause shes such a Ugly Misrable Bitch who Broadcasts in peoples heads when someone else was thinking of asking me to the Ball. Now Ryan might not say yes is a Hush Puppy came up to me and asked me to the Ball, Ryans point I want Supporters to arrest Nervous Rita, Mary Caldes and Like who are killing people that they think want me to ask them to the Ball (Simply Cause I dont want them...get it! Anotherwords Helen in Twister in the passenger seat playen Sophie who had someone scratchen tickets at Wal Mart Today was in Twister looken at Paxton in the Driver seat and maken *Who Is She comments* as Paxton then represented me and was approached by someone other than the Ex wife in the movie in the back seat and someone other than Helen then asked a friend of Ryans metaphorically does he have a Date to The Ball and Fox flipped out with Krispen as Leas Dance people and isnt he Dreamy dont want (Ball People around Ryan) and The Shinings ending photo had a July 4th 1920 something New Years ball and Jack with Hands out in the middle with a Larry Carlise (Ugly Moonpie Italian woman and a crowd of Seriel Donnas that were planning then since RYan was kidnapped from the Mansion in that movie in 1969 to make sure Ryans people who were still single and meet market side were all killed and thus Ruining the Ball for Ryan cause they hated Ryans Father and Grandfather and wanted only little Russo Dusk Till Dawn Tap Tap Salsa Classes, The Dance, or the Prom. Now The

Ball is important and Beca knows why: Now Ryans point is I sent a Letter around Yesterday, Explaining a New Offer from Hush Puppy Ringwald who has McCartney Hush Puppy Eyes and theres a poster in Eastwood movies that have 8 Ball on the Poster and Yaz has a Retarded Hunk a Hunk that is the Carl thats a Old man online with a Kilbasa nose and that Yaz who has a Lincoln ear relatives has a Retarded relative thats tied to Detives in The Town who Yaz knows about the Ball and only a few people understand the Ball and why Ringwald in Pretty In Pink is RYans Blood and understands me and why Ryan wants a girl whos Right for me that doesnt do to little to Cort me and sell that can for a I'll Take her Bid and also doesnt do too much were tosses up a Hand and says, wait a minute, your another Stepford Wife or Mafia Dons offer and sleeper which is what Celia was as Dirty Harry and Magnum Force (Has Photos on the Boss of Eastwoods Desk a Woodward in that 1971 movie that shows Mexican Kids 1 a Female Celia being backed up by another woman in a Molestor photo that has the woman Older than the 5 Year Old Mexican Celia Fake Smilen like a Molestor Sleeper cell and the Older womans creepen over her Shoulder the way the Lead Actress in Jurassic Park whos a (I was Like) with a Scott the Bathtub Relative the Kids in Jurassic Park the Blonde girl is a I was like and in a seen she creeps over someones shoulder and makes Creepy Ed Sergent or Senra and Lefleur Ducky Molestor Lips shape mouth tied to Ryans Nemesis and Likes side and the 71 Eastwood photo and he either did or didnt understand Celia was sent into Ryans life by Teresa, Bullock and the Mafia Kidnapping Pachecos because they hated Ryans Father, Grandfather and wanted me with a My Husband Arranged Marriage to steel Ryans Estate and Family Wallet and Trust. Thats why in Breakfast Club Alley Sheedy opens a Wallet (Black) and says I Stole Your Wallet and theres a mexican kid, same skin as her in Dirty Harry Celia picture Faken Smilen from Stacey Varges relative who came up to me with a Stacey in Lowes RI Warwick and STaceys Headband X Jaws Hiter came in and with a Biker man and said Mesquitto Deleto (Meaning Mesquito Stacey with a Look C comment at Voke with the Dead Rat and Check Book, didnt want Ryan to have a life and neither does Nervous Tracy Mama Pizza Eyes whos a And Jesus was His Name Rocker up and Downer. Those people want Ryan to want the Little Italian Nervous Portman (Ryan hates the Little Jesus was His Name Kind unless B came to Ryans apt in heels and dropped the Trenchcoat and Ryan says to her, shake up and Down and Clap Your Hands and say and Jesus was his Name and Ryan a (Jesus Blood says jumping up and down, look, they go bouncy bounce and talk to her like Nick Tortelli speaks to Nicky the Blonde in Cheers. Now this case, Jesus was his name is ok....Mama Pizza Tracy Varges Nervous Italian Portman chanting Jesus was his name, staring at me in a Glen Close stalker manor (This is not What Ryan wants, thats what is Broadcasting in RYans head.) ===== Now Ryans point about The Ball, someone deleted Ryans letter I sent Yesterday about the Ball because the seen in Pretty In Pink where Ringwald whos Gussied UP for an AssRip After the Ball does the Innocent frump to sellen her Rump Transition senerio and plays I didnt think you would come and cleshay are you alone and then the yeagh all sad with the Rehearsed teeth and sad, yeagh and she knows not to let off any My Dad Amber side intentions (That will turn off any suitor as My Dad Amber who came from NY and when someone says to Amber El, nice Beamer or Rolls where did you buy it, the Answer from Amber El is always My Dad gave it to me for Christmas. My Dad doesnt understand shes not supposed to be going around sweating like El Ambers Interview whos also

slight Jesus was his name, maken comments of *
<https://www.youtube.com/watch?v=Vq3Detj2Pys>
<<https://www.youtube.com/watch?v=Vq3Detj2Pys>>

* ===== Now I could Only have 5
Cigarettes and What Could B is Natalies *My Dad* not understanding that
Ryan is not a Lower Level Portman that doesnt understanding Blowing out and
Kiss to Lips a reference to Ryan and my Half Sister the Little Party Rita
kissing in the back seat of Potatoe Head Jay Patekous Car in Stop and Shop
days. Now The Professional El is a Antonio Portman thats related to Ryan
and Ryan might actual be her Father and Dad if someone scooped up the semen
according to Kerry Marchand at Staples whos 1 of the Mean Girls who had a
Cast of Flammers like Tammy Haus whos related to 1 Ringy Dingy from Laugh
in and Tammy would come over with Pimental whos a concert Rock Hair Skinny
Andreg Rita person and Tammy was a Overly Drama I Had a Hystorectame! When
whoever did injure her might have done the wrong thing by not wacking her
instead. Ryans point that Internal Affairs has to explain to Donna, Dels,
Stallone Lincoln related to Mielos Teeth, Dan Hagerty Ringwald is 911
happened, because Ambers who are Nervous Italian versions of Amber El with
Treat Ryan like a seriel killer because they did not want Ryan to have (The
Ball) and Stemberg dating Donnas in the 60s wanted Ryan to be a Rosemarys
Baby treated like the Baby Room seen when Dels relative (Barney Frank is
rocken the Crib and maken hes the Devils Child and a Garland comes over to
Rosemarys Married to a Rubber Lips Tony Pacheco with Hitler Lips who takes
his clothes off the way Chanel 7 does with the Blanket and Glasses over his
arm, because Ryan doesnt want Amber El and (The Grey Suit El knows this
when she made The Professional and El was sweating because the Amber Els
were Mafia Family and Amber has a Retarded Sister whos a little Beedy
Cheney thats tied to Borenatz and shes a Bono Bush mixed family and this
Amber El is a little Short Nervous Portman that doesnt understand Ryan isnt
her Plato Italian Nervous Amber Prisoner. Do All My Choirs is what Amber
said at Staples inc and Amber would talk about her Parents in NY like
everyone had to be impressed and made sure the Catelog Friends got a Raise
and Fey Yuppie the Smoke Club Harvard Jacket with two Elbow Patches got a
raise and Ryan was treated like Cinderella and put in Ryans Poor work him
to death and abuse him and they will go to the Yaght Race and Theatre with
Tom. ===== Now Ryan is at
home during a Rain Tropical Storm and it sounded like Donnas Ugly Deb
Fischer Zoey Ringwald Tank El whos got Lance Hendrickson and Scott Glen
Lincoln Ear and Hair thats Broadcasting in Ryans head hit the Parking Lot
of Wal-Mart with the Rainstorm as I heard a Thud with a Nuclear Chemical
thats gonna spread in the area and Ryans Windows are open and Ryans
explaining there is a Coa Chin Tiger Hogan thats got a Chin like Yolanda in
the Diner Seat of Pulp Fiction that doesnt understand Ryan doesnt want
Hogans Bundy Androgenous Daughter and there are Hogans and Prices who have
a Marshall Sunken Face thats got Bob Dylon type features and he doesnt
understand that Ryans not Ritas Prisoner and there is a Sarandon thats a
Russo and Sarandon Frizzy skinny retard thats part Candice Ryder Panda

Teeth and shes a Roger Daultry face chin Coo Bumble Bee Hogan Chin and shes also a Clinton Alvorod Shore skinny Rita relative and shes a Retard that they put in the Nanite Broadcast that doesnt want Ryan to have a Computer and she and Donnas Retarded Greeks and Little Big Eyes and Mellissa Glen whos a Greek Hair Retard thats got tied to Jennifer Garner and Lynn Kampavons Orientals at Staples who brought me to Celia and Lynns party and had a Trophy on the Fireplace (Tied to Pulp Fiction and Uma and the I want that Trophy and they get up and do the Twist with No Shoes in the Floor of the Jack Rabbit a Small Bar and Diner inside the Bowling Alley that also has a Bar. Now RYans point is that Hulk Hogan has Marlyn Dickson relatives, Mathew McConhey Coo Chin Relatives who mixed with Linda Lavin and Dylon Clebold and they dont understand Ryan Doesnt want (Honey) whos a Ringwald thats androgenous and Frizzy and skinny and has a Boys Body related to Rita. Honey has many Honey kind of Relatives, Some George Lucas Ringwalds, some Hagerty and some Amber and she doesnt want Ryan to have a life cause Ryan doesnt want Rita and Honey. She, Helen and a Dottie Ditata thats a Angie Dickson Mama Pizza Face Jenna (little Ugly Coo chin Jenna Like) whos a Dottie Ditata with Little Batman Pedro Ditata whos a Andrea Agasi El bald with Rooster Lips and is a Ditata, but a Little Batman El. Now RYans point, the Hogans, Stallone Pinto Lincoln Ringwalds related to Ritas side, Russo, Sarandon, Vons, Snow, Geinsberg, Teresa and all the Donnas are maken me hear Donnas Retarded Deb Fischer relative, a Coo Lip Rick and Pachino thats related to Rick at BCC whos like a Arty with a coo lip, a Donna in a chair whos a Deb Fischer and a Paul Pacheco Retarded Stallone thats Nervous and taps the end of a Desk whos a Jaws Retard (Meaning he was raised by someone tied to Jaws who took him to the beach when he was a kid and hes a Handicapped Retard whos sister was Little Cindy and the Beach Baby thats Cindy. He is a Stallone thats a Paul and hes retarded and wants me to want Cindy and he doesnt understand Ryan doesnt want Cindy. Now the Cindy hes talken about isnt the same as a good Cindy and theres a few of them, shes the bad one. Theres a mafia Catfish Noriega Cindy and Little Panda Bear and Lazy Eye Heinz thats tied to Cindy Bazanoti, Theres a Scarlet Johanson Courtney Love tied to Stop and Shop Cindy who has a Moonpie Chin (1 of the Hogans in the Broadcast is a Singing Be Justine Retard related to her, related to a Chris Llyod of Back to the Future and Sabubula Hogan in a Wheelchair with handicapped body and there is a Brady Bunch Cindy who has a Mary Kennedy Marchand Paralyzed Marchand who doesnt understand Ryan doesnt want her Gap Tooth Anthony Andrews from Lowes sister and Anthony was a Sergent paralel of Ryans Portman line that has that Seriel Killing Slee Slab Lincoln Ears and Stare, but also has a Gap Tooth tied to Stanley Lemos and hes a Beaver Who Like Loui Anderson. *

*===== Now Sly Stallone and Ralph Machio a Stemberg with Liz Shue who Ryan found out has a Tracy Varges relative thats a Moonpie Chin in the Broadcast thats Paralyzed as is a Mandy Moore sounding Foster Beaver Teeth, Dylon thats a Moonpie Guy Richie with a Moonpie Shaped Tipped Andrew Dice Clay Jaw and theres a Waskawitz (related to Jay at Voke whos a Mary Caldes Donna Lincoln and they

are in the Broadcast Ryans hearing with a Retarded Sarandon Rita, Carl and 1 of Donnas relatives that did this to Ryan making me hear them, and a Debra Messing Mesquitto thats related to a Retarded Rooster Ugly Donna Really that keeps maken Really Comments like shes in a Girl Interrupted Mental Hospital Playing with herself all day and she was a Liz Moss Relative thats a Ugly Stacey with a Muppet Face, related to Rita and maken Really comments and they put her in the Broadcast and she went nuts cause nobody wants her and shes being used by the Stallone and Pinto Pachino Moonpie in the Broadcast that sounds like and acts like Robert Downey Jr and his Eyes the way he looks at people agravated. Now Ryans point, Really Muppet and a Obama thats in the Broadcast and Stallone Hagerty thats a Paul McCartney in a Wheelchair and Jessie Lucas Aferican with Tank Teeth they and Hogan and the Wiesel Lincoln Michelle Moynahan Sarmento Helen Hunt and Justine Timberlake Arab Prince with a Moonpie Chin, and a Retarded Kelly Osborne Cry Baby Moonpie Jaw Gosling Swollen face that has Hippo Birdy Teeth who doesnt want Ryan to have The Ball, cause hes a Ugly Version of Ryan and thats who pick Pocketed RYans wallet in Dollar General near the Sunrise Gym and I turned around and there was a Brooklyn man tied to Dice Clay, who wasnt really a Dice, but Dressed in Jeans and a Red Spyderman Shirt standing behind me with a Large Moonpie Jaw, Looked like Brooklyn Pizza man and a Dark Dice with Birdy Hippo Jaw. Now the wallet in Breakfast Club has a Mexican Kid that looks like the Night Stalker and Alley Sheedy makes a comment, I Stole Your Wallet dressed in Goth and Anarchy Clothes. The mexican kid looks like a Celia line of Mexican tied to the Little Celia in a SNeak and creep kid Photo on Woodwards Desk in Dirty Harry. This is a problem for Donna, Maria and there relatives cause it means Celia was sent into Ryans Life (Before I was 2 years old as a plan to steel a Estate and Family wallet as a stepford wife (Get It.) She also has a relative in Pretty In Pink in a Class seen shaken a Number 2 Pencil tied to Larry Carlise at Voke in Mr Frys class who dropped Number 2 Pencils and was a Bully maken pick up my Pencil. Now this Pencil was tied to the woman in The Birds and Hitchcock movies, 1 of them and for some reason they wanted to get a Number 2 pencil that he might have been trying to find a Undercover that has to do with a Pencil...it was probing then and Larry may have thought Ryan was the Jaws (Larry On the Beach Case) with the arm and Ring arm that has a Hand Model Ring on a Arm dismembered body, based on a real murder tied to Beaches in Ma. (More than One) Now Breakfast Club Dont Forget A Bout Me **<https://www.youtube.com/watch?v=CdqpNKCct7A>* <<https://www.youtube.com/watch?v=CdqpNKCct7A>>* and Alive and Kicken *
<https://www.youtube.com/watch?v=ljIQo1OHkTI>
<<https://www.youtube.com/watch?v=ljIQo1OHkTI>>

* ===== Now Ryan notices theres a Website, Ad Either on Youtube that has Russian Sailors all being forced to Stacey Varges Mesquito and Take Pictures Leconte Jessie and Staceys Smiley Face sister Take Pictures on Lecontes Guest Dressure he had in his Guest Bedroom a Photo of Creepy Eyebrow Jessie Obama Lucas and Geller the Mesquitto half sister and shes also RYans part Relative and shes fake smiling for a Reason. The Banner ad, Cant find it right now has Russians in Gay Stay Puff Marshmellow type Navy Hats Marching in Uniform being told Fake Smile and they (Hate Fake Smiling) and theres a Pinto related to Comey whos a Barry Scheck Nose and Aaron Sullivan related to

James whos in a Wheelchair that *Really doesnt understand hes committing a crime broadcasting in Ryans head with a Relative of Donnas relative Lisa whos a Mama Pizza Co chin related to Barbara Jean Dane (Thats a Clare Danes Relative, except Barbara at Star Printing in Brockton when I worked for Staples looks more like the Godzilla Raza manjaw Creature in the Godzilla Broderick Remake with Donna who plays a Stacey and this is who doesnt understand Ryan doesnt want Mesquitto Skinny Frizzy. *

<http://www.imdb.com/name/nm0001623/mediaviewer/rm1158251520>
<<http://www.imdb.com/name/nm0001623/mediaviewer/rm1158251520>>* and she plays Audry Timmons and shes a Skinny Donna Frizzy wearing a Beret in Godzilla 1998. Look up the movie and the Creatures shaped face (thats Barbara Jean Danes Face and 1 of the Mama PizzA Mary Caldes Donnas broadcasting in Ryans head is a Ugly Bitch related to a Mike a Cop (Same Face that I saw in Attleboro, Ma Mental Hospital where Sue Moore West and Larry (Cheesey Derek Relative from Camp Kennedy was, Derek is related to Gideon and has a smile with the Cheese. *

* ===== Now Ryans
point about Godzilla Woman (There are Ugly Woman tied to Clare Danes with her Odd Jaw Bumble Bee Jew Smagetz Jaw and understand theres a Little Rosey whos a short Like Rita with slight Rosey Perez (As Ugly as Mookie in Do the Right Thing) and Rosey and Little Rosey the Caldes Portman related to Rita and Donna has a sister whos a Ugly Like Greg Bush and short mexican Portman who has Godzilla Face Features (This is also a group of people that my entire life prevented Ryan from asking the Right Trollup to The Ball. Nicolsons The Shining with Doc and Stemberg *Danny the Chery Perry Replace RYan with Dan) ringer metaphorically and theres allot of Dans in Cheryls Heinz Ex Wife Arsenel that didnt want Ryan to have the The Ball because Shelly Duvoll in The Shining thats the Karen Ditata Down Syndrome and Little Party Rita Olga Costa side who set up the Blow Job Gimp Room seen and the Aristocrat with a Dog Costume (Perhaps what happens to people who ask Hush Puppys to the Ball, get taken home and end up in a Mansion in the basement and there forced to be on the leash and Dog outfit like the seen in the Shining. There Ball was Preplanned by the person who shows the Empty Old Halls of the Mansions with All The Dead Corpses as Duvall and someone then wanted the 4th of July Jaws Carlise sister in the background and Extras off the Ferry when they arive in Marthas Vineyard to (Ruin the Ball for anyone that doesnt want Little Birdy Kelly Osborne people and Likes side or anyone that Jaws Larry on the Beach Kurchief a Donna Lesbian ordered Jaws Kurchief who crosses Left to Right as Larry makes a Well, I

was About to Put on some lotion and she crosses. Theres tents behind them in seens and Mayor Davis between Tent Number 1 and Tent Number 2 stops between them, like the Parking Lot Beamers and shakes his head yes in a seen in Jaws. The Circus Tents are tied to Funny Girl Babs Like Butter singing People in Funny Girl a Barbara Streisand movie where shes at the Bottom of Steps with a Brick Oswald School Book Depository Right side and the left side, doesnt have a Wall, But a Rail and Babs Brick side has a Ringling Bros and Barnum Bailey Circus Poster thats Ripped up (Back then a Ring-Ling like Lucy Lue didnt want someone to meet a person in 69 that understood being asked to the Ball and she and the Carlise Donna Dean in George Gently whos a Bulp Mama Pizza wanted to Ruin someones ball before I was born. Ryans father and mother were people that corted those that want to go to the Ball. The Ball is not Nicolsons Ball where everyones killed by the hitler coo chin Carlise and The Butler that corrected them sir, related to Paul Pacheco in the Ghost Restroom seen of the Abandoned Haunted Mansion.

===== Now

Ryan has to explain this and those that are Italian Mama Pizza Jenna Likes with Angie Dickson ButterFace and Stiffler Moms that have that Ugly Mama Pizza Italian Jenna Coo chin they know *(Shes not I want to ask you to the Ball Caliber Princess Crown Material and Jenna Knows this and hates Ryan cause I dont want her and her like side and she wanted The Ball to come to Donna, Mama Pizza and Birdy Teeth Clinton Raza Jaw with Hippo Kevin James jaw and also Tracy Varges whos been hassling me because she did NOT WANT Ryan to have The Ball and Celia showed me Tracys Prom Photo with a man that took her, because back then thats the seriel Killer they sent to make the Ringwald thats in the Ball seen in Pretty In Pink. Now why this matters, Ryan was oblivious back then to the significance of the Ball Now Chloe Savigney has a relative that looks like her photo on the back of the Alicia Goranson Pickup Truck where shes holding a V Hand near the Leg of Alicia whos wearing a Jean Jacket and a Head Shot thats not lining up with the body as the Face of Alicia was a Man in a skin mask and it was *Thats It Behind the Skin* who drove the Volvo thats behind them with a Extra man thats related to The Edge in U-2 whos pointing a Hand to the Back of the Volvo cause thats it is Donnas little Short Creepy Relative whos not Pretty and has sisters some related to Sue Millers and shes a Jackie Lynn Kennedy thats mixed with Donna and has a Pug Nose and Lazy Foot and when Ryan was in La in a YMCA and was working out inside near a Window a Lazy Foot short woman like her comes over who has Richie and Richard Gear Eyes and looks like the short woman in the Boost Commercial thats sitting in a chair with Hand On Chin and Bent in the Chair leaning over, Arm and Hand on Chin thinking and thats a Gear Ask Rooster Cogin side that has Richie and Shes All That Laney Eyes (Slight Slavic) and this Lazy Foot puts her Toes and foot down outside and shes stalking me and staring at me and has hair like Julien Miller and Justine Timberlakes *(Music Nervous Joey Lawrence Greek Rooster Cognin Hair Relative that was in the La Labrue Gym that had a My Husband Maria Antonio Maid. He has Eric Banner and Gene Simmons Greek hair and theres a Lazy Foot with Short Richie Paralel Features who are not Richies Direct Relatives, but are similar and Lazy Foot Retarded related to Ask FedEx whos a DangerField Greek Puffy Eye Rita (Slightly Different from Lazy Foot) they dont understand Ryan doesnt want short Ask or any of there kind and they are a Cult tied to Science and Gear looking eye people and

Loretta who set out after Stop and Shop to Find Anyone that will be The Ball suitors of Ryan and this is anger of 1 of them in the Dead Bodys in the Mansion seen Flashback in The Shining. People dont understand the seen in the movie was supposed to be the Past, its actually the script of a Gwenith in a Wheelchair and Ritas people who didnt want Ryan or some other people on there list to have a The Ball Encounter and senerio Romance ever, because Ask and Lazy Foot, Russo, Sarandon have a Lesbian Leader who hates RYan for an Arrest before I was born and the Donna Deb Fischer in a Wheelchair and Jenna think people are Dollys on Social Security that she and Dan Hagerty Stallone who is a McCartney maken This is All I Have in a wheelchair and they dont understand cause someone hurt them and put them in chairs, they cant be told by Catfish Perry and Norega Senra Caldes and Bushes, Clintons, Obamas and Marias that are pissed off, that you can abuse Ryan and broadcast in his head, cause your paralyzed and Rita doesnt want Ryan to have The Ball. Now To explain this further about why explaining this and explaining Coordiroy Paul McCartney Hush Puppy *When You Understand what a Hush Puppy Looks like and the Picture Ryan sent yesterday I cant Find on the Internet again and thats Rodney Pattys Dog Isnt she such a Cute Hush Puppy. Now "Understand Paul McCartney and the Beatles as someone described as The Beatles are Satan and the Devils Band and Ryan belives this. Pinto Rocky whos a Yaz in Rocky One has a Beatles Poster passing to the left while hes on the couch. The Couch was not a Little Party Hug at Patekous Reference. Ryans point Paul McCartney all Lived in a Yellow Submarine and the words Marine are at a Palicia Dock Wharehouse in Dirty Harry and the Magnum Force and Donna gave me a Birth Certificate that was signed Palumbo (The Wharehouse in San Francisco Where Berg said he was from was in SF 49rs and Joe Montana (Moonpie Chin) and RYans point is a Beatle Kidnapped me from the Undercover 5th Beatle people didnt know about and handed me to Donna to be raised in Secret and CIA then faked a Birth Certifate maken it look like I was born at Mercy Hospital in Fall River, Ma. Now Mel a Head Case lobbed and cut off is in Bravehear and says Mery when the Axe Executionar Cuts it off and he has a Rag in Hand that came from a Karen Varges whos a Little Party related to Maria ANtonio. Jack Kennedy was a Head case and Ryan sees there was a Head Case in Newport RI thats tied to Halloween and Jason in Friday the 13th Camp Krystal Lake (Maria was Jason the Seriel Killers Mother) this was NOT A fictional Story its what happened in 1969. Now also understand Tate and Labianca murders had Manson Girls. Olga Costa Mueller was 1 of the Offsprings of a Manson Girl who were in the Halls in Court Singing (And Jesus Was His Name....Understand!) they were and were not undercovers and a Op, But Charlies people addicted to Drugs got too far into the Life and Cult and it became real and the Murders Really happened. Die Pig in Blood on the wall is tied to why Donna wanted in 1975 to take me to Newport, RI and look for a Arrow Head on a Rock Wall thats tied to the Field in Jaws that Schieder, Dreyfuss and Mayor Davis holding a Cigarette walks up thru Twin Fences to Right and left and the Billboard to the left has a DeFaced Painted ad that was a Sarandon related to Foster and me and changed to a retarded Honey Crooked Eyes Rita Relative and (Honey in 1974-1979 wanted to get rid of Kennedys that knew Ryan and Twins were kidnapped so they could Keep Jack Kennedy and Estate Money that doesnt belong to Mielos Ringwald Ella Mean Honeys and Dark Haired Moonpie Flo Linda Lavins and Onasis Manjaws and Els that are Ted Kennedy Teeth, ONasis or Queen Liz Greeks. Jack Kennedy

offsprings, Some Seman Close Encounter kids in WHite Costume and off the Grid Unknown Jacks had claim to that money and any Portman thats a Blood Line of Jack and understand he makes a comment in a News Conference (I Own All Of It) and had Assets the President owned that were worth Zillions in Undercover Business, that were not known cause the Relatives in the world undercover, couldnt let people know about Jacks in the Field. Someone (Wanted to make sure it was All Theres, Like Mielos and Ella Means and Jackies and Russians and Maria and Little Girl Down the Lane Jody and others who tainted the Line with Hitlers. Honey replaced the Surfer on the Board cause Honey is a Glen Close Stalker that when you dont want her, she broadcasts in your head and gets a Cult to Ruin and Detain a persons life as Honey Rita has to have control as a Mafia Don (She has Relatives that really are sick Fucken Creeps in the Hogan and Lavin and Stallone and Ford Families that think Ryans Honey and Retarded Greek Moonbeam Prisoners and all of them were Terrified of The Ball side, whos English Ringwald and Ryans heritage and Chris Glen. Theres a reason Ringwald in Pretty In Pink Comes over and is all Shy and Gussied up in the Hand Made Pauper Dress and does the Im Here and shy smirk and the way her teeth do that think in a shy Unsure manor. Now Ryans line of Kennedy, Understand what Realy was happening at That Ball, Back then. Molly is like Mr Gonzalez Ryans Tai Kwon Doe Instructor and Mark Leblanc had a Relative then before I met him named Gilley who was a short Polack that had a black Belt. Now Thats Frightening and Gilley was a short Meatball that could jump up and do Super Roundhouse Kicks and he was like a Fast Strike and knew Pressure Points on the Body that when you strike can mame, Kill or stun paralyze for a Time.

===== Now Ryans getting to the Point and Like A Few Good Men, Tom and The Pistachio (I'll Get Back to The Ball Reason later) walking back and forth like Tom in Court and why Tom Says 1 or Two Orders Col. The Tents in Jaws between 1 and 2 had Mayor Davis walk between Tent 1 and 2 and shake his head before he gets to Tent 3, 4, and 5 (Ryans twin brothers and me) and Davis Knows the Space Between 1 and 2 is tied to why Ringwald In Pretty In Pinks Drama Fraud then Brown Belt Level Scam hugs and kisses McCarthy and Behind his Back Two Beamers either side, after he gives a speech thats as bad as Rachel Cavanaughs Date set with Carey in Jaws 2 in the Bar (See the Seen as Daddys Girl got a Acting Gig and walks up to Carey at the Bar and asks him not to the Ball, but to the Fair or to the Boat Race In Marthas Vineyards bar and he says Yes and she says tonight and turns to the people in the Crowd and says Its Tonight and they all make yeagh having to act Excited for her, cause her father knew Spielberg and they knew Rachel Reese cannot act and timing is all off and bad and they had to pretend Daddys Princess put in the cast was the Center of the Movie or Else. Now Ryans point this leads up to people who stay away from this and wait for the chance and person whod rather like Williams and Game 6 Good Will Hunting senerio would have said to Rachel Cort in the Bar, cant and said, watchen Game 6 because theres better if you understand The Ball Senerio. Hush Puppy is (Past the Ball, cause the Clocks Ticken and she knows any Day her Lover is gonna pop the question and she doesnt want to say Yes, but also if he does, she doesnt want to risk the Single life as shes set in the ways and is afraid she will be alone and end up left behind and shes that kind. Shes also a Misses Robinson and Andy Clay Believe it or not, Older than Ryan before I was born in Odd Couple Days with Under the Table and looking for a Girl thats willing to get under the Table on a date

in a Crowded Rest and Unzip and Give a Blow Job for some reason before Ryan was born was in the Group of people who were playen Poker in the Odd Couple thats in the original 69 movie seen which had a Bald Chippy playen Cards with Lemmon and Klugman and people dont understand the Poker and dogs Playing Poker Painting tied to Rosannes House had Dice planning for Ryan to be kidnapped and High Stakers and World Secret Societys Abuse Victem for a Retarded Ringwald Honey in Jaws who wacked the First Board line and Ryan was taken by there people to be raised as a Poker Bets abuse 1st Born as Revenge and won in a Bet after they wacked someone to be able to swap the Name Tag when Born. RYans supposed to be treated by Del Pachecos and Bel like Mia Farrow in Rosemarys Baby for Life and the Bet was How many Years, before someone frames him for a Child Porn, Murder or Puts him in a Mental Hospital and thats why Pedros at 4 Yrs old shot BBs at Ryan on the back of neck on the Jack Kennedy Motorcade for Stemberg in Pretty In Pinks Wealthy people who plan a Life of Ban, Prevent, Abuse and Replace there Prisoned Kidnapped Air. Lukes in Star Wars (Represents Rita living on Luke Street was RYans Face off Hammil Replacer as Lucas hated Ryan and had a Texas Marshall that brought me at 2-4 years old a Tan Puppy that wasnt a Hush but a Tan Golden Retriever or Setter cause Charlie in Willie Wonka has a relative in a Wheelchair and thats 1 of the people Broadcasting in Peoples heads. The Dog was on a Leash and its a Gimp Reference and Celia used to make comments to me of MY Dog and Maria And Celia were Mafia from Dirty Harry who with Cherly Perry, Lord Phillips knew RYan was kidnapped and a Air to a Billion Dollar Trust with 4 Twins and Donna hated my Grandfather (She said, Kept her in a Ivy Tower (Prison) so much the Lucas who was a half Relative of Ryans Father and Texas Beard Marshal kind planned to make me later the Last of Ryans line like Hammil in the Jedi Movie with the Smagetz Scott the Bathtub Taylor Empor who wanted to save me to be abused for last as a Payback for my Father, Real Mother and Grandfather who arrested a Donna before I was born. The Castro Dam Hagerty On the Forrest Gump Black Panthers Poster Room with Penn has a Castro Beard and hes a Wacp Wheelchair Castro Dan Hagerty McCartney that picked Running People and Logans Run Prisoners to be Peoples Dogs and the The Game Victems to be abused later in life to make up for them in wheelchairs who blamed the Cops that were Ryans line. The Take the Baby Jesues and give them to Rosemarys Baby Del and Sarandon and Lavins Moonpie and Mama Pizza Evil Side and Get even and thats what the Betting Pool in the Odd Couple was Really About.

===== Now Tony Pachecos House in the 60s had Patty Sanders in a Photo as a Young Member of the Manson Cult as when she was young she looked like a Manson and Tony (Donnas Father whos a Castro Harmon mix Lincoln was Hugging Belmedia and Patty in a Original 60s Photo RYan has behind Tonys House and the Kitchen in the Middle of the Yard where theres Flowers like Belmedias Driveway of the Cottage of Jon Rica (Where Donna had Photos taken of me when Del Pacheco came over with some Uncle she said was Dying of Cancer and they wanted me to take a Photo sitting on the Flower Bed thats in the Middle of a Driveway of J ohhny Ricas Cottage and Donna gave me that day a Army Colored Green Jacket with Orange inside the Jacket and they I remember wanted me to wear someones jacket Right before they took the photo. Its Connected to Tonys House and the Hug Vespa Photo where there all Hugging with Donna and a Clinton McCartney Sullivan who I think is RYans Fathers half Kennedy Brother. Now hes in a Grey Life Stinks Ruin YOur Life Mel Brooks later on Grey Suit pants and in front of the Double

Basement Doors of Tonys Basement which had a Side Apt near it to the Left where a Mr Lucas lived said Donna and Sue. Now Hes doing a Happy Days Thumbs Up when his Fathers (Ryans Father empregantes a woman and his First Jesus Son is Born, they agreed to kidnapp me a Air to Vespa and McDonalds and what Paul Pacheco said was Sabino Airlines a Billion Dollar South American Airline conglomerencey back then and Larry Carlise was a Half Brothers kid of the McCartney Stemberg Carlise thats in the other 60s photo Ryan has in Tonys Christmas Tree Room off the Front door that shows the Thumbs Up Kidnap, Frame and Raise to Later be Zeke and Zeds Gimp in the Basment to pay back Ryans Real Father, Mother and Grandfather that Busted 1 of them before I was born and they were raped in Prison for Hours and hours by many Shawshank (Hush Honey People) and thats what Pissed off Honey and Also Hendrickson the man who was kicked out of the Projection Room in Shawshanks Boggs Bite your Penis off senerio. THats why this all happened, thats why Clinton McCartney has a Thumbs Up and Lucas wanted me to end up on the Gimp Chain and why The Emporor wanted Luke to watch his Friends and Family die as the Scott Souza Smagetz Charlie Emporor says, Go Ahead, You Want Your Light Saber and your weapon, Take IT. Now the Light Saber was a Metaphor for someone that lost there Penis and it was biten off in a Shawshank and Written into the Script and Serpico has a Gear get into the Passenger seat with Al who is starten in the Driver Seat like someone in a Blow Job or Car accident while giving a Blow Job Bite off someones penis and the person who in Prison lost theres and thats why Dirty Harry and Magnum Force has Punks in the Driver Seat with Blood (Sticks that look like Mesquitto Repelents that are lit up that are sticks that smell like Incence called Punks and the Mesquitto Muppet Stacey was angry someone in her line had a Prison and Penis and Driver issue off and Gears Passenger seat stare was Offsprings of the people, cops and Das responsible for there Lucas Hitler or Mafia Donas side being put in to as Donna says the Shawshank Ivy Tower was life of being passed. *

*===== Now RYans point Lucas Texas Beard that Brought me a Tan Dog on a Red Leash was tied to the Light Purple Shirt worn by a woman in the Train Station seen of Dirty Harry or Magnum Force when Eastwood is going through a Station and theres a couple Kissing on a Bench with a woman face hidden whos got a Light 16 Candles Bridesmaid Colored Dress like what Ringwald had on in the Wedding Bridesmaids and the Light Purple in a 71 movie has a Red Sweater thrown over the Shoulder. As Ryan went to Seven Eleven today when Donna made a comment I gave YOU \$50 Dollars and I walked to Seven ELeven that has a Donna Spielberg whos a Muppet tied to Kelly On Coach who would Tap Her Thighs and she is in a Jerico Episode in a Picture with the Cast and Billy from Scream with Shovels Digen someones grave...they way Kelly has before in the Dark with Stacey and the Denise Richards Movie that also had Liv Tyler in a Scream type movie, except they played Lesbian Lovers and murder a person to steel a Inheritance and Bury the Body in a Beach Sand Dune thats alot like the Dunes on the Cape Chris Glen and me Went Off Roding with Chris Glens

Supposed Cousin that wasnt really his cousin and was a Jason Biggs Matt Lower Type kid related to me with a SUV. Now we went into the Sand Dunes in a Spot that looks just like where Denise Richards movie decides to bury someones body who was in the way of Collecting a Inheritance from the Rightfill Owner and this movie Ended with Liv Tyler her Lesbian Lover that Kills her and Takes off with All The Money in a Sail Boat. Now also understand Chris Cousin took us in his Black SUV and Drove up a Sand Dune Ant Hill and Stopped the Truck on the Top swayed and rocked on the Tip of the Sand Dune, Gets out with Headlights on and does a Crazy Dance in Front of the SUV. Now in the La County Jail when Ryan was in a Pod Cell with a Tyrone Brooks (DJ Scribbles I called him) who has Puffy Drew Barrymore Eyes like the woman in the Movie The Help (Who at the End of the Movie takes off with Someones Estate) as part of a Dressed to Kill Plan and Plot tied to Angie Butter Angry Face Dickson (Whos Related to Dottie Dittata and Belemidia Pacheco Donnas mother. Now Tyrone got Put on whats Called the Chain in County Medical Prison or County and the Chain is when Your Charged for Federal or State Prison Offenses and they come in the middle of the Night and you get yanked out at 3 am and made to Strip and they put you in a Black Plastic Suit made of Paper Called a Paper Suit and chain all the Prisoners kicked up to State of Federal Prison who are taken in the middle of the Night for Shawshank Delousing and Fresh Fish. Now understand a RedFord Chuck Tobias Italian that is like Silence of the Lambs Shrink and the Cop thats in Magnum Force whos also a Chucky TObia shows up when Eastwood in Magnum Force *The Second Dirty Harry Movie* with a Black Duffle Bag thats changed from Dirty Harry when Calahan is being forced to Bring Ransom Money in a McDonalds Golden Yellow Arches Duffle Bag that has a Zipper PP Biter Openeing thats tied to Eastwood who puts it on his Bosses Woodward Desk and hes lying down on the Couch Like Ringwald in 16 Candles because the gist like Tom Stembergs Greek Face Off Gordan Kaye Stemberg with a switch NJ Mr Hankey Brown Car with V Plates planned to help Donnas Old Grandma and her husband and the Ringwald in that movie Lying in the Couch like Eastwood is when the Zipper bags on Woodward's Desk and the Zipper is a Metaphor for Heart Disease to be caused with Chemicals and warfare over the years to any McDonalds Offspring Illegitimate airs Born that ONasis and Donnas people switched as Kroc was not the Founder or McDonalds its a Fluff Story and there was White Castle and other People that really owned the Start Up Business and they were undercover with McDonalds and someone took Control of McDonalds with a Krock Pot Plot and wacked some investors and kept there airs and kids as a payback for a Fued. Now Alicias Skin Mask Shadow Photo that doesnt line up in the 2000 Screen World Book with Mel in Payback on a Park Bench with Greg eaten Chinese Fried Rice thats a SF Rice Box tied to the oriental Donna in Dirt Harry Eastwood has a Fling with and theres a Bench Incident then in a Park in SF that led to a series of Events. Also a Rape at Liberty Park around the Statute of Liberty which has Observation Parks in NJ side and also NY and the Liberty Statute is in the middle...like Bemedia's Light House thats Perrys Funeral Home Black and White and Tom Stemberg was NJ side and the Switch Car and Bench Raper side. ===== Now Ryans point the Party Dance Cousin Lower Biggs Cousin of Chris wasnt really his cousin and he was (Heres Johny And Might be Connected to the Signed Birthday Card and the Hope the Smoke From the Candles Doesnt Kill You and Drawing of a Segent Stalin Looking Man smoken a cigarette thats tied to the

Molly Bish Gene Valencenti News Cast on 10 In Rhode ISland with Patrice Woods whos a Lauren Taylor Bush and sufle Kingpin and Gene has a Retarded Relative in a Intelegence postion that looks like him with a Dice Moonpie Jaw thats Broadcasting with someone like Frank Colleta and his Mafia Williams Coffee Cup and Jay Green Fredo Moonpie Chin and Fake Easy Job Mafia NewsCast Postion. Patrice is a Duck Lip and Genes a Mook Italian with Creepy Eyebrows. *

and Understand Franks a Fucken Creep that was behind Patch Adams and steel Ryans Job *

* ===== Now Jay Greene

whos not totally related to Frank is tied to Colletis in New Bedford, Ma a Restaraunt that was like a Daveys Locker on West Beach that was a Famous Lobster place and they opened Colletis next to it and Fredo Greene took me to a Diner there and it was a Fancy Italian Rest where Richie the Rat from Voke Tech and Adam Newman Tied to Bryan Krackow on The Wonder Years who has a Birdy Teeth Grey Relative thats got Swollen Bruno Kirby Teeth and Jaw and

Birdy Teeth came out of the Kitchen and Richard who has a Snout like Donnas Panda Paws Cat in the Painting she made comes out of the Kitchen after we ate and they smirked with a Possum Voke Tech Students (Which they went to Voke With me and Chris Glen then made Possum Stew in Class we hear and they came out to let me know someone did a The Hangover Part Two Transvesite Stripper with a Penis who made Stew Eat his load (Sperm When Drunk) and thats what Bradley Cooper was really involved with then. I dont know if someone spooed in the food, but Richie gave a smirk and I know Possum Chef Voke Class did something that day and Adam Newman was tied to Art Garfunkle mixed with a Paul Newman whos Broadcasting in RYans head. Adam was a head case, but not the Cart and Jack Kennedy was a HEad Case and shot with a BB at 4 Years old, Ryans supposed to be a Framed as a Head for Life Case and the Arrowhead in 1975 when Donna took me to Newport, RI to the Wall tied to Shawshank Prisons Buxton Maine and Titanic Ship Money with Andy leaving Money in the Titanic Can with a Letter from Red and the Chess Board thats tied to Dirty Harrys Chess Chinese Players in a SF Park in Dirty Harry that are Playing Chess in a seen. Now understand Donna in 1975 brought me to a Newport Field that looks just like Jaws Type Field over looking the Ocean and its Significant cause this Field had a Rock Wall like Shawshanks Prison Freeman ssen in Maine that Donna put a ArrowHead on the Wall and made me look for them and the Arrowhead she said came from Indians in the Old Days was a Slade Rock (Like the Rock like no Other in Shawshanks Buried Money) someone in Newport, Lost there head and was Wacked that was Ryans family and Donna was being Facitious as they didnt find a ArrowHead. Ryan was a Kid from a Arrowhead family they kidnapped for a Payback for putting in Prison. ===== Now Dirty Harry has in SF at 76 Gas Station and the Orange inside the Army Coat Donna wanted me to wear was a Payback for Vietnam Agent Orange Dropped on the kids with Oriental Features naked and running down the Street on Fire and Holding Hands out and theres a Famous News Footage of the war of a Chris Glen Vietnam little Girl running down the Street and shes on Fire after they dropped Agent Orange and in the Road with Orientals and this may have been staged, I dont think it was, KEnnedy was in the war and committed. Now, also understand that There were people sick from Nuke and Agent Orange and if Dirty Harry was really a 70-71 released movie, the 76 Gas Station Logo (Orange and Blue) was a prediction by 1976 Pedro and Donnas hitlers Would have Control of Federal Agencys to cover up Kidnapping the Airs to Vespa, McDonalds and Sabino. Now also understand that Blue is inside the Orange and the Jacket is the other way around (Switched and Stemberg in 16 Candles Drove a Brown Car like Ryans Car Model in COLlege a Light Blue Mr Hanky Switch thats the same Light Blue as the Tunnel in Dirty Harry when hes runnen from Phone Booth to Booth with Instructions to bring a PP Biter ransom Money and the McDonalds bag, Eastwood didnt understand was why 76 had the Gas Station Year. Also understand a Tony Sanders approaches him in the Tunnel to Rob him with another man when in transit to the next Phone Booth and he has to Fight them off and a Whool is the Robber with a Red Mask thats almost a Spyderman mask, but back then represents Burned Face Shriner Payback and he has to Deliver it to a Giant Cross in SF thats tied to the Giant Jesus in South America on a Mountain that has (Hands Out) like the Oriental Kid on Fire in Agent Orange Vietnam Error War Dropped Bombs Agent Orange Blew up Fire and thats why the Old woman in the next Apt on Dartmouth Street fell asleep with a Mayor Davis Cigarette and Donna said,

Died in Bed on Fire. What she meant, they wacked her and covered up whos a Princess Dianna went to Bed with and had Kids they kept and hid when Switched like me. Now Ryan also says Mayor Davis between Two Tents in Jaws was saying Yes, The Ringwald Lying Down on the Couch in 16 Candles was doing a Eastwood from Dirty Harry playing by 76 when she was about 10 years old he would be able to rape her or Whool or Woodward would as he and Carloyn Kennedy are in a Interview together years ago maken Kids comments and laughen odd like there CHild Porn Kingpins and Whool, Clearly was and Ringwalds lying on the couch in 16 Candles with Stemberg playing her father who comes over and does a Ring off the Couch motion thats tied to Eastwood on the couch in Dirty Harry from 1971 and he gets up and looks at a Poster on the wall of some Mountain Retreat Hideway in some Dutch Land as he wanted to Steel McDonalds money and that Ringwald was helpen someone with a Usual Suspects Flammer Scammer Con tied to The Ball and then had a Brown Belt Scammer Level Belt. Well was at Black Black and Planning to Retire when she made a comment, in Tvi of Im a Phony...guess who was pranken Eastwood and maken him run Phone Booth to Booth with Instruction to Bring McDonalds Money in the 8 Heads and a Duffle Bag and why Ryans a Phony. Now understand Well was trying to see if she Retired if anyone knew what kind of Federal Career of Scams, Skeems and Kickbacks she had. Now also a Stevie Nicks with Sara the Drown song and Stand Back had a Frizzy West Relative that worked at a 76 Gas Station in Beverly Hills near the Beverly Hills Palms Motel (on Wllshire where Elvis had a Affair in secret and a DONna mafia woman is in his Room with people and photos and undersand that Whiteny Houston supposedly Died in The Bathtub (Scott Souza did a Girl in the Bathtub and hes part Prince Charles as is Ryan and the Emporor was a Charles but Smagetz Taylor and some of this plan was Fredo if that makes sense. ===== NOW Ryans point is Eastwoods in a seen of Dirty Harry is a Rugie on the Ground when Easywood points a 45 at Rugie in Purple at him looking down and hes on the Ground Eastwood in a seen in a Suit thats a Grey Tweed, like a Polroid tied to The Game that Donna showed me at Johnny Ricas and (Theres a Johnny on a SF Killed in Duty Cop Memorial and City Hall seen where Mayor Pacheco related to Tony and Me playing Magnum Force Boss of Eastwood and theres a Tony Like him Broadcasting in RYans head. He takes off and Frames eastwood after a Air Craft Carrier Abandoned Shipyard with Rusted Boats and Carries with a Sealed Deck Door thats got an X in it and this is where WHool has Rugie Beat him up and Eastwood ends up chasen him with a Palicia WHarehouse that says Marine on the Sign (Ma) RI Now ENGaging. Now understand what this means, Donna showed me a Photo of a Poloroid that has a Grey Coat Person thats a Ryan Look a like with Grey Coat (Like the Suit Eastwood had on what looks like Belmedias Rock wall on the Right side between her Cottage Beach and Jones (Over the Town Line between NB and Dartmout, where her side is NB and theres a man alone in a Perfect Storm Photo alone and he has a Grey Coat and Kevin SMith Kind of Mook Back and she says Do You Know (WHO THIS IS) and Roger Daltry a Stafford with a Moonpie Hogan Jaw has a Daughter or Relative thats a Retarded Rita Panda Bear Teeth like Mathew Foxes Teeth whos a Frizzy Mary Anne Devoe Clinton Sounding Sarandon Rita Retard thats Broadcasting in Ryans head with Honeys People. Mary Anne Devoe was a Lesbian Clinton tied to Emelio in Breakfast Club and also Blood Eyes. Now, understand Boston the Band has a Song Called More than a Feeling with Lyrics I see My Mary Anne Walking Away and shes a Russo Sarandon West Rita

and Hitler Hand Blood that has Rose Brynn and Sarandon Stallone eyes and Rita has a Mary Devoe Half Twin Ryan saw in La at Kate Leopards Rest when going past the Place that has Diner Seats and she did a Siek Heil Androgenous Frizzy Hand in the Diner Seat with a Friend and She wanted Diner Business money so did Liz Moss in West Wing with Duely (Rugie Hill) who Rugie was in the Hamburger Hamlet in La on Hollywood Blvd in a Window with a Jean Jacket condor Rita West before it closed down and I passed them and a Muscular Rugie with her took off when I past them like SHawshank Crooks and Lunch Hand in Kates place wanted Ryans Lunch Money from 16 Candles Holding a Purse on the Poster with Jake Ryan. Now understand where the Lunch Money comes from. Ringwald in 16 Candles has a Pedro half sister and the Pedros lived next to Ryan on Dartmouth Street at 4 when Tommy Soars Stallones and CLintons and others shot BBs at me on The Shining Big Wheel before Stemberg replaced with me with Twin Metaphor Danny. Now understand Ryan waited at 4 Am in the Dark for the Bus to Daycare at Camp Kennedy and Condon down the road that had a Fence tied to a Rocky Movie and Stallone near the Fence with a Slashed Tiger Paw opening and hes talked about kid and your milk and Lunch Money. The Empire State Building Construction Crew has a Famous Photo of the Workers building the State Building on a Beam out over the Tall Building eating Lunch with Lunch Boxes and could fall to there deaths on the Beam swung out off the Building that was used to Lift Up More BEams and things to Build up and they have Lunch Boxes, Some Black and other colores and Ryan waited with my Lunch Box like Batman ones in the Dark with Hands in the same 16 Candles Pose that Ringwald who knew my Real Mother and about the Fire Next Door then was keeping safe for Ryans Trust. Now understand someone wanted Lunch Estate and took it without anyone knowing those workers 1 of them was Ryans Grandfathers side or tied to a person who married a Grandparent that started McDonalds.

===== Now Ryans point is theres a Lance thats been broadcasting in Ryans head that is with a Pinto thats a Coo Lip Billy Crytal Mark Leblanc that approached me in La thats babbling about not paying my rent and he keeps maken comments he and Little Cindy say its Prosecutable and he this (Wacko Using the Technology with a Al Pachino Aaron Sullivan Comey thats a Retarded Barry Scheck Stemberg doesnt understand nor does a Nemo Aferican Obama that does this to people in a WHeelchair that Broadcasting in someones head, Social Sec recipients is a Crime, not a Legal Right of Donna, Comey, Geithers, The Stallone thats a Lincoln Chee kee Sarmento or any Manson Bald Putin Eric Holder or the Nancy Silvia thats related to Linda Silvia at Stop and Shop who came up to me and said, She wanted to get into Commercials. Now understand the Retards Broadcasting in Ryans head, have done this to people before and dont understand that the Retarded Eric Holder Jr Manson Milado Putin with Cat and the Hat Eyebrows doesnt get to pick a person to make hear his Broadcast and they have Done this to people before with a Mellissa Glen thats related to Richie from Stop and Shops Girlfriend whos a April Monterio at Carter Brooks Elementary where they made the Mold Plaster of Paris of my face to make a mask cause Whool thats in Dirty Harry had a Ski Mask All Red (From a Shriners Burned Face who planed to take Ryans estate and lunch money later on as a Ransom Payback and Paul Pachecos arab Papalcy Relative in a Indy Jones movie has a Shriners Hat in for a Reason. Now, also understand Short Round (Richie with Kali Mar and Rip out a heart was tied to Eastwood on the Couch in Dirty Hair, Shirt off and Heart Exposed and Kali Mar wanted to

Cause Heart Disease of the Jesus Kidnapped Blood Donna wanted to abuse as a Payback to Ryans Grandfather and Ivy Tower (Prison he put her or a Donna in leading to a Penis being Bitten off and this caused them to want my Mother and Fathers First Born that Lucas in Phantom Menace (Pick His, Added Not Tom Made, Esatate Now Added Cans Enagaged as an Also added Bonus. Now Lucas wanted me at 3 years old to end up with Thumbs up Frame job 60s Photo in front of Tony Pachecos Basement (Related to CHief in Dirty Harry who was a Killer and says to Eastwood at the end in a Ship yard with Abandoned Air Craft Carriers Twins towers where some people in a war, were sealed in the boat below Deck when the Bomb was dropped and the Capt had to Seal the Lower Decks, Titanic Winslet is Barn Dancing Third Class Level and theres a Amy Spielberg in Farmer Jeans Light Brown Switch Car Overalls as a Extra in a seen whos a Muppet related to Kelly from Coach whos a Karen Varges whos related to the Donna Spielberg Muppet at Seven Eleven today who when I got my \$50 at WalMart and then went to the Bus stop, Stopping there first a Light Purple like 16 Candles Bridesmaid Molly Dress was on a Rock Wall Outside the Place and the Donna muppet inside grabed my Reciept agravated and in a hurry when I was in there. Now the Liquor Store in Dirty Harry where Whool Comes in and talks to the owner who shows him a Luger (German Pistol that Tony Pacheco said he had one and did he said he took in Germany as a Souvanier in the war when he was there. He also talked like Shaw in Jaws about Operation Tiger a Staging Test for DDay when German U Boats sank US Ships when they found out they were practicing a Invasion and sank them while Training in a secret Location for a Future France Beach Landing and allot of men were in the water when it happened and were eaten by Sharks (Tied to Jaws) and The Cash Register in the Liquor Store in Dirty Harry is Made of Wood and Switches in Magnum Force to a New Concrete one in a Pinyata Store and Regina Portman Onasis was at a Hess Gas Station in Raynham in Ma when I worked for Pep Boys, Manny, Moe and Jack which is why theres 3 Mailbox Bombs in Eastwoods Apt set to Blow his face up when Opening the Mailbox and his Rugie Partner didnt find it in time and it blows up in his face. 3 is The Triple and Bomb Payback planned from Ryans line. Now RYans point Ed Davis Shakes his head in the Space between Tents for a Reason as theres 5 of us, Twins and The man in the Grey Coat Storm Photo alone on the Rocks had a Grey Coat with Pattern like (Eastwoods Suit when hes knocked down on the Ground) =====

Now Ryans point, Pedro Ringwalds, Dickinson Related to Vietnames Marlyn Dickson who was a Glen at Staples mixed with Sue Pedro (Billy Jean King Obama Relative) who shot the BBs at me when 4 Years old on Dartmouth Street on the Shining Danny Big Wheel in Spyderman CLOthes and Celias relative was related to the mexican in the wallet Id who stole a Inspector Badge Eastwood tossed into a River at the end of Dirty Harry after Catchen Whool with a chase thru a Football Field closed and reference to Olympics. Now RYans point theres a Hendrickson thats Broadcasting in Ryans head of Jerico Billy From Scream and the Muppet Kelly from Coach whos in a Photo With a Shovel (Confessing to Burying the Portman Mother) that lucas speaks of when She Gives Births to twin and its covered up and sent to Live with Uncle Ben (Rice Cat in the Hat Holder Con) and that was a metaphor of Lucas and Donna kidnapping me and the Gimp Red Leash Puppy that was Red because the woman on a Bench in Dirty Harry kissing a man has a Light Purple shirt on with a Red kid Sweater tossed over her shoulder like Senra Cape and Ed Senra was a Sergeant Smoothy and Ryan was in a McDonalds when the Broadcast first

Started that Donna and Jon Took me to Once and she came in with Jon Leconte and a Senra Smoothy Sergent was sitting at a Table and she made a odd comment to me of Stop Fighting it, meaning Rosemarys Baby people abusing me so Bubble Lip Senras could keep Ryans Estate and girl. Now they kidnapped me and there are Senras who mixed with Ryans and theres a Bubble Lip Vietnames Hendrickson that keeps maken comments in the broadcast Marks in a Wheelchair and My Dad El was sweaten back in the Interview cause she knows Rita, Donna and Stop and Shop Costa with my Dad Amber Els related to Bush, Heinz and Bono Paralels switched Ryans Trust Mentioned by Joe Costa at Stop and Shop with Lisa Dean Andrews and Hendrickson thinsk Ryans supposed to be abused and pay for Mark Being in a chair from Shaws. Now Problem for Lance, Ryan didnt put Mark in a chair and I saw Mark at a Hess gas Station years later, before I moved to FL and Ca and he was inside and looked like 1 eye was damaged and Ryan says Pinto and Mark are Both Stallone blood. Now in theory Marks pulling a con and had Pinto come in and kick and beat him down the Way Whool in Dirty Harry pays a Chris Glen Cash Money with Two Childrends tied to Two Abandon Aircraft Towers in a Ship Graveyard that Richie wanted to Drink at Graveyards in Stop and Shop days and a Chris Glen Rugie is paid by Whool to beat the shit out of him in a ship to say Eastwood abused him and sue. Now Ryan thinsk thats what the plan was (That Day) unbeknowst to me cause CHee Kee Kee stalone is in a wheelchair and is a Sarmento and in a chair since the 50s and Blames Ryans side and wanted me to be his Payback and Ryans point is Ryan saw Pinto and knew he was gonna beat him up and looked angry Mad and Ryan went over and Spread my hands between Mark on the Floor after Pinto Kicked him but wasnt really kicken him hard and Spread my hands out and said, Between then Hands out, Looking up at Pinto (Let Him Go and Mark Got up and left,) Now Lance is sayen in the Broadcast or someone is Marks in a Wheelchair and someone like a Obam or El in a chair whos Female Junior Wyaat and a My Dad Spoiled Brat thinks they get to put Ryan in jail for that day and Lance Doesnt understand he doesnt have a Right to Charge Ryan at All and its not Prosecutable....what they and Donna doing to me is a crime and Prosecutable and Obamas people, some that mixed with Lance and Donna and Mark and Maria Antonios dont understand Donnas people and Pam Roy in a Wheelchair with Fox Panda Teeth have to be fired and arrested for doing this to Ryan. They have done this to others, and drove them Crazy and dont understand Sarmentos Field of Dreams Broadcast is a Federal Crime and the People using it on me dont understand this. Bob Dylon in We Are the World in the Booth has Headphones and Ryan found out, why. Theres a seen in Magnum Force that has a shooting Galery and the Motorcycle cops are shooting Black and WHite Targets and Eastwood shoots all of his Bullets in the Center of the stomach (Doesnt Usually Kill a Person) and the Ditata and Soul who Swaps places in line and Alley with him shoots 4 in the Belly and one above a plan for a Furture Orbiting Satelite to Broadcast while weakening Patsys with Stomach Cancers and Ails and they then take there sound Headphones off and all hang them on a Metal Bar like the one that Dirk Benedict touches all Nervous in a Old Photo with him. Colletis has a concrete Boat dock behind it Between Daveys Locker Sea Food and Colletis and the Dock is Concrete where a Dead Pool or Gaunlet Rape may have happened that made Liz Portuguesse and Costa want to play Exorcist Weegie in West Beach and Liz wanted us under a Seven Blanket near Daveys and that Dock and it has a Metal Rail. Barboza who worked for Joquims Car Lot had a Hosue across from the Dock with Windows like Al

Pachino Godfather house when he shoots and orders Fredo wacked in the boat (Same Windows in Front) and thats why Green took me to Richie and Adam Newman Possum Chef Killers Fredo Vava Tavares Bono Fredo Diner.

===== Now Ryans point getting back Tom A Few Men about The Ball is Ringwald in Pretty In Pink and 16 Candles comes out a Bridesmaid in Light Purple and someone tossed a Light Purple SHirt on the rocks outside Seven Eleven Across the street that has a Cheap Cars or Clear Car Business and Cars is inside the Train Station in Dirty Harry where a woman in Lilac Purple Hiding a Face has a Kid Red Murder Sweater over her shoulder. (Its a Scam Tied to Swappen Ryan) and Ringwald in 16 Candles was Related to Ryans birth mother and was supposed to save me a Bench and seat which is the half Cousin B who has Baby Face Irish Jowels like her playing Pretty Baby. Now where it went wrong was having to explain to Ritas side of Ringwalds who are Likes, Vons, Patty Schlatz Moonpies, Goodman Chins, Lucases, Spielberg Muppet like Kelly DONna who grabbed the Recipet cause shes a Concrete Cash Register tied to hated Sortie that was in Raynham where a Lana Lima was worken undercover at a Bar thats in the middle of a Rotary in Town near a Sams Gas Station I made Deliveries to and I had a Pep Boys Gas Company Card to fill up the White Truck I drove and they had a Account with Hess and stopped at one in Raynham and Donnas Judy Garland Fucken Hated Sort off Regina Gonzalez Grabbed Ryans Gas Card and Stared at me and swiped it like a Thief tied to the Credit Card logos in Dirty Harry and understand Ringwald in the Couch seen lying down like Eastwood was tied to Gilly and the Black Belt and was trying to see if tom understood her scam and wish to get to Black Belt Con Artist Level, Well was already at Grand Master 3rd Degree Black cause she was part Tony Pacheco and in on the Phony Bring McDonalds to me from 1971 hence the Im a Phony Comment at TVi where a Hush Puppy was also in school with Ryan. Now (Understand) Lying down on the couch and Stemberg the Father getting up, he was trying to figure out if she knew Sybal Shepard in Taxi Driver in a Penis Bitten off Phone cord thats behnd Dinero in the Diner seen in NY with a Fancy FLower Water Fall Concrete Fountain outside the window like Rome and Catholic CHurch middle Rotarys (Why Belmedia had a Parking Lot Flower Middle Rotary and they wanted me sat down, for a Photo with there uncle Dying with a Del of (Cancer) and wanted me to be Agent Orange inside paid back later and sat, Mielos had a Connetict FLower Garden and she showed us Pictures of some Garden with Flowers and Celia and her made odd comments they wanted a Flower, so they paid Mark to take a Beat Down with Pinto Plot to make it look like Whoools Beat Down, But Ryan didnt do what was supposed to happen and stopped the Fight (But didnt understand then it was a larger con.) *

*===== Now Ryans point Taxi Driver with Jody Foster a Under Age Prostitute whos taken for Lunch in such a Diner was hired to be Dineros Date and Pimp Daddy tied to Rugie that made El Amber (Did something she was sweating about and wanted Ryan to be banned in the Interview cause Tracy wanted Prom and El was deathly Afraid then Ryan would End up with The Ball senerio and up el and ruin her mafia Planned Empire to Cover up what they did. Now Sybal

Shepard (Caldes Smoothy Rumble Lips) sits in a chair across from Dinero that has a Black Dangling Phone Cord behind him like a Penis biten off and she makes a angry comment (thanks for giving me all this) as a White Car like Ryans Pulp Fiction Blue Car Light color tied to the Tunnel of the Eastwood Robbery attempt seen in Dirty Harry when hes forced to carry the McDonalds Duffle Bag from Phone Booth to next booth for Instruotions where it drops to ensure no tail of cops. Now Jody was hired as a Ho for Dinero and when he pays for her, the Pimp answers his question of you can do anything you want, fuck her in the ass all Day. Now Bob Dylan (Times are a changen was the only person left in We Are the World and Feed the World Sham (Attempt for the person that came up with the idea to make Black Belt Flammer Scammer with all of them pretending they care about afericans with no MULA in Famom Country when Obama came up with the Famon and was collecting Checks for him personally and releasing Poor Rugie In Aferican with Fly Photos. Now Ryan says, The Ball was part of a con and Lisa Dalamore at Staples made *(James Comments) angry like Ringwald with a Joanne Silva and James Spader in Bed seen in Pretty In Pink when she walks in and stands against a Wall and says (JAmes the same way Lisa Dalamore did at Staples and this is why Lisa and Amber Abused me as Watson who has a Capt Chris Pike relative before I was born in a Wheelchair was part of why they switched and kidnapped Ryan. Now Betsy had Features and Jowels like Ringwalds Pretty Baby Face in the Hall before the Ball when Ducky Comes up to see her in the dress. She then comes in and does Im Hear and Sad Teeth move thats supposed to melt men like Butter. Now 16 Candles Exit, same face and thats Baby JOWels cheeks and across the street was a Flower Bed tied to a Kidnapping at 1 thats parrellel to a Park Ryans seen in La with the same kind of Flower Bed with Wooden Cash Register Liquor Stroe Register that gets robbed and whool jumps the counter and Beats up the Clerk Old Man. Fast Times Sarmento Tossed a plate of Cookies at Judge Reinhold in the Seven Eleven Type Store in Fast Times, but then couldnt steel the money clean yet cause of the Video Camera and magazine wiht Kadafee on the rack watchen, who was the thief and had Candoo Face and Butter Face. Now this is getting (Tom Few) to The Point of The Ball and Encounter and Ryans life being prevented by Ugly Ambers, Ritas Ella Mean nervous Greek and Del Ringwalds Ugly Ethridhe Italians from Meeting someone at the Ball a Second Time and The Ball is Important for Minds that understand why. Ringwald Understands The Ball (The Non Pedro Version) because James Understood the Ball didnt belong to him and so did Ducky whos Dylan Relative didnt put down Shooter Range Headphones, cause Bob was supposed to help Fredo Scott the Bathtub wack me last and the Magnum FOrce cops then wacked 4 twin brothers already and hung up Headphones as the shooters on the Rail..Ryan was last for the emporor cause I was first Born. Ed Mayor Jaws Larry on the Beach shakes his head between Tent 1 of 2 on the Beach for a Reason tied to the Two Beamers between McCarthy and Ringwald in Pretty In Pinks seen where she comes into the Ball, Andrew is there and gives a speach Love you as Bad as Rachel Reese in Jaws Bar (Which is REALLY REALLY Bad and when she turns and tells the Crowd Tonigh and they have to ackalade Daddys Girl someone at the Ball then who was already Black Belt Cast her Airless Brain specially for the seen and only people worthy and Smart enough to say, No Prom, No Dance, No Tap. Bring me the Ball Senerio will understand what Ryan means. Now Ed Davis Berg did, but was also a Mafia Don and he shakes his head yes, in Jaws Between 1 and 2 going toward the 2 Tent and stops after 1

(First Born Line is Ryan in Twin Sarmento Photos with Elbows on Counter and stops because he knows Ryan first Born is smart enough to avoid Tracy Vargeses Ringer offers in 16 Candles Family Fugitive Photo that shows Varges in a Family Photo (Then with Ryans twin brother) with them used to make the mask con complete and frame me to get to the Ball and Ryans Trust they kept, which is why Prom Tracy and them and My Dad El are Nervous all the time. Now What The Ball was about and the Bad Acting which is Precious in Both Seens as a The Ball Future Birthday Bride for Ryan set this up in Advance years ago understood was that Ryan if I was Andy in his place which is why Betsy Came by the Taxi Driver Window and Can Fuck Me in the Ass and Anything you want, if Im asked to the Ball. Now what people dont understand about the difference between the Ball and Prom and Dance is this. Now Ryans explaining In the Pretty In Pink Ball Seen with Bad Andy Acting speach *

<https://www.youtube.com/watch?v=q87sTz0WCqE>
 <<https://www.youtube.com/watch?v=q87sTz0WCqE>>* and the Donna Wilkes Youtube Listed Bar Seen with a Rachel Reese *

https://www.youtube.com/watch?v=pVu0_A5hEas
 <https://www.youtube.com/watch?v=pVu0_A5hEas>* and how this ties into why Wicked Smarts in The Good Will Hunting seen *

<https://www.youtube.com/watch?v=azM6xSTT2IO>
 <<https://www.youtube.com/watch?v=azM6xSTT2IO>>* all tie into a point, connected to the Ball being asked to Skip the Dance *

*===== Now I cannot Find a Rachel Reese Donna Bar Jaws seen with Voice and it looks like someone taped it off a Tv, so they might switch it with a Different Video than the Link, but there is a seen in Jaws in the link above that has a Rachel Cavanaugh Reese that goes up to a Carey sitting at the Bar and she (Asks Him to a Marthas Vineyard Kind of Ball, which isnt the same as The Pretty In Pink Yuppie Cinderella Story Bill Murray Golf Clubben FLOWERS angry someones head was cracked open by Paul after the BBs were shot or Prior and why Kevin Neelen in a Golf Commercial yanks a Club out and holds it up in a man look at this when to a Eric Holder Snoop Dog wanting Pistachios Throne and then there all in the Club with the Back Nine and talken about getting Ryans club out lip sinken Fredo BS that Neelens Club was used to get a Guard out of the way, so they could Spyderman Up Bench in La with the McClellen in a coat on it when the Book was held up a Yearbook with Potential (Ask To the Ball Senerio) tied to Washington Cross Deleware, Now Inside was a Poster of Chris Glen with Twins, 1 a Little Party Rita and the other a Friend with Chris over them reading from the Open Your Imagination Wizard Book there all looking at. Now Sarandons Poster was above the computers in the Sherman Oaks, Ca Library connected to the Breakfast Club Detention SHerman High where someone was kidnapped back then and abandoned like the Navy Dirty Harry Shipyard and wanted to use Ryans Twin Between Bricks and the White Twin Apts behind to take off with Ryans heist and leave me with the Pink Side Gimp Hall with Sign Girls W F. WII Fall or Will Farrel. Now understand this was some get Gimped when On Detention and dont make it out. Now Ryans

point is that the Book was tied to a Locker in Middle School, Pulaski or Voke that Justins McConehey Hey Man Pulp Fiction Hippie in La came up to me and had a Notebook with Naked Woman, Klds and Models that I saw Briefly and didnt see who they were and hes talken all this crazy hippe stuff showne me his Notebook thats the same Blue as Ringwalds in Pretty In Pink in the hall Near Lockers. Ryans put 2 and 2 together. Mayor Davis Knows First Born Tent isnt as stupid as 2nd Born Sarmento and thats what Ringwald stops with Andy outside the Ball and Kisses and Hugs him hoisting a Purse between 2 Beamers, same as Tents in jaws and Space Between because its a Ball Heist for those that set up a The Ball Meeting Senerio and Andy handled it (Wrong the way Rachel in Jaws comes up to Carey with Creepy Eye brow and says something so badly Acted by Hire Daddys Girl that My Dad wanted in there and she comes up and says something like you wanna go to the Boat Race Tonight and he says something like are you free and she says something like sure, My Dad says we can take his out and he says Ok Ward and she says Its a Date...so Badly Acted, Turns and Tells the crowd the Dates tonight who were right there and know this already and they make Yeaghh Agravated that Daddys Girl in the movie they said (Pretend shes the star and shes a Great Actress) and she takes off. Now a Lagasse Bush driven a Bus when Ryan gets on near a Church in Ft Lauderdale with a Cross outside I get on and he has Justin Beaber and Nervous Patty Sanders nicole Eyebrows and he says Save The Date (This is what The Bush Lagasse tied to Zane in Titanic was spoken of and Understand its not possible as they didnt Edit Rachels seen out and had they, she might have taken more acting classes and gotten a Part in another movie instead of her going as Daddys Girl to other Auditions after Jaws and having Casting Directors call her back and say we really loved your audition, but your role in Jaws is so Famous there afraid your part in Jaws as so Epic people will remember you as the Date at the Boat Race and The Dates On Tonight and Rachel would start to catch on years later this is why she needed Rides Home from Ryan and she was hopen Ryan would talk to Scheider about doing another Jaws where someone was supposed to put her back in and have her explain the seen was a undercover The Ball Senerio Joke and this didnt happen and her Career as a Actress was Unsavable after that seen. Now Ryan says why there is a Hall and Outside Difference in Pink and the kiss outside which was tied to Jones Beach Baby *

<https://www.youtube.com/watch?v=RmyoEFuMGkQ>

<<https://www.youtube.com/watch?v=RmyoEFuMGkQ>>

<https://www.youtube.com/watch?v=q87sTz0WCqE>

<<https://www.youtube.com/watch?v=q87sTz0WCqE>>* Now Ryan knows what the Ball Senerio was about and why Andy at the End hoists the Purse between Beamers a Watson and Shatner Reference and Beam me up in the middle and its kind of like this. *

* ===== Now ANDy was Liz Moss
McCartney Excedrin relative and Black and White Tux tied to Perrys Funeral

and Fast Times Locker and Locker Case and Justines Tarantino Relative in La after shown me a Notebook thats Blue like the ones Ryan had in Middle School, Voke and Pulaski Ringwald Had 1 and Ryan has heard they found a Locker, Locked thats tied to Henry and the Pot being kept in the Locker at Stop and Shop in the Break Room Second Floor above the Bathrooms the Little party Came out when me and Joe Costa came and found her in the Bathroom Hall and she came out and was a Donna Twin of Rita and Ryan knows this is why the skin is under the penny in Ryans towel closet with Queen Liz Regina Penny on Top and SKin under the penny. Now the Ex wife Kathleen Turner relatives in a Commercial for some skin Disease and there meeting at a Salad Bar with a Carey Ruffalo Eric Jamison Relative and they shake heads and agree to help a Competitor or Little Party Salad Bar Rita make someone for the Ball and back then Rachel was supposed to be the Bar Birthday Party and the Little Party didnt have the Bar from Jaws yet, nor did Breakfast Club Judd, EMelio and Julien who when Ryan was in Westport the Ex wife said when Julines Cotton Bud Light Push Girlfriend came around with Julien he wanted a Beamer (BMW) and there gonna say Ringwald was tied as was Spader to the Orientals tossen Rocks at me and a Friend at Ricas Beach (Thats Not Correct) but Tarantino in Pulp Fiction and Dead Nigger Julien in Trunk of Car with Jackson and Travolta who blows someones head off and swaps Bodies between Julien and the kid they show (Who Was really dead and in the trunk put in the movie is in Tarantonios house that has Chairs made of Iron that have Rolly Fingers shaped Mustache designs on all 4 Chairs. He was a DaSilva with a Fiero in McDonalds Canary Color with No Trunk. Now RYans point Henry came into the Break Room and had Pot he was sellen in Ziplock Bags, Tied to Eastwood zipper shown on the McDonalds Woodward Bag in Dirty Harry. He locked the Pot up and kept it there, now in School I saw Bomb Sniffen Dogs in the halls 1 day, looking for Drugs and why they were really there after I heard what happened, someone tossed Child Porn, perhaps a body part of a kid and Pot and things in a locker and Locked them up to Implacte Ryan cause someone ratted out Henry Freeman or Chucky Tobias in Magnum Force related to Silence of the Lambs Bitten the Gold Pen froM Stantons and related to Hears Johnny that showed at Tyrones Chain Gang at 3 am when they put him on the chain and a Redford Hears Johnny related to a chuck and Redford parel woke us up with a tappen on the Glass Window Door Plexi of Upper Cell Pods Cells and he said, Heres Johnny like Brooks and said, Your on the chain and kicked him up to State of Federal Prison with Charges. Now he held the FlashLight under his chin and looked like the Cop and Chucky in the parking Lot of Dirty Harrys Magnum force who now has a Black McDonalds Duffle Bag. 1st Floor of the cells had a FLea Manson and other people that rotated and Ryan was moved around to a couple Pods with Two Levels of Rooms. One of them put the Penny and skin sufle and a Pike in there, made a comment, Thanks for giving us your baby sitting at a table waiting for food. Now understand, Tyrone had Poloroids of his Girl and one of his Aferican Girl he was dating and another of him in Drag with Lipstick like Et was dressed up and he was a Dressed to Kill Skitso tied to I Am Legend and he showed me a Picture of himself dressed as a woman and then would Ryme Raps like Rachels acting in Jaws 2 Bar Date.

===== Now Ryans point a Shawn Martin Tied to a Simon Cowell kicked out the window of his Pod Cell which is plexi and he was taken out to the Hall of the Pods where the Guard Center Station is for all the Pods on the Floor around it and he was sat on

the steps and this Martin Cowel missing teeth made a comment, *Sure I'll Give You.....\$50 Dollars and Donna calls me out of the blue this morning and says, I Gave U \$50 Dollars and U is Sniper Pedros that look like Anne Hathway who had Beedy Nervous Anne Borenatzes in Wal-Mart Today walken Around maken hes not really Psycically Disabled after causing a Nanite Stroke that Sweet Ass from Good Will caused with David whos retarded Cena relative thats a Bald Ray Croc Belmedia thats a Retard thats like a Cena whos waiting to have a new Gimp tied to Training Days Wooden Floor (Cash Register from Dirty Harrys where a Gimp Box came up under the Floor and the Judge whos a woodward is telling stories about a Cell Person with Peanut Butter up his ass *Trash Kerry and Tammy and Pictures were taunten my ass at Masons maken Look Shes ready to take it in the ass and Chucky Tobias near a Elavator turned oddly and said, Your the Rat because Dirty Harry Motorcycle cop a Senra Moogey Jaw was a Mafia Cop as was Stacey Mesquitto who had a Grudge about someone in her family tossed in Prison and thats why she brought a Dead Rat in the Check Box to Mr Frys Class, Showed it to me and said. Look C and wanted people to think Ryan mailed it to her. Larry was all wanting a Number 2 Pencil which Ryan thinks he was testing to see if the woman in the Birds was the Undercover on someones ass in Hitchcock movies and the Pencil meant something to Larry a *Number 2 Like Sarmentos x Wiffle Bats tied to the inside of a Ships Sealed The Decks and sank and Drowned the Sailors Boat and X inside the Door of Dirty Harry. Sarmentos baby picture had 2 Wiffle Bats, Ryan had 1 same photo of elbows on counter. The Mail Box Check was tied to the House the Oriental Donna with Eastwood lived in at San Francisco which had a Design on the Iron Security Screens of the comforter Pp Biter Design in Black and White Donna gave me (They had a Twin Brother of Ryan in SF then and Justines Notebook relative whos a Moonpie Tarantino showed it to me and then some Oriental Mafia woman comes over to him and says *They Dont Know Anything and he says no man and takes off. Now Taxi Driver and Shepards says, thanks for giving Me...all this as a white Buick Century does a Circle around the FLower and Center City Sculpture in the middle of the road like Romes Streets and Rotarys and the Car is a White Car version of Ryans Light Blue Pulp Fiction Fat Man Junk Yard, Dianna Manson related to the X Wife used to look at me all Crazy and say Your a Little Boy and Fat Man when Sidney Shaw bought me a Used old Junk yard car in College that had Maroon Back seats tied to a Lisa Dalamore raped in Magnum Force seen, the Car was the same as the Taxi Driver Buick that was white instead of Robber Light Blue and Fat Man sitten on a stool was right in the middle of the entrence of the Junk Yard on a Forest Gump Stool and the yards, connected to Pulp Fictions Get rid of the car. NOW, understand Little Boy and Fat Man were the name of Jap Nukes Dropped on Japan and Dianna Manson was a Jap Cruise My Husband Celia who hated the Little Boy Crew! The Oriental Donna was a Jap and inside a SF Apt with twin Design Rail Screen and Todd (Woodstock Sanders took a Stick when we were riding and hangen out in Stop and Shop days and pulled on a side street and said wait here and went over and beat down someones screen door for no reason and Ryan realized Ed Murphy with the Judd and Tagert speach of you guys are not just Cops, Your Super Cops was Why Morgan in Good Will Hunting wanted to get into the Passenger seat as did Damon and this refers to Ryans High School days in the passenger seat of a Todds Car, Jeff Leclair who was with me and other Friends riden down Acushanet Ave down to 15 Miles per hour and holding up a line of Traffic for 15 minutes which is why the jean

Jacket Truck Field of Dreams Boys Dont cry set Thats it off driven the Volvo and selling Pot Stop and shot Days with Crsitne Mallon and Crystal Richies Girl and Steve and angry we held up Traffic and I think a Thats it wore the mask of Ryan and thats why the head skin mask shadow doesnt line up. ===== Now Ryans point, The Ball and when Ryans in the Passenger seat of Good Will Hunting Chris Glens car and has a sister, Jeff or Todd its not just the Super Cop Seat its the Super Fun Cop Seat and Murphy knew this back then and allot of people wanted 1 of those passenger seats for a reason. Now The Ball getting back to matters cause when Ringwald Plays Prettied up Baby Jowels at the Ball Andy Does the Bad Acting Love Speach and leaves the Ball and meets outside for a Kiss, but Ringwald wanted a Space Between Jaws Tent that Davis said, No the First Born Son in the 2 Year old photo is not gonna fall for the Prom, the Dance or Boat Race Bazar. He stopped and shook his head, after Larry on the beach because Davis Knows Ryan understand the Ball and this is why Ryans The First Portman Prince and Super Fun Cop Passenger seat side and Andy Needed the Space Between But Tatoo Back then and Andy McCarthey didnt understand this was the switch between McDonalds Yellow Dufflebag and Black Duffle and again trying to get from Brown Belt Flammer Scammer to Black and pickup the Jaws Purple and Neon Pink Panties with Flowers that crosses left to Right while Shower schindler tried to Take IT Back for clark Duncan in the Green Mile. Now Ryans point the Difference between the Prom (Nervous Tracy which is Andy in Pretty In Pinks approach to Ringwald and speach of Andy Ive always loved you and he says it like the Farmer Jeans Girl the the Band Aid commercial that touches her Band Aid on the arm and gets confused like Bubbles in a Rubber Room tossed Yarn. someone opens the door and she stops all tangled to see who iterupted and then continues with the Move made by the kid behind the band aid ad. (Chipped) and messed up by Nanites and abusers confusing her. Now Ringwald understood what the Ball means and so did Becka who came to meet as (The Ball Offer) belive it or not. Now understand those that do the Dance (Rachel in Jaws Bar Act like she did,) and Prom is Andy in Pretty like Nervous Tracy and those that do the Ball (Space Between is what Andy would say in the Hall if Ryan was asking B in that senerio of the Pink Dress and B shows and we leave the Ball and in the Hall, (Not Seen in Pretty in Pink) whats said is edited out where Ryan would have stopped B and stared into her eyes and said The Ball Question which is this. Staring into her eyes and sayen perhaps grabben hand with Corsate Spyderman Wristband Flowers and Prayer Beed and stopped her and said, something like, so you Came alone to the Ball....she would say, geeky yeagh and Ryan would say, I have 1 thing to ask you and I dont want to go back in there in dance and the pensive yeagh with the Ball Look and Ryan would say, I wanna take you out of here and have one question.... Now Will You Take It In that Shit All Day Long Till Its Sore and the Ball Replies with a Dip Woooooo and leaps and hugs and leaves. Now Andy didnt understand the Ball People dont romance in the streets in the space between they take off to the Shit Rip Room for an All Day. RYans point I keep getting people like Hush Puppy sent by McCartney to ask me to the Ball, but shes past the Ball and simply wants a Misses Robison (But shes a Hush Puppy if that makes sense and the Little Party doesnt understand to this day, Ryans not going to Ever, Ever Ask Rita or a Ethride or Ella Mean to The Ball, cause there not a English Becak Boobies. Now theres a Partial Zoey Ringwald whos a Donna with Creepy Linda Lavin Chin and Nutcase Pedro

Dickinson Hair and Ringwald Donna Cat Beca and Donna Nicole Sanders Pachino features and she doesnt understand a Partial Donna Betsy and a Pike Hathaway Betsy who wants to abuse me so there relatives can make a Princess Dianna Sheena Beca sit on the bench from Forest Gump Undies edited out. Ryans sayen the Half Breeds, Donna and Rita have to be arrested with Ella Means for them to understand why they will not ever understand why The Ball is the way to go. B would understand, now will you take it right in that shit as direct as it gets after corten baby jowels senerio. Well, Ryan notices Donnas (Sick Retarded Greek Little big Eyes Retard Ringwald Related to Rita Senra has a worm Virus on Ryans Computer and Delted Ryans Letter I wrote Yesterday about a New Hush Puppy tied to the Ringwald McCartney thats at the Daytona Beach, FL Library that wanted a little bit of Flash Flash Lighting a few weeks ago and made it clear as I was sitting on a computer in the Library looking something up and she comes out of the side door with another Worker and makes a adgetated comment (Your Spyderman Already Took it In the Ass.) Now Ryan sent this letter with Info about (a New Hush Puppy) which someone wanted to Delete the letter after I reset my Computer today and it was (Deleted off my flash and there is a Ugly Little Batman with a Goodman Like Jenna Chin thats Broadcasting in RYans head whos a Cherly Perry Heinz Mary Caldes maken if you want a Hush Puppy you have to do this. Now Ryans point, This (Ugly Fucken Bitch) thats related to Perry and Catfish doesnt understand Ryans not interested in her contributions to what I want and Dont want and the only reason Ryans (ReWriting some of what I remember it was Jokes that Worry Her cause she doesnt want people to read it and Prevent her from making someone, Making someone who reads it happy and thus doing something about the Ugly Bitch Lopez Moonpie Loretta and Mary Caldes and DOnnas Broadcasting in Ryans head. RYan didnt say I was (Switchen and Buying the Ringwald thats has Hush Puppy Eyes. *

*Now this Is the Ball Entrence senerio from Pretty In Pink **Pretty In Pink - Ending Scene* <<https://www.youtube.com/watch?v=q87sTz0WCqE>>* Now B is Different from a Kin Ringwald, but Understand the Entrence and Ball Senerio Meet and Greet for the Right Lets Get Out of Here and Take It Right In That Shiter, Fuck the Ball and also understand Andrew McCartheys Speech Told Me I Couldn't Believe in You, Just Didn't Believe in Me and I Love You.....Understand this is Andrew and Carey tied to Jaws 2 Rachel-Reese at the Bar who does Hi, Goes to Carey at the Bar and says with Rurple Lips So You Goen to the Boat Race and he says something out of sink like Andrews all screwed up and out of sink, Believe in you speech which is out of wack and doesn't sound right; Now Rachel at the Jaws Bar Meet, does a Speech and says this, and Says Wanna Go to the Race with me and he says, Ok, Sure Beave comment and says, Pick You Up at Seven and she does a Daddys Retard Princess in Movie Its a Date, Then Turns and says to the crowd 1 Foot Behind Them, Hey Guys, The Dates On, They All Look at Her with Disgust and Raise Beer Bottles and make Eeeey Comments cause shes the Directors Daughters Appointed Daddys Girl, they have to Pretend is the Star Actress and Best in the Movie.Now Ringwald makes a comment Its not True as McCarthey and Jake in 16 Candles Sets up the Chance Meeting You and The Lead into The Ball **Sixteen Candles Final Scene Movie Ending Video* <<https://www.youtube.com/watch?v=cN3OxKAXAFg>>* and when Ringwald does this speech Andrew planned at Pretty Sitting at the table tapen it when Ringwald Enters to frame Ryan with the Flower Arrangement in the Middle of the table with a He will take Beca if Ryan wants her Twin half sister whos like Andy and this also is *ball Seduction* and the Thanks for Getting My Undies Back was a reference by Glen of Forest Gums Strip Club that's edited out of the Movie when she crosses in White Undies with a White towel and Replaces Red Undies shown in the Reg Release. Now RYans point they talk about Patch Adams and Graduation in Patch Adams is tied to Ringwalds Ball Peformance as then she was Older and Baby Jowels Manager and Ryans explaining the True was a Plan then to abuse Ryan with Versions. Now this may make sense why I have to Explain this when she says to Andrew (True Done, meaning unless RYan wants Molly herself, they think Ryans talking Liz Really) and Ryans point is that The Ball senerio was Preplanned by Molly Training everyone to be ready for the Ball. Now I only mention this, not to confuse Molly and B, but so she understands what happened is Carey in Jaws 2 and Rachel with Bannana well Ad Libbed the Reese Rachel Daddys Girl and The Dates On Seen that I know Carey (Definitely trained Rachel to Do that Seen) cause that fucks everyone with such Bad Acting like Andrews Speech of Always Believed in You which is the same as Rachel and I want B to Understand why Ryans True DD baby, understands why this (Is not Replacable) and why she understood at Staples fixen up her hair in a Curly Side Lock that it was preparation for a Future Ball. Now the Bad Acting was a Carey Plan to change things up a little and allow Ad Libbing. Beca would understand when Ringwalds Acting Tech for the Ball makes Yeagh seens and responds looking all sad and Vulnerable....this is Rope em in Technique that Hush Puppy McCartney Offer was Really pushen last week as Advance and Serpent Seducer that's hard to Resist, Cause Molly and B know the Talking and Tech of sad Mouth and Hi and I came says all over it, Say to Her, Your Leaving with Me, Right Now, and Your gonna Take It In that Shit on a Gimp Chain, till it Cant Be Handle Anymore and Ryans baby understands the Dip Wooooooo and Toss the Hand Wrist Spyderman Corshage and Leap into Ryans arms to be grabbed by

the Hand and Exit the Ball and leave to Ryans place for the Rip of the Decade! Ass Rip Hell!*

*Ryan has a Few Words to Clerify Ryans (Poetry About My Blue Eyed Angel whos not a Angel that Looks like Sweet Ass Borenatz Italians and Beedy Cheney (Vegetables) in Ca that I saw walking down Ventura near the *(Training Day)* street in Studio City near Ballys and Ryans Post Office Box. There was a short Bulpy Nose Cheney Donna Borenatz with Bulpy nose and Pepper Bowl Hair and she was Dressed in The Nurse Outfit and walking in front of a Wheelchair Frizzy Sarandon Rita person and she was missing Legs and Arm parts and being pushed by a Mafia Health Care Worker while the Nurse a Beedy (BigLots) costume Exclamation Point, tied to the BigLots FLYer Newspaper (Years back that had Vegetables Relative dressed as a Exclamation Point in the Big Lots Banner Logo and Vegetables was in Front of the Wheelchair people maken "Vegetables" comments as the Rita Frizz was being Pushed behind them. Now RYan is explaining Vegetables (Dont Understand Ryans not suppsed to be Stalked by the Bulpynose and Chee Kee Kee STallone Sarmento noses that want a Mush Mush It the Clown Medlov Mad Hater Teeth to make Ryans baby. Now Ryans point is yesterday Ryan was trying to explain the Difference between Lea Thompson (The Dance People) in Back to the Future and Keep Your God Damn, pause, disorient face and comment, Hand off her Biff, the Prom (Tracy Vargeses with Lazy Eyes and Pilgram Hair with Nervous Shifting around with the Eyes and then taking a Prom Picture with Tracys Date (Afraid to leave the Prom with her, as there are no witnesses once they do and hes scared she will kill him if he declines Sex knowing theres something Creepy about the Girl. Now, Thats the Dance and Prom and Soc Hop is all the Watsons from Leave it To Beaver Days and Peggy Sue Got Married side. Now there are other categories, and theres confusion, about why Ryan has to explain (The Ball) and what it means to me and others that understand The Ball people. Now this Link to a Adult movie online (*

<http://www.4tube.com/videos/303913/chanel-preston-fucks-alana-rains-moist-slot><<http://www.4tube.com/videos/303913/chanel-preston-fucks-alana-rains-moist-slot>>

*) Now Ignore the fact there is a Kathleen Turner Ex wife with a Lesbian Dildo in this movie and Pretend Celias Sarmento Hat Side Doenst Exist and concentrate on the Alana Rains Ass Being But Fucked meaning Pose, Tone of Egh, Egh, Egh when shes bending over and Taking it up that Can and with Pinash, Sound and Participation. Besty was involved in this movie behind the seens because this is what happens after the Initial in the Hall at the School and Ball and you approach and ask Ryans B to "The Ball" meaning Pretty In Pink hall senerio with the I made a dress and showed up Nervous and Unsure he wants me for The Ball. Now when RYan says (Now Will You Take It Right Up That Shiter!?) in the hallway, and when its the True Ball, she says yes, leaves and ends up (Like This Movie Taking with Ball Umph and Sounds and knowing what the Ball does when completing the Ball. Now Scarlet Johanson has a Blonde Girl who came around me on the Bus today and she had a relative yesterday that showed up wearing Jaws Middle of the Beach *Chubby Rotund Fat Kids* Blue and Light Blue Farmer Jean Checkered Shirt and the Mother puts the Shirt on him a reference to in the Future Costa viewed Ryan as the Future Chubby Kid that gets the jacket of a Wizard of Oz Shirt and Job and a Farmer Job like Alicia on the Back of the Truck which is connected to Betsys Time at Staples Inc. Now Ryans explaining (Donna Doesnt Understand Ryans not her, Stallone, Hendricksons Prisoner who has relatives who are Vietnames and Sick in the Intelligence world The Hendrickson thats in the Chantix Commercials and a Loretta Lynch Pauley Shore doesnt understand Ryans not Donnas Prisoner. DONna is (Mentally Ill and doesnt understand that she did something wrong to Ryan and shes a seriel killing personality like Glen Close and Mommy Dearest who thinks RYans supposed to hear her and Stallones *DONna Muppets Broadcast* where she wants to Broadcast in RYans head, make me hear Little Muppet Stacey Varges Stafford related to Amy Sweezy and Donna, Stroke me and abuse me with a Paul Pacheco (Qauker Oats Muppet Retard that looks like the Quaker Oats Box and Donna and 1 of the Sarmentos related to Stallone want to abuse RYan order a Baker act (That Machio and a Ugly Comey thats related to Sly whos a Aaron Sullivan mixed with a Comey that has MEDlov It the Clown Teeth. Donna is trying to cover up what she did to Ryan with Lance Hendricksons Family (Leblanc Relatives) and Stallones Chee Kee Relatives (Have Medelov Sarmento Teeth) and Bulpy Nose dont understand Donna harmed RYan in a way that she has to be Arrested and Stopped from doing. Now (Donna is Broadcasting in Ryans head and to her and the Stallone, ET Mush Mush Ringwald thats a Creep Ringwald Greek whos a Frizzy Ella Mean thats a Mush Mush Teeth and a Paul Pacheco thats Related to Eric Holder Jr thats a Manson Bald Retard in a Wheelchair thats a Bald Manson Whos a Cat in the Hat Manson Vern Miller. Now he, Donnas Stallone relative whos a Hank Hazarien thats a Bald Kevin Pollack from WB Mason who doesnt understand Ryan isnt Sly in a Wheelchairs Prisoner, Amber Zoticks Beedy Eye Cheney Relative thats a Little Weeble Cheney Amber, a Jon Leconte (Retard thats like Quaker Oats Pappas Man) whos a Real Person that mixed with members of Jim Belushis family like the Belushi Paul Pacheco thats Driven the Boat in a Jaws seen, cause thats who killed someone as far back as Dirty Harry Magnum Force movie that has Punks stuck into the seat of a Car of a Murder

Victem and Eastwood finds the car with Punks stuck inside the Driver Seat (Where a Murder Took Place and theres all these Punks in the seat *Punks are Sticks that are like Cigars who get Lit up and have a Insense Odor that is supposed to keep away Mesquittos and Dr Lorazabal whos related to Chris Glens Caldes Vietnam people when I went to him wanted once to Stick Needles in Ryans Stomach and lifted my Shirt and said, Can do this and started taken a Acupunture Needle and wanted to jab it in me (Weird and Odd, When Ryan didnt want him to do this and this is were the Punks Murder came from.) Now Ryans point, Ryan was Explaining to B the Meaning of the Ball and what happens when a Offer of The Ball is tossed out and you except, leave and particapate in The Ball Activities. A Mike LeFluer and Kevin Mills at the Wal-Mart behind me today when I came over took a Shopping Cart out and made a comment, here have this one and I said, no thanks and took another Cart in the back Row and there was the Top of a Easter Egg Clear Shell of a Egg from Easter Egg Hunts like ones Ryan used to have at Al Paine and Dave Pikes Days when Ryan had a Birthday Party and Donna arranged Pin the Tail on the Donkey Games, Easter Egg Hunts and Ball Activities at least when you consider if B comes over to Ryans place in heels and a Trenchcoat and Duffle Bags with (Costumes and Roll Plays, such as a White Sailors Knott shirt with a Short Catholic School Skirt (Like Britneys Baby Baby Video) the kind where the shirt is white and a Sailors Knott kind that doesnt go all the way down to the Waist so the Belly is shown and you Tie the Shirt in a Sailors Knott and the Boobie Section has a split in the Middle and thats also tied in a Sailors Knott and by Tying it up and Pressing Out Boobs (This is a Role Play that is tied to coming over and Doing The Ball Activities. Now also understand, that Betsy was a (The Ball Person who understands this and the Meaning of Spyderman Up. Now Ball Activities are like the Febreze Commercial thats on that has a Okalee Dokelee Girl sitting side Stradle on the couch thats a Beca Boobies line and she grabs Febreze off the Coffee table and SMells the Bottle with a Blind Fold on and says O Gross! Now, understand that also is a *The Ball Activity* not the dance or prom.

===== Now Other The Ball Movies and Activities that say, I understand what happens at the Ball are movies such as Cum in My Bum *

and Scarlets Lipozania Stallion Hair Style We Are the Champions My Friends

(Also A In House the Ball Personality and Scarlet is related to Little Cindy Moonpie Courtney Love at Stop and Shop who dated Jay Potatoe Head Patekous **<http://www.bravoporn.com/videos/210785/>*

<<http://www.bravoporn.com/videos/210785/>>* and Scarlets Understand what the Ball is really about, but Scalett (Cindy Did a Double Date at Stop and Shop with Patekous and Rita and shes loyal to the Little Party Rita and doesnt understand Ryans baby cant Make look a likes with THings and Julien on Ryans Leather Couch which is the one shes on and was used to make her idea of After the Ball and when Lex Steele in 2008 in a DVD movie that has a Porn Star Related to Donna on the cover had 1 made in (My Fla Apartment and I know they did cause theres Ritas and a Girl with a Pirate Ring in Silver on her Finger spreading her ass on the DVD with a Tv Stand in the Room that

looks like RYans Tv Stand and Apartment Wall. Now Donna Arranged for me to buy the TV and Stand at BestBuy and went both Times to buy them and they were stacked Right in Front on Sale to make it easier to Set me up with a Sleeper Lex Steele Spread Cropped ass in Silver Ring Sleeper made here back then. Now Scarlets Idea of the Ball is Queens Freddy Mercury We Are The Champions and We Keep On Taking In the End *

<https://www.youtube.com/watch?v=04854XqcfCY>

<<https://www.youtube.com/watch?v=04854XqcfCY>>

* =====

Now why this matters, Kerry Marchand used to make (Freddy Got Fingered Comments) and I dont think Fred was really a sista and was Ryans Father that Tom Cruise has been trying to Find and Queens Band Members had 4 members and all of them were sistas except Fred undercover and this is why DaSilva is trying to wack me and set me up with a PopEyes Tv Controller and why Chanel 7 Randy Price had a Blanket as its an Aids Blanket. Now Scarlets Video on RYans Leather Couch (Same Kind of Couch As Mine) is a Prime Example B of attend the Ball, Except Ball Terms, Come Back to Ryans place, Take Like Champions! Now what is causing the Disorientation as Donnas Ugly Muppet Loretta Relatives and Little Ugly Jenna whos a Little ButterBall, not the same as the Ball and Angie Dickinson Moonpie Italian woman whos abusing RYan with the Technology with a Pollack Chee Kee whos Trying to get permission to put me in a Mental Hospital or Prison (Before Ryan can Take B to the Ball) and make her Ryans (Fucken Champion!) and B will understand this and there is a Sick Pappas *Fun Muppet Retarded Leconte thats like Quaker Oats Box man* and hes a Goodman relative that doesnt understand, nor does a Machio thats a snaggle Tooth and Stenberg Hunk a Tooth and Nose as the Pinto Comey Pachinio that RYans not going to a Mental Hospital for Rita, Donna and Machio and Ella Means people cause it makes them feel happy to abuse me and Rita doesnt understand RYan doesnt want Honey and a Sue Alfonson whos in a Wheelchair to come around me and theres a Sue thats a Lacey and Sue and The Scarlet on the Bus today and yesterday is partially related to a Stop and Shop Sue Alfonso whos a Big Foot and Celia. Sue and Scarlet and Donnas people dont understand RYans not supposed to be abused by Donna, Rita and the Little Ugly Lena Coo CHin Mary Caldes Donnas mixed with Amber, Kelly Nicols and Bonos who have a sick person whos trying to give RYan a heart Attack with Satelite Nanites cause Machio (Really has a relative in Prison whos in a Wheelchair that Lance related to Larazabals partner in his Dr Office puts in a classified Broadcast with a Retarded Del Pacheco Honey Russo Ethridge thats a retarded Hogan Mielos Greek Ringwald with Frizzy Hair Shore Ella Mean features. There is a Scott Nemo that came on a Bus today with a Sergent that has Rooster Lips and Teeth and Nemo got on this morning when I went to Buy a New Lock for the Gym (As my Old One had to be Cut off as it was jammed and I had to Clip it off) and I have to buy a Letter and Number Special Lock cause all the Master Locks (Combo) have a Factory Set code that can pop the Locks for those that know what it is and have a small Pick Key that goes in the hole of the Master Silver Locks. The Only Changeable Locks that cant be picked easily are the ones that have Letters and Numbers and can be taken apart and Reset with a New Combo (Only You Decide.) Now there are MasterLocks that have Reset Codes

and allot of Locks like them, but if the Lock Letters cant be taken apart and Rearranged (They Can Be Picked Easily by Someone who knows the Locks Master Codes and how to Pop a Lock. *

*===== Now Ryan is explaining that Donna is (Abusing Ryan with Rita Senra Shore, Loretta Lynch Muppet Donna whos a Polansky that looks like her and Retards in Del Pacheco and a Obama thats a Putin Nemo that looks like FLava Flavas SKin and Sunken Cheeks pose who were put in a Obama and Freeman Broadcast with a Fury thats a Jesepee Italian Mesquitto thats like Fred Lynn mixed with Ed McKintry whos relative is a leed singer of Air Supply who planed back then a (All Out of Love) song about Forest Gumps Strip Club seen. Now RYans point is Robin Wright Penn comes out on the Stage after a Red Undies ShowGirl in UNdies and Scarf Exits with a Nice Can and Stripper outfit Exits, grabs something off the Stage wearing a Pink Scarf thats tied to the Jaws Purple Kurchief (Larry on the Beach Extra) and she exits and Penn comes out, Looks around (OverLook Motel Ball Photo) from The Shining Reference and she kicks at the Face of a Man in the Audience as a way to get at the Face Book on the Bench in Ca that they needed out back then. Now understand that Hanks and Sally in the movie a Maria Antonio dont understand that Robin Cant do what they did with Hogans related to Penn and Tom Pachecos and the reason she looks around like nobody knows (Dirty Harry has a Duffle Bag seen with Eastwood being called from Phone Booth, To Booth by a Robber (Penn) who is holding a Hostage for Ransom and Tells Eastwood to Bring the Money in the McDonalds Bag that has a Open Heart Zipper On the sides and he has to Run, from Tunnel to Tunnel to get to Phone Booths as he calls them and instructs him where the Next Booth is to shake a Tail. Now This is why Penn looks around in a manor, they dont know. Why? The Second Eastwood movie Magnum Force has Eastwood get out of a Car in the Parking lot and a Motorcycle Cop in Leather a Chucky Tobias shows his Mush Moogey Jaw and Eastwood has a Black Dufle Bag thats the same as the McDonalds and he may or may not have understood the Director told him to carry them as it was about Ryans Birth and 4 Twins and Swappen the McDonalds and Vespa Trust in Ryans name maken Golden Arches now Blacks and Jack Blacks, Donnas, Marias, April Monterios, My Dad Els, I Can Els (which are Portmans with Pepper Bowl Hair Cuts and Alien Tank Teeths that walk around like Zoned out Moonies and Koresh Zombies maken I Can Comments (Which when I Cans Say I can with a Dumbell look on there face, its a senerio where someone says near a I Can El (Thats Ryans Stage Baby) and they say, shes still single and wants Ryan and I Can Els hate RYan and send over there brother and someone says, stay away from Ryans baby and the I Cans get Violent and push away the Guards and say (I Can!) Meaning make RYans baby and I Cans are worse than My Dads. My Dads, Try and Buy Ryans supporters by either Purchasing there apartment complex and Evicting them if they dont do what My Dad wants, they buy there company where they work and Fire them and My Dad Amber Els are not the same as I

Cans, but Equally Evil. Ryan is explaining theres worse than My Dads and I
Cans, but Understand

===== Now why Ryan has
to Explain The Ball and What B should do for Ryan and Im being Told Beca
was Ryans half Sister and our Father and Mother was Uncle Buck Jon Candy
and the Paul Pacheco thats in Uncle Buck whos a Pacheco Bumble Bee and the
Nightmare of someone broadcasting in Ryans head, is that RYan is gonna have
Heart Disease and there sayen Jon Candy was Ryans father and thats why
Ryans started having CHeat Pains (They Said at The Hospital and RYans
Doctor office a few times is not a Heart Attack. Ryans point if Betsy was
Ryans sister and Rachels Relative in Uncle Buck a Sue Miller thats a
*Seriel Killer and Violent and tells McCauley Kulkin to pick up his BookBag
off the Ground (This was a Preplan of Tap a Tiger Rachels side to get even
with Ryans people (Metcalf wanted to by giving people Jon Candy Koraded
Artery and Heart Disease. Now "understand" there is a Paul Pacheco thats a
Stallone and Retard in a Wheelchair that keeps maken OK and he doesnt
understand Ryans not a Prisoner to him, Mark Zuckerbergs Puffy Swollen
Ferreria Relative thats tied to the Hendrickson in the Social Network and
hes a Swollen Julien Lennon Mark in a Wheelchair that doesnt understand its
a Crime to abuse people with the Technology and make people hear a
Broadcast. Now Uncle Buck has Metcalf (Then Maken Comments Little Cindy
isnt Hear) and the mother in Uncle Buck is a Decovney thats got a Liam
Nieson Face and Nose and shes One Fugly Gungerdin and planned this with a
Little Cindy Catfish back then to Screw RYan later when Donna made all the
Non Rita and Moonpie Chins tied to Pearlman, Goodman, Aiden Tuturos and
Sarmiento Chee Kee Kees. The Ringwald thats in Pretty in Pinks Ball seen,
understands RYans baby is supposed to tell Ducky go away and come to Ryans
Door in Heels and a Trenchcoat with Two Duffle Bags on each side, like The
Town and Drop them when in the Apartment across the Threshold, like Dropen
Airport Luggage and Ryan backs up to the Island Bar Stool (perfect height
and Swivel for the First Up that Shiter Rip) and she says something like,
Ok, Im hear and have agreed to Attend The Ball with You! Now B understands
this and what Im explaining and My Turn is shes there, drops the Duffles
wth Role Play Costumes and things needed like Gimp Chain, Leash, Cuffs and
Number 9s and she stands there all Nervous in a Im hear and accept your
Terms for.....The Ball. Now she knows RYan thens put my Hand on 1 hip and
have to say The Ball Comment when she comes and Ryan slouches the way
Caldes Sheen does in the Navy Reserve Conference room Event thats in the
Navy Reserve Book, Ryan found on the Chair at Twin Oaks, Catscan Office
where a Amber Came to the Counter and made For That Comments and Inside
theres a Caldes sheen at a Navy Conference with a Donna with a Water Bottle
Table and Purse in the Shadows with him slouched and in a pose and they had
Nanites on me and knew the Pose postion RYans talken about where when Ryan
does this to B when shes in front of me in Heels and the Coat and Ryan says
(Now Will You Finally Take It In That Shiter, Till It Cant Be Handled
Anymore!) and Depending on how B answers, Determines if shes Truly Ryans
(Ball Date) and Kerry Marchands people keep trying to myme her ass and make
her a The Dance, Pagent, Coffe Clutch with Kerrys Tammy Fake Hystorectamy
people when Betsy knows and I know from the look with the Curly Hair at
Staples Cafe Betsy totally gets and Understands what the Ball is all about
and why the Im Pretty and Nervous Shy Mouth Ringwald Move makes the Moment
and why the Ball has to have Drama when she finally arrives with the Dress

the Poor Peasant makes and chooses herself that is made by someone whos not a Richie In Crowd Girl. Now other Ball ways to take *

<http://www.bravotube.net/videos/tushy-being-riley-chapter-2/>
<<http://www.bravotube.net/videos/tushy-being-riley-chapter-2/>>

* watch the Way she takes in that can (Precious from Behind and The Ball Caliber!) -===== NOW Ryans point is B understands that if Jon Candy was Ryans father and they say he died of Heart Disease that means Times Running out and Ryans DD B should come prancing over like a Tiger and Tap on my door and say, Ive Decided not to cancel your check, Evict You and hassle you anymore and Take Like a Champion at Our Ball, before Its Too Late! Now Ryan would let her in and explain a Make a Wish Foundation Plan, with Full Hand Smells, Squa Postion for a Smell (Across from each other, naked, Legs and Knees Tucked under Thighs and Facing Each other and we do a Squa Finger and Hand Smell...B Will understand the Filth senerio. Now Dying Wishes are also Bouncy Castle up That Crapper in Front of the Wall size Bathroom Mirror, Role Playing Schindlers List Prisoner of the Kamandant in the Camp with a Klink But Whiper Stick and Dropping down on the Knees like The Game Pose and Saying Ya Vol Mine Comandant when Ryan says unzipping "Down Fraline!" and she drops like a Guber and Salutes with Comment. These are all Ball Requests as is taking her after Warm Up Time on the couch which starts when she drops the Coat across from me, after Dropping the Duffles and Ryan closes the Door and backs up to the stool in Ryans apt and say my (Now) and she Drops the coat, naked with Tassles and Ball Skimpyness Outfit thats mostly Naked and says (Her Line) which Ryans true Ball Date will be Phenomenal to the Effect of Im gonna Take it Up That Shit for you, Until Its So Unmangable I ask you to call an Ambulance to Relive the Sore Bum! Now Ryan then does the Click It and Pick It Move, when she tosses me the Gimp Leashs thats conceled under the coat and Make a Wish list items are she gets warmed up when RYan clicking her, says, before we do this, Ryan takes her on the Gimp Chain to The Champions Leather Couch and unzips and Drops Trow and she drops to Hard Blow me up and Ryan sits her Straddle Looking at me like Febreze Blind Fold Gross Smell, she hands me Cuffs and a Blind Fold and Ryan sits across from her and requests she Blush and look all Birdy teeth happy without actually having Birdy teeth for a Kiss and Embrace and Ryan explains to her what I want to do to her and she gets all Goofy like Dildo Ass Rip does when the Hated Ex wife says, your gonna take it UP that Ass and she shakes her head and says Ugh Hugh all Dowey and Submissive. Now B Will understand what this means and why and also understand that once sitting side Straddle Ryan discuses a Few Things in the List before Ryan BlindFolds her and Mows the Lawn to Get her Warmed up and Ryan says things like (Will You Do Full Hand Smells, Ugh Hugh, Let Me Take you off the couch when Blown and Warmed on All 4s over to the Bar Stool to be Spread, Staddled Tits Back on the chair and Gelled up for the Initial (Let Her Rip!) and B shakes her head all Birdy Happy face Ugh Hugh and we begin. Now this is (The Ball Sex) and The Ball understands after the Initial Rip, RYan tugs the Gimp Chain, she gets off the Chair and Gets down on All 4s and Ryan Backs her up and commands her to Walk like a Doggy to the Bedroom and

Mirrors and if she wants Spanks a Little Bit. Now B will understand the Rest of the senerio and what a Squa Full Hand Smell and Finger Smell is about. This is what a Date to the Ball is about. *

<https://www.youtube.com/watch?v=q87sTz0WCqE>

<<https://www.youtube.com/watch?v=q87sTz0WCqE>>

* ===== Now to explain Pretty In Pinks

The Ball Entrence in the Hall and Inside the Ball so theres no confusion as Ringwald in Pretty is older than RYan and related to me, Glen and Betsy in some slight capacity, but she (Understands how to behave at the Ball and how to Seduce and Prepare for a Ass Rippen.) Meaning, notice how she speaks to Ducky when he approaches and also Andrew and plays Wounded Poor White Ed Pacheco Daughter Trash whos hand Made Ball Dress is a stunner and shes does a Dowey Mouth Teeth and Smile move. Why this matters, Betsy understand that Ringwalds seen here, was Well Rehearsed and Looken for some Fast Cock and Need it Now Prep Work and lure in a man for The Ball with Manorism. Betsy knows I know she studied Ball Editicate and Understands why Ryan already understands the approach of a Dove at the Ball and how to Wrap her Ass up for the Night when Presenting herself as Ball Princess prepared to take up that can like a Princess and Champion. Now Rita and Ambers (They are not now and never will be Ball Caliber and though they get under tables in Pubic Restaraunts and Places the way B is willing to do, Ambers Face and side, only make men want to hit her and them with a Wrecking Ball and this is why Pike would say, I wish I could Smash His Face. Ryans point is Rachels relative in Uncle Buck a Sue Miller was a Seriel Killing Child Molestor back, then, but she was involved uin Uncle Buch with Holly Hunt before getting arrested for molesting kids in *PrePlanned Arrangement to set Ryan Up with a Ball Date later on that was not a Hated Honey Greek Frizzy Mielos Ethridge whos Broadcasting in Ryans head with a Sarandon Rita that really is a stalker and sick creep that doesnt understand RYan doesnt want her and Donna Broadcasting in RYans head and abusing me and she wants to be in Ryans life and Imprison me to Honey who is not ever going to be Ryans Ball Date. *

* ===== Now Finally whats

the Difference between a Forest Gump White Undies Ball and Goranson thats got a thicker But its simple as they keep mentioning Alicia Goransons photo on the Truck and thats a Oswald Fake Picture of Betsys Jean Jacket Booty with a Skin Mask Goranson thats worn on someones face that Thats It in the Volvo tied to Dead Poets Maria Antonio Cave Magazine that switches a DD Thats it Naked Woman Photo in Squa Pose with a Maria Antonios Raza Eye Brow Ugly Relatives head. Like Time Life Scott Oswalds Time Rifle Photo, this is a Created photo thats a Trick. But there are Goransons that look like Becas Face, but the Difference is there Bubble Butt Balls meaning there more Plump in the Rump and if Beca took the Brazilian but Lift DVD course, gained some Donkey ass weight to her Plump Tight Dinocan and then Worked it out to a Brazilian But Lift thats Ball Smacken How Bout Them Cowboys Slappen Ass and Knees Ball and the Perfect Ball understands what Ryan means. The Perfect Ball is like The Perfect Cheer but on a Gimp chain with Large Firm DD boobies that Go Bouncy Bounce when Ryan treat her like Cheers Nick Tortelli meets Loretta! She turns and says Nicky, they Go Bouncy

Bounce and Ryan tells her to Jump Up and Down and Ryan says Yes, they go Bouncy Bounce the way Ted Danson in CHeers was condescending with his date.

*I was explaining Hush Puppy finds me so Mysterious and Jesus Intergering she had to make a move and send her Coordiroys and Tight Can in Coordiroys out of the Reception Desk when Ryan was in there to print something out and Ryans AnalYsis is that shes close to getting a Ring from the Person shes with and Desperatly wants a Last Fling and because Breakfast Club and Pretty in Pink have a Half Ringwald thats not a Rita or Flat and not Specifically ringwald Features wanted me bad, The Ringwald Mafia on 1 side is like the Borg, Watch Your Furtures End woman and Demi Moores A Few Good Men of (If You Think You Can Get Him) and I think its kind of Funny Hush Puppys looking for a Misses Robinson Hale Mary Ask her to THe Ball last minute cause there Broadcasting Misses Robinson the movie Commercials on Sundance with Commercials and thats about a Girl about to be married and Hoffman Runs in to the Wedding and runs off with her instead and Hush Puppy RYans Explaining did a Coordiroy Unecessary shake my ass across the Library when Im at the other Reception desk asking a woman a question in a Please Calgon Rescue me and Fuck My Ass All Day and ask me to the Motel and your Apt for a Sex fest and the Ball to get her out of having to stay with someone whos close to handing her a Ring and Ryan was simply saying....she was sellen Hush Puppy But with a Dutch Kincaide Wiff, Wiff, Wiff Triple intent crossen the Room. I also went back a few days later for another copy issue to send a Letter at the Post Office Near there Certified and copy the Letter I send and she comes runnen out the Desk im At and Does a Smiley Hi Save Me ask me to the Ball coming near the Librarian whos taken care of me. Now theres a Poster in The Enforcer a Eastwood movie that says 8 Ball on it and the Ball in my last letter set of Amber Els (My Dad Squad who are all Ugly Els related to Amber and the Amber El in the Interview thats sweating babbling all Nervous and touchen her Heart with Nervous Tracy Varges Mama Pizza Eyes and the Heart Touch is a way to give people heart attacks and wishing Heart Trouble the Mafia side of My Dad Els want to give Jesus Blood Side Princes like Ryan. Now This letter was important to me, cause someone (DOESNT WANT ME TO SEND IT AS IT MAKES THOSE that understand Ryans Poetry happy and the Stallone with Dan Hagerty Honey Teeth like American Warewolf in Londons Dalamores Pike Ringwald Relative (1 of the 2 Men in the movie bitten by the wolf, the letter is a Threat to Honey the Ugly Frizzy Greek Rita sister who is broadcasting in RYans head and doesnt understand Ryan (Will Never Ever, Ever, Ever want to sleep with or be with Honey tank and Honey doesnt understand shes going to Federal Prison for Broadcasting in RYans head. Now Ryans point about a Hush Puppy Ringwald *

* she looks like the eyes of a Hush Puppy and she works at the Daytona Beach, FL Library and Ryans pointing out the Beatles have relatives in Intelligence Postions that dont understnd Ryans not McCartneys Love Experiment to mess with Offers of Ass to see what RYan wants and to swap, while Donna, my Sister Rita and her Fucking Hated Nervous Ella Means broadcast in Ryans head with a Linda Lavin Nervous Copeland Mathew with a Moonpie Chin thats a Hogan Daughter thats related to Honey Ringwald and she really doesnt understand nor does a Iranian Helen Hunt and Mary Caldes I dont want Honey and Donnas relatives and Donnas abusing me with Retards broadcasting in RYans head. Now Ryans point is I thought it was Funny and would help those out there with a Hard Job of worken with the Kiddies to understand what a Offer from a McCartney Ringwald looks like and that a Hush Puppy though she will deny this subtly offered me to Buy and Purchase a New Ringwald Hush Puppy that doesnt look like Molly and shes a Italian thats slight Ringwald with Hush Puppy Eyes. I simply thought B would understand since someones abusing me and has no intentions to come in heels and a Trenchcoat and come in and I say (Now Will You Take It Up That Ass Dall Day Until It Cant Be Handle It Anymore and something to the Effect of Now Can It Go Right Up That Shit! Now the song by Fine Young Canibals and Cranberries of (Jealousy) says the Relative of Celia in that band and a Sophie Warlock thats related to the Helen in Twister whos Broadcasting in Ryans head and is a Mary Caldes *Ugly Helen whos really like the Helen in Twister afraid of Ryan Asking someone other than Helen to the Ball. Now Ryans letter was a (Threat to Rita and Donnas Ugly Like and Jenna People cause they dont understand why The Ball Matters and were worried about me asking someone to the Ball. Now what the Ball is *

* coming to the Door like Pretty in Pink This weather people understand this is what this Molly older than Ryan (Same Blood as me Partially and Ryans Mother Understands is being asked potentially to The Ball. Now why Ryans Rewriting this....theres a Sarmento Helen Hunt thats a Mary Caldes Rita and Ryan mixed and shes a asshole that doesnt understand I dont want the Mielos West Frizzy Space Helen with Creepy Eyebrows and Frizzy Shore Hair and because Ryan DOESNT Want Helen and the Greek Stallone Ringwald thats Broadcasting in Ryans head whos a Stallone Mielos (Hes Sick and Doesnt Understand the Little Beaty Nervous Amber Cant Hack my Computer and Delete Letters and Block my Emails cause Rita, Nervous Sarandon Hogan Ritas sister doesnt understand Ryan doesnt want Honey whos a Ringwald thats a Sarandon (But is a Androgenous Sarandon with tank teeth and she doesnt want Ryan to have a Life, Love and wants me to be the Little Creeps prison to prevent Ryan from a The Ball senerio in the Hall which Partial kin to me Molly and Partial Kin to a Half Mix of her (She Understands being asked to

the Ball and how to pretend your not wanting to be asked to the Ball and stag. Now Ryan wrote the Ball which was planned with Jake Ryan in 16 Candles and Greek Stenberg (Didnt want Ryan to meet a Irish Pale Girl like Her who understands the Facade of Being asked with a what Me to the Ball Last Minute. ===== Now why this matters Rita is a Ringwald who doesnt look like Molly and there are Sarandons, Russos, Vons and Greek Ella Means that are Dels and Portmans that all look like Mellissa Ethridge and they dont understand that because Ryan mentions 16 Candles and Pretty in Pinks hall seen after rippen up some Poor Girls Fabric to make the Dress to the Ball where she hopes to meet Chez whos the Football Star or Mitch Andrea Mitchell or James Spader Yup thats schools Handsome chosen Boy that Lisa Dalamore at Staples made a comment (James) at Staples cause Ambers relatives and Beedy Cheney and Ugly Sisters did not want Ryan to have an opportunity tied to 16 Candles End of the Movie and Lonley English Pale Bottom Shy Dove with Baby Jowels senerio of I was at the Wedding but still havent found the one and My Dad Amber wants me to see Jake or James but James only wants her to go with Ritas Ella Mean and Yes and Yeagh Davis coo chins not to the Ball, but to The Dance. Now Ryan (I Fucken Hate the Dance) and theres a Difference, if you have seen Back to the Future and Lea Thompson and you keep Your Hands off Her Biff and being led out of the Back Seat by the Hand to (The Dance) and theres parking spots in the Charleston House Place office that say Future Tenate 1 and 2 and Ryans figured out why Pretty In Pink has Ringwald Hoist the Purse between 2 Beamers and a Empty Parking Space and why Silence of the Lambs Zeke was maken a Skin Suit (Someone who wanted to take Ryans girl then in there minds to the Dance was making a skin suit the way someone in 16 Candles with the Long Mirror made the Dress.....its there idea of Get rid of Ryan and I can ask her to the Dance when she thinks hes Buffalo Bill. Now Ryans letter which Ringwald Older than me planned or was part of a Future Plan to have Ryan meet his Bride with a Crown and ask her to The Ball and Mary Caldes, Ritas Coo Chins, Wisnewski Bubbles people related to the Bulgarian Sanders seriel Killer Bumble bee in Red Dragon the Hopkins sequal Explaining Raza Bradley Cooper and Ray Fein took Anthonys Seriel Killer Hanibal Job cause he and Rey really are skin sufle Kidnappers in Real Life and he retired so Rey was with Sanders Wisnewski from Staples Ugly Whoole Sister and understand a Retard Broadcasting in Ryans head is tied to Cindy W at Staples with a Ugly Amber and they want to George Orwell make RYan a prisoner to Ugly Ambers, Ask, Thats It and Patty Schlitz and Helens Ella Mean and Kelly Osborne Hippo Teeths people and Italian Ritas who are All (Oooooooo The Dance side)*

* NOW RYans point in Reseda, Ca at the Library when a Patty Sanders Steem Roller Chubby Kid related to her and Drew came out (Theres a Breed of Fat

Chubby Drew Pattys that are like the mexican kid in a commercial related to her and Kinesen and they are zoom zooming around agravated they are (Patty Cakes side of the Fence the way the Amber El in the Interview Sweating is My Dads side of the Fence and Layla in the commercial I sent a Link to is a My Dad person and she doesnt understand my Dad Amber El with Chipmunks cheeks in the Interview maken I already have the Monroe and this and that person...people dont understand Amber has a sister related to Tracy Varges whos a little nervous Person that has Nervous Rita and Tracy Eyes that doesnt want Ryan to have someone thats The Ball Pretty Dove Caiber with DD Boobies cause that doesnt look like Nervous Ugly Italian Portman Tracy and the My Dad that would die if Baby Jewels came up to Ryan and (Asked me to the Ball) there side, wants the Dance or The Tap Tap or Machio Tournament. The Ball is a Threat and Molly the English side who has many sisters and relatives that are not Rita Senras (Shes Older than me by 8 years and shes already been asked to the Ball, Ryan understands this, but Ryan also knows theres a Girl in the world that wants me to ask her to the Ball, cause Ryan understands the Pretty In Pink enteres the Ball and Andrew approaches and theres this Hi, sad face, shows baby teeth and Im so innocent, up all night made the Pretty Dress, Ed Pacheco is poor and so is she and James has money and knows its not Right to ask her to the Ball as shes supposed to find romance with the one who really understands what The Ball is about and why it matters in the Hall. Now Andrew (Had it All Wrong in a Cleshey way, when he approaches and says something all out of sink, bad acting and to the Effect (see the Dance seen in Pretty and screws up the words with a Ive loved you Andy, Always have and something to the Effect if thats not good enough then its the mistake you have to live with and understand they met 6 Minutes prior when he came out after taken a piss and shit and passes each other in the Hall. Thats not the Point of the seen or the End of 16 Candles and Hey there Lonely Girl and the Wrist Corsage. Molly in these movie has the almost same Brain as Ryan and she understands Ryan doesnt want a girl who wants me to ask her to the Dance or the Prom (Thats Tracys side and The Prom ends in someone being knifed before or after and someone dead because of Car accidents when they get Jealous there date was looking at someone elses girl and understand someones perception of Ryan is Im not really cause I mention Hush Puppy and Ringwald in Pretty. People except those that understand my letter if it circulates makes 1 of the Mary Caldes Coo Chins whos a Donna mexican and Like read my letter and she gets (Really Fucken Angry and Violent cause she hates me cause Ryan will Never, Ever, Ever ask her sister to The Ball, A Dance or Prom and wouldnt even ask her for directions cause shes such a Ugly Misrable Bitch who Broadcasts in peoples heads when someone else was thinking of asking me to the Ball. Now Ryan might not say yes is a Hush Puppy came up to me and asked me to the Ball, Ryans point I want Supporters to arrest Nervous Rita, Mary Caldes and Like who are killing people that they think want me to ask them to the Ball (Simply Cause I dont want them...get it! Anotherwords Helen in Twister in the passenger seat playen Sophie who had someone scratchen tickets at Wal Mart Today was in Twister looken at Paxton in the Driver seat and maken *WHO Is She comments* as Paxton then represented me and was approached by someone other than the Ex wife in the movie in the back seat and someone other than Helen then asked a friend of Ryans metaphorically does he have a Date to The Ball and Fox flipped out with Krispen as Leas Dance people and isnt he Dreamy dont want (Ball People around Ryan) and The Shinings ending

photo had a July 4th 1920 something New Years ball and Jack with Hands out in the middle with a Larry Carlise (Ugly Moonpie Italian woman and a crowd of Seriel Donnas that were planning then since RYan was kidnapped from the Mansion in that movie in 1969 to make sure Ryans people who were still single and meet market side were all killed and thus Ruining the Ball for Ryan cause they hated Ryans Father and Grandfather and wanted only little Russo Dusk Till Dawn Tap Tap Salsa Classes, The Dance, or the Prom. Now The Ball is important and Beca knows why: Now Ryans point is I sent a Letter around Yesterday, Explaining a New Offer from Hush Puppy Ringwald who has McCartney Hush Puppy Eyes and theres a poster in Eastwood movies that have 8 Ball on the Poster and Yaz has a Retarded Hunk a Hunk that is the Carl thats a Old man online with a Kilbasa nose and that Yaz who has a Lincoln ear relatives has a Retarded relative thats tied to Detives in The Town who Yaz knows about the Ball and only a few people understand the Ball and why Ringwald in Pretty In Pink is RYans Blood and understands me and why Ryan wants a girl whos Right for me that doesnt do to little to Cort me and sell that can for a I'll Take her Bid and also doesnt do too much were tosses up a Hand and says, wait a minute, your another Stepford Wife or Mafia Dons offer and sleeper which is what Celia was as Dirty Harry and Magnum Force (Has Photos on the Boss of Eastwoods Desk a Woodward in that 1971 movie that shows Mexican Kids 1 a Female Celia being backed up by another woman in a Molestor photo that has the woman Older than the 5 Year Old Mexican Celia Fake Smilen like a Molestor Sleeper cell and the Older womans creepen over her Shoulder the way the Lead Actress in Jurassic Park whos a (I was Like) with a Scott the Bathtub Relative the Kids in Jurassic Park the Blonde girl is a I was like and in a seen she creeps over someones shoulder and makes Creepy Ed Sergent or Senra and Lefleur Ducky Molestor Lips shape mouth tied to Ryans Nemesis and Likes side and the 71 Eastwood photo and he either did or didnt understand Celia was sent into Ryans life by Teresa, Bullock and the Mafia Kidnapping Pachecos because they hated Ryans Father, Grandfather and wanted me with a My Husband Arranged Marriage to steel Ryans Estate and Family Wallet and Trust. Thats why in Breakfast Club Alley Sheedy opens a Wallet (Black) and says I Stole Your Wallet and theres a mexican kid, same skin as her in Dirty Harry Celia picture Faken Smilen from Stacey Varges relative who came up to me with a Stacey in Lowes RI Warwick and STaceys Headband X Jaws Hiter came in and with a Biker man and said Mesquitto Deleto (Meaning Mesquito Stacey with a Look C comment at Voke with the Dead Rat and Check Book, didnt want Ryan to have a life and neither does Nervous Tracy Mama Pizza Eyes whos a And Jesus was His Name Rocker up and Downer. Those people want Ryan to want the Little Italian Nervous Portman (Ryan hates the Little Jesus was His Name Kind unless B came to Ryans apt in heels and dropped the Trenchcoat and Ryan says to her, shake up and Down and Clap Your Hands and say and Jesus was his Name and Ryan a (Jesus Blood says jumping up and down, look, they go bouncy bounce and talk to her like Nick Tortelli speaks to Nicky the Blonde in Cheers. Now this case, Jesus was his name is ok....Mama Pizza Tracy Varges Nervous Italian Portman chanting Jesus was his name, staring at me in a Glen Close stalker manor (This is not What Ryan wants, thats what is Broadcasting in RYans head.) ===== Now Ryans point about The Ball, someone deleted Ryans letter I sent Yesterday about the Ball because the seen in Pretty In Pink where Ringwald whos Gussied UP for an AssRip After the Ball does the Innocent frump to sellen her Rump Transition

senerio and plays I didnt think you would come and cleshay are you alone
and then the yeagh all sad with the Rehearsed teeth and sad, yeagh and she
knows not to let off any My Dad Amber side intentions (That will turn off
any suitor as My Dad Amber who came from NY and when someone says to Amber
El, nice Beamer or Rolls where did you buy it, the Answer from Amber El is
always My Dad gave it to me for Christmas. My Dad doesnt understand shes

*===== Now I could Only have 5
Cigarettes and What Could B is Natalies *My Dad* not understanding that
Ryan is not a Lower Level Portman that doesnt understanding Blowing out and
Kiss to Lips a reference to Ryan and my Half Sister the Little Party Rita
kissing in the back seat of Potatoe Head Jay Patekous Car in Stop and Shop
days. Now The Professional El is a Antonio Portman thats related to Ryan
and Ryan might actual be her Father and Dad if someone scooped up the semen
according to Kerry Marchand at Staples whos 1 of the Mean Girls who had a
Cast of Flammers like Tammy Haus whos related to 1 Ringy Dingy from Laugh
in and Tammy would come over with Pimental whos a concert Rock Hair Skinny
Andreg Rita person and Tammy was a Overly Drama I Had a Hystorectame! When
whoever did injure her might have done the wrong thing by not wacking her
instead. Ryans point that Internal Affairs has to explain to Donna, Dels,
Stallone Lincoln related to Mielos Teeth, Dan Hagerty Ringwald is 911
happened, because Ambers who are Nervous Italian versions of Amber El with
Treat Ryan like a seriel killer because they did not want Ryan to have (The
Ball) and Stemberg dating Donnas in the 60s wanted Ryan to be a Rosemarys
Baby treated like the Baby Room seen when Dels relative (Barney Frank is
rocken the Crib and maken hes the Devils Child and a Garland comes over to
Rosemarys Married to a Rubber Lips Tony Pacheco with Hitler Lips who takes
his clothes off the way Chanel 7 does with the Blanket and Glasses over his
arm, because Ryan doesnt want Amber El and (The Grey Suit El knows this
when she made The Professional and El was sweating because the Amber Els
were Mafia Family and Amber has a Retarded Sister whos a little Beedy
Cheney thats tied to Borenatz and shes a Bono Bush mixed family and this
Amber El is a little Short Nervous Portman that doesnt understand Ryan isnt
her Plato Italian Nervous Amber Prisoner. Do All My Choirs is what Amber
said at Staples inc and Amber would talk about her Parents in NY like
everyone had to be impressed and made sure the Catelog Friends got a Raise
and Fey Yuppie the Smoke Club Harvard Jacket with two Elbow Patches got a
raise and Ryan was treated like Cinderella and put in Ryans Poor work him
to death and abuse him and they will go to the Yaght Race and Theatre with
Tom. ===== Now Ryan is at
home during a Rain Tropical Storm and it sounded like Donnas Ugly Deb
Fischer Zoey Ringwald Tank El whos got Lance Hendrickson and Scott Glen
Lincoln Ear and Hair thats Broadcasting in Ryans head hit the Parking Lot
of Wal-Mart with the Rainstorm as I heard a Thud with a Nuclear Chemical

thats gonna spread in the area and Ryans Windows are open and Ryans explaining there is a Cochin Tiger Hogan thats got a Chin like Yolanda in the Diner Seat of Pulp Fiction that doesnt understand Ryan doesnt want Hogans Bundy Androgenous Daughter and there are Hogans and Prices who have a Marshall Sunken Face thats got Bob Dylan type features and he doesnt understand that Ryans not Ritas Prisoner and there is a Sarandon thats a Russo and Sarandon Frizzy skinny retard thats part Candice Ryder Panda Teeth and shes a Roger Daultry face chin Cochin Bumble Bee Hogan Chin and shes also a Clinton Alvorod Shore skinny Rita relative and shes a Retard that they put in the Nanite Broadcast that doesnt want Ryan to have a Computer and she and Donnas Retarded Greeks and Little Big Eyes and Mellissa Glen whos a Greek Hair Retard thats got tied to Jennifer Garner and Lynn Kampavons Orientals at Staples who brought me to Celia and Lynns party and had a Trophy on the Fireplace (Tied to Pulp Fiction and Uma and the I want that Trophy and they get up and do the Twist with No Shoes in the Floor of the Jack Rabbit a Small Bar and Diner inside the Bowling Alley that also has a Bar. Now RYans point is that Hulk Hogan has Marlyn Dickson relatives, Mathew McConhey Cochin Relatives who mixed with Linda Lavin and Dylan Clebold and they dont understand Ryan Doesnt want (Honey) whos a Ringwald thats androgenous and Frizzy and skinny and has a Boys Body related to Rita. Honey has many Honey kind of Relatives, Some George Lucas Ringwalds, some Hagerty and some Amber and she doesnt want Ryan to have a life cause Ryan doesnt want Rita and Honey. She, Helen and a Dottie Ditata thats a Angie Dickson Mama Pizza Face Jenna (little Ugly Cochin Jenna Like) whos a Dottie Ditata with Little Batman Pedro Ditata whos a Andrea Agasi El bald with Rooster Lips and is a Ditata, but a Little Batman El. Now RYans point, the Hogans, Stallone Pinto Lincoln Ringwalds related to Ritas side, Russo, Sarandon, Vons, Snow, Geinsberg, Teresa and all the Donnas are maken me hear Donnas Retarded Deb Fischer relative, a Cochin Lip Rick and Pachino thats related to Rick at BCC whos like a Arty with a cochin lip, a Donna in a chair whos a Deb Fischer and a Paul Pacheco Retarded Stallone thats Nervous and taps the end of a Desk whos a Jaws Retard (Meaning he was raised by someone tied to Jaws who took him to the beach when he was a kid and hes a Handicapped Retard whos sister was Little Cindy and the Beach Baby thats Cindy. He is a Stallone thats a Paul and hes retarded and wants me to want Cindy and he doesnt understand Ryan doesnt want Cindy. Now the Cindy hes talken about isnt the same as a good Cindy and theres a few of them, shes the bad one. Theres a mafia Catfish Noriega Cindy and Little Panda Bear and Lazy Eye Heinz thats tied to Cindy Bazanoti, Theres a Scarlet Johanson Courtney Love tied to Stop and Shop Cindy who has a Moonpie Chin (1 of the Hogans in the Broadcast is a Singing Be Justine Retard related to her, related to a Chris Llyod of Back to the Future and Sabubula Hogan in a Wheelchair with handicapped body and there is a Brady Bunch Cindy who has a Mary Kennedy Marchand Paralyzed Marchand who doesnt understand Ryan doesnt want her Gap Tooth Anthony Andrews from Lowes sister and Anthony was a Sergeant paralel of Ryans Portman line that has that Seriel Killing Slee Slab Lincoln Ears and Stare, but also has a Gap Tooth tied to Stanley Lemos and hes a Beaver Who Like Loui Anderson. *

*===== Now Sly Stallone

and Ralph Machio a Stemberg with Liz Shue who Ryan found out has a Tracy Varges relative thats a Moonpie Chin in the Broadcast thats Paralyzed as is a Mandy Moore sounding Foster Beaver Teeth, Dylan thats a Moonpie Guy Richie with a Moonpie Shaped Tipped Andrew Dice Clay Jaw and theres a Waskawitz (related to Jay at Voke whos a Mary Caldes Donna Lincoln and they are in the Broadcast Ryans hearing with a Retarded Sarandon Rita, Carl and 1 of Donnas relatives that did this to Ryan making me hear them, and a Debra Messing Mesquitto thats related to a Retarded Rooster Ugly Donna Really that keeps maken Really Comments like shes in a Girl Interupted Mental Hospital Playing with herself all day and she was a Liz Moss Relative thats a Ugly Stacey with a Muppet Face, related to Rita and maken Really comments and they put her in the Broadcast and she went nuts cause nobody wants her and shes being used by the Stallone and Pinto Pachino Moonpie in the Broadcast that sounds like and acts like Robert Downey Jr and his Eyes the way he looks at people agravated. Now Ryans point, Really Muppet and a Obama thats in the Broadcast and Stallone Hagerty thats a Paul McCartney in a Wheelchair and Jessie Lucas Aferican with Tank Teeth they and Hogan and the Wiesel Lincoln Michelle Moynahan Sarmento Helen Hunt and Justine Timberlake Arab Prince with a Moonpie Chin, and a Retarded Kelly Osborne Cry Baby Moonpie Jaw Gosling Swollen face that has Hippo Birdy Teeth who doesnt want Ryan to have The Ball, cause hes a Ugly Version of Ryan and thats who pick Pocketed RYans wallet in Dollar General near the Sunrise Gym and I turned around and there was a Brooklyn man tied to Dice Clay, who wasnt really a Dice, but Dressed in Jeans and a Red Spyderman Shirt standing behind me with a Large Moonpie Jaw, Looked like Brooklyn Pizza man and a Dark Dice with Birdy Hippo Jaw. Now the wallet in Breakfast Club has a Mexican Kid that looks like the Night Stalker and Alley Sheedy makes a comment, I Stole Your Wallet dressed in Goth and Anarchy Clothes. The mexican kid looks like a Celia line of Mexican tied to the Little Celia in a SNeak and creep kid Photo on Woodward's Desk in Dirty Harry. This is a problem for Donna, Maria and there relatives cause it means Celia was sent into Ryans Life (Before I was 2 years old as a plan to steel a Estate and Family wallet as a stepford wife (Get It.) She also has a relative in Pretty In Pink in a Class seen shaken a Number 2 Pencil tied to Larry Carlise at Voke in Mr Frys class who dropped Number 2 Pencils and was a Bully maken pick up my Pencil. Now this Pencil was tied to the woman in The Birds and Hitchcock movies, 1 of them and for some reason they wanted to get a Number 2 pencil that he might have been trying to find a Undercover that has to do with a Pencil...it was probing then and Larry may have thought Ryan was the Jaws (Larry On the Beach Case) with the arm and Ring arm that has a Hand Model Ring on a Arm dismembered body, based on a real murder tied to Beaches in Ma. (More than One) Now Breakfast Club Dont Forget A Bout Me **<https://www.youtube.com/watch?v=CdqoNKCct7A>* <<https://www.youtube.com/watch?v=CdqoNKCct7A>>* and Alive and Kicken *

Look up the movie and the Creatures shaped face (thats Barbara Jean Danes Face and 1 of the Mama PizzA Mary Caldes Donnas broadcasting in Ryans head is a Ugly Bitch related to a Mike a Cop (Same Face that I saw in Attleboro, Ma Mental Hospital where Sue Moore West and Larry (Cheesey Derek Relative from Camp Kennedy was, Derek is related to Gideon and has a smile with the Cheese.*

* ===== Now Ryans

point about Godzilla Woman (There are Ugly Woman tied to Clare Danes with her Odd Jaw Bumble Bee Jew Smagetz Jaw and understand theres a Little Rosey whos a short Like Rita with slight Rosey Perez (As Ugly as Mookie in Do the Right Thing) and Rosey and Little Rosey the Caldes Portman related to Rita and Donna has a sister whos a Ugly Like Greg Bush and short mexican Portman who has Godzilla Face Features (This is also a group of people that my entire life prevented Ryan from asking the Right Trollup to The Ball. Nicolsons The Shining with Doc and Stenberg *Danny the Chery Perry Replace RYan with Dan) ringer metaphorically and theres allot of Dans in Cheryls Heinz Ex Wife Arsenel that didnt want Ryan to have the The Ball because Shelly Duvoll in The Shining thats the Karen Ditata Down Syndrome and Little Party Rita Olga Costa side who set up the Blow Job Gimp Room seen and the Aristocrat with a Dog Costume (Perhaps what happens to people who ask Hush Puppys to the Ball, get taken home and end up in a Mansion in the basement and there forced to be on the leash and Dog outfit like the seen

in the Shining. There Ball was Preplanned by the person who shows the Empty Old Halls of the Mansions with All The Dead Corpses as Duvall and someone then wanted the 4th of July Jaws Carlise sister in the background and Extras off the Ferry when they arrive in Marthas Vineyard to (Ruin the Ball for anyone that doesnt want Little Birdy Kelly Osborne people and Likes side or anyone that Jaws Larry on the Beach Kurchief a Donna Lesbian ordered Jaws Kurchief who crosses Left to Right as Larry makes a Well, I was About to Put on some lotion and she crosses. Theres tents behind them in seens and Mayor Davis between Tent Number 1 and Tent Number 2 stops between them, like the Parking Lot Beamers and shakes his head yes in a seen in Jaws. The Circus Tents are tied to Funny Girl Babs Like Butter singing People in Funny Girl a Barbara Streisand movie where shes at the Bottom of Steps with a Brick Oswald School Book Depository Right side and the left side, doesnt have a Wall, But a Rail and Babs Brick side has a Ringling Bros and Barnum Bailey Circus Poster thats Ripped up (Back then a Ring-Ling like Lucy Lue didnt want someone to meet a person in 69 that understood being asked to the Ball and she and the Carlise Donna Dean in George Gently whos a Bulp Mama Pizza wanted to Ruin someones ball before I was born. Ryans father and mother were people that corted those that want to go to the Ball. The Ball is not Nicolsons Ball where everyones killed by the hitler coo chin Carlise and The Butler that corrected them sir, related to Paul Pacheco in the Ghost Restroom seen of the Abandoned Haunted Mansion.

===== Now

Ryan has to explain this and those that are Italian Mama Pizza Jenna Likes with Angie Dickson ButterFace and Stiffler Moms that have that Ugly Mama Pizza Italian Jenna Coo chin they know *(Shes not I want to ask you to the Ball Caliber Princess Crown Material and Jenna Knows this and hates Ryan cause I dont want her and her like side and she wanted The Ball to come to Donna, Mama Pizza and Birdy Teeth Clinton Raza Jaw with Hippo Kevin James jaw and also Tracy Varges whos been hassling me because she did NOT WANT Ryan to have The Ball and Celia showed me Tracys Prom Photo with a man that took her, because back then thats the serial Killer they sent to make the Ringwald thats in the Ball seen in Pretty In Pink. Now why this matters, Ryan was oblivious back then to the significance of the Ball Now Chloe Savigney has a relative that looks like her photo on the back of the Alicia Goranson Pickup Truck where shes holding a V Hand near the Leg of Alicia whos wearing a Jean Jacket and a Head Shot thats not lining up with the body as the Face of Alicia was a Man in a skin mask and it was *Thats It Behind the Skin* who drove the Volvo thats behind them with a Extra man thats related to The Edge in U-2 whos pointing a Hand to the Back of the Volvo cause thats it is Donnas little Short Creepy Relative whos not Pretty and has sisters some related to Sue Millers and shes a Jackie Lynn Kennedy thats mixed with Donna and has a Pug Nose and Lazy Foot and when Ryan was in La in a YMCA and was working out inside near a Window a Lazy Foot short woman like her comes over who has Richie and Richard Gear Eyes and looks like the short woman in the Boost Commercial thats sitting in a chair with Hand On Chin and Bent in the Chair leaning over, Arm and Hand on Chin thinking and thats a Gear Ask Rooster Cogin side that has Richie and Shes All That Laney Eyes (Slight Slavic) and this Lazy Foot puts her Toes and foot down outside and shes stalking me and staring at me and has hair like Julien Miller and Justine Timberlakes *(Music Nervous Joey Lawrence Greek

Rooster Cognin Hair Relative that was in the La Labrue Gym that had a My Husband Maria Antonio Maid. He has Eric Banner and Gene Simmons Greek hair and theres a Lazy Foot with Short Richie Paralel Features who are not Richies Direct Relatives, but are similar and Lazy Foot Retarded related to Ask FedEx whos a DangerField Greek Puffy Eye Rita (Slightly Different from Lazy Foot) they dont understand Ryan doesnt want short Ask or any of there kind and they are a Cult tied to Science and Gear looking eye people and Loretta who set out after Stop and Shop to Find Anyone that will be The Ball suitors of Ryan and this is anger of 1 of them in the Dead Bodys in the Mansion seen Flashback in The Shining. People dont understand the seen in the movie was supposed to be the Past, its actually the script of a Gwenith in a Wheelchair and Ritas people who didnt want Ryan or some other people on there list to have a The Ball Encounter and senerio Romance ever, because Ask and Lazy Foot, Russo, Sarandon have a Lesbian Leader who hates RYan for an Arrest before I was born and the Donna Deb Fischer in a Wheelchair and Jenna think people are Dollys on Social Security that she and Dan Hagerty Stallone who is a McCartney maken This is All I Have in a wheelchair and they dont understand cause someone hurt them and put them in chairs, they cant be told by Catfish Perry and Norega Senra Caldes and Bushes, Clintons, Obamas and Marias that are pissed off, that you can abuse Ryan and broadcast in his head, cause your paralyzed and Rita doesnt want Ryan to have The Ball. Now To explain this further about why explaining this and explaining Coordiroy Paul McCartney Hush Puppy *When You Understand what a Hush Puppy Looks like and the Picture Ryan sent yesterday I cant Find on the Internet again and thats Rodney Pattys Dog Isnt she such a Cute Hush Puppy. Now "Understand Paul McCartney and the Beatles as someone described as The Beatles are Satan and the Devils Band and Ryan belives this. Pinto Rocky whos a Yaz in Rocky One has a Beatles Poster passing to the left while hes on the couch. The Couch was not a Little Party Hug at Patekous Reference. Ryans point Paul McCartney all Lived in a Yellow Submarine and the words Marine are at a Palicia Dock Wharehouse in Dirty Harry and the Magnum Force and Donna gave me a Birth Certificate that was signed Palumbo (The Wharehouse in San Francisco Where Berg said he was from was in SF 49rs and Joe Montana (Moonpie Chin) and RYans point is a Beatle Kidnapped me from the Undercover 5th Beatle people didnt know about and handed me to Donna to be raised in Secret and CIA then faked a Birth Certifate maken it look like I was born at Mercy Hospital in Fall River, Ma. Now Mel a Head Case lobbed and cut off is in Bravehear and says Mery when the Axe Executionar Cuts it off and he has a Rag in Hand that came from a Karen Varges whos a Little Party related to Maria ANtonio. Jack Kennedy was a Head case and Ryan sees there was a Head Case in Newport RI thats tied to Halloween and Jason in Friday the 13th Camp Krystal Lake (Maria was Jason the Seriel Killers Mother) this was NOT A fictional Story its what happened in 1969. Now also understand Tate and Labianca murders had Manson Girls. Olga Costa Mueller was 1 of the Offsprings of a Manson Girl who were in the Halls in Court Singing (And Jesus Was His Name....Understand!) they were and were not undercovers and a Op, But Charlies people addicted to Drugs got too far into the Life and Cult and it became real and the Murders Really happened. Die Pig in Blood on the wall is tied to why Donna wanted in 1975 to take me to Newport, RI and look for a Arrow Head on a Rock Wall thats tied to the Field in Jaws that Schieder, Dreyfuss and Mayor Davis holding a Cigarette walks up thru Twin Fences to

Right and left and the Billboard to the left has a DeFaced Painted ad that was a Sarandon related to Foster and me and changed to a retarded Honey Crooked Eyes Rita Relative and (Honey in 1974-1979 wanted to get rid of Kennedys that knew Ryan and Twins were kidnapped so they could Keep Jack Kennedy and Estate Money that doesnt belong to Mielos Ringwald Ella Mean Honeys and Dark Haired Moonpie Flo Linda Lavins and Onasis Manjaws and Els that are Ted Kennedy Teeth, ONasis or Queen Liz Greeks. Jack Kennedy offsprings, Some Seman Close Encounter kids in WHite Costume and off the Grid Unknown Jacks had claim to that money and any Portman thats a Blood Line of Jack and understand he makes a comment in a News Conference (I Own All Of It) and had Assets the President owned that were worth Zillions in Undercover Business, that were not known cause the Relatives in the world undercover, couldnt let people know about Jacks in the Field. Someone (Wanted to make sure it was All Theres, Like Mielos and Ella Means and Jackies and Russians and Maria and Little Girl Down the Lane Jody and others who tainted the Line with Hitlers. Honey replaced the Surfer on the Board cause Honey is a Glen Close Stalker that when you dont want her, she broadcasts in your head and gets a Cult to Ruin and Detain a persons life as Honey Rita has to have control as a Mafia Don (She has Relatives that really are sick Fucken Creeps in the Hogan and Lavin and Stallone and Ford Families that think Ryans Honey and Retarded Greek Moonbeam Prisoners and all of them were Terrified of The Ball side, whos English Ringwald and Ryans heritage and Chris Glen. Theres a reason Ringwald in Pretty In Pink Comes over and is all Shy and Gussied up in the Hand Made Pauper Dress and does the Im Here and shy smirk and the way her teeth do that think in a shy Unsure manor. Now Ryans line of Kennedy, Understand what Realy was happening at That Ball, Back then. Molly is like Mr Gonzalez Ryans Tai Kwon Doe Instructor and Mark Leblanc had a Relative then before I met him named Gilley who was a short Polack that had a black Belt. Now Thats Fightening and Gilley was a short Meatball that could jump up and do Super Roundhouse Kicks and he was like a Fast Strike and knew Pressure Points on the Body that when you strike can mame, Kill or stun paralize for a Time.

===== Now Ryans getting to the Point and Like A Few Good Men, Tom and The Pistachio (I'll Get Back to The Ball Reason later) walking back and forth like Tom in Court and why Tom Says 1 or Two Orders Col. The Tents in Jaws between 1 and 2 had Mayor Davis walk between Tent 1 and 2 and shake his head before he gets to Tent 3, 4, and 5 (Ryans twin brothers and me) and Davis Knows the Space Between 1 and 2 is tied to why Ringwald In Pretty In Pinks Drama Fraud then Brown Belt Level Scam hugs and kisses McCarthy and Behind his Back Two Beamers either side, after he gives a speach thats as bad as Rachel Cavanaughs Date set with Carey in Jaws 2 in the Bar (See the Seen as Daddys Girl got a Acting Gig and walks up to Carey at the Bar and asks him not to the Ball, but to the Fair or to the Boat Race In Marthas Vineyards bar and he says Yes and she says tonight and turns to the people in the Crowd and says Its Tonight and they all make yeagh having to act Excited for her, cause her father knew Spielberg and they knew Rachel Reese cannot act and timing is all off and bad and they had to pretend Daddys Princess put in the cast was the Center of the Movie or Else. Now Ryans point this leads up to people who stay away from this and wait for the chance and person whod rather like Williams and Game 6 Good Will Hunting senerio would have said to Rachel Cort in the Bar, cant and said, watchen Game 6 because theres better if you understand The

Ball Senerio. Hush Puppy is (Past the Ball, cause the Clocks Ticken and she knows any Day her Lover is gonna pop the question and she doesnt want to say Yes, but also if he does, she doesnt want to risk the Single life as shes set in the ways and is afraid she will be alone and end up left behind and shes that kind. Shes also a Misses Robinson and Andy Clay Believe it or not, Older than Ryan before I was born in Odd Couple Days with Under the Table and looking for a Girl thats willing to get under the Table on a date in a Crowded Rest and Unzip and Give a Blow Job for some reason before Ryan was born was in the Group of people who were playen Poker in the Odd Couple thats in the original 69 movie seen which had a Bald Chippy playen Cards with Lemmon and Klugman and people dont understand the Poker and dogs Playing Poker Painting tied to Rosannes House had Dice planning for Ryan to be kidnapped and High Stakers and World Secret Societys Abuse Victem for a Retarded Ringwald Honey in Jaws who wacked the First Board line and Ryan was taken by there people to be raised as a Poker Bets abuse 1st Born as Revenge and won in a Bet after they wacked someone to be able to swap the Name Tag when Born. RYans supposed to be treated by Del Pachecos and Bel like Mia Farrow in Rosemarys Baby for Life and the Bet was How many Years, before someone frames him for a Child Porn, Murder or Puts him in a Mental Hospital and thats why Pedros at 4 Yrs old shot BBs at Ryan on the back of neck on the Jack Kennedy Motorcade for Stenberg in Pretty In Pinks Wealthy people who plan a Life of Ban, Prevent, Abuse and Replace there Prisoned Kidnapped Air. Lukes in Star Wars (Represents Rita living on Luke Street was RYans Face off Hammil Replacer as Lucas hated Ryan and had a Texas Marshall that brought me at 2-4 years old a Tan Puppy that wasnt a Hush but a Tan Golden Retriever or Setter cause Charlie in Willie Wonka has a relative in a Wheelchair and thats 1 of the people Broadcasting in Peoples heads. The Dog was on a Leash and its a Gimp Reference and Celia used to make comments to me of MY Dog and Maria And Celia were Mafia from Dirty Harry who with Cherly Perry, Lord Phillips knew RYan was kidnapped and a Air to a Billion Dollar Trust with 4 Twins and Donna hated my Grandfather (She said, Kept her in a Ivy Tower (Prison) so much the Lucas who was a half Relative of Ryans Father and Texas Beard Marshal kind planned to make me later the Last of Ryans line like Hammil in the Jedi Movie with the Smagetz Scott the Bathtub Taylor Empor who wanted to save me to be abused for last as a Payback for my Father, Real Mother and Grandfather who arrested a Donna before I was born. The Castro Dam Hagerty On the Forrest Gump Black Panthers Poster Room with Penn has a Castro Beard and hes a Wacp Wheelchair Castro Dan Hagerty McCartney that picked Running People and Logans Run Prisoners to be Peoples Dogs and the The Game Victems to be abused later in life to make up for them in wheelchairs who blamed the Cops that were Ryans line. The Take the Baby Jesues and give them to Rosemarys Baby Del and Sarandon and Lavins Moonpie and Mama Pizza Evil Side and Get even and thats what the Betting Pool in the Odd Couple was Really About.

===== Now Tony Pachecos House in the 60s had Patty Sanders in a Photo as a Young Member of the Manson Cult as when she was young she looked like a Manson and Tony (Donnas Father whos a Castro Harmon mix Lincoln was Hugging Belmedia and Patty in a Original 60s Photo RYan has behind Tonys House and the Kitchen in the Middle of the Yard where theres Flowers like Belmedias Driveway of the Cottage of Jon Rica (Where Donna had Photos taken of me when Del Pacheco came over with some Uncle she said was Dying of Cancer and they wanted me to take a Photo sitting on the Flower

Bed thats in the Middle of a Driveway of J ohhny Ricas Cottage and Donna gave me that day a Army Colored Green Jacket with Orange inside the Jacket and they I remember wanted me to wear someones jacket Right before they took the photo. Its Connected to Tonys House and the Hug Vespa Photo where there all Hugging with Donna and a Clinton McCartney Sullivan who I think is RYans Fathers half Kennedy Brother. Now hes in a Grey Life Stinks Ruin YOur Life Mel Brooks later on Grey Suit pants and in front of the Double Basement Doors of Tonys Basement which had a Side Apt near it to the Left where a Mr Lucas lived said Donna and Sue. Now Hes doing a Happy Days Thums Up when his Fathers (Ryans Father empregantes a woman and his First Jesus Son is Born, they agreed to kidnapp me a Air to Vespa and McDonalds and what Paul Pacheco said was Sabino Airlines a Billion Dollar South American Airline conglomerencey back then and Larry Carlise was a Half Brothers kid of the McCartney Stemberg Carlise thats in the other 60s photo Ryan has in Tonys Christmas Tree Room off the Front door that shows the Thumbs Up Kidnap, Frame and Raise to Later be Zeke and Zeds Gimp in the Basment to pay back Ryans Real Father, Mother and Grandfather that Busted 1 of them before I was born and they were raped in Prison for Hours and hours by many Shawshank (Hush Honey People) and thats what Pissed off Honey and Also Hendrickson the man who was kicked out of the Projection Room in Shawshanks Boggs Bite your Penis off senerio. THats why this all happened, thats why Clinton McCartney has a Thumbs Up and Lucas wanted me to end up on the Gimp Chain and why The Emporor wanted Luke to watch his Friends and Family die as the Scott Souza Smagetz Charlie Emporor says, Go Ahead, You Want Your Light Saber and your weapon, Take IT. Now the Light Saber was a Metaphor for someone that lost there Penis and it was biten off in a Shawshank and Written into the Script and Serpico has a Gear get into the Passenger seat with Al who is starten in the Driver Seat like someone in a Blow Job or Car accident while giving a Blow Job Bite off someones penis and the person who in Prison lost theres and thats why Dirty Harry and Magnum Force has Punks in the Driver Seat with Blood (Sticks that look like Mesquitto Repelents that are lit up that are sticks that smell like Incence called Punks and the Mesquitto Muppet Stacey was angry someone in her line had a Prison and Penis and Driver issue off and Gears Passenger seat stare was Offsprings of the people, cops and Das responsible for there Lucas Hitler or Mafia Donas side being put in to as Donna says the Shawshank Ivy Tower was life of being passed. *

*===== Now RYans point Lucas Texas Beard that Brought me a Tan Dog on a Red Leash was tied to the Light Purple Shirt worn by a woman in the Train Station seen of Dirty Harry or Magnum Force when Eastwood is going through a Station and theres a couple Kissing on a Bench with a woman face hidden whos got a Light 16 Candles Bridesmaid Colored Dress like what Ringwald had on in the Wedding Bridesmaids and the Light Purple in a 71 movie has a Red Sweater thrown over the Shoulder. As Ryan went to Seven Eleven today when Donna made a comment I gave YOU \$50 Dollars and I walked to Seven ELeven that has a Donna Spielberg whos a

Muppet tied to Kelly On Coach who would Tap Her Thighs and she is in a Jerico Episode in a Picture with the Cast and Billy from Scream with Shovels Digen someones grave...they way Kelly has before in the Dark with Stacey and the Denise Richards Movie that also had Liv Tyler in a Scream type movie, except they played Lesbian Lovers and murder a person to steel a Inheritance and Bury the Body in a Beach Sand Dune thats alot like the Dunes on the Cape Chris Glen and me Went Off Roding with Chris Glens Supposed Cousin that wasnt realy his cousin and was a Jason Biggs Matt Lower Type kid related to me with a SUV. Now we went into the Sand Dunes in a Spot that looks just like where Denise Richards movie decides to bury someones body who was in the way of Collecting a Inheritance from the Rightfill Owner and this movie Ended with Liv Tyler her Lesbian Lover that Kills her and Takes off with All The Money in a Sail Boat. Now also understand Chris Cousin took us in his Black SUV and Drove up a Sand Dune Ant Hill and Stopped the Truck on the Top swayan and rocken on the Tip of the Sand Dune, Gets out with Headlights on and does a Crazy Dance in Front of the SUV. Now in the La County Jail when Ryan was in a Pod Cell with a Tyrone Brooks (DJ Scribbles I called him) who has Puffy Drew Barrymore Eyes like the woman in the Movie The Help (Who at the End of the Movie takes off with Someones Estate) as part of a Dressed to Kill Plan and Plot tied to Angie Butter Angry Face Dickson (Whos Related to Dottie Ditata and Belemidia Pacheco Donnas mother. Now Tyrone got Put on whats Called the Chain in County Medical Prison or County and the Chain is when Your Charged for Federal or State Prison Offenses and they come in the middle of the Night and you get yanked out at 3 am and made to Strip and they put you in a Black Plastic Suit made of Paper Called a Paper Suit and chain all the Prisoners kicked up to State of Federal Prison who are taken in the middle of the Night for Shawshank Deloucing and Fresh Fish. Now understand a RedFord Chuck Tobias Italian that is like Silence of the Lambs Shrink and the Cop thats in Magnum Force whos also a Chucky TObia shows up when Eastwood in Magnum Force *The Second Dirty Harry Movie* with a Black Duffle Bag thats changed from Dirty Harry when Calahan is being forced to Bring Ransom Money in a McDonalds Golden Yellow Arches Duffle Bag that has a Zipper PP Biter Openeing thats tied to Eastwood who puts it on his Bosses Woodward Desk and hes lying down on the Couch Like Ringwald in 16 Candles because the gist like Tom Stembergs Greek Face Off Gordan Kaye Stemberg with a switch NJ Mr Hankey Brown Car with V Plates planned to help Donnas Old Grandma and her husband and the Ringwald in that movie Lying in the Couch like Eastwood is when the Zipper bags on Woodward's Desk and the Zipper is a Metaphor for Heart Disease to be caused with Chemicals and warfare over the years to any McDonalds Offspring Illigitimate airs Born that ONasis and Donnas people switched as Kroc was not the Founder or McDonalds its a Fluff Story and there was White Castle and other People that really owned the Start Up Business and they were undercover with McDonalds and someone took Control of McDonalds with a Krock Pot Plot and wacked some investors and kept there airs and kids as a payback for a Fued. Now Alicias Skin Mask Shadow Photo that doesnt line up in the 2000 Screen World Book with Mel in Payback on a Park Bench with Greg eaten Chinese Fried Rice thats a SF Rice Box tied to the oriental Donna in Dirt Harry Eastwood has a Fling with and theres a Bench Incident then in a Park in SF that led to a series of Events. Also a Rape at Liberty Park around the Statute of Liberty which has Observation Parks in NJ side and also NY and

the Liberty Statute is in the middle...like Bemedias Light House thats
Perrys Funeral Home Black and White and Tom Stenberg was NJ side and the
Switch Car and Bench Raper side. ===== Now
Ryans point the Party Dance Cousin Lower Biggs Cousin of Chris wasnt really
his cousin and he was (Heres Johny And Might be Connected to the Signed
Birthday Card and the Hope the Smoke From the Candles Doesnt Kill You and
Drawing of a Segent Stalin Looking Man smoken a cigarette thats tied to the

and Understand Franks a Fucken Creep that was behind Patch Adams and steel
Ryans Job*

* ===== Now Jay Greene

whos not totally related to Frank is tied to Colletis in New Bedford, Ma a Restaraunt that was like a Daveys Locker on West Beach that was a Famous Lobster place and they opened Colletis next to it and Fredo Greene took me to a Diner there and it was a Fancy Italian Rest where Richie the Rat from Voke Tech and Adam Newman Tied to Bryan Krackow on The Wonder Years who has a Birdy Teeth Grey Relative thats got Swollen Bruno Kirby Teeth and Jaw and Birdy Teeth came out of the Kitchen and Richard who has a Snout like Donnas Panda Paws Cat in the Painting she made comes out of the Kitchen after we ate and they smerked with a Possum Voke Tech Students (Which they went to Voke With me and Chris Glen then made Possum Stew in Class we hear and they came out to let me know someone did a The Hangover Part Two Transvesite Stripper with a Penis who made Stew Eat his load (Sperm When Drunk) and thats what Bradley Cooper was really involved with then. I dont know if someone spooed in the food, but Richie gave a smerk and I know Possum Chef Voke Class did something that day and Adam Newman was tied to Art Garfunkle mixed with a Paul Newman whos Broadcasting in RYans head. Adam was a head case, but not the Cart and Jack Kennedy was a HEad Case and shot with a BB at 4 Years old, Ryans supposed to be a Framed as a Head for Life Case and the Arrowhead in 1975 when Donna took me to Newport, RI to the Wall tied to Shawshank Prisons Buxton Maine and Titanic Ship Money with Andy leaving Money in the Titanic Can with a Letter from Red and the Chess Board thats tied to Dirty Harrys Chess Chinese Players in a SF Park in Dirty Harry that are Playing Chess in a seen. Now understand Donna in 1975 brought me to a Newport Field that looks just like Jaws Type Field over looking the Ocean and its Significant cause this Field had a Rock Wall like Shawshanks Prison Freeman ssen in Maine that Donna put a ArrowHead on the Wall and made me look for them and the Arrowhead she said came from Indians in the Old Days was a Slade Rock (Like the Rock like no Other in Shawshanks Buried Money) someone in Newport, Lost there head and was Wacked that was Ryans family and Donna was being Facitious as they didnt find a ArrowHead. Ryan was a Kid from a Arrowhead family they kidnapped for a Payback for putting in Prison. ===== Now Dirty Harry has in SF at 76 Gas Station and the Orange inside the Army Coat Donna wanted me to wear was a Payback for Vietnam Agent Orange Dropped on the kids with Oriental Features naked and running down the Street on Fire and Holding Hands out and theres a Famous News Footage of the war of a Chris Glen Vietnam little Girl running down the Street and shes on Fire after they dropped Agent Orange and in the Road with Orientals and this may have been staged, I dont think it was, KEnnedy was in the war and committed. Now, also understand that There were people sick from Nuke and Agent Orange and if Dirty Harry was really a 70-71 released movie, the 76 Gas Station Logo (Orange and Blue) was a prediction by 1976 Pedro and Donnas hitlers Would have Control of Federal Agencys to cover up Kidnapping the Airs to Vespa, McDonalds and Sabino. Now also understand that Blue is inside the Orange and the Jacket is the other way around (Switched and Stemberg in 16 Candles Drove a Brown Car like Ryans Car Model in COLlege a Light Blue Mr Hanky Switch thats the same Light Blue as the Tunnel in Dirty Harry when hes runnen from Phone Booth to Booth with Instructions to bring a PP Biter ransom Money and the McDonalds bag, Eastwood didnt understand was why 76 had the Gas Station Year. Also understand a Tony Sanders approaches him in the Tunnel to Rob him with another man when in transit to the next Phone

Booth and he has to Fight them off and a Whool is the Robber with a Red Mask thats almost a Spyderman mask, but back then represents Burned Face Shriner Payback and he has to Deliver it to a Giant Cross in SF thats tied to the Giant Jesus in South America on a Mountain that has (Hands Out) like the Oriental Kid on Fire in Agent Orange Vietnam Error War Dropped Bombs Agent Orange Blew up Fire and thats why the Old woman in the next Apt on Dartmouth Street fell asleep with a Mayor Davis Cigarette and Donna said, Died in Bed on Fire. What she meant, they wacked her and covered up whos a Princess Dianna went to Bed with and had Kids they kept and hid when Switched like me. Now Ryan also says Mayor Davis between Two Tents in Jaws was saying Yes, The Ringwald Lying Down on the Couch in 16 Candles was doing a Eastwood from Dirty Harry playing by 76 when she was about 10 years old he would be able to rape her or Whool or Woodward would as he and Carloyn Kennedy are in a Interview together years ago maken Kids comments and laughen odd like there CHild Porn Kingpins and Whool, Clearly was and Ringwalds lying on the couch in 16 Candles with Stemberg playing her father who comes over and does a Ring off the Couch motion thats tied to Eastwood on the couch in Dirty Harry from 1971 and he gets up and looks at a Poster on the wall of some Mountain Retreat Hideway in some Dutch Land as he wanted to Steel McDonalds money and that Ringwald was helpen someone with a Usual Suspects Flammer Scammer Con tied to The Ball and then had a Brown Belt Scammer Level Belt. Well was at Black Black and Planning to Retire when she made a comment, in Tvi of Im a Phony...guess who was pranken Eastwood and maken him run Phone Booth to Booth with Instruction to Bring McDOnalds Money in the 8 Heads and a Duffle Bag and why Ryans a Phony. Now understand Well was trying to see if she Retired if anyone knew what kind of Federal Career of Scams, Skeems and Kickbacks she had. Now also a Stevie Nicks with Sara the Drown song and Stand Back had a Frizzy West Relative that worked at a 76 Gas Station in Beverly Hills near the Beverly Hills Palms Motel (on WIlshire where Elvis had a Affair in secret and a DONna mafia woman is in his Room with people and photos and undersand that Whiteny Houston supposedly Died in The Bathtub (Scott Souza did a Girl in the Bathtub and hes part Prince Charles as is Ryan and the Emporor was a Charles but Smagetz Taylor and some of this plan was Fredo if that makes sense. ===== NOW Ryans point is Eastwoods in a seen of Dirty Harry is a Rugie on the Ground when Easywood points a 45 at Rugie in Purple at him looking down and hes on the Ground Eastwood in a seen in a Suit thats a Grey Tweed, like a Polroid tied to The Game that Donna showed me at Johnny Ricas and (Theres a Johnny on a SF Killed in Duty Cop Memorial and City Hall seen where Mayor Pacheco related to Tony and Me playing Magnum Force Boss of Eastwood and theres a Tony Like him Broadcasting in RYans head. He takes off and Frames eastwood after a Air Craft Carrier Abandoned Shipyard with Rusted Boats and Carries with a Sealed Deck Door thats got an X in it and this is where WHool has Rugie Beat him up and Eastwood ends up chasen him with a Palicia WHarehouse that says Marine on the Sign (Ma) RI Now ENgaging. Now understand what this means, Donna showed me a Photo of a Poloroid that has a Grey Coat Person thats a Ryan Look a like with Grey Coat (Like the Suit Eastwood had on what looks like Belmedias Rock wall on the Right side between her Cottage Beach and Jones (Over the Town Line between NB and Dartmout, where her side is NB and theres a man alone in a Perfect Storm Photo alone and he has a Grey Coat and Kevin SMith Kind of Mook Back and she says Do You Know (WHO THIS

IS) and Roger Daltry a Stafford with a Moonpie Hogan Jaw has a Daughter or Relative thats a Retarded Rita Panda Bear Teeth like Mathew Foxes Teeth whos a Frizzy Mary Anne Devoe Clinton Sounding Sarandon Rita Retard thats Broadcasting in Ryans head with Honeys People. Mary Anne Devoe was a Lesbian Clinton tied to Emelio in Breakfast Club and also Blood Eyes. Now, understand Boston the Band has a Song Called More than a Feeling with Lyrics I see My Mary Anne Walking Away and shes a Russo Sarandon West Rita and Hitler Hand Blood that has Rose Brynn and Sarandon Stallone eyes and Rita has a Mary Devoe Half Twin Ryan saw in La at Kate Leopardos Rest when going past the Place that has Diner Seats and she did a Siek Heil Androgenous Frizzy Hand in the Diner Seat with a Friend and She wanted Diner Business money so did Liz Moss in West Wing with Duely (Rugie Hill) who Rugie was in the Hamburger Hamlet in La on Hollywood Blvd in a Window with a Jean Jacket condor Rita West before it closed down and I passed them and a Muscular Rugie with her took off when I past them like SHawshank Crooks and Lunch Hand in Kates place wanted Ryans Lunch Money from 16 Candles Holding a Purse on the Poster with Jake Ryan. Now understand where the Lunch Money comes from. Ringwald in 16 Candles has a Pedro half sister and the Pedros lived next to Ryan on Dartmouth Street at 4 when Tommy Soars Stallones and CLintons and others shot BBs at me on The Shining Big Wheel before Stemberg replaced with me with Twin Metaphor Danny. Now understand Ryan waited at 4 Am in the Dark for the Bus to Daycare at Camp Kennedy and Condon down the road that had a Fence tied to a Rocky Movie and Stallone near the Fence with a Slashed Tiger Paw opening and hes talken about kid and your milk and Lunch Money. The Empire State Building Construction Crew has a Famous Photo of the Workers building the State Building on a Beam out over the Tall Building eating Lunch with Lunch Boxes and could fall to there deaths on the Beam swung out off the Building that was used to Lift Up More BEams and things to Build up and they have Lunch Boxes, Some Black and other colores and Ryan waited with my Lunch Box like Batman ones in the Dark with Hands in the same 16 Candles Pose that Ringwald who knew my Real Mother and about the Fire Next Door then was keeping safe for Ryans Trust. Now understand someone wanted Lunch Estate and took it without anyone knowing those workers 1 of them was Ryans Grandfathers side or tied to a person who married a Grandparent that started McDonalds.

===== Now Ryans point is theres a Lance thats been broadcasting in Ryans head that is with a Pinto thats a Co Lip Billy Crytal Mark Leblanc that approached me in La thats babbling about not paying my rent and he keeps maken comments he and Little Cindy say its Prosecutable and he this (Wacko Using the Technology with a Al Pachino Aaron Sullivan Comey thats a Retarded Barry Scheck Stemberg doesnt understand nor does a Nemo Aferican Obama that does this to people in a WHEELchair that Broadcasting in someones head, Social Sec recipients is a Crime, not a Legal Right of Donna, Comey, Geithers, The Stallone thats a Lincoln Chee kee Sarmento or any Manson Bald Putin Eric Holder or the Nancy Silvia thats related to Linda Silvia at Stop and Shop who came up to me and said, She wanted to get into Commercials. Now understand the Retards Broadcasting in Ryans head, have done this to people before and dont understand that the Retarded Eric Holder Jr Manson Milado Putin with Cat and the Hat Eyebrows doesnt get to pick a person to make hear his Broadcast and they have Done this to people before with a Mellissa Glen thats related to Richie from Stop and Shops Girlfriend whos a April Monterio at Carter

Brooks Elementary where they made the Mold Plaster of Paris of my face to make a mask cause Whool thats in Dirty Harry had a Ski Mask All Red (From a Shriners Burned Face who planed to take Ryans estate and lunch money later on as a Ransom Payback and Paul Pachecos arab Papalcy Relative in a Indy Jones movie has a Shriners Hat in for a Reason. Now, also understand Short Round (Richie with Kali Mar and Rip out a heart was tied to Eastwood on the Couch in Dirty Hair, Shirt off and Heart Exposed and Kali Mar wanted to Cause Heart Disease of the Jesus Kidnapped Blood Donna wanted to abuse as a Payback to Ryans Grandfather and Ivy Tower (Prison he put her or a Donna in leading to a Penis being Bitten off and this caused them to want my Mother and Fathers First Born that Lucas in Phantom Menace (Pick His, Added Not Tom Made, Esatate Now Added Cans Enagaged as an Also added Bonus. Now Lucas wanted me at 3 years old to end up with Thumbs up Frame job 60s Photo in front of Tony Pachecos Basement (Related to CHief in Dirty Harry who was a Killer and says to Eastwood at the end in a Ship yard with Abandoned Air Craft Carriers Twins towers where some people in a war, were sealed in the boat below Deck when the Bomb was dropped and the Capt had to Seal the Lower Decks, Titanic Winslet is Barn Dancing Third Class Level and theres a Amy Spielberg in Farmer Jeans Light Brown Switch Car Overalls as a Extra in a seen whos a Muppet related to Kelly from Coach whos a Karen Varges whos related to the Donna Spielberg Muppet at Seven Eleven today who when I got my \$50 at WalMart and then went to the Bus stop, Stopping there first a Light Purple like 16 Candles Bridesmaid Molly Dress was on a Rock Wall Outside the Place and the Donna muppet inside grabed my Reciept agravated and in a hurry when I was in there. Now the Liquor Store in Dirty Harry where Whool Comes in and talks to the owner who shows him a Luger (German Pistol that Tony Pacheco said he had one and did he said he took in Germany as a Souvanier in the war when he was there. He also talked like Shaw in Jaws about Operation Tiger a Staging Test for DDay when German U Boats sank US Ships when they found out they were practicing a Invasion and sank them while Training in a secret Location for a Future France Beach Landing and allot of men were in the water when it happened and were eaten by Sharks (Tied to Jaws) and The Cash Register in the Liquor Store in Dirty Harry is Made of Wood and Switches in Magnum Force to a New Concrete one in a Pinyata Store and Regina Portman Onasis was at a Hess Gas Station in Raynham in Ma when I worked for Pep Boys, Manny, Moe and Jack which is why theres 3 Mailbox Bombs in Eastwoods Apt set to Blow his face up when Opening the Mailbox and his Rugie Partner didnt find it in time and it blows up in his face. 3 is The Triple and Bomb Payback planned from Ryans line. Now RYans point Ed Davis Shakes his head in the Space between Tents for a Reason as theres 5 of us, Twins and The man in the Grey Coat Storm Photo alone on the Rocks had a Grey Coat with Pattern like (Eastwoods Suit when hes knocked down on the Ground) =====

Now Ryans point, Pedro Ringwalds, Dickinson Related to Vietnames Marlyn Dickson who was a Glen at Staples mixed with Sue Pedro (Billy Jean King Obama Relative) who shot the BBs at me when 4 Years old on Dartmouth Street on the Shining Danny Big Wheel in Spyderman CLOthes and Celas relative was related to the mexican in the wallet Id who stole a Inspector Badge Eastwood tossed into a River at the end of Dirty Harry after Catchen Whool with a chase thru a Football Field closed and reference to Olympics. Now RYans point theres a Hendrickson thats Broadcasting in Ryans head of Jerico Billy From Scream and the Muppet Kelly from Coach whos in a Photo With a

Shovel (Confessing to Burying the Portman Mother) that Lucas speaks of when She Gives Births to twin and its covered up and sent to Live with Uncle Ben (Rice Cat in the Hat Holder Con) and that was a metaphor of Lucas and Donna kidnapping me and the Gimp Red Leash Puppy that was Red because the woman on a Bench in Dirty Harry kissing a man has a Light Purple shirt on with a Red kid Sweater tossed over her shoulder like Senra Cape and Ed Senra was a Sergeant Smoothy and Ryan was in a McDonalds when the Broadcast first Started that Donna and Jon Took me to Once and she came in with Jon Leconte and a Senra Smoothy Sergeant was sitting at a Table and she made a odd comment to me of Stop Fighting it, meaning Rosemarys Baby people abusing me so Bubble Lip Senras could keep Ryans Estate and girl. Now they kidnapped me and there are Senras who mixed with Ryans and theres a Bubble Lip Vietnames Hendrickson that keeps maken comments in the broadcast Marks in a Wheelchair and My Dad El was sweaten back in the Interview cause she knows Rita, Donna and Stop and Shop Costa with my Dad Amber Els related to Bush, Heinz and Bono Paralels switched Ryans Trust Mentioned by Joe Costa at Stop and Shop with Lisa Dean Andrews and Hendrickson thinsk Ryans supposed to be abused and pay for Mark Being in a chair from Shaws. Now Problem for Lance, Ryan didnt put Mark in a chair and I saw Mark at a Hess gas Station years later, before I moved to FL and Ca and he was inside and looked like 1 eye was damaged and Ryan says Pinto and Mark are Both Stallone blood. Now in theory Marks pulling a con and had Pinto come in and kick and beat him down the Way Whool in Dirty Harry pays a Chris Glen Cash Money with Two Childrends tied to Two Abandon Aircraft Towers in a Ship Graveyard that Richie wanted to Drink at Graveyards in Stop and Shop days and a Chris Glen Rugie is paid by Whool to beat the shit out of him in a ship to say Eastwood abused him and sue. Now Ryan thinsk thats what the plan was (That Day) unbeknowst to me cause CHee Kee Kee stalone is in a wheelchair and is a Sarmento and in a chair since the 50s and Blames Ryans side and wanted me to be his Payback and Ryans point is Ryan saw Pinto and knew he was gonna beat him up and looked angry Mad and Ryan went over and Spread my hands between Mark on the Floor after Pinto Kicked him but wasnt really kicken him hard and Spread my hands out and said, Between then Hands out, Looking up at Pinto (Let Him Go and Mark Got up and left,) Now Lance is sayen in the Broadcast or someone is Marks in a Wheelchair and someone like a Obam or El in a chair whos Female Junior Wyaat and a My Dad Spoiled Brat thinks they get to put Ryan in jail for that day and Lance Doesnt understand he doesnt have a Right to Charge Ryan at All and its not Prosecutable....what they and Donna doing to me is a crime and Prosecutable and Obamas people, some that mixed with Lance and Donna and Mark and Maria Antonios dont understand Donnas people and Pam Roy in a Wheelchair with Fox Panda Teeth have to be fired and arrested for doing this to Ryan. They have done this to others, and drove them Crazy and dont understand Sarmentos Field of Dreams Broadcast is a Federal Crime and the People using it on me dont understand this. Bob Dylon in We Are the World in the Booth has Headphones and Ryan found out, why. Theres a seen in Magnum Force that has a shooting Galery and the Motorcycle cops are shooting Black and WHite Targets and Eastwood shoots all of his Bullets in the Center of the stomach (Doesnt Usually Kill a Person) and the Ditata and Soul who Swaps places in line and Alley with him shoots 4 in the Belly and one above a plan for a Furture Orbiting Satellite to Broadcast while weakening Patsys with Stomach Cancers and Ails and they then take there sound Headphones off and all hang them on

a Metal Bar like the one that Dirk Benedict touches all Nervous in a Old Photo with him. Colletis has a concrete Boat dock behind it Between Daveys Locker Sea Food and Colletis and the Dock is Concrete where a Dead Pool or Gauntlet Rape may have happened that made Liz Portuguesse and Costa want to play Exorcist Weegie in West Beach and Liz wanted us under a Seven Blanket near Daveys and that Dock and it has a Metal Rail. Barboza who worked for Joquims Car Lot had a Hosue across from the Dock with Windows like Al Pachino Godfather house when he shoots and orders Fredo wacked in the boat (Same Windows in Front) and thats why Green took me to Richie and Adam Newman Possum Chef Killers Fredo Vava Tavares Bono Fredo Diner.

===== Now Ryans point getting back Tom A Few Men about The Ball is Ringwald in Pretty In Pink and 16 Candles comes out a Bridesmaid in Light Purple and someone tossed a Light Purple SHirt on the rocks outside Seven Eleven Across the street that has a Cheap Cars or Clear Car Business and Cars is inside the Train Station in Dirty Harry where a woman in Lilac Purple Hiding a Face has a Kid Red Murder Sweater over her shoulder. (Its a Scam Tied to Swappen Ryan) and Ringwald in 16 Candles was Related to Ryans birth mother and was supposed to save me a Bench and seat which is the half Cousin B who has Baby Face Irish Jowels like her playing Pretty Baby. Now where it went wrong was having to explain to Ritas side of Ringwalds who are Likes, Vons, Patty Schlatz Moonpies, Goodman Chins, Lucases, Spielberg Muppet like Kelly DONna who grabbed the Recipet cause shes a Concrete Cash Register tied to hated Sortie that was in Raynham where a Lana Lima was worken undercover at a Bar thats in the middle of a Rotary in Town near a Sams Gas Station I made Deliveries to and I had a Pep Boys Gas Company Card to fill up the White Truck I drove and they had a Account with Hess and stopped at one in Raynham and Donnas Judy Garland Fucken Hated Sort off Regina Gonzalez Grabbed Ryans Gas Card and Stared at me and swiped it like a Thief tied to the Credit Card logos in Dirty Harry and understand Ringwald in the Couch seen lying down like Eastwood was tied to Gilly and the Black Belt and was trying to see if tom understood her scam and wish to get to Black Belt Con Artist Level, Well was already at Grand Master 3rd Degree Black cause she was part Tony Pacheco and in on the Phony Bring McDonalds to me from 1971 hence the Im a Phony Comment at TVi where a Hush Puppy was also in school with Ryan. Now (Understand) Lying down on the couch and Stenberg the Father getting up, he was trying to figure out if she knew Sybal Shepard in Taxi Driver in a Penis Bitten off Phone cord thats behnd Dinero in the Diner seen in NY with a Fancy FLower Water Fall Concrete Fountain outside the window like Rome and Catholic CHurch middle Rotarys (Why Belmedia had a Parking Lot Flower Middle Rotary and they wanted me sat down, for a Photo with there uncle Dying with a Del of (Cancer) and wanted me to be Agent Orange inside paid back later and sat, Mielos had a Connetict FLower Garden and she showed us Pictures of some Garden with Flowers and Celia and her made odd comments they wanted a Flower, so they paid Mark to take a Beat Down with Pinto Plot to make it look like Whoools Beat Down, But Ryan didnt do what was supposed to happen and stopped the Fight (But didnt understand then it was a larger con.) *

*===== Now

Ryans point Taxi Driver with Jody Foster a Under Age Prostitute whos taken for Lunch in such a Diner was hired to be Dineros Date and Pimp Daddy tied to Rugie that made El Amber (Did something she was sweating about and wanted Ryan to be banned in the Interview cause Tracy wanted Prom and El was deathly Afraid then Ryan would End up with The Ball senerio and up el and ruin her mafia Planned Empire to Cover up what they did. Now Sybal Shepard (Caldes Smoothy Rumples Lips) sits in a chair across from Dinero that has a Black Dangling Phone Cord behind him like a Penis bitten off and she makes a angry comment (thanks for giving me all this) as a White Car like Ryans Pulp Fiction Blue Car Light color tied to the Tunnel of the Eastwood Robbery attempt seen in Dirty Harry when hes forced to carry the McDonalds Duffle Bag from Phone Booth to next booth for Instructions where it drops to ensure no tail of cops. Now Jody was hired as a Ho for Dinero and when he pays for her, the Pimp answers his question of you can do anything you want, fuck her in the ass all Day. Now Bob Dylan (Times are a changen was the only person left in We Are the World and Feed the World Sham (Attempt for the person that came up with the idea to make Black Belt Flammer Scammer with all of them pretending they care about africanians with no MULA in Famon Country when Obama came up with the Famon and was collecting Checks for him personally and releasing Poor Rugie In African with Fly Photos. Now Ryan says, The Ball was part of a con and Lisa Dalamore at Staples made *(James Comments) angry like Ringwald with a Joanne Silva and James Spader in Bed seen in Pretty In Pink when she walks in and stands against a Wall and says (James the same way Lisa Dalamore did at Staples and this is why Lisa and Amber Abused me as Watson who has a Capt Chris Pike relative before I was born in a Wheelchair was part of why they switched and kidnapped Ryan. Now Betsy had Features and Jewels like Ringwalds Pretty Baby Face in the Hall before the Ball when Ducky Comes up to see her in the dress. She then comes in and does Im Hear and Sad Teeth move thats supposed to melt men like Butter. Now 16 Candles Exit, same face and thats Baby Jewels cheeks and across the street was a Flower Bed tied to a Kidnapping at 1 thats parallel to a Park Ryans seen in La with the same kind of Flower Bed with Wooden Cash Register Liquor Store Register that gets robbed and whool jumps the counter and Beats up the Clerk Old Man. Fast Times Sarmento Tossed a plate of Cookies at Judge Reinhold in the Seven Eleven Type Store in Fast Times, but then couldnt steel the money clean yet cause of the Video Camera and magazine with Kadafee on the rack watchen, who was the thief and had Candoo Face and Butter Face. Now this is getting (Tom Few) to The Point of The Ball and Encounter and Ryans life being prevented by Ugly Ambers, Ritas Ella Mean nervous Greek and Del Ringwalds Ugly Ethridhe Italians from Meeting someone at the Ball a Second Time and The Ball is Important for Minds that understand why. Ringwald Understands The Ball (The Non Pedro Version) because James Understood the Ball didnt belong to him and so did Ducky whos Dylan Relative didnt put down Shooter Range Headphones, cause Bob was supposed to help Fredo Scott the Bathtub wack me last and the Magnum Force cops then wacked 4 twin brothers already and hung up Headphones as the shooters on the Rail..Ryan was last for the emporor cause I was first Born. Ed Mayor Jaws Larry on the Beach shakes his head between Tent 1 of 2 on the Beach for a Reason tied to the Two Beamers between McCarthy and Ringwald in Pretty In Pinks seen where she comes into the Ball, Andrew is there and gives a speech Love you

as Bad as Rachel Reese in Jaws Bar (Which is REALLY REALLY Bad and when she turns and tells the Crowd Tonigh and they have to ackalade Daddys Girl someone at the Ball then who was already Black Belt Cast her Airless Brain specially for the seen and only people worthy and Smart enough to say, No Prom, No Dance, No Tap. Bring me the Ball Senerio will understand what Ryan means. Now Ed Davis Berg did, but was also a Mafia Don and he shakes his head yes, in Jaws Between 1 and 2 going toward the 2 Tent and stops after 1 (First Born Line is Ryan in Twin Sarmento Photos with Elbows on Counter and stops because he knows Ryan first Born is smart enough to avoid Tracy Vargeses Ringer offers in 16 Candles Family Fugitive Photo that shows Varges in a Family Photo (Then with Ryans twin brother) with them used to make the mask con complete and frame me to get to the Ball and Ryans Trust they kept, which is why Prom Tracy and them and My Dad El are Nervous all the time. Now What The Ball was about and the Bad Acting which is Precious in Both Seens as a The Ball Future Birthday Bride for Ryan set this up in Advance years ago understood was that Ryan if I was Andy in his place which is why Betsy Came by the Taxi Driver Window and Can Fuck Me in the Ass and Anything you want, if Im asked to the Ball. Now what people dont understand about the difference between the Ball and Prom and Dance is this. Now Ryans explaining In the Pretty In Pink Ball Seen with Bad Andy Acting speach *

<https://www.youtube.com/watch?v=q87sTz0WCqE>
 <<https://www.youtube.com/watch?v=q87sTz0WCqE>>* and the Donna Wilkes Youtube Listed Bar Seen with a Rachel Reese *

https://www.youtube.com/watch?v=pVu0_A5hEas
 <https://www.youtube.com/watch?v=pVu0_A5hEas>* and how this ties into why Wicked Smarts in The Good Will Hunting seen *

<https://www.youtube.com/watch?v=azM6xSTT2IO>
 <<https://www.youtube.com/watch?v=azM6xSTT2IO>>* all tie into a point, connected to the Ball being asked to Skip the Dance*

*===== Now I cannot Find a Rachel Reese Donna Bar Jaws seen with Voice and it looks like someone taped it off a Tv, so they might switch it with a Different Video than the Link, but there is a seen in Jaws in the link above that has a Rachel Cavanaugh Reese that goes up to a Carey sitting at the Bar and she (Asks Him to a Marthas Vineyard Kind of Ball, which isnt the same as The Pretty In Pink Yuppie Cinderela Story Bill Murray Golf Clubben FLOWERS angry someones head was cracked open by Paul after the BBs were shot or Prior and why Kevin Neelen in a Golf Commercial yanks a Club out and holds it up in a man look at this when to a Eric Holder Snoop Dog wanting Pistachios Throne and then there all in the Club with the Back Nine and talken about getting Ryans club out lip sinken Fredo BS that Neelens Club was used to get a Guard out of the way, so they could Spyderman Up Bench in La with the McClellen in a coat on it when the Book was held up a Yearbook with Potential (Ask To the Ball Senerio) tied to Washington Cross Deleware, Now Inside was a Poster of Chris Glen with Twins, 1 a Little Party Rita and the other a Friend with Chris over them reading from the Open Your Imagination Wizard Book there

all looking at. Now Sarandons Poster was above the computers in the Sherman Oaks, Ca Library connected to the Breakfast Club Detention SHerman High where someone was kidnapped back then and abandoned like the Navy Dirty Harry Shipyard and wanted to use Ryans Twin Between Bricks and the White Twin Apts behind to take off with Ryans heist and leave me with the Pink Side Gimp Hall with Sign Girls W F. Will Fall or Will Farrel. Now understand this was some get Gimped when On Detention and dont make it out. Now Ryans point is that the Book was tied to a Locker in Middle School, Pulaski or Voke that Justins McConehey Hey Man Pulp Fiction Hippie in La came up to me and had a Notebook with Naked Woman, Klds and Models that I saw Briefly and didnt see who they were and hes talken all this crazy hippe stuff shown me his Notebook thats the same Blue as Ringwalds in Pretty In Pink in the hall Near Lockers. Ryans put 2 and 2 together. Mayor Davis Knows First Born Tent isnt as stupid as 2nd Born Sarmento and thats what Ringwald stops with Andy outside the Ball and Kisses and Hugs him hoisting a Purse between 2 Beamers, same as Tents in jaws and Space Between because its a Ball Heist for those that set up a The Ball Meeting Senerio and Andy handled it (Wrong the way Rachel in Jaws comes up to Carey with Creepy Eye brow and says something so badly Acted by Hire Daddys Girl that My Dad wanted in there and she comes up and says something like you wanna go to the Boat Race Tonight and he says something like are you free and she says something like sure, My Dad says we can take his out and he says Ok Ward and she says Its a Date...so Badly Acted, Turns and Tells the crowd the Dates tonight who were right there and know this already and they make Yeaghh Agravated that Daddys Girl in the movie they said (Pretend shes the star and shes a Great Actress) and she takes off. Now a Lagasse Bush driven a Bus when Ryan gets on near a Church in Ft Lauderdale with a Cross outside I get on and he has Justin Beaber and Nervous Patty Sanders nicole Eyebrows and he says Save The Date (This is what The Bush Lagasse tied to Zane in Titanic was spoken of and Understand its not possible as they didnt Edit Rachels seen out and had they, she might have taken more acting classes and gotten a Part in another movie instead of her going as Daddys Girl to other Auditions after Jaws and having Casting Directors call her back and say we really loved your audition, but your role in Jaws is so Famous there afraid your part in Jaws as so Epic people will remember you as the Date at the Boat Race and The Dates On Tonight and Rachel would start to catch on years later this is why she needed Rides Home from Ryan and she was hopen Ryan would talk to Scheider about doing another Jaws where someone was supposed to put her back in and have her explain the seen was a undercover The Ball Senerio Joke and this didnt happen and her Career as a Actress was Unsavable after that seen. Now Ryan says why there is a Hall and Outside Difference in Pink and the kiss outside which was tied to Jones Beach Baby *

<https://www.youtube.com/watch?v=RmyoEFuMGkQ>

<<https://www.youtube.com/watch?v=RmyoEFuMGkQ>>

<https://www.youtube.com/watch?v=q87sTz0WCqE>

<<https://www.youtube.com/watch?v=q87sTz0WCqE>>* Now Ryan knows what the Ball Senerio was about and why Andy at the End hoists the Purse between Beamers a Watson and Shatner Reference and Beam me up in the middle and its kind of like this.*

* ===== Now Andy was Liz Moss

McCartney Excedrin relative and Black and White Tux tied to Perrys Funeral and Fast Times Locker and Locker Case and Justines Tarantino Relative in La after shown me a Notebook thats Blue like the ones Ryan had in Middle School, Voke and Pulaski Ringwald Had 1 and Ryan has heard they found a Locker, Locked thats tied to Henry and the Pot being kept in the Locker at Stop and Shop in the Break Room Second Floor above the Bathrooms the Little party Came out when me and Joe Costa came and found her in the Bathroom Hall and she came out and was a Donna Twin of Rita and Ryan knows this is why the skin is under the penny in Ryans towel closet with Queen Liz Regina Penny on Top and SKin under the penny. Now the Ex wife Kathleen Turner relatives in a Commercial for some skin Disease and there meeting at a Salad Bar with a Carey Ruffalo Eric Jamison Relative and they shake heads and agree to help a Competitor or Little Party Salad Bar Rita make someone for the Ball and back then Rachel was supposed to be the Bar Birthday Party and the Little Party didnt have the Bar from Jaws yet, nor did Breakfast Club Judd, EMelio and Julien who when Ryan was in Westport the Ex wife said when Julines Cotton Bud Light Push Girlfriend came around with Julien he wanted a Beamer (BMW) and there gonna say Ringwald was tied as was Spader to the Orientals tossen Rocks at me and a Friend at Ricas Beach (Thats Not Correct) but Tarantino in Pulp Fiction and Dead Nigger Julien in Trunk of Car with Jackson and Travolta who blows someones head off and swaps Bodies between Julien and the kid they show (Who Was really dead and in the trunk put in the movie is in Tarantonios house that has Chairs made of Iron that have Rolly Fingers shaped Mustache designs on all 4 Chairs. He was a DaSilva with a Fiero in McDonalds Canary Color with No Trunk. Now RYans point Henry came into the Break Room and had Pot he was sellen in Ziplock Bags, Tied to Eastwood zipper shown on the McDonalds Woodward Bag in Dirty Harry. He locked the Pot up and kept it there, now in School I saw Bomb Sniffen Dogs in the halls 1 day, looking for Drugs and why they were really there after I heard what happened, someone tossed Child Porn, perhaps a body part of a kid and Pot and things in a locker and Locked them up to Implacte Ryan cause someone ratted out Henry Freeman or Chucky Tobias in Magnum Force related to Silence of the Lambs Biten the Gold Pen from Stantons and related to Hears Johnny that showed at Tyrones Chain Gang at 3 am when they put him on the chain and a Redford Hears Johnny related to a chuck and Redford parel woke us up with a tappen on the Glass Window Door Plexi of Upper Cell Pods Cells and he said, Heres Johnny like Brooks and said, Your on the chain and kicked him up to State of Federal Prison with Charges. Now he held the FlashLight under his chin and looked like the Cop and Chucky in the parking Lot of Dirty Harrys Magnum force who now has a Black McDonalds Duffle Bag. 1st Floor of the cells had a Flea Manson and other people that rotated and Ryan was moved around to a couple Pods with Two Levels of Rooms. One of them put the Penny and skin sufle and a Pike in there, made a comment, Thanks for giving us your baby sitting at a table waiting for food. Now understand, Tyrone had Poloroids of his Girl and one of his Aferican Girl he was dating and another of him in Drag with Lipstick

like Et was dressed up and he was a Dressed to Kill Skitso tied to I Am Legend and he showed me a Picture of himself dressed as a woman and then would Ryme Raps like Rachels acting in Jaws 2 Bar Date.

===== Now Ryans point a Shawn

Martin Tied to a Simon Cowell kicked out the window of his Pod Cell which is plexi and he was taken out to the Hall of the Pods where the Guard Center Station is for all the Pods on the Floor around it and he was sat on the steps and this Martin Cowel missing teeth made a comment, *Sure I'll Give You.....\$50 Dollars and Donna calls me out of the blue this morning and says, I Gave U \$50 Dollars and U is Sniper Pedros that look like Anne Hathway who had Beedy Nervous Anne Borenatzes in Wal-Mart Today walken Around maken hes not really Psycically Disabled after causing a Nanite Stroke that Sweet Ass from Good Will caused with David whos retarded Cena relative thats a Bald Ray Croc Belmedia thats a Retard thats like a Cena whos waiting to have a new Gimp tied to Training Days Wooden Floor (Cash Register from Dirty Harrys where a Gimp Box came up under the Floor and the Judge whos a woodward is telling stories about a Cell Person with Peanut Butter up his ass *Trash Kerry and Tammy and Pictures were taunten my ass at Masons maken Look Shes ready to take it in the ass and Chucky Tobias near a Elavator turned oddly and said, Your the Rat because Dirty Harry Motorcyle cop a Senra Moogey Jaw was a Mafia Cop as was Stacey Mesquitto who had a Grudge about someone in her family tossed in Prison and thats why she brought a Dead Rat in the Check Box to Mr Frys Class, Showed it to me and said. Look C and wanted people to think Ryan mailed it to her. Larry was all wanting a Number 2 Pencil which Ryan thinks he was testing to see if the woman in the Birds was the Undercover on someones ass in Hitchcock movies and the Pencil meant something to Larry a *Number 2 Like Sarmentos x Wiffle Bats tied to the inside of a Ships Sealed The Decks and sank and Drowned the Sailors Boat and X inside the Door of Dirty Harry. Sarmentos baby picture had 2 Wiffle Bats, Ryan had 1 same photo of elbows on counter. The Mail Box Check was tied to the House the Oriental Donna with Eastwood lived in at San Francisco which had a Design on the Iron Security Screens of the comforter Pp Biter Design in Black and White Donna gave me (They had a Twin Brother of Ryan in SF then and Justines Notebook relative whos a Moonpie Tarantino showed it to me and then some Oriental Mafia woman comes over to him and says *They Dont Know Anything and he says no man and takes off. Now Taxi Driver and Shepards says, thanks for giving Me...all this as a white Buick Century does a Circle around the FLower and Center City Sculpture in the middle of the road like Romes Streets and Rotarys and the Car is a White Car version of Ryans Light Blue Pulp Fiction Fat Man Junk Yard, Dianna Manson related to the X Wife used to look at me all Crazy and say Your a Little Boy and Fat Man when Sidney Shaw bought me a Used old Junk yard car in College that had Maroon Back seats tied to a Lisa Dalamore raped in Magnum Force seen, the Car was the same as the Taxi Driver Buick that was white instead of Robber Light Blue and Fat Man sitten on a stool was right in the middle of the entrence of the Junk Yard on a Forest Gump Stool and the yards, connected to Pulp Fictions Get rid of the car. NOW, understand Little Boy and Fat Man were the name of Jap Nukes Dropped on Japan and Dianna Manson was a Jap Cruise My Husband Celia who hated the Little Boy Crew! The Oriental Donna was a Jap and inside a SF Apt with twin Design Rail Screen and Todd (Woodstock Sanders took a Stick when we were riding and hangen out in Stop and Shop days and pulled on a side street and

said wait here and went over and beat down someones screen door for no reason and Ryan realized Ed Murphy with the Judd and Tagert speech of you guys are not just Cops, Your Super Cops was Why Morgan in Good Will Hunting wanted to get into the Passenger seat as did Damon and this refers to Ryans High School days in the passenger seat of a Todds Car, Jeff Leclair who was with me and other Friends ridden down Acushanet Ave down to 15 Miles per hour and holding up a line of Traffic for 15 minutes which is why the Jean Jacket Truck Field of Dreams Boys Dont cry set Thats it off driven the Volvo and selling Pot Stop and shot Days with Crsitne Mallon and Crystal Richies Girl and Steve and angry we held up Traffic and I think a Thats it wore the mask of Ryan and thats why the head skin mask shadow doesnt line up. ===== Now Ryans point, The Ball and when Ryans in the Passenger seat of Good Will Hunting Chris Glens car and has a sister, Jeff or Todd its not just the Super Cop Seat its the Super Fun Cop Seat and Murphy knew this back then and allot of people wanted 1 of those passenger seats for a reason. Now The Ball getting back to matters cause when Ringwald Plays Prettied up Baby Jowels at the Ball Andy Does the Bad Acting Love Speech and leaves the Ball and meets outside for a Kiss, but Ringwald wanted a Space Between Jaws Tent that Davis said, No the First Born Son in the 2 Year old photo is not gonna fall for the Prom, the Dance or Boat Race Bazar. He stopped and shook his head, after Larry on the beach because Davis Knows Ryan understand the Ball and this is why Ryans The First Portman Prince and Super Fun Cop Passenger seat side and Andy Needed the Space Between But Tatoo Back then and Andy McCarthey didnt understand this was the switch between McDonalds Yellow Dufflebag and Black Duffle and again trying to get from Brown Belt Flammer Scammer to Black and pickup the Jaws Purple and Neon Pink Panties with Flowers that crosses left to Right while Shower schindler tried to Take IT Back for clark Duncan in the Green Mile. Now Ryans point the Difference between the Prom (Nervous Tracy which is Andy in Pretty In Pinks approach to Ringwald and speech of Andy Ive always loved you and he says it like the Farmer Jeans Girl the the Band Aid commercial that touches her Band Aid on the arm and gets confused like Bubbles in a Rubber Room tossed Yarn. someone opens the door and she stops all tangled to see who iterupted and then continues with the Move made by the kid behind the band aid ad. (Chipped) and messed up by Nanites and abusers confusing her. Now Ringwald understood what the Ball means and so did Becka who came to meet as (The Ball Offer) belive it or not. Now understand those that do the Dance (Rachel in Jaws Bar Act like she did,) and Prom is Andy in Pretty like Nervous Tracy and those that do the Ball (Space Between is what Andy would say in the Hall if Ryan was asking B in that senerio of the Pink Dress and B shows and we leave the Ball and in the Hall, (Not Seen in Pretty in Pink) whats said is edited out where Ryan would have stopped B and stared into her eyes and said The Ball Question which is this. Staring into her eyes and sayen perhaps grabben hand with Corsate Spyderman Wristband Flowers and Prayer Beed and stopped her and said, something like, so you Came alone to the Ball....she would say, geeky yeagh and Ryan would say, I have 1 thing to ask you and I dont want to go back in there in dance and the pensive yeagh with the Ball Look and Ryan would say, I wanna take you out of here and have one question.... Now Will You Take It In that Shit All Day Long Till Its Sore and the Ball Replies with a Dip Wooooooo and leaps and hugs and leaves. Now Andy didnt understand the Ball People dont romance in the streets in the space between

they take off to the Shit Rip Room for an All Day. RYans point I keep getting people like Hush Puppy sent by McCartney to ask me to the Ball, but shes past the Ball and simply wants a Misses Robison (But shes a Hush Puppy if that makes sense and the Little Party doesnt understand to this day, Ryans not going to Ever, Ever Ask Rita or a Ethride or Ella Mean to The Ball, cause there not a English Becak Boobies. Captain Palka,

There is an additional sentence to the threat from [REDACTED] last night (I have the actual form now that he filled out online):

"You are all dead. I am gonna murder all of you pig cult bastards and blow up all your building. You are fucked."

I have a call into the [REDACTED] Police Department but if I could connect with one of your officers ASAP I would greatly appreciate it. Or I can go to the station, whichever is best.

Thanks. Kirsten

Good Morning Captain Palka,

I wanted to ask for your guidance on something. The 2nd Season of Remini's show is going to begin tonight. We have already started getting an increase of hate mail just with the teasers, so I am expecting the threats to start up shortly after the first episode (tonight).

Previously I was going to the Hollywood station to report any threats we received, but sometimes this is difficult as they are not the normal types that the officers at the front desk are used to dealing with. Then in January I was advised I could work directly with the Threat Management Unit, which has been very helpful, but does not result in my ending up with a Police report documenting the fact that we received and reported a threatening communication.

I fully realize that a lot of what we report will not necessarily go anywhere as far as investigation and prosecution, but I still feel very strongly that I must report and properly document that I did so. Part of the reasoning on this is that we have experienced that we will get a random threat and then down the road, it connects to another more serious one. Combining the two then starts to build a case that can sometimes then get pursued on Law Enforcement or Legal lines.

Bottom line of my request is guidance on how to best set up a line with an Officer at your station that I can make these reports with. Simply to document the fact that they occurred - so I can have it reported to the police, and can come away with a document showing that I did. The yellow Police report copies that I get when I go to the station is enough for the

purpose of documenting the harassment and the threats.

Any guidance you could provide on this would be greatly appreciated. Thanks.

Det. Grundland,

You were copied on this email. NE is sending a unit now.

This is one I really want to crack. I'll have someone start working on the IP but I'd greatly appreciate your doing any checks you can on your end.

The Remini hate speech has cranked up again with teasers for season 2, thus the threats are worsening again.

Dear Mrs. Pedersen,

I wanted to inform you that the staff member in charge of promotion at the Church of Scientology Los Angeles, 4810 W. Sunset Blvd., Los Angeles, CA 90027, received the threat attached to this e-mail. She saw it this morning, but as noted, it was sent last night at 1:52 A.M. This message was sent via the "Contact Us" link on the Church of Scientology website, "Scientology.org". The suspect's IP address is noted on the message data, and the suspect filled out their state as "California". The threat itself said: "I'm here to purge the world of scientologists. I've left a pipe bomb at one of your churches. Have fun." We are currently doing our drill and so far have had a team of persons, including a bomb dog, check our premises for any bombs or signs of one. Nothing has been found.

Please let me know if you have any questions.

Subject: YOUR VERY SPECIAL INVITATION TO A HISTORIC STUDIO OPENING

Dear Captain Palka:

Please read the following special VIP invitation for you and your spouse.

On Saturday May 28th we will experience the grand opening of Scientology Media Productions or what we call SMP. SMP is Hollywood's newest studio! However, you may remember this historic 5 acre TV, Radio and movie production studio as KCET. The location is near the triangle where Sunset meets Hollywood Blvd.

The studio is now the property of the Church of Scientology and it is completely renovated from the satellite dishes to the three mammoth sound studios and the fully integrated computer systems taking in and putting out news, data, radio and television in and beyond greater Los Angeles. SMP is the oldest movie production studio in Hollywood, originally built in 1912. Hundreds of movies from the talkies to hits in the 50's as well as TV shows we all know from the early days of TV.

You will be amazed at all you will see and hear including fantastic live entertainment, food and beverages as well as a tour of the facilities.

I hope you and your spouse or significant other can attend this amazing Hollywood studio opening. We look forward to seeing you on the 28th at 1:00 PM.

Please Confirm in your RSVP back to me and we will give you parking instructions, which is free!

I sincerely hope you can attend, it will be great to see you again.

Always,
Bob Adams

Dear Assistant Chief Girmala,

Well, I sincerely hope everything is going well for you.

First, I will just say we miss you as our Hollywood Division Commander! Of course we have enjoyed a great relationship with both Capt Zarcone and Capt Palka, but we are allowed to miss you! So, we do! :)

We wanted to extend an invitation for you to attend our Christmas Stories benefit again this year, being staged on two nights as always, the 1st (Friday) and 2nd (Saturday) of December.

This is our 25th year producing the show, so we are doing all we can to make it very special.

We added up the total, and it's hard to believe, but this show has raised more than \$400,000 for the LAPD Hollywood Division youth development programs since 1993! Obviously we are very proud of that, but more importantly, it's the thousand upon thousands of children reached and guided to live a better quality of life that is truly important.

So if you are available, we'd love to have you either night! BUT, I just found out that on Friday night we still have the need for an LAPD official to accept the check of \$20,000, so we'd love to have you fill that capacity if you can. However, if you would rather just come to enjoy the show, that would just as fine as well!

Bring as many guests as you'd like. Please let me know if you can make it.

And for a trip down memory lane, here are a few highlights of the show, over the years:

Good Morning Captain Palka,

I wanted to ask for your guidance on something. The 2nd Season of Remini's show is going to begin tonight. We have already started getting an increase of hate mail just with the teasers, so I am expecting the threats to start up shortly after the first episode (tonight).

Previously I was going to the Hollywood station to report any threats we received, but sometimes this is difficult as they are not the normal types that the officers at the front desk are used to dealing with. Then in January I was advised I could work directly with the Threat Management Unit, which has been very helpful, but does not result in my ending up with a Police report documenting the fact that we received and reported a threatening communication.

I fully realize that a lot of what we report will not necessarily go anywhere as far as investigation and prosecution, but I still feel very strongly that I must report and properly document that I did so. Part of the reasoning on this is that we have experienced that we will get a random threat and then down the road, it connects to another more serious one. Combining the two then starts to build a case that can sometimes then get pursued on Law Enforcement or Legal lines.

Bottom line of my request is guidance on how to best set up a line with an Officer at your station that I can make these reports with. Simply to document the fact that they occurred - so I can have it reported to the police, and can come away with a document showing that I did. The yellow Police report copies that I get when I go to the station is enough for the purpose of documenting the harassment and the threats.

Any guidance you could provide on this would be greatly appreciated. Thanks.

Good Morning Captain Palka,

I wanted to ask for your guidance on something. The 2nd Season of Remini's show is going to begin tonight. We have already started getting an increase of hate mail just with the teasers, so I am expecting the threats to start up shortly after the first episode (tonight).

Previously I was going to the Hollywood station to report any threats we received, but sometimes this is difficult as they are not the normal types that the officers at the front desk are used to dealing with. Then in January I was advised I could work directly with the Threat Management Unit, which has been very helpful, but does not result in my ending up with a Police report documenting the fact that we received and reported a threatening communication.

I fully realize that a lot of what we report will not necessarily go anywhere as far as investigation and prosecution, but I still feel very strongly that I must report and properly document that I did so. Part of the reasoning on this is that we have experienced that we will get a random threat and then down the road, it connects to another more serious one. Combining the two then starts to build a case that can sometimes then get pursued on Law Enforcement or Legal lines.

Bottom line of my request is guidance on how to best set up a line with an Officer at your station that I can make these reports with. Simply to document the fact that they occurred - so I can have it reported to the police, and can come away with a document showing that I did. The yellow Police report copies that I get when I go to the station is enough for the purpose of documenting the harassment and the threats.

Any guidance you could provide on this would be greatly appreciated. Thanks.

Hi Dan,

After a number of emails requesting assistance in resolving the problem with transients that have established permanent residence in front of our building, we feel that our problem will remain a problem for a long long time. Add to that problem is the presence of a group of four male individuals (two whites and two blacks) hanging out almost everyday, daytime or nighttime, in front of our building, eating, smoking, drinking and leaving their trash on our lawn, sidewalk and the street. We believe they were somehow encouraged and influenced by the presence of that tent next to our building. A couple of days ago, I called 911 to ask to check out two of them sitting in front of our gate blocking entry to residents who felt threatened and called me to report them. I saw a patrol car come by and I saw one of them talk to the officer in the car. After that, everything seems normal and they went back to what they were doing. The other night I found the road leading to our building was blocked by patrol cars. I was allowed through by the officers and then I noticed that one of the female transients was talking to the officers and at the end of the road a guy was being questioned by two officers. I could only guess that the transients called 911 to report a guy bothering them. I cannot be certain if this guy was one of the four individuals I mentioned earlier but the point is we are affected by the presence of these transients and hangers on giving us uneasy feeling and fear when coming in and out of our apartment building. Let me add that these transients keep an unleashed dog which is another threat to the safety of our building residents. And I maintain our suspicion that these transients maybe involved in something illegal using our address as front.

So please, Dan, we would very much appreciate any action that can be taken the soonest possible time to keep us safe in our own residence.

Hi Dan,

Just a follow-up on my email the other day. As I mentioned earlier, the tent was finally removed but the very next day a transient occupied the exact same spot. (Please see attached photos). I also mentioned about the idea to place a huge planter in that corner to discourage transients from putting up a tent there. I have attached photos of the little cacti garden on Bronson Avenue atop the 101 Freeway courtesy of Scientology personnel. I already approached the same people for help in sourcing needed materials (cacti, soil and lava rocks) should we get approval for this project. We propose either a triangular garden similar to the one on Bronson Ave. which means part of the concrete will be cut off, or you (the city or the appropriate department) provide us with a huge triangular box or planter with soil and lava rocks and we will take care of the cacti plants.

We believe this would not only solve our perennial problem with transients but would contribute to the beautification effort of the city. And if you consider the many hours the police and other agencies spend in answering and responding to complaints about tents in that area which could very well be utilized in addressing more urgent needs of the community, I think it is money well spent.

Thank you again and I hope to hear from you soon.

Mr. Mayor/Gentlemen:

We are writing to your good office to bring to your attention this nagging problem with transient(s) living in a tent in front of our apartment building. Please see attached photo. It has been there for almost two months now and most recently we saw human waste on our walkway leading to our gate. In the morning, you see a lot of trash on the street and sidewalk left by people hanging around the area. Sometime this week a tagger spray-painted our garage door (refer to attached photo). Yesterday, I confronted a would-be tagger (photo attached), spray paint in hand, before he was able to carry out his intended plan. All these are somehow encouraged or influenced by that permanent encampment next to our building. This is really getting out of hand and putting us in great danger everyday. As the manager of the apartment building, I have been receiving numerous complaints from residents expressing dismay and frustration directed to the building management for not doing anything about it. I don't expect them to believe when we tell them that we have been calling and reporting this matter to the city government when they see no evidence of any action being taken. I really can't blame them because it has been affecting us in such a way that we no longer feel safe in our neighborhood. Our building residents, especially women, are fearful of entering our building alone at night thinking someone might just come out from behind and assault them. The tent is there 24/7 and we see no attempt in evicting the occupant(s) during the day despite numerous times we reported it to MyLA311 except a reply notifying us that the case has been resolved. What happened to the ban on erecting tents on the sidewalk during daytime hours? If we park our cars illegally on the street, we get cited and pay a fine. Why are the occupants of these tents treated differently when they violate the ban mentioned above? Do they get a citation or made to pay a fine for such violation? It seems to us that the police are powerless in getting these people and their tent removed.

We chose to move into our apartment building because of the Hollywood effect and also knowing that the city government will do everything to make this part of the city the biggest draw for tourists. Transients may be tolerated but to establish permanent residence on the side of the road in full view of all visitors from the freeway, I don't know how the city government can allow it. Keeping it unchecked will only make matters worse. If no action is taken now, we expect the number of tents to grow in the immediate future. It has been happening now on Carlos Avenue, our cross street. It used to be just one tent then came two or more tents. The last thing we need is a tent city next to where we live. So please help us keep Hollywood the place every tourist would like to see during their visit.

Thanking you in advance for your immediate action.

Dear Mrs. Pedersen,

I wanted to inform you that the staff member in charge of promotion at the Church of Scientology Los Angeles, 4810 W. Sunset Blvd., Los Angeles, CA 90027, received the threat attached to this e-mail. She saw it this morning, but as noted, it was sent last night at 1:52 A.M. This message was sent via the "Contact Us" link on the Church of Scientology website, "Scientology.org". The suspect's IP address is noted on the message data, and the suspect filled out their state as "California". The threat itself said: "I'm here to purge the world of scientologists. I've left a pipe bomb at one of your churches. Have fun." We are currently doing our drill and so far have had a team of persons, including a bomb dog, check our premises for any bombs or signs of one. Nothing has been found.

Please let me know if you have any questions.

Sincerely,

Dear Ramiro,

Hello! I spoke with our Technician and he can set up a connection for a power point in the "Little Theater" and in the stage, which ever is preferred by your team.

I wanted to also find out if you could give me a few more details on the meeting. Is it a day of training seminars for the officers?

Would you be able to send me an agenda for the day?

We can also print the agenda for you here at the studio with a nice design if you would like.

Also, if I could get the list of who will be attending officers & civilians (ie. Chamber of Commerce and Los Angeles LGBT Center etc.) this way I can give it to our front gate ahead of time.

I will also be working this weekend so please feel free to contact me with any questions or if anything is needed.

Thanks very much!

Hello all,

First of all I want to thank you in advance for taking time out of your busy schedule to help train and develop our Leadership Team. We are asking that you please calendar us in to your schedule for the purposes of days off and deployment. I have attached a copy of a TENTATIVE agenda for the day and your time slot. As requested by some of you, here is the location of where the training will be taking place and some instructions.

Location: Scientology Media Productions located at 4401 W. Sunset Blvd Los Angeles, Ca 90027

Parking: Free parking inside the location. Enter off of the Sunset Blvd main gate and provide the security guard your name. He will then provide with a visitor pass and direct you to the parking structure that is located inside the lot.

Note: Once inside you will be directed to where you need to by members of the staff.

There will be access to a projector and a screen for a PowerPoint Presentation. Please let me know if you need anything else. So far, LAFPP requested a table and four chairs that we have already requested and will be available for the day.

I will send out a email reminders and eventually reach out to confirm your attendance and a FINALIZED copy of the Agenda. Thanks again for your help!

He said that he could go and tell the guy to move away, but in all fairness it would be discrimination to just target him not the other music players on Hollywood Blvd. I told him that is not discrimination because he is responding to a noise complaint from me, and that we, the neighbors, have the right to have peace and quiet in our homes. I pointed out to him that between Jefferson at Hollywood and Rubix there are over 600 people living there and he needs to assist us when we complain about the noises and disturbancy of peace which I am doing now.
